

WEBVTT

NOTE duration:"01:29:33.6110000"

NOTE language:en-us

NOTE Confidence: 0.8727397

00:00:03.980 --> 00:00:05.568 Good afternoon everyone and welcome.

NOTE Confidence: 0.8727397

00:00:05.568 --> 00:00:07.800 We are so glad that you're here.

NOTE Confidence: 0.8727397

00:00:07.800 --> 00:00:09.582 Great to see in the chat

NOTE Confidence: 0.8727397

00:00:09.582 --> 00:00:11.290 box as we start today.

NOTE Confidence: 0.8727397

00:00:11.290 --> 00:00:12.880 People from across the country,

NOTE Confidence: 0.8727397

00:00:12.880 --> 00:00:15.106 from Alaska to Florida to Maine California.

NOTE Confidence: 0.8727397

00:00:15.110 --> 00:00:17.110 We are so happy to be with you

NOTE Confidence: 0.8727397

00:00:17.110 --> 00:00:19.239 today for this amazing opportunity.

NOTE Confidence: 0.8727397

00:00:19.240 --> 00:00:21.328 In the first of a three part series

NOTE Confidence: 0.8727397

00:00:21.328 --> 00:00:23.702 where we get to focus on strengthening

NOTE Confidence: 0.8727397

00:00:23.702 --> 00:00:25.487 the resilience in our youngest

NOTE Confidence: 0.8727397

00:00:25.547 --> 00:00:27.509 learners through a time of covid.

NOTE Confidence: 0.8727397

00:00:27.510 --> 00:00:29.910 I want to start today just by reaching

NOTE Confidence: 0.8727397

00:00:29.910 --> 00:00:32.412 out and let you know that at Scholastic

NOTE Confidence: 0.8727397

00:00:32.412 --> 00:00:34.620 and at the GAIL Collaborative.

NOTE Confidence: 0.8727397

00:00:34.620 --> 00:00:36.879 How much we value what each of you are

NOTE Confidence: 0.8727397

00:00:36.879 --> 00:00:39.065 doing in the education field right now.

NOTE Confidence: 0.8727397

00:00:39.070 --> 00:00:40.094 Truly unprecedented times across

NOTE Confidence: 0.8727397

00:00:40.094 --> 00:00:41.630 our country and the work of

NOTE Confidence: 0.8727397

00:00:41.678 --> 00:00:42.958 our early childhood providers.

NOTE Confidence: 0.8727397

00:00:42.960 --> 00:00:44.245 You're truly doing amazing things

NOTE Confidence: 0.8727397

00:00:44.245 --> 00:00:46.183 to to make sure that our most

NOTE Confidence: 0.8727397

00:00:46.183 --> 00:00:47.383 vulnerable populations continue to

NOTE Confidence: 0.8727397

00:00:47.383 --> 00:00:49.349 have safe places to grow and learn.

NOTE Confidence: 0.8727397

00:00:49.350 --> 00:00:50.398 So we thank you.

NOTE Confidence: 0.8727397

00:00:50.398 --> 00:00:52.410 And from the bottom of my heart,

NOTE Confidence: 0.8727397

00:00:52.410 --> 00:00:54.181 I want to say today that that

NOTE Confidence: 0.8727397

00:00:54.181 --> 00:00:55.470 I hope you're healthy.

NOTE Confidence: 0.8727397

00:00:55.470 --> 00:00:57.138 I hope you're well and I

NOTE Confidence: 0.8727397

00:00:57.138 --> 00:00:58.250 hope you're staying safe.
NOTE Confidence: 0.8727397

00:00:58.250 --> 00:00:59.605 We're excited about this three
NOTE Confidence: 0.8727397

00:00:59.605 --> 00:01:01.310 part series to meet your needs,
NOTE Confidence: 0.8727397

00:01:01.310 --> 00:01:03.284 to help you continue to meet the
NOTE Confidence: 0.8727397

00:01:03.284 --> 00:01:05.269 needs of students across the country.
NOTE Confidence: 0.8727397

00:01:05.270 --> 00:01:07.200 Scholastic is certainly proud to
NOTE Confidence: 0.8727397

00:01:07.200 --> 00:01:10.787 be a part of this Yale Child Study
NOTE Confidence: 0.8727397

00:01:10.787 --> 00:01:13.937 Collaborative and the opportunity to work
NOTE Confidence: 0.8727397

00:01:13.937 --> 00:01:17.250 alongside the Amazing Group of psychologists.
NOTE Confidence: 0.8727397

00:01:17.250 --> 00:01:17.846 At Yale,
NOTE Confidence: 0.8727397

00:01:17.846 --> 00:01:19.336 who are so passionate about
NOTE Confidence: 0.8727397

00:01:19.336 --> 00:01:21.309 meeting the needs of the youngest
NOTE Confidence: 0.8727397

00:01:21.309 --> 00:01:22.665 learners from our Chairman,
NOTE Confidence: 0.8727397

00:01:22.670 --> 00:01:23.306 Dick Robinson,
NOTE Confidence: 0.8727397

00:01:23.306 --> 00:01:25.532 to the President of Scholastic Reguar LRCACO,
NOTE Confidence: 0.8727397

00:01:25.540 --> 00:01:27.780 Michael Hagan and our director Karen Baker,

NOTE Confidence: 0.8727397

00:01:27.780 --> 00:01:30.336 this is truly a passion for them to use

NOTE Confidence: 0.8727397

00:01:30.336 --> 00:01:32.898 the power of story to meet the needs

NOTE Confidence: 0.8727397

00:01:32.898 --> 00:01:35.109 of students and working with GAIL.

NOTE Confidence: 0.8727397

00:01:35.110 --> 00:01:37.238 It is so amazing to see their work

NOTE Confidence: 0.8727397

00:01:37.238 --> 00:01:39.175 as it's interchanging of ideas and

NOTE Confidence: 0.8727397

00:01:39.175 --> 00:01:42.284 what the value of that can be to have

NOTE Confidence: 0.8727397

00:01:42.284 --> 00:01:44.336 the ability to impact students were

NOTE Confidence: 0.8727397

00:01:44.336 --> 00:01:46.455 excited today and we're excited to

NOTE Confidence: 0.8727397

00:01:46.455 --> 00:01:49.026 start today with the series to talk

NOTE Confidence: 0.8727397

00:01:49.026 --> 00:01:51.198 about code in the youngest learners.

NOTE Confidence: 0.8727397

00:01:51.200 --> 00:01:52.850 My name is Jimmy Bream.

NOTE Confidence: 0.8727397

00:01:52.850 --> 00:01:54.830 I'm the vice president of academic

NOTE Confidence: 0.8727397

00:01:54.830 --> 00:01:56.150 planning and solution development,

NOTE Confidence: 0.8727397

00:01:56.150 --> 00:01:58.020 scholastic education.

NOTE Confidence: 0.8727397

00:01:58.020 --> 00:01:59.508 One of the many things I get to

NOTE Confidence: 0.8727397

00:01:59.508 --> 00:02:01.420 do is work with districts across
NOTE Confidence: 0.8727397

00:02:01.420 --> 00:02:02.908 the country around supporting
NOTE Confidence: 0.8727397

00:02:02.908 --> 00:02:04.509 their initiatives in the district,
NOTE Confidence: 0.8727397

00:02:04.510 --> 00:02:05.920 including that is working with
NOTE Confidence: 0.8727397

00:02:05.920 --> 00:02:07.330 our amazing early childhood team.
NOTE Confidence: 0.8727397

00:02:07.330 --> 00:02:09.339 Many of you know early childhood team
NOTE Confidence: 0.8727397

00:02:09.339 --> 00:02:11.392 Kathy out in the East and Ernesto
NOTE Confidence: 0.8727397

00:02:11.392 --> 00:02:13.665 Rodriguez in the in the West as they
NOTE Confidence: 0.8727397

00:02:13.665 --> 00:02:15.499 work with you to meet your needs.
NOTE Confidence: 0.8727397

00:02:15.500 --> 00:02:17.084 Today we're going to talk about
NOTE Confidence: 0.8727397

00:02:17.084 --> 00:02:18.450 Covid in the youngest learners
NOTE Confidence: 0.8727397

00:02:18.450 --> 00:02:20.263 and we have an amazing panel to
NOTE Confidence: 0.8727397

00:02:20.263 --> 00:02:21.430 share their experiences.
NOTE Confidence: 0.8727397

00:02:21.430 --> 00:02:23.116 Starting with Doctor Will Walter Gilliam.
NOTE Confidence: 0.8727397

00:02:23.120 --> 00:02:26.488 Today he will share with you his research.
NOTE Confidence: 0.8727397

00:02:26.490 --> 00:02:28.524 Around what he has found most

NOTE Confidence: 0.8727397

00:02:28.524 --> 00:02:30.694 recently on the effects of covid

NOTE Confidence: 0.8727397

00:02:30.694 --> 00:02:32.944 inside of the early childhood centers.

NOTE Confidence: 0.8727397

00:02:32.950 --> 00:02:34.096 Doctor Heather Harris.

NOTE Confidence: 0.8727397

00:02:34.096 --> 00:02:36.770 Who is the Director of Child 360?

NOTE Confidence: 0.8727397

00:02:36.770 --> 00:02:39.059 Will talk about the needs and how

NOTE Confidence: 0.8727397

00:02:39.059 --> 00:02:40.904 she is supporting districts across

NOTE Confidence: 0.8727397

00:02:40.904 --> 00:02:42.488 her area of service.

NOTE Confidence: 0.8727397

00:02:42.490 --> 00:02:44.275 And then we'll go to Tracy Smith,

NOTE Confidence: 0.8727397

00:02:44.280 --> 00:02:45.911 a licensed social worker who can share

NOTE Confidence: 0.8727397

00:02:45.911 --> 00:02:47.706 with her the experience that she has

NOTE Confidence: 0.8727397

00:02:47.706 --> 00:02:49.272 had in supporting the families of

NOTE Confidence: 0.8749686

00:02:49.319 --> 00:02:50.885 our youngest students and the mental

NOTE Confidence: 0.8749686

00:02:50.885 --> 00:02:52.626 health needs of both the students

NOTE Confidence: 0.8749686

00:02:52.626 --> 00:02:54.714 and their families and her work.

NOTE Confidence: 0.8749686

00:02:54.720 --> 00:02:56.680 We know you're in for an amazing

NOTE Confidence: 0.8749686

00:02:56.680 --> 00:02:58.113 afternoon here today and we

NOTE Confidence: 0.8749686

00:02:58.113 --> 00:02:59.733 certainly are excited to have you.

NOTE Confidence: 0.8749686

00:02:59.740 --> 00:03:00.792 I do encourage you.

NOTE Confidence: 0.8749686

00:03:00.792 --> 00:03:02.370 Our chat box is there as

NOTE Confidence: 0.8749686

00:03:02.434 --> 00:03:03.929 the panel is speak today.

NOTE Confidence: 0.8749686

00:03:03.930 --> 00:03:05.325 Please feel free to put

NOTE Confidence: 0.8749686

00:03:05.325 --> 00:03:06.720 questions inside the chat box.

NOTE Confidence: 0.8749686

00:03:06.720 --> 00:03:08.856 Will do what we can after each of

NOTE Confidence: 0.8749686

00:03:08.856 --> 00:03:10.520 our speakers have had a chance

NOTE Confidence: 0.8749686

00:03:10.520 --> 00:03:12.474 to share their work with you will

NOTE Confidence: 0.8749686

00:03:12.474 --> 00:03:14.504 answer as many questions as we can

NOTE Confidence: 0.8749686

00:03:14.504 --> 00:03:16.250 during the Roundtable session of this

NOTE Confidence: 0.8749686

00:03:16.250 --> 00:03:18.708 may not be able to get to 'em all,

NOTE Confidence: 0.8749686

00:03:18.710 --> 00:03:20.504 but I do encourage the conversation

NOTE Confidence: 0.8749686

00:03:20.504 --> 00:03:21.995 in this virtual setting which

NOTE Confidence: 0.8749686

00:03:21.995 --> 00:03:23.180 we all live right now.

NOTE Confidence: 0.8749686

00:03:23.180 --> 00:03:25.040 It's amazing to have just that

NOTE Confidence: 0.8749686

00:03:25.040 --> 00:03:26.589 minor connection with each other

NOTE Confidence: 0.8749686

00:03:26.589 --> 00:03:28.589 and I can see right now I love

NOTE Confidence: 0.8749686

00:03:28.589 --> 00:03:29.769 everybody saying good app.

NOTE Confidence: 0.8749686

00:03:29.770 --> 00:03:30.922 Noon, where they're from.

NOTE Confidence: 0.8749686

00:03:30.922 --> 00:03:33.261 That helps us feel connected and also if

NOTE Confidence: 0.8749686

00:03:33.261 --> 00:03:35.193 you have any questions with the panelists,

NOTE Confidence: 0.8749686

00:03:35.200 --> 00:03:37.209 please feel free to add those in.

NOTE Confidence: 0.8749686

00:03:37.210 --> 00:03:38.278 So without further ado,

NOTE Confidence: 0.8749686

00:03:38.278 --> 00:03:40.640 we're going to start with our first speaker,

NOTE Confidence: 0.8749686

00:03:40.640 --> 00:03:42.070 which is Doctor Walter Gilliam,

NOTE Confidence: 0.8749686

00:03:42.070 --> 00:03:44.534 who is a professor in the Child

NOTE Confidence: 0.8749686

00:03:44.534 --> 00:03:45.973 Psychiatry and psychology at

NOTE Confidence: 0.8749686

00:03:45.973 --> 00:03:47.568 the Yale Child Study Center.

NOTE Confidence: 0.8749686

00:03:47.570 --> 00:03:49.634 He has worked across the country

NOTE Confidence: 0.8749686

00:03:49.634 --> 00:03:51.529 to advocate for the importance
NOTE Confidence: 0.8749686

00:03:51.529 --> 00:03:53.789 of preschool for all students.
NOTE Confidence: 0.8749686

00:03:53.790 --> 00:03:55.735 An extended preschool programs for
NOTE Confidence: 0.8749686

00:03:55.735 --> 00:03:57.680 all students across the country.
NOTE Confidence: 0.8749686

00:03:57.680 --> 00:03:59.630 His work in his well,
NOTE Confidence: 0.8749686

00:03:59.630 --> 00:04:01.968 well earned rewards in his work for
NOTE Confidence: 0.8749686

00:04:01.968 --> 00:04:04.300 young students is truly inspirational.
NOTE Confidence: 0.8749686

00:04:04.300 --> 00:04:07.184 I actually had the privilege of learned
NOTE Confidence: 0.8749686

00:04:07.184 --> 00:04:09.177 of Doctor Guilliams original work
NOTE Confidence: 0.8749686

00:04:09.177 --> 00:04:11.913 for me was as a very young educator
NOTE Confidence: 0.8749686

00:04:11.987 --> 00:04:14.773 and his research on the effects of
NOTE Confidence: 0.8749686

00:04:14.773 --> 00:04:16.764 suspension of students in early
NOTE Confidence: 0.8749686

00:04:16.764 --> 00:04:19.543 childhood programs and the long term effects.
NOTE Confidence: 0.8749686

00:04:19.550 --> 00:04:20.351 On those students.
NOTE Confidence: 0.8749686

00:04:20.351 --> 00:04:22.592 So as a very young educator in Kentucky
NOTE Confidence: 0.8749686

00:04:22.592 --> 00:04:24.783 where Doctor Gilliam is from as well,

NOTE Confidence: 0.8749686

00:04:24.790 --> 00:04:27.350 I got to see his work and it really had

NOTE Confidence: 0.8749686

00:04:27.423 --> 00:04:30.312 that immediate impact on me to see that wow,

NOTE Confidence: 0.8749686

00:04:30.320 --> 00:04:31.775 the the decisions we make

NOTE Confidence: 0.8749686

00:04:31.775 --> 00:04:33.230 at these students at 3,

NOTE Confidence: 0.8749686

00:04:33.230 --> 00:04:35.558 four and five have impacts way beyond 3,

NOTE Confidence: 0.8749686

00:04:35.560 --> 00:04:36.430 four and five.

NOTE Confidence: 0.8749686

00:04:36.430 --> 00:04:37.590 So I am honored.

NOTE Confidence: 0.8749686

00:04:37.590 --> 00:04:39.508 I feel certainly blessed and humbled to

NOTE Confidence: 0.8749686

00:04:39.508 --> 00:04:42.246 just be on a panel today with Doctor Gilliam.

NOTE Confidence: 0.8749686

00:04:42.250 --> 00:04:44.698 And so I will turn it over to Doctor

NOTE Confidence: 0.8749686

00:04:44.698 --> 00:04:46.900 Gilliam to share his most recent work.

NOTE Confidence: 0.8846708

00:04:49.420 --> 00:04:51.076 Great, thank you very much Jimmy.

NOTE Confidence: 0.8846708

00:04:51.080 --> 00:04:53.019 And thank you all for being here.

NOTE Confidence: 0.8846708

00:04:53.020 --> 00:04:54.812 It's wonderful to be to be with you

NOTE Confidence: 0.8846708

00:04:54.812 --> 00:04:56.385 even in these incredibly challenging

NOTE Confidence: 0.8846708

00:04:56.385 --> 00:04:58.870 times or maybe even especially in these

NOTE Confidence: 0.8846708

00:04:58.926 --> 00:05:00.606 challenging times for us to be able

NOTE Confidence: 0.8846708

00:05:00.606 --> 00:05:02.534 to find an opportunity to be together

NOTE Confidence: 0.8846708

00:05:02.534 --> 00:05:05.085 and to talk about the work that we do

NOTE Confidence: 0.8846708

00:05:05.085 --> 00:05:07.027 and what it means to care for children

NOTE Confidence: 0.8846708

00:05:07.027 --> 00:05:09.057 and families and what it means to

NOTE Confidence: 0.8846708

00:05:09.057 --> 00:05:11.030 care for those who care for them.

NOTE Confidence: 0.8846708

00:05:11.030 --> 00:05:12.330 The teachers, child care providers

NOTE Confidence: 0.8846708

00:05:12.330 --> 00:05:14.271 and all the staff that work in

NOTE Confidence: 0.8846708

00:05:14.271 --> 00:05:15.455 educational in care facilities.

NOTE Confidence: 0.8846708

00:05:15.460 --> 00:05:17.399 On behalf of our children and families.

NOTE Confidence: 0.8846708

00:05:17.400 --> 00:05:19.304 So I was asked today to come

NOTE Confidence: 0.8846708

00:05:19.304 --> 00:05:20.880 and talk to you about.

NOTE Confidence: 0.8846708

00:05:20.880 --> 00:05:23.428 A little bit of the work that

NOTE Confidence: 0.8846708

00:05:23.428 --> 00:05:25.320 we've been doing recently,

NOTE Confidence: 0.8846708

00:05:25.320 --> 00:05:26.532 specific to COVID-19.

NOTE Confidence: 0.8846708

00:05:26.532 --> 00:05:28.148 Now, as you know,

NOTE Confidence: 0.8846708

00:05:28.150 --> 00:05:30.206 these are completely unprecedented

NOTE Confidence: 0.8846708

00:05:30.206 --> 00:05:33.841 times in terms of the impact that

NOTE Confidence: 0.8846708

00:05:33.841 --> 00:05:36.637 COVID-19 is had on the educational.

NOTE Confidence: 0.8846708

00:05:36.640 --> 00:05:38.420 Provision of services for

NOTE Confidence: 0.8846708

00:05:38.420 --> 00:05:39.755 children and families.

NOTE Confidence: 0.8846708

00:05:39.760 --> 00:05:42.882 You know we're talking about, you know,

NOTE Confidence: 0.8846708

00:05:42.882 --> 00:05:45.558 like a week into the pandemic.

NOTE Confidence: 0.8846708

00:05:45.560 --> 00:05:49.128 Like in early March weekend to the Pandemic,

NOTE Confidence: 0.8846708

00:05:49.130 --> 00:05:50.866 107 countries had completely

NOTE Confidence: 0.8846708

00:05:50.866 --> 00:05:53.470 closed down their schools by three

NOTE Confidence: 0.8846708

00:05:53.544 --> 00:05:55.819 weeks into the COVID-19 pandemic.

NOTE Confidence: 0.8846708

00:05:55.820 --> 00:05:58.935 194 countries that closed down their schools,

NOTE Confidence: 0.8846708

00:05:58.940 --> 00:06:01.165 affecting literally 91% of the

NOTE Confidence: 0.8846708

00:06:01.165 --> 00:06:02.945 world's school age children.

NOTE Confidence: 0.8846708

00:06:02.950 --> 00:06:05.626 That's just incredible to think about,
NOTE Confidence: 0.8846708

00:06:05.630 --> 00:06:06.719 isn't it 91%?
NOTE Confidence: 0.8846708

00:06:06.719 --> 00:06:08.897 Of the world's school age children
NOTE Confidence: 0.8846708

00:06:08.897 --> 00:06:11.150 no longer in school, you know,
NOTE Confidence: 0.8846708

00:06:11.150 --> 00:06:13.550 and and as somebody who who studied the
NOTE Confidence: 0.8846708

00:06:13.620 --> 00:06:15.830 effects of expulsion and suspension.
NOTE Confidence: 0.8846708

00:06:15.830 --> 00:06:17.936 Just like Jimmy, it said before.
NOTE Confidence: 0.8846708

00:06:17.940 --> 00:06:18.708 I mean,
NOTE Confidence: 0.8846708

00:06:18.708 --> 00:06:20.628 I've been concerned about children
NOTE Confidence: 0.8846708

00:06:20.628 --> 00:06:22.461 being expelled from preschool for
NOTE Confidence: 0.8846708

00:06:22.461 --> 00:06:24.624 the past 25 years of my career,
NOTE Confidence: 0.8846708

00:06:24.630 --> 00:06:26.390 and all of the sudden,
NOTE Confidence: 0.8846708

00:06:26.390 --> 00:06:28.454 literally 91% of all of the
NOTE Confidence: 0.8846708

00:06:28.454 --> 00:06:30.253 world's children all got expelled
NOTE Confidence: 0.8846708

00:06:30.253 --> 00:06:32.018 at about the same time.
NOTE Confidence: 0.8846708

00:06:32.020 --> 00:06:33.780 Kick completely out of school,

NOTE Confidence: 0.8846708

00:06:33.780 --> 00:06:35.540 and so did their teachers.

NOTE Confidence: 0.8846708

00:06:35.540 --> 00:06:38.228 And so did the other staff in

NOTE Confidence: 0.8846708

00:06:38.228 --> 00:06:39.380 these educational facilities.

NOTE Confidence: 0.8846708

00:06:39.380 --> 00:06:42.092 The other thing to bear in mind is

NOTE Confidence: 0.8846708

00:06:42.092 --> 00:06:44.630 that it's not just about schools,

NOTE Confidence: 0.8846708

00:06:44.630 --> 00:06:46.820 it's also about Head start programs

NOTE Confidence: 0.8846708

00:06:46.820 --> 00:06:49.107 and child care programs an it's

NOTE Confidence: 0.8846708

00:06:49.107 --> 00:06:51.007 about home based childcare program.

NOTE Confidence: 0.8846708

00:06:51.010 --> 00:06:53.086 Just about the entire industry of

NOTE Confidence: 0.8846708

00:06:53.086 --> 00:06:55.471 care and education and this false

NOTE Confidence: 0.8846708

00:06:55.471 --> 00:06:57.816 dichotomy that we sometimes create

NOTE Confidence: 0.8846708

00:06:57.816 --> 00:06:59.589 between educational facilities versus

NOTE Confidence: 0.8846708

00:06:59.589 --> 00:07:01.661 care facilities is one that we need

NOTE Confidence: 0.8846708

00:07:01.661 --> 00:07:04.438 to be able to get beyond because any

NOTE Confidence: 0.8846708

00:07:04.438 --> 00:07:06.837 education really care that we provide

NOTE Confidence: 0.8846708

00:07:06.837 --> 00:07:09.465 to children should certainly be educational.

NOTE Confidence: 0.8846708

00:07:09.470 --> 00:07:11.882 And it's impossible to educate a

NOTE Confidence: 0.8846708

00:07:11.882 --> 00:07:14.410 child that you don't care about,

NOTE Confidence: 0.8846708

00:07:14.410 --> 00:07:15.146 you know.

NOTE Confidence: 0.8846708

00:07:15.146 --> 00:07:17.354 So the concept of care versus

NOTE Confidence: 0.8846708

00:07:17.354 --> 00:07:19.558 education is something that we

NOTE Confidence: 0.8846708

00:07:19.558 --> 00:07:21.418 should certainly get beyond.

NOTE Confidence: 0.8846708

00:07:21.420 --> 00:07:24.588 And so let's think that a little bit about

NOTE Confidence: 0.8846708

00:07:24.588 --> 00:07:27.598 within programs that call themselves child.

NOTE Confidence: 0.8846708

00:07:27.600 --> 00:07:30.042 Here over 35% job loss between

NOTE Confidence: 0.8846708

00:07:30.042 --> 00:07:32.540 February and April of this year.

NOTE Confidence: 0.8846708

00:07:32.540 --> 00:07:33.364 Over 35%.

NOTE Confidence: 0.8846708

00:07:33.364 --> 00:07:36.252 I'm not talking about over 35% laid

NOTE Confidence: 0.8846708

00:07:36.252 --> 00:07:37.900 off work temporarily unemployed.

NOTE Confidence: 0.8846708

00:07:37.900 --> 00:07:40.030 I'm talking about over 35%.

NOTE Confidence: 0.8846708

00:07:40.030 --> 00:07:41.382 Completely losing their jobs

NOTE Confidence: 0.8846708

00:07:41.382 --> 00:07:42.734 within the childcare industry.

NOTE Confidence: 0.8846708

00:07:42.740 --> 00:07:44.160 Just absolutely incredible and

NOTE Confidence: 0.8846708

00:07:44.160 --> 00:07:46.290 heartbreaking and the stress that that

NOTE Confidence: 0.8846708

00:07:46.346 --> 00:07:48.509 creates not only on children and families,

NOTE Confidence: 0.8846708

00:07:48.510 --> 00:07:51.214 but on the people who care for them.

NOTE Confidence: 0.8846708

00:07:51.220 --> 00:07:51.896 You know,

NOTE Confidence: 0.8846708

00:07:51.896 --> 00:07:53.586 it's just impossible to quantify.

NOTE Confidence: 0.89967644

00:07:53.590 --> 00:07:56.400 We knew early on that there was going to be

NOTE Confidence: 0.89967644

00:07:56.470 --> 00:07:59.347 certain important things for us to consider,

NOTE Confidence: 0.89967644

00:07:59.350 --> 00:08:02.094 which is the fact that not all child

NOTE Confidence: 0.89967644

00:08:02.094 --> 00:08:04.871 care programs are going to be able to

NOTE Confidence: 0.89967644

00:08:04.871 --> 00:08:07.582 close because we're going to need to keep

NOTE Confidence: 0.89967644

00:08:07.582 --> 00:08:09.799 some of them open for essential workers.

NOTE Confidence: 0.89967644

00:08:09.799 --> 00:08:12.031 And we're going to have to keep some

NOTE Confidence: 0.89967644

00:08:12.031 --> 00:08:14.333 of them open for essential health care

NOTE Confidence: 0.89967644

00:08:14.333 --> 00:08:16.936 workers and so early on in the pandemic
NOTE Confidence: 0.89967644

00:08:16.936 --> 00:08:19.091 when many child care programs were closing,
NOTE Confidence: 0.89967644

00:08:19.091 --> 00:08:20.897 many other ones were remaining open,
NOTE Confidence: 0.89967644

00:08:20.900 --> 00:08:23.357 and so we we were curious about what does
NOTE Confidence: 0.89967644

00:08:23.357 --> 00:08:25.707 this look like from the perspective of,
NOTE Confidence: 0.89967644

00:08:25.710 --> 00:08:26.742 say, for instance,
NOTE Confidence: 0.89967644

00:08:26.742 --> 00:08:29.496 a health care worker who might need to
NOTE Confidence: 0.89967644

00:08:29.496 --> 00:08:31.688 think about the care of her own child
NOTE Confidence: 0.89967644

00:08:31.688 --> 00:08:34.136 in order to be able to go into work.
NOTE Confidence: 0.89967644

00:08:34.140 --> 00:08:37.180 And so I teamed up with a with
NOTE Confidence: 0.89967644

00:08:37.180 --> 00:08:39.449 a group that provides.
NOTE Confidence: 0.89967644

00:08:39.450 --> 00:08:41.042 Digital opportunities to use,
NOTE Confidence: 0.89967644

00:08:41.042 --> 00:08:43.798 say for instance your iPhone to be
NOTE Confidence: 0.89967644

00:08:43.798 --> 00:08:45.562 able to create a documentary an
NOTE Confidence: 0.89967644

00:08:45.562 --> 00:08:47.883 we asked a variety of different
NOTE Confidence: 0.89967644

00:08:47.883 --> 00:08:50.168 questions from different health care

NOTE Confidence: 0.89967644

00:08:50.168 --> 00:08:52.638 providers in order to understand how

NOTE Confidence: 0.89967644

00:08:52.638 --> 00:08:54.573 they were struggling with childcare.

NOTE Confidence: 0.89967644

00:08:54.580 --> 00:08:57.442 And I've got a clip here to be able

NOTE Confidence: 0.89967644

00:08:57.442 --> 00:09:00.541 to show you I'm going to move over

NOTE Confidence: 0.89967644

00:09:00.541 --> 00:09:03.111 to my computer screen and hopefully

NOTE Confidence: 0.89967644

00:09:03.111 --> 00:09:06.212 you can all see this right here.

NOTE Confidence: 0.89967644

00:09:06.220 --> 00:09:09.829 So what we had here was this iPhone app.

NOTE Confidence: 0.89967644

00:09:09.830 --> 00:09:12.174 That we sent out to a bunch of

NOTE Confidence: 0.89967644

00:09:12.174 --> 00:09:13.821 different child care providers and

NOTE Confidence: 0.89967644

00:09:13.821 --> 00:09:15.813 we ask them a few questions.

NOTE Confidence: 0.89967644

00:09:15.820 --> 00:09:17.738 Tell us a little bit about yourself

NOTE Confidence: 0.89967644

00:09:17.738 --> 00:09:19.621 and then they would film themselves

NOTE Confidence: 0.89967644

00:09:19.621 --> 00:09:21.631 doing that and they would click

NOTE Confidence: 0.89967644

00:09:21.631 --> 00:09:23.971 record what's a day like in the

NOTE Confidence: 0.89967644

00:09:23.971 --> 00:09:25.267 novel paint coronavirus pandemic.

NOTE Confidence: 0.89967644

00:09:25.270 --> 00:09:27.076 What are the your childcare challenges
NOTE Confidence: 0.89967644

00:09:27.076 --> 00:09:29.677 as a child as a health care provider?
NOTE Confidence: 0.89967644

00:09:29.680 --> 00:09:32.506 What's next for you in the in the crisis?
NOTE Confidence: 0.89967644

00:09:32.510 --> 00:09:34.883 And we had them record themselves thinking
NOTE Confidence: 0.89967644

00:09:34.883 --> 00:09:36.792 about what these challenges look like
NOTE Confidence: 0.89967644

00:09:36.792 --> 00:09:39.130 and it all went up into the cloud.
NOTE Confidence: 0.89967644

00:09:39.130 --> 00:09:40.054 Stitched it together.
NOTE Confidence: 0.89967644

00:09:40.054 --> 00:09:42.538 And then we were able to then take
NOTE Confidence: 0.89967644

00:09:42.538 --> 00:09:44.618 a look at some of the things that
NOTE Confidence: 0.89967644

00:09:44.618 --> 00:09:45.790 they were creating.
NOTE Confidence: 0.89967644

00:09:45.790 --> 00:09:47.726 And so I thought that I would start
NOTE Confidence: 0.89967644

00:09:47.726 --> 00:09:49.771 off by showing you some some what
NOTE Confidence: 0.89967644

00:09:49.771 --> 00:09:52.021 what we received from one of these
NOTE Confidence: 0.89967644

00:09:52.021 --> 00:09:53.059 child care providers.
NOTE Confidence: 0.89967644

00:09:53.060 --> 00:09:55.097 Now this is a woman named Allison.
NOTE Confidence: 0.89967644

00:09:55.100 --> 00:09:56.906 She'll introduce yourself in a minute

NOTE Confidence: 0.89967644

00:09:56.906 --> 00:09:59.466 and she is an ICU nurse in St Louis,

NOTE Confidence: 0.89967644

00:09:59.470 --> 00:09:59.760 Mo.

NOTE Confidence: 0.8504952

00:10:00.290 --> 00:10:01.091 Hi, I'm Allison.

NOTE Confidence: 0.8504952

00:10:01.091 --> 00:10:02.960 I'm a nurse manager at Saint Louis

NOTE Confidence: 0.8504952

00:10:03.014 --> 00:10:04.689 University Hospital in St Louis,

NOTE Confidence: 0.8504952

00:10:04.690 --> 00:10:06.146 Mo and mother to Brecken

NOTE Confidence: 0.8504952

00:10:06.146 --> 00:10:07.910 who's 18 months old. Before I

NOTE Confidence: 0.8504952

00:10:07.910 --> 00:10:09.954 report to my floor I get my

NOTE Confidence: 0.8504952

00:10:09.954 --> 00:10:11.129 temperature and symptoms checked.

NOTE Confidence: 0.8504952

00:10:11.130 --> 00:10:13.181 I then come and check on my

NOTE Confidence: 0.8504952

00:10:13.181 --> 00:10:14.648 patients and staff to ensure

NOTE Confidence: 0.8504952

00:10:14.650 --> 00:10:16.114 that they have everything they

NOTE Confidence: 0.8504952

00:10:16.114 --> 00:10:17.282 need to protect themselves.

NOTE Confidence: 0.8504952

00:10:17.282 --> 00:10:18.158 I swap patients

NOTE Confidence: 0.8504952

00:10:18.160 --> 00:10:19.595 under investigations. I also attend

NOTE Confidence: 0.8504952

00:10:19.595 --> 00:10:21.680 meetings to update them on anything new.

NOTE Confidence: 0.87975866

00:10:24.190 --> 00:10:25.695 My son Brecken, previously went

NOTE Confidence: 0.87975866

00:10:25.695 --> 00:10:27.500 to an in home care provider,

NOTE Confidence: 0.87975866

00:10:27.500 --> 00:10:29.618 but she closed due to the pandemic.

NOTE Confidence: 0.87975866

00:10:29.618 --> 00:10:31.774 So my husband, parents and I are

NOTE Confidence: 0.87975866

00:10:31.774 --> 00:10:33.820 trying to take turns em and work

NOTE Confidence: 0.87975866

00:10:33.820 --> 00:10:35.930 from home and also watch my son.

NOTE Confidence: 0.87975866

00:10:35.930 --> 00:10:37.434 I'm currently in the process

NOTE Confidence: 0.87975866

00:10:37.434 --> 00:10:38.940 of applying for emergency care

NOTE Confidence: 0.87975866

00:10:38.940 --> 00:10:40.143 provider through the state,

NOTE Confidence: 0.87975866

00:10:40.143 --> 00:10:41.949 which is a process in itself.

NOTE Confidence: 0.87975866

00:10:41.950 --> 00:10:44.250 It's been very stressful.

NOTE Confidence: 0.87975866

00:10:44.250 --> 00:10:46.245 My son Brecken been 18 months old.

NOTE Confidence: 0.87975866

00:10:46.250 --> 00:10:47.675 I worry about his development

NOTE Confidence: 0.87975866

00:10:47.675 --> 00:10:48.530 and peer interaction.

NOTE Confidence: 0.87975866

00:10:48.530 --> 00:10:51.290 This is the time of his life where he needs

NOTE Confidence: 0.87975866

00:10:51.364 --> 00:10:53.938 to be soaking this all up like a sponge.

NOTE Confidence: 0.87975866

00:10:53.940 --> 00:10:55.935 I worry he won't adapt to the

NOTE Confidence: 0.87975866

00:10:55.935 --> 00:10:57.934 change that we will have to find

NOTE Confidence: 0.87975866

00:10:57.934 --> 00:10:59.355 another in home care provider.

NOTE Confidence: 0.87975866

00:10:59.355 --> 00:11:01.065 I worry most about exposure and

NOTE Confidence: 0.87975866

00:11:01.065 --> 00:11:03.060 exposing him and my family who are

NOTE Confidence: 0.87975866

00:11:03.060 --> 00:11:04.770 also relief care providers for him.

NOTE Confidence: 0.9109048

00:11:07.730 --> 00:11:10.982 I am lucky that I will never have to make

NOTE Confidence: 0.9109048

00:11:10.982 --> 00:11:13.258 the decision between work and my son.

NOTE Confidence: 0.9109048

00:11:13.260 --> 00:11:15.860 I have parents and my husband who can

NOTE Confidence: 0.9109048

00:11:15.860 --> 00:11:18.130 always watch my son in an emergency.

NOTE Confidence: 0.9109048

00:11:18.130 --> 00:11:20.410 I really think about the people that

NOTE Confidence: 0.9109048

00:11:20.410 --> 00:11:22.360 are single parents and don't have

NOTE Confidence: 0.9109048

00:11:22.360 --> 00:11:24.633 the options that I have where they

NOTE Confidence: 0.9109048

00:11:24.633 --> 00:11:26.580 have to choose between their job

NOTE Confidence: 0.9109048

00:11:26.580 --> 00:11:27.558 and their child.
NOTE Confidence: 0.885985850000001

00:11:29.010 --> 00:11:30.886 So you see there from Allison what
NOTE Confidence: 0.885985850000001

00:11:30.886 --> 00:11:32.906 she was talking about was a lot of
NOTE Confidence: 0.885985850000001

00:11:32.906 --> 00:11:34.379 the stresses that she is apparent
NOTE Confidence: 0.885985850000001

00:11:34.379 --> 00:11:36.483 was having to deal with in terms of
NOTE Confidence: 0.885985850000001

00:11:36.483 --> 00:11:38.025 just worrying about you know who's
NOTE Confidence: 0.885985850000001

00:11:38.025 --> 00:11:39.850 going to take care of her child,
NOTE Confidence: 0.885985850000001

00:11:39.850 --> 00:11:41.308 but she also mentioned that she
NOTE Confidence: 0.885985850000001

00:11:41.308 --> 00:11:43.358 has it easy in comparison to a lot
NOTE Confidence: 0.885985850000001

00:11:43.358 --> 00:11:45.204 of the people that she works with
NOTE Confidence: 0.885985850000001

00:11:45.204 --> 00:11:46.794 because she had family nearby and
NOTE Confidence: 0.885985850000001

00:11:46.794 --> 00:11:48.566 many of the other nurses that she
NOTE Confidence: 0.885985850000001

00:11:48.566 --> 00:11:50.420 worked it may not have family nearby.
NOTE Confidence: 0.885985850000001

00:11:50.420 --> 00:11:52.086 I mean not know exactly who would
NOTE Confidence: 0.885985850000001

00:11:52.086 --> 00:11:54.126 be able to take care of their child
NOTE Confidence: 0.885985850000001

00:11:54.126 --> 00:11:55.994 and what would they do if they

NOTE Confidence: 0.885985850000001

00:11:55.994 --> 00:11:57.614 had to decide between staying at

NOTE Confidence: 0.885985850000001

00:11:57.614 --> 00:11:59.264 home with their child versus going

NOTE Confidence: 0.885985850000001

00:11:59.264 --> 00:12:00.368 into the hospital and.

NOTE Confidence: 0.885985850000001

00:12:00.370 --> 00:12:02.218 Attempting to save lives in the

NOTE Confidence: 0.885985850000001

00:12:02.218 --> 00:12:04.070 middle of a global pandemic,

NOTE Confidence: 0.885985850000001

00:12:04.070 --> 00:12:06.191 and those were some of the things

NOTE Confidence: 0.885985850000001

00:12:06.191 --> 00:12:08.099 that she was talking about,

NOTE Confidence: 0.885985850000001

00:12:08.100 --> 00:12:10.080 just in terms of the stressors

NOTE Confidence: 0.885985850000001

00:12:10.080 --> 00:12:11.790 that she was dealing with.

NOTE Confidence: 0.885985850000001

00:12:11.790 --> 00:12:13.788 And all of these pressures that

NOTE Confidence: 0.885985850000001

00:12:13.788 --> 00:12:15.490 this parent was dealing with.

NOTE Confidence: 0.885985850000001

00:12:15.490 --> 00:12:17.506 So are our child care providers,

NOTE Confidence: 0.885985850000001

00:12:17.510 --> 00:12:19.190 and so are our teachers.

NOTE Confidence: 0.885985850000001

00:12:19.190 --> 00:12:21.402 Every single one of these folks who

NOTE Confidence: 0.885985850000001

00:12:21.402 --> 00:12:23.463 are dealing with other people's stress

NOTE Confidence: 0.885985850000001

00:12:23.463 --> 00:12:25.906 have stress in their own lives too.
NOTE Confidence: 0.885985850000001

00:12:25.906 --> 00:12:27.948 We were interested in understanding a
NOTE Confidence: 0.885985850000001

00:12:27.948 --> 00:12:30.000 little bit more about COVID-19 itself
NOTE Confidence: 0.885985850000001

00:12:30.054 --> 00:12:31.739 and the transmission of COVID-19.
NOTE Confidence: 0.885985850000001

00:12:31.740 --> 00:12:33.150 What COVID-19 looks like in
NOTE Confidence: 0.885985850000001

00:12:33.150 --> 00:12:33.996 child care programs.
NOTE Confidence: 0.885985850000001

00:12:34.000 --> 00:12:35.220 How transmitted is COVID-19?
NOTE Confidence: 0.885985850000001

00:12:35.220 --> 00:12:37.395 We knew that at some point we're
NOTE Confidence: 0.885985850000001

00:12:37.395 --> 00:12:39.123 going to be curious about whether
NOTE Confidence: 0.885985850000001

00:12:39.123 --> 00:12:41.268 it's safe to get back into the water
NOTE Confidence: 0.885985850000001

00:12:41.268 --> 00:12:43.243 or not when it comes to child care,
NOTE Confidence: 0.885985850000001

00:12:43.243 --> 00:12:45.370 and so we needed to know a little
NOTE Confidence: 0.885985850000001

00:12:45.370 --> 00:12:47.176 bit about about how much risk
NOTE Confidence: 0.885985850000001

00:12:47.176 --> 00:12:48.998 was there in the 1st place.
NOTE Confidence: 0.885985850000001

00:12:49.000 --> 00:12:50.944 We did a study of over 57 thousand
NOTE Confidence: 0.885985850000001

00:12:50.944 --> 00:12:52.412 child care providers across the

NOTE Confidence: 0.885985850000001

00:12:52.412 --> 00:12:54.260 United States and God bless them

NOTE Confidence: 0.885985850000001

00:12:54.260 --> 00:12:56.054 for participating in our study like

NOTE Confidence: 0.885985850000001

00:12:56.054 --> 00:12:58.134 this in the middle of a pandemic.

NOTE Confidence: 0.885985850000001

00:12:58.134 --> 00:13:00.066 It just so happened that when

NOTE Confidence: 0.885985850000001

00:13:00.066 --> 00:13:02.055 we collected the data at the end

NOTE Confidence: 0.885985850000001

00:13:02.055 --> 00:13:03.880 of May in the beginning of June.

NOTE Confidence: 0.885985850000001

00:13:03.880 --> 00:13:05.782 About half of these child care

NOTE Confidence: 0.885985850000001

00:13:05.782 --> 00:13:07.423 providers have been exposed to

NOTE Confidence: 0.885985850000001

00:13:07.423 --> 00:13:09.008 child care regularly because their

NOTE Confidence: 0.885985850000001

00:13:09.008 --> 00:13:11.266 program was open and about half of

NOTE Confidence: 0.885985850000001

00:13:11.266 --> 00:13:12.821 the child care providers weren't

NOTE Confidence: 0.885985850000001

00:13:12.821 --> 00:13:14.574 exposed to child care at anytime

NOTE Confidence: 0.885985850000001

00:13:14.574 --> 00:13:16.260 during the first three months of

NOTE Confidence: 0.885985850000001

00:13:16.316 --> 00:13:17.931 the pandemic because their program

NOTE Confidence: 0.885985850000001

00:13:17.931 --> 00:13:19.546 closed or because they were

NOTE Confidence: 0.885985850000001

00:13:19.599 --> 00:13:21.107 working completely from home,
NOTE Confidence: 0.8859858500000001

00:13:21.110 --> 00:13:23.189 and this gave us a wonderful opportunity
NOTE Confidence: 0.8859858500000001

00:13:23.189 --> 00:13:25.800 to be able to get this information from
NOTE Confidence: 0.8859858500000001

00:13:25.800 --> 00:13:27.810 them about their exposure to cope,
NOTE Confidence: 0.8859858500000001

00:13:27.810 --> 00:13:28.767 the childcare there,
NOTE Confidence: 0.8859858500000001

00:13:28.767 --> 00:13:30.362 whether they have tested positive
NOTE Confidence: 0.8859858500000001

00:13:30.362 --> 00:13:31.000 for COVID-19,
NOTE Confidence: 0.8859858500000001

00:13:31.000 --> 00:13:33.457 whether or not they had ever been
NOTE Confidence: 0.8859858500000001

00:13:33.457 --> 00:13:35.650 hospitalised for COVID-19 and merge that
NOTE Confidence: 0.8859858500000001

00:13:35.650 --> 00:13:37.792 data with the Johns Hopkins University.
NOTE Confidence: 0.8859858500000001

00:13:37.800 --> 00:13:39.615 Data on COVID-19 transmission rates
NOTE Confidence: 0.8859858500000001

00:13:39.615 --> 00:13:42.184 at the County level and what we
NOTE Confidence: 0.8859858500000001

00:13:42.184 --> 00:13:43.904 ultimately found when we analyze
NOTE Confidence: 0.8859858500000001

00:13:43.904 --> 00:13:46.318 the results was that there was
NOTE Confidence: 0.8859858500000001

00:13:46.318 --> 00:13:48.066 virtually no relationship whatsoever
NOTE Confidence: 0.8859858500000001

00:13:48.066 --> 00:13:50.836 between exposure to child care and an

NOTE Confidence: 0.885985850000001

00:13:50.836 --> 00:13:52.656 increased likelihood that the child

NOTE Confidence: 0.885985850000001

00:13:52.656 --> 00:13:54.974 care provider would get sick from

NOTE Confidence: 0.885985850000001

00:13:54.974 --> 00:13:57.490 COVID-19 or be hospitalised for COVID-19.

NOTE Confidence: 0.885985850000001

00:13:57.490 --> 00:13:59.470 Now that does not mean that

NOTE Confidence: 0.885985850000001

00:13:59.470 --> 00:14:01.337 child care providers were somehow

NOTE Confidence: 0.885985850000001

00:14:01.337 --> 00:14:03.277 magically immune from COVID-19.

NOTE Confidence: 0.885985850000001

00:14:03.280 --> 00:14:05.590 In our study of 57 thousand

NOTE Confidence: 0.885985850000001

00:14:05.590 --> 00:14:06.745 child care providers,

NOTE Confidence: 0.850784673043478

00:14:06.750 --> 00:14:09.739 427 of them. Actually did get sick

NOTE Confidence: 0.850784673043478

00:14:09.739 --> 00:14:12.100 of COVID-19 tested positive for

NOTE Confidence: 0.850784673043478

00:14:12.100 --> 00:14:15.094 COVID-19 and about 1/4 of those

NOTE Confidence: 0.850784673043478

00:14:15.094 --> 00:14:17.548 were hospitalised for COVID-19 but.

NOTE Confidence: 0.850784673043478

00:14:17.550 --> 00:14:19.356 The reason that they got sick

NOTE Confidence: 0.850784673043478

00:14:19.356 --> 00:14:21.042 for COVID-19 had no correlation

NOTE Confidence: 0.850784673043478

00:14:21.042 --> 00:14:23.102 whatsoever with whether they were

NOTE Confidence: 0.850784673043478

00:14:23.102 --> 00:14:25.846 exposed to child care or whether they
NOTE Confidence: 0.850784673043478

00:14:25.846 --> 00:14:27.898 were staying home the entire time.
NOTE Confidence: 0.850784673043478

00:14:27.900 --> 00:14:30.301 The other thing to bear in mind
NOTE Confidence: 0.850784673043478

00:14:30.301 --> 00:14:33.230 too is that we do know from our
NOTE Confidence: 0.850784673043478

00:14:33.230 --> 00:14:35.038 study that are black, Brown,
NOTE Confidence: 0.850784673043478

00:14:35.038 --> 00:14:37.126 an indigenous child care providers were
NOTE Confidence: 0.850784673043478

00:14:37.126 --> 00:14:40.037 caring by far the heavier burden of COVID-19.
NOTE Confidence: 0.850784673043478

00:14:40.040 --> 00:14:42.455 They were far more likely to be
NOTE Confidence: 0.850784673043478

00:14:42.455 --> 00:14:44.642 diagnosed with COVID-19 now far more
NOTE Confidence: 0.850784673043478

00:14:44.642 --> 00:14:46.814 likely to be hospitalised for COVID-19,
NOTE Confidence: 0.850784673043478

00:14:46.820 --> 00:14:48.256 but even for them.
NOTE Confidence: 0.850784673043478

00:14:48.256 --> 00:14:50.944 It was unrelated to whether or not
NOTE Confidence: 0.850784673043478

00:14:50.944 --> 00:14:53.219 they were providing childcare or
NOTE Confidence: 0.850784673043478

00:14:53.219 --> 00:14:55.699 whether they were staying at home.
NOTE Confidence: 0.850784673043478

00:14:55.700 --> 00:14:56.138 Now.
NOTE Confidence: 0.850784673043478

00:14:56.138 --> 00:14:58.328 We also found that childcare

NOTE Confidence: 0.850784673043478

00:14:58.328 --> 00:15:00.514 providers in communities where the

NOTE Confidence: 0.850784673043478

00:15:00.514 --> 00:15:03.055 transmission rate was high were at a

NOTE Confidence: 0.850784673043478

00:15:03.055 --> 00:15:05.629 much greater risk of catching COVID-19.

NOTE Confidence: 0.850784673043478

00:15:05.630 --> 00:15:07.085 But they were catching COVID-19

NOTE Confidence: 0.850784673043478

00:15:07.085 --> 00:15:08.540 because of things that were

NOTE Confidence: 0.850784673043478

00:15:08.596 --> 00:15:09.928 happening in the community,

NOTE Confidence: 0.850784673043478

00:15:09.930 --> 00:15:12.298 not because of the nature of the work

NOTE Confidence: 0.850784673043478

00:15:12.298 --> 00:15:14.530 that they were doing in child care,

NOTE Confidence: 0.850784673043478

00:15:14.530 --> 00:15:16.482 but all of this was in context of

NOTE Confidence: 0.850784673043478

00:15:16.482 --> 00:15:18.520 the fact that these child care

NOTE Confidence: 0.850784673043478

00:15:18.520 --> 00:15:20.380 providers were doing near Herculean

NOTE Confidence: 0.850784673043478

00:15:20.380 --> 00:15:22.209 things to keep our babies safe.

NOTE Confidence: 0.850784673043478

00:15:22.210 --> 00:15:24.366 About 3/4 of them were testing temperatures

NOTE Confidence: 0.850784673043478

00:15:24.366 --> 00:15:25.889 and symptoms every single day,

NOTE Confidence: 0.850784673043478

00:15:25.890 --> 00:15:28.137 and about a third of them were

NOTE Confidence: 0.850784673043478

00:15:28.137 --> 00:15:29.580 doing that twice a day.
NOTE Confidence: 0.850784673043478

00:15:29.580 --> 00:15:30.968 Symptom checking and temperature
NOTE Confidence: 0.850784673043478

00:15:30.968 --> 00:15:32.703 checking every single adult and
NOTE Confidence: 0.850784673043478

00:15:32.703 --> 00:15:34.487 child in your program twice a day,
NOTE Confidence: 0.850784673043478

00:15:34.490 --> 00:15:36.042 97% were disinfecting literally.
NOTE Confidence: 0.850784673043478

00:15:36.042 --> 00:15:37.982 Every single surface and every
NOTE Confidence: 0.850784673043478

00:15:37.982 --> 00:15:39.563 single fixture in their program
NOTE Confidence: 0.850784673043478

00:15:39.563 --> 00:15:41.559 and over half of them were doing
NOTE Confidence: 0.850784673043478

00:15:41.559 --> 00:15:43.253 it three or more times a day,
NOTE Confidence: 0.850784673043478

00:15:43.260 --> 00:15:45.699 and you place that on top of the frequent
NOTE Confidence: 0.850784673043478

00:15:45.699 --> 00:15:47.628 hand washing that was happening.
NOTE Confidence: 0.850784673043478

00:15:47.630 --> 00:15:49.496 Both of the adults and well,
NOTE Confidence: 0.850784673043478

00:15:49.500 --> 00:15:51.228 as with the children and the
NOTE Confidence: 0.850784673043478

00:15:51.228 --> 00:15:52.930 cohort in keeping groups together.
NOTE Confidence: 0.850784673043478

00:15:52.930 --> 00:15:54.802 All the things that these child
NOTE Confidence: 0.850784673043478

00:15:54.802 --> 00:15:56.050 care providers were doing,

NOTE Confidence: 0.850784673043478
00:15:56.050 --> 00:15:57.954 the fortunate thing is that it seemed
NOTE Confidence: 0.850784673043478
00:15:57.954 --> 00:15:59.660 to have actually worked and that
NOTE Confidence: 0.850784673043478
00:15:59.660 --> 00:16:01.322 we didn't really have a situation
NOTE Confidence: 0.850784673043478
00:16:01.322 --> 00:16:03.222 where child care programs were
NOTE Confidence: 0.850784673043478
00:16:03.222 --> 00:16:04.786 driving Community level transmission.
NOTE Confidence: 0.850784673043478
00:16:04.790 --> 00:16:05.986 So in other words.
NOTE Confidence: 0.850784673043478
00:16:05.986 --> 00:16:07.481 Child care programs didn't seem
NOTE Confidence: 0.850784673043478
00:16:07.481 --> 00:16:09.625 to pose a threat to communities
NOTE Confidence: 0.850784673043478
00:16:09.625 --> 00:16:11.405 in terms of COVID-19 transmission,
NOTE Confidence: 0.850784673043478
00:16:11.410 --> 00:16:13.552 but that does not mean that communities
NOTE Confidence: 0.850784673043478
00:16:13.552 --> 00:16:15.226 cannot threaten childcare and that
NOTE Confidence: 0.850784673043478
00:16:15.226 --> 00:16:16.638 communities cannot threaten schools.
NOTE Confidence: 0.850784673043478
00:16:16.640 --> 00:16:18.275 And if the community level
NOTE Confidence: 0.850784673043478
00:16:18.275 --> 00:16:19.910 transmission rate is too high,
NOTE Confidence: 0.850784673043478
00:16:19.910 --> 00:16:21.506 then there's no way we're going
NOTE Confidence: 0.850784673043478

00:16:21.506 --> 00:16:23.441 to be able to continue keeping
NOTE Confidence: 0.850784673043478

00:16:23.441 --> 00:16:25.466 these child care programs safe.
NOTE Confidence: 0.850784673043478

00:16:25.470 --> 00:16:27.783 And So what we need to do is we
NOTE Confidence: 0.850784673043478

00:16:27.783 --> 00:16:30.674 need to 1 focus on making sure that
NOTE Confidence: 0.850784673043478

00:16:30.674 --> 00:16:33.215 communities are safe so that we can
NOTE Confidence: 0.850784673043478

00:16:33.215 --> 00:16:35.273 keep our child care programs open
NOTE Confidence: 0.850784673043478

00:16:35.280 --> 00:16:36.990 that we're prioritizing child care.
NOTE Confidence: 0.850784673043478

00:16:36.990 --> 00:16:39.335 And school over things like in restaurant,
NOTE Confidence: 0.850784673043478

00:16:39.340 --> 00:16:41.685 dining and bars and things like that.
NOTE Confidence: 0.850784673043478

00:16:41.690 --> 00:16:44.298 And then we also give our child care
NOTE Confidence: 0.850784673043478

00:16:44.298 --> 00:16:46.039 providers and teachers the resources
NOTE Confidence: 0.850784673043478

00:16:46.039 --> 00:16:48.810 they need in order to be able to
NOTE Confidence: 0.850784673043478

00:16:48.810 --> 00:16:50.766 succeed on behalf of our babies.
NOTE Confidence: 0.850784673043478

00:16:50.770 --> 00:16:53.115 And so I'll end it with that.
NOTE Confidence: 0.850784673043478

00:16:53.120 --> 00:16:55.896 And I'll thank you so much for paying
NOTE Confidence: 0.850784673043478

00:16:55.896 --> 00:16:57.818 attention and hand it back over

NOTE Confidence: 0.8589727

00:16:57.820 --> 00:16:58.828 to our moderator.

NOTE Confidence: 0.8589727

00:16:58.828 --> 00:17:00.439 Thank you, wow doctor William.

NOTE Confidence: 0.8589727

00:17:00.439 --> 00:17:02.317 Thank you so much for your

NOTE Confidence: 0.8589727

00:17:02.317 --> 00:17:04.121 continued work and passion and

NOTE Confidence: 0.8589727

00:17:04.121 --> 00:17:05.549 advocacy across the country.

NOTE Confidence: 0.8589727

00:17:05.550 --> 00:17:07.280 That. Thanks for the video.

NOTE Confidence: 0.8589727

00:17:07.280 --> 00:17:09.080 I just think that's such an

NOTE Confidence: 0.8589727

00:17:09.080 --> 00:17:10.880 inspiring way to start for our

NOTE Confidence: 0.8589727

00:17:10.880 --> 00:17:12.500 partners on the call today with

NOTE Confidence: 0.8589727

00:17:12.500 --> 00:17:14.420 us to just that reminder that

NOTE Confidence: 0.8589727

00:17:14.420 --> 00:17:16.707 that you love your students and we

NOTE Confidence: 0.8589727

00:17:16.707 --> 00:17:18.856 know we love the students that we

NOTE Confidence: 0.8589727

00:17:18.856 --> 00:17:21.255 get to serve as a as a teacher.

NOTE Confidence: 0.8589727

00:17:21.260 --> 00:17:23.700 I love my kids everyday as a principle.

NOTE Confidence: 0.8589727

00:17:23.700 --> 00:17:25.884 I love my kids everyday and what

NOTE Confidence: 0.8589727

00:17:25.884 --> 00:17:28.111 we don't get to see is frequently
NOTE Confidence: 0.8589727

00:17:28.111 --> 00:17:30.567 is that that mom who is so in
NOTE Confidence: 0.8589727

00:17:30.567 --> 00:17:32.506 need of what you do every day,
NOTE Confidence: 0.8589727

00:17:32.510 --> 00:17:35.246 a place to bring horror child to be healthy.
NOTE Confidence: 0.8589727

00:17:35.250 --> 00:17:37.290 I love what you said there.
NOTE Confidence: 0.8589727

00:17:37.290 --> 00:17:40.160 Walter, when you spoke about.
NOTE Confidence: 0.8589727

00:17:40.160 --> 00:17:42.505 The fact that there's not that the
NOTE Confidence: 0.8589727

00:17:42.505 --> 00:17:44.203 transmission inside of the early
NOTE Confidence: 0.8589727

00:17:44.203 --> 00:17:45.788 childhood centers speaks as much
NOTE Confidence: 0.8589727

00:17:45.788 --> 00:17:48.161 to the work of our early childhood
NOTE Confidence: 0.8589727

00:17:48.161 --> 00:17:50.201 providers as anything that they are
NOTE Confidence: 0.8589727

00:17:50.210 --> 00:17:51.820 relentless about making sure that
NOTE Confidence: 0.8589727

00:17:51.820 --> 00:17:54.229 everybody is safe inside of that facility.
NOTE Confidence: 0.8589727

00:17:54.230 --> 00:17:56.575 I the way you process that really,
NOTE Confidence: 0.8589727

00:17:56.580 --> 00:18:00.260 I mean that hit home to me in my head that,
NOTE Confidence: 0.8589727

00:18:00.260 --> 00:18:00.599 wow,

NOTE Confidence: 0.8589727

00:18:00.599 --> 00:18:02.633 that's right that it's not spreading

NOTE Confidence: 0.8589727

00:18:02.633 --> 00:18:04.789 in the child care providers because

NOTE Confidence: 0.8589727

00:18:04.789 --> 00:18:07.295 we've taken on that task as people

NOTE Confidence: 0.8589727

00:18:07.358 --> 00:18:09.423 who love kids to keep them safe

NOTE Confidence: 0.8589727

00:18:09.423 --> 00:18:10.876 and and they're succeeding, but.

NOTE Confidence: 0.8589727

00:18:10.876 --> 00:18:11.159 Man,

NOTE Confidence: 0.8589727

00:18:11.159 --> 00:18:13.140 does that have an effect on the

NOTE Confidence: 0.8589727

00:18:13.197 --> 00:18:14.829 emotional can have effect on the

NOTE Confidence: 0.8589727

00:18:14.829 --> 00:18:16.761 on the Wellness of the providers

NOTE Confidence: 0.8589727

00:18:16.761 --> 00:18:18.329 themselves and pretty amazing.

NOTE Confidence: 0.8589727

00:18:18.330 --> 00:18:20.148 So thank you for the work.

NOTE Confidence: 0.8589727

00:18:20.150 --> 00:18:21.670 Thank you for the talk.

NOTE Confidence: 0.8589727

00:18:21.670 --> 00:18:23.553 I have some questions that will ask

NOTE Confidence: 0.8589727

00:18:23.553 --> 00:18:25.908 when we get to our roundtable session,

NOTE Confidence: 0.8589727

00:18:25.910 --> 00:18:27.828 but I think it'll be great to

NOTE Confidence: 0.8589727

00:18:27.828 --> 00:18:29.317 hear from Doctor Harrison and

NOTE Confidence: 0.8589727

00:18:29.317 --> 00:18:31.438 Miss Smith here in a moment about

NOTE Confidence: 0.8589727

00:18:31.438 --> 00:18:33.177 what they're seeing as well,

NOTE Confidence: 0.8589727

00:18:33.180 --> 00:18:34.998 so will turn over to two

NOTE Confidence: 0.8589727

00:18:34.998 --> 00:18:35.907 doctor Heather Harris,

NOTE Confidence: 0.8589727

00:18:35.910 --> 00:18:38.024 who leads up Child 360 in California.

NOTE Confidence: 0.8589727

00:18:38.030 --> 00:18:39.540 Many of you have probably

NOTE Confidence: 0.8589727

00:18:39.540 --> 00:18:40.748 seen Doctor Harris speaks.

NOTE Confidence: 0.8589727

00:18:40.750 --> 00:18:42.640 She does work at many conferences.

NOTE Confidence: 0.8589727

00:18:42.640 --> 00:18:44.626 And work across our country and

NOTE Confidence: 0.8589727

00:18:44.626 --> 00:18:46.373 advocating for early childhood and

NOTE Confidence: 0.8589727

00:18:46.373 --> 00:18:48.213 advocating for providing the services

NOTE Confidence: 0.8589727

00:18:48.213 --> 00:18:50.445 for students really centers her work

NOTE Confidence: 0.8589727

00:18:50.445 --> 00:18:52.200 around innovation and early learning.

NOTE Confidence: 0.8589727

00:18:52.200 --> 00:18:53.307 Coaching teachers leadership

NOTE Confidence: 0.8589727

00:18:53.307 --> 00:18:55.152 development and working on other

NOTE Confidence: 0.8589727

00:18:55.152 --> 00:18:56.916 research based outcomes and best

NOTE Confidence: 0.8589727

00:18:56.916 --> 00:18:58.220 practices for early learning.

NOTE Confidence: 0.8589727

00:18:58.220 --> 00:19:01.044 So, so excited to hear about your work.

NOTE Confidence: 0.8589727

00:19:01.050 --> 00:19:01.756 Doctor Harrison,

NOTE Confidence: 0.8589727

00:19:01.756 --> 00:19:03.874 what you've seen during this time,

NOTE Confidence: 0.8589727

00:19:03.880 --> 00:19:07.070 and I know our our guest star as well.

NOTE Confidence: 0.8589727

00:19:07.070 --> 00:19:10.247 So Doctor Harris, I'll turn it over to you.

NOTE Confidence: 0.85874605

00:19:11.140 --> 00:19:13.751 Thank you Jimmy, and thank you Doctor

NOTE Confidence: 0.85874605

00:19:13.751 --> 00:19:15.810 Gilliam for conducting that research.

NOTE Confidence: 0.85874605

00:19:15.810 --> 00:19:17.770 I remember learning of the

NOTE Confidence: 0.85874605

00:19:17.770 --> 00:19:20.090 research and reading it from you.

NOTE Confidence: 0.85874605

00:19:20.090 --> 00:19:21.670 Know top to bottom.

NOTE Confidence: 0.85874605

00:19:21.670 --> 00:19:24.849 It's so important in the work that we

NOTE Confidence: 0.85874605

00:19:24.849 --> 00:19:27.753 do and I want to thank Scholastic for

NOTE Confidence: 0.85874605

00:19:27.834 --> 00:19:30.978 inviting me to be here at this seminar.

NOTE Confidence: 0.85874605

00:19:30.980 --> 00:19:32.910 To share what's happening with
NOTE Confidence: 0.85874605

00:19:32.910 --> 00:19:35.650 the boots on ground at Child 360.
NOTE Confidence: 0.85874605

00:19:35.650 --> 00:19:37.595 We serve over 550 providers
NOTE Confidence: 0.85874605

00:19:37.595 --> 00:19:39.540 and that includes Head Start,
NOTE Confidence: 0.85874605

00:19:39.540 --> 00:19:41.480 early Head Start, state preschool,
NOTE Confidence: 0.85874605

00:19:41.480 --> 00:19:44.128 family, child care providers.
NOTE Confidence: 0.85874605

00:19:44.128 --> 00:19:49.806 Family and Friends Network and we we serve
NOTE Confidence: 0.85874605

00:19:49.806 --> 00:19:53.786 those providers through coaching assessment,
NOTE Confidence: 0.85874605

00:19:53.790 --> 00:19:55.390 resource distribution,
NOTE Confidence: 0.85874605

00:19:55.390 --> 00:19:57.790 technical assistance and
NOTE Confidence: 0.85874605

00:19:57.790 --> 00:20:00.190 research and evaluation.
NOTE Confidence: 0.85874605

00:20:00.190 --> 00:20:01.228 And as well,
NOTE Confidence: 0.85874605

00:20:01.228 --> 00:20:03.304 looking at some best practices and
NOTE Confidence: 0.85874605

00:20:03.304 --> 00:20:05.681 sharing it with other providers in the
NOTE Confidence: 0.85874605

00:20:05.681 --> 00:20:08.129 field were located in Sunny California.
NOTE Confidence: 0.85874605

00:20:08.130 --> 00:20:09.574 It's a beautiful day.

NOTE Confidence: 0.85874605

00:20:09.574 --> 00:20:11.740 It's only one o'clock for me.

NOTE Confidence: 0.85874605

00:20:11.740 --> 00:20:14.746 I know I saw in the chat that some

NOTE Confidence: 0.85874605

00:20:14.746 --> 00:20:18.235 of you are from all the way in Egypt,

NOTE Confidence: 0.85874605

00:20:18.240 --> 00:20:21.088 and so it's it's late at night and

NOTE Confidence: 0.85874605

00:20:21.088 --> 00:20:23.287 we appreciate you for joining us.

NOTE Confidence: 0.85874605

00:20:23.290 --> 00:20:26.178 But thank you for all of you childcare,

NOTE Confidence: 0.85874605

00:20:26.180 --> 00:20:27.860 early childcare heroes across the

NOTE Confidence: 0.85874605

00:20:27.860 --> 00:20:30.150 nation and across the world evidently.

NOTE Confidence: 0.85874605

00:20:30.150 --> 00:20:32.160 And so at child 360.

NOTE Confidence: 0.85874605

00:20:32.160 --> 00:20:34.320 We're located in Los Angeles,

NOTE Confidence: 0.85874605

00:20:34.320 --> 00:20:34.691 CA,

NOTE Confidence: 0.85874605

00:20:34.691 --> 00:20:37.288 and I asked to include this this

NOTE Confidence: 0.85874605

00:20:37.288 --> 00:20:39.585 picture and my PowerPoint because

NOTE Confidence: 0.85874605

00:20:39.585 --> 00:20:42.525 about 8 months before the pandemic,

NOTE Confidence: 0.85874605

00:20:42.530 --> 00:20:45.563 I was a director at a school district of

NOTE Confidence: 0.85874605

00:20:45.563 --> 00:20:48.580 our early childhood education program,

NOTE Confidence: 0.85874605

00:20:48.580 --> 00:20:51.040 and it was a wonderful opportunity

NOTE Confidence: 0.85874605

00:20:51.040 --> 00:20:53.216 to serve the community and

NOTE Confidence: 0.85874605

00:20:53.216 --> 00:20:55.056 serve children and families.

NOTE Confidence: 0.85874605

00:20:55.060 --> 00:20:58.175 And about 8 months into my current

NOTE Confidence: 0.85874605

00:20:58.175 --> 00:21:00.984 position at child 360 as the

NOTE Confidence: 0.85874605

00:21:00.984 --> 00:21:03.284 Director of Pride or Operations.

NOTE Confidence: 0.85874605

00:21:03.290 --> 00:21:05.348 We went into shelter in place and

NOTE Confidence: 0.85874605

00:21:05.348 --> 00:21:07.478 so I'm here to share with you.

NOTE Confidence: 0.85874605

00:21:07.480 --> 00:21:09.272 How did we work through that and

NOTE Confidence: 0.85874605

00:21:09.272 --> 00:21:11.360 how are we working through that?

NOTE Confidence: 0.85874605

00:21:11.360 --> 00:21:13.688 And some of the strategies that I hope

NOTE Confidence: 0.85874605

00:21:13.688 --> 00:21:15.848 that will help you where you're at.

NOTE Confidence: 0.85874605

00:21:15.850 --> 00:21:17.330 Next slide,

NOTE Confidence: 0.85874605

00:21:17.330 --> 00:21:18.070 please.

NOTE Confidence: 0.85874605

00:21:18.070 --> 00:21:20.770 So I wanted to give you a snapshot of the

NOTE Confidence: 0.85874605

00:21:20.841 --> 00:21:23.809 providers that we serve and where they're at.

NOTE Confidence: 0.85874605

00:21:23.810 --> 00:21:25.980 I remember the Monday after our County

NOTE Confidence: 0.85874605

00:21:25.980 --> 00:21:28.280 put us into a shelter into place.

NOTE Confidence: 0.85874605

00:21:28.280 --> 00:21:29.504 Actually let me back.

NOTE Confidence: 0.85874605

00:21:29.504 --> 00:21:32.273 Let me go backwards a little bit a week

NOTE Confidence: 0.85874605

00:21:32.273 --> 00:21:34.289 before that we had a case management

NOTE Confidence: 0.85874605

00:21:34.353 --> 00:21:36.447 meeting and we were talking about

NOTE Confidence: 0.85874605

00:21:36.447 --> 00:21:38.428 COVID-19 and we thought about our

NOTE Confidence: 0.85874605

00:21:38.428 --> 00:21:40.451 we're getting a lot of calls from

NOTE Confidence: 0.85874605

00:21:40.451 --> 00:21:42.591 our providers and they were asking

NOTE Confidence: 0.85874605

00:21:42.591 --> 00:21:45.024 us about the seriousness of it and

NOTE Confidence: 0.85874605

00:21:45.024 --> 00:21:46.776 what should they do to prepare.

NOTE Confidence: 0.85874605

00:21:46.780 --> 00:21:49.292 And so the coaches brought that to my

NOTE Confidence: 0.85874605

00:21:49.292 --> 00:21:51.009 attention through their supervisors.

NOTE Confidence: 0.85874605

00:21:51.010 --> 00:21:54.034 And one of the strategies that I

NOTE Confidence: 0.85874605

00:21:54.034 --> 00:21:56.493 really appreciate that we put into
NOTE Confidence: 0.85874605

00:21:56.493 --> 00:21:58.659 place was that we collected all
NOTE Confidence: 0.85874605

00:21:58.659 --> 00:22:01.337 of the personal cell phone numbers
NOTE Confidence: 0.85874605

00:22:01.337 --> 00:22:04.000 of our providers and they didn't
NOTE Confidence: 0.85874605

00:22:04.000 --> 00:22:05.680 shared with our organization.
NOTE Confidence: 0.85874605

00:22:05.680 --> 00:22:08.606 But they shared it with their coach.
NOTE Confidence: 0.85874605

00:22:08.610 --> 00:22:10.725 Our coaches have been embedded
NOTE Confidence: 0.85874605

00:22:10.725 --> 00:22:13.639 in the County for over 10 years,
NOTE Confidence: 0.85874605

00:22:13.640 --> 00:22:16.984 and when you think about access an equity,
NOTE Confidence: 0.85874605

00:22:16.990 --> 00:22:18.750 we strategically place coaches
NOTE Confidence: 0.85874605

00:22:18.750 --> 00:22:20.510 and assessors and professional
NOTE Confidence: 0.85874605

00:22:20.510 --> 00:22:21.390 development consultants.
NOTE Confidence: 0.85874605

00:22:21.390 --> 00:22:22.530 Throughout Los Angeles County,
NOTE Confidence: 0.85874605

00:22:22.530 --> 00:22:23.955 they live in certain neighborhoods,
NOTE Confidence: 0.85874605

00:22:23.960 --> 00:22:25.550 and so they have a relationship
NOTE Confidence: 0.85874605

00:22:25.550 --> 00:22:26.610 with providers and so

NOTE Confidence: 0.8624357

00:22:26.665 --> 00:22:28.165 providers were happy to share

NOTE Confidence: 0.8624357

00:22:28.165 --> 00:22:29.365 their cell phone number,

NOTE Confidence: 0.8624357

00:22:29.370 --> 00:22:30.276 their personal emails,

NOTE Confidence: 0.8624357

00:22:30.276 --> 00:22:32.088 because we didn't know what would

NOTE Confidence: 0.8624357

00:22:32.088 --> 00:22:33.930 happen and then when shelter in place,

NOTE Confidence: 0.8624357

00:22:33.930 --> 00:22:35.360 a curd that following Monday.

NOTE Confidence: 0.8624357

00:22:35.360 --> 00:22:37.070 I remember the supervisors called me.

NOTE Confidence: 0.8624357

00:22:37.070 --> 00:22:38.490 We jumped on a teams.

NOTE Confidence: 0.8624357

00:22:38.490 --> 00:22:40.450 I think we were the first Department

NOTE Confidence: 0.8624357

00:22:40.450 --> 00:22:42.786 to jump on a teams meeting at 9:00

NOTE Confidence: 0.8624357

00:22:42.786 --> 00:22:44.760 o'clock on Monday and we said OK,

NOTE Confidence: 0.8624357

00:22:44.760 --> 00:22:46.470 what are we going to do?

NOTE Confidence: 0.8624357

00:22:46.470 --> 00:22:49.030 And so we said we have to keep reaching out

NOTE Confidence: 0.8624357

00:22:49.095 --> 00:22:51.599 and we have to keep serving our providers.

NOTE Confidence: 0.8624357

00:22:51.600 --> 00:22:53.595 A lot of them are so courageous,

NOTE Confidence: 0.8624357

00:22:53.600 --> 00:22:55.520 especially our family child care providers.

NOTE Confidence: 0.8624357

00:22:55.520 --> 00:22:57.170 They want to stay open.

NOTE Confidence: 0.8624357

00:22:57.170 --> 00:22:59.466 They want to serve our essential workers.

NOTE Confidence: 0.8624357

00:22:59.470 --> 00:23:01.110 How can we support them?

NOTE Confidence: 0.8624357

00:23:01.110 --> 00:23:03.392 And the interesting thing is that most

NOTE Confidence: 0.8624357

00:23:03.392 --> 00:23:05.390 of the districts had closed down,

NOTE Confidence: 0.8624357

00:23:05.390 --> 00:23:07.883 and so we're so happy that we had that

NOTE Confidence: 0.8624357

00:23:07.883 --> 00:23:09.628 contact information because that's how

NOTE Confidence: 0.8624357

00:23:09.628 --> 00:23:12.138 we were able to support our teachers

NOTE Confidence: 0.8624357

00:23:12.138 --> 00:23:14.922 and erectors to either reopen or stay open.

NOTE Confidence: 0.8624357

00:23:14.930 --> 00:23:16.981 Or how to pivot over to a

NOTE Confidence: 0.8624357

00:23:16.981 --> 00:23:18.550 virtual or hybrid offering.

NOTE Confidence: 0.8624357

00:23:18.550 --> 00:23:21.502 And so here's a snapshot as I was speaking,

NOTE Confidence: 0.8624357

00:23:21.510 --> 00:23:24.800 I was hoping you were taking a look at it.

NOTE Confidence: 0.8624357

00:23:24.800 --> 00:23:26.540 We do serve about 500.

NOTE Confidence: 0.8624357

00:23:26.540 --> 00:23:29.666 50 providers and you could see

NOTE Confidence: 0.8624357

00:23:29.666 --> 00:23:33.380 that open at full capacity only.

NOTE Confidence: 0.8624357

00:23:33.380 --> 00:23:34.232 About 10%,

NOTE Confidence: 0.8624357

00:23:34.232 --> 00:23:37.214 about 56 of our providers are open,

NOTE Confidence: 0.8624357

00:23:37.220 --> 00:23:39.360 and that's mainly RFC sees.

NOTE Confidence: 0.8624357

00:23:39.360 --> 00:23:41.892 The family child care providers limited

NOTE Confidence: 0.8624357

00:23:41.892 --> 00:23:44.851 capacity because of the ratios that are

NOTE Confidence: 0.8624357

00:23:44.851 --> 00:23:46.856 governed by Community care licensing

NOTE Confidence: 0.8624357

00:23:46.856 --> 00:23:49.610 and the Department of Public Health.

NOTE Confidence: 0.8624357

00:23:49.610 --> 00:23:52.328 Some of our providers have reduced

NOTE Confidence: 0.8624357

00:23:52.328 --> 00:23:55.344 their capacity and so we do have

NOTE Confidence: 0.8624357

00:23:55.344 --> 00:23:57.948 about 86 centers and FCC's that are

NOTE Confidence: 0.8624357

00:23:58.036 --> 00:24:00.706 still open at a limited capacity.

NOTE Confidence: 0.8624357

00:24:00.710 --> 00:24:03.530 Then I want you to.

NOTE Confidence: 0.8624357

00:24:03.530 --> 00:24:06.386 Jump over to the next highlighted column,

NOTE Confidence: 0.8624357

00:24:06.390 --> 00:24:08.014 the virtual support online.

NOTE Confidence: 0.8624357

00:24:08.014 --> 00:24:08.826 The centers.
NOTE Confidence: 0.8624357

00:24:08.830 --> 00:24:11.701 You can see that there's a large amount of
NOTE Confidence: 0.8624357

00:24:11.701 --> 00:24:14.949 our centers providing virtual support online,
NOTE Confidence: 0.8624357

00:24:14.950 --> 00:24:16.990 300 centers and one family
NOTE Confidence: 0.8624357

00:24:16.990 --> 00:24:18.214 child care provider,
NOTE Confidence: 0.8624357

00:24:18.220 --> 00:24:20.852 and those centers are mainly our school
NOTE Confidence: 0.8624357

00:24:20.852 --> 00:24:22.926 districts and those school districts
NOTE Confidence: 0.8624357

00:24:22.926 --> 00:24:25.554 are facilitating learning in the home,
NOTE Confidence: 0.8624357

00:24:25.560 --> 00:24:28.654 so our coaches support the teachers as
NOTE Confidence: 0.8624357

00:24:28.654 --> 00:24:30.869 facilitating that learning in the home.
NOTE Confidence: 0.8624357

00:24:30.870 --> 00:24:33.817 And so it has been a wonderful
NOTE Confidence: 0.8624357

00:24:33.817 --> 00:24:34.659 and reflective.
NOTE Confidence: 0.8624357

00:24:34.660 --> 00:24:35.014 Process,
NOTE Confidence: 0.8624357

00:24:35.014 --> 00:24:37.846 but I will say that it has been
NOTE Confidence: 0.8624357

00:24:37.846 --> 00:24:40.152 extremely hard on teachers to offer if
NOTE Confidence: 0.8624357

00:24:40.152 --> 00:24:43.431 they have AM in a PM and they want to

NOTE Confidence: 0.8624357

00:24:43.431 --> 00:24:45.480 meet with their children every week,

NOTE Confidence: 0.8624357

00:24:45.480 --> 00:24:48.440 you know they might make two or three

NOTE Confidence: 0.8624357

00:24:48.515 --> 00:24:51.455 times a week and if you have AM and PM,

NOTE Confidence: 0.8624357

00:24:51.460 --> 00:24:53.190 that's 48 children and giving

NOTE Confidence: 0.8624357

00:24:53.190 --> 00:24:55.627 them time to be able to speak

NOTE Confidence: 0.8624357

00:24:55.627 --> 00:24:57.832 with one another on a zoom call,

NOTE Confidence: 0.8624357

00:24:57.840 --> 00:24:59.736 it's you know it causes fatigue

NOTE Confidence: 0.8624357

00:24:59.736 --> 00:25:01.784 and so our coaches are there

NOTE Confidence: 0.8624357

00:25:01.784 --> 00:25:03.216 to support the teachers,

NOTE Confidence: 0.8624357

00:25:03.220 --> 00:25:04.050 provide developmentally

NOTE Confidence: 0.8624357

00:25:04.050 --> 00:25:04.880 appropriate practices.

NOTE Confidence: 0.8624357

00:25:04.880 --> 00:25:07.760 To facilitate that learning in the home

NOTE Confidence: 0.8624357

00:25:07.760 --> 00:25:09.740 and also to encourage family engagement.

NOTE Confidence: 0.8624357

00:25:09.740 --> 00:25:12.295 And then we do have about 54

NOTE Confidence: 0.8624357

00:25:12.295 --> 00:25:13.842 centers that provide hybrid

NOTE Confidence: 0.8624357

00:25:13.842 --> 00:25:16.080 so the children come in and,
NOTE Confidence: 0.8624357

00:25:16.080 --> 00:25:17.950 as Doctor Gilliam has spoke,
NOTE Confidence: 0.8624357

00:25:17.950 --> 00:25:19.735 there's cohorts of children that
NOTE Confidence: 0.8624357

00:25:19.735 --> 00:25:22.050 come in to the actual center,
NOTE Confidence: 0.8624357

00:25:22.050 --> 00:25:24.654 maybe two or three times a week,
NOTE Confidence: 0.8624357

00:25:24.660 --> 00:25:26.730 and then there's virtual learning
NOTE Confidence: 0.8624357

00:25:26.730 --> 00:25:28.800 at home and the exciting
NOTE Confidence: 0.8536653

00:25:28.873 --> 00:25:32.083 thing is that the right next to that let that
NOTE Confidence: 0.8536653

00:25:32.157 --> 00:25:35.365 highlighted column we do have about 15 sites.
NOTE Confidence: 0.8536653

00:25:35.370 --> 00:25:38.410 That are state preschool sites that have just
NOTE Confidence: 0.8536653

00:25:38.410 --> 00:25:41.389 joined us looking for additional support.
NOTE Confidence: 0.8536653

00:25:41.390 --> 00:25:44.819 So mainly what I want to draw your attention
NOTE Confidence: 0.8536653

00:25:44.819 --> 00:25:48.641 to is at the end there's a total of 512
NOTE Confidence: 0.8536653

00:25:48.641 --> 00:25:51.174 providers who are serving thousands
NOTE Confidence: 0.8536653

00:25:51.174 --> 00:25:54.288 of children across Los Angeles County.
NOTE Confidence: 0.8536653

00:25:54.290 --> 00:25:57.730 Whether it's virtual or in person or hybrid,

NOTE Confidence: 0.8536653

00:25:57.730 --> 00:26:00.310 and that is an amazing number

NOTE Confidence: 0.8536653

00:26:00.310 --> 00:26:03.473 that's less than 7% of our centers

NOTE Confidence: 0.8536653

00:26:03.473 --> 00:26:05.397 that unfortunately either closed.

NOTE Confidence: 0.8536653

00:26:05.400 --> 00:26:09.882 Or decided to wait until things were a little

NOTE Confidence: 0.8536653

00:26:09.882 --> 00:26:14.459 bit until we had a vaccine to open back up,

NOTE Confidence: 0.8536653

00:26:14.460 --> 00:26:17.802 but to only have 7% of our

NOTE Confidence: 0.8536653

00:26:17.802 --> 00:26:19.706 providers who aren't open.

NOTE Confidence: 0.8536653

00:26:19.710 --> 00:26:20.628 It's amazing,

NOTE Confidence: 0.8536653

00:26:20.628 --> 00:26:23.841 and I definitely attributed this to our

NOTE Confidence: 0.8536653

00:26:23.841 --> 00:26:26.870 child care early childhood care field.

NOTE Confidence: 0.8536653

00:26:26.870 --> 00:26:29.375 Just being resilient and tenacious

NOTE Confidence: 0.8536653

00:26:29.375 --> 00:26:32.402 about continuing to open their arms

NOTE Confidence: 0.8536653

00:26:32.402 --> 00:26:35.036 in their homes and their centers

NOTE Confidence: 0.8536653

00:26:35.036 --> 00:26:37.210 to families sharing resources.

NOTE Confidence: 0.8536653

00:26:37.210 --> 00:26:38.694 Providing care social emotional

NOTE Confidence: 0.8536653

00:26:38.694 --> 00:26:39.807 services to families.
NOTE Confidence: 0.8536653

00:26:39.810 --> 00:26:41.670 And that's always been president
NOTE Confidence: 0.8536653

00:26:41.670 --> 00:26:42.786 in our field.
NOTE Confidence: 0.8536653

00:26:42.790 --> 00:26:45.694 And I'm just so proud that during this
NOTE Confidence: 0.8536653

00:26:45.694 --> 00:26:47.924 time during this pandemic we have
NOTE Confidence: 0.8536653

00:26:47.924 --> 00:26:50.682 really shined as far as our dedication
NOTE Confidence: 0.8536653

00:26:50.682 --> 00:26:53.407 to our most vulnerable population.
NOTE Confidence: 0.8536653

00:26:53.410 --> 00:26:54.220 Next slide,
NOTE Confidence: 0.8536653

00:26:54.220 --> 00:26:54.620 please.
NOTE Confidence: 0.8582091

00:26:57.820 --> 00:26:58.843 Equity and access.
NOTE Confidence: 0.8582091

00:26:58.843 --> 00:27:02.220 So I was on a meeting with our coaches.
NOTE Confidence: 0.8582091

00:27:02.220 --> 00:27:04.452 I have over 40 coaches and we have maybe
NOTE Confidence: 0.8582091

00:27:04.452 --> 00:27:06.730 20 additional assessors and professional
NOTE Confidence: 0.8582091

00:27:06.730 --> 00:27:09.195 development consultants and this slide.
NOTE Confidence: 0.8582091

00:27:09.200 --> 00:27:10.715 There's a lot of information
NOTE Confidence: 0.8582091

00:27:10.715 --> 00:27:12.755 on this slide and I typically

NOTE Confidence: 0.8582091

00:27:12.755 --> 00:27:15.065 wouldn't Add all this information,

NOTE Confidence: 0.8582091

00:27:15.070 --> 00:27:18.006 but being that this is a virtual conference,

NOTE Confidence: 0.8582091

00:27:18.010 --> 00:27:19.840 I hope that you're forgiving,

NOTE Confidence: 0.8582091

00:27:19.840 --> 00:27:22.828 but I just had to list all of the

NOTE Confidence: 0.8582091

00:27:22.828 --> 00:27:25.348 amazing work that's been going on,

NOTE Confidence: 0.8582091

00:27:25.350 --> 00:27:28.050 and this doesn't include it all.

NOTE Confidence: 0.8582091

00:27:28.050 --> 00:27:30.348 Equity and access has been important

NOTE Confidence: 0.8582091

00:27:30.348 --> 00:27:32.802 coaches assessors in the in communities

NOTE Confidence: 0.8582091

00:27:32.802 --> 00:27:35.364 in neighborhoods that speak the languages

NOTE Confidence: 0.8582091

00:27:35.364 --> 00:27:38.107 of families hearing their everyday needs.

NOTE Confidence: 0.8582091

00:27:38.110 --> 00:27:40.205 Whether it's we need diapers

NOTE Confidence: 0.8582091

00:27:40.205 --> 00:27:42.300 or we need cleaning supplies,

NOTE Confidence: 0.8582091

00:27:42.300 --> 00:27:45.226 we had an issue where our providers

NOTE Confidence: 0.8582091

00:27:45.226 --> 00:27:46.062 are family.

NOTE Confidence: 0.8582091

00:27:46.070 --> 00:27:48.536 Child care providers weren't able to

NOTE Confidence: 0.8582091

00:27:48.536 --> 00:27:51.586 get milk and you know snack healthy
NOTE Confidence: 0.8582091

00:27:51.586 --> 00:27:54.680 snacks for children and so our coaches
NOTE Confidence: 0.8582091

00:27:54.760 --> 00:27:57.476 brought that information to us and we
NOTE Confidence: 0.8582091

00:27:57.476 --> 00:28:00.160 were able to inform the governor's office.
NOTE Confidence: 0.8582091

00:28:00.160 --> 00:28:02.060 Through our public policy director,
NOTE Confidence: 0.8582091

00:28:02.060 --> 00:28:04.118 we were also able to contact local
NOTE Confidence: 0.8582091

00:28:04.118 --> 00:28:06.549 markets and ask if they could include
NOTE Confidence: 0.8582091

00:28:06.549 --> 00:28:08.404 early childcare providers and their
NOTE Confidence: 0.8582091

00:28:08.404 --> 00:28:10.635 early openings of their stores so that
NOTE Confidence: 0.8582091

00:28:10.635 --> 00:28:13.140 we can ensure that children get milk and
NOTE Confidence: 0.8582091

00:28:13.140 --> 00:28:15.430 fruit and vegetables and things like that.
NOTE Confidence: 0.8582091

00:28:15.430 --> 00:28:17.806 And we were able to get this information
NOTE Confidence: 0.8582091

00:28:17.806 --> 00:28:20.083 because over the past eight months we've
NOTE Confidence: 0.8582091

00:28:20.083 --> 00:28:22.270 had over 9000 virtual coaching sessions.
NOTE Confidence: 0.8582091

00:28:22.270 --> 00:28:22.596 Initially,
NOTE Confidence: 0.8582091

00:28:22.596 --> 00:28:24.226 it was difficult, you know.

NOTE Confidence: 0.8582091

00:28:24.230 --> 00:28:25.139 Like I said,

NOTE Confidence: 0.8582091

00:28:25.139 --> 00:28:27.672 we started out with the cell phone just

NOTE Confidence: 0.8582091

00:28:27.672 --> 00:28:30.094 to call and they were Wellness checks.

NOTE Confidence: 0.8582091

00:28:30.100 --> 00:28:31.760 How are you doing?

NOTE Confidence: 0.8582091

00:28:31.760 --> 00:28:33.835 And we had a triage.

NOTE Confidence: 0.8582091

00:28:33.840 --> 00:28:36.682 Those needs eventually we were able to

NOTE Confidence: 0.8582091

00:28:36.682 --> 00:28:39.938 pivot to online coaching using zoom teams.

NOTE Confidence: 0.8582091

00:28:39.940 --> 00:28:41.845 Whatever the teacher or the

NOTE Confidence: 0.8582091

00:28:41.845 --> 00:28:44.259 director of the family child care

NOTE Confidence: 0.8582091

00:28:44.259 --> 00:28:46.439 provider was comfortable with and

NOTE Confidence: 0.8582091

00:28:46.439 --> 00:28:48.768 now we're currently using online

NOTE Confidence: 0.8582091

00:28:48.768 --> 00:28:50.836 coaching platform called Torsh,

NOTE Confidence: 0.8582091

00:28:50.840 --> 00:28:53.456 which stands for today's one room.

NOTE Confidence: 0.8582091

00:28:53.460 --> 00:28:55.500 Schoolhouse Torch is amazing because

NOTE Confidence: 0.8582091

00:28:55.500 --> 00:28:58.260 providers are able to take snapshots,

NOTE Confidence: 0.8582091

00:28:58.260 --> 00:29:00.906 video snapshots of their day or
NOTE Confidence: 0.8582091

00:29:00.906 --> 00:29:02.670 particular activity with children.
NOTE Confidence: 0.8582091

00:29:02.670 --> 00:29:05.309 And they posted on torch and then
NOTE Confidence: 0.8582091

00:29:05.309 --> 00:29:07.922 their coach can go in and view
NOTE Confidence: 0.8582091

00:29:07.922 --> 00:29:09.672 it and then post comments.
NOTE Confidence: 0.8582091

00:29:09.680 --> 00:29:12.249 And when it's convenient for the coach
NOTE Confidence: 0.8582091

00:29:12.249 --> 00:29:14.479 when it's convenient for the provider,
NOTE Confidence: 0.8582091

00:29:14.480 --> 00:29:17.792 they go back and they look at the comments.
NOTE Confidence: 0.8582091

00:29:17.800 --> 00:29:20.068 And so there's a back and forth
NOTE Confidence: 0.8582091

00:29:20.068 --> 00:29:21.860 cadence you know concerning,
NOTE Confidence: 0.8582091

00:29:21.860 --> 00:29:24.284 like how to set up and reopen after
NOTE Confidence: 0.8582091

00:29:24.284 --> 00:29:26.481 Covid as the providers became more
NOTE Confidence: 0.8582091

00:29:26.481 --> 00:29:29.265 and more ready and we started to
NOTE Confidence: 0.8582091

00:29:29.265 --> 00:29:31.450 pivot and offer different services.
NOTE Confidence: 0.8582091

00:29:31.450 --> 00:29:32.695 Those services included.
NOTE Confidence: 0.8582091

00:29:32.695 --> 00:29:34.355 Resource distribution based on

NOTE Confidence: 0.8582091

00:29:34.355 --> 00:29:36.519 the needs of our providers.

NOTE Confidence: 0.8582091

00:29:36.520 --> 00:29:38.460 We we sent out surveys.

NOTE Confidence: 0.8582091

00:29:38.460 --> 00:29:40.365 We have listening sessions so

NOTE Confidence: 0.8582091

00:29:40.365 --> 00:29:42.735 that we know what the providers

NOTE Confidence: 0.8582091

00:29:42.735 --> 00:29:45.416 needs are and so over the past.

NOTE Confidence: 0.8582091

00:29:45.420 --> 00:29:48.024 Just four months we have distributed

NOTE Confidence: 0.8582091

00:29:48.024 --> 00:29:50.140 over 54,000 books because we

NOTE Confidence: 0.8582091

00:29:50.140 --> 00:29:52.000 found that there was a need,

NOTE Confidence: 0.8582091

00:29:52.000 --> 00:29:53.548 especially in our neighborhoods

NOTE Confidence: 0.8582091

00:29:53.548 --> 00:29:55.483 with families with low income,

NOTE Confidence: 0.8582091

00:29:55.490 --> 00:29:57.974 that there you know there weren't

NOTE Confidence: 0.8582091

00:29:57.974 --> 00:30:00.289 books in the home and so.

NOTE Confidence: 0.8582091

00:30:00.290 --> 00:30:01.638 Through a collaboration with

NOTE Confidence: 0.8582091

00:30:01.638 --> 00:30:03.323 Scholastic and through state funds,

NOTE Confidence: 0.8582091

00:30:03.330 --> 00:30:05.717 we were able to supply 54 thousand

NOTE Confidence: 0.8582091

00:30:05.717 --> 00:30:08.060 children with the book in their home.

NOTE Confidence: 0.8582091

00:30:08.060 --> 00:30:09.412 In addition to that,

NOTE Confidence: 0.8582091

00:30:09.412 --> 00:30:11.102 we realize that you know,

NOTE Confidence: 0.8562872

00:30:11.110 --> 00:30:13.072 like the health care provider in

NOTE Confidence: 0.8562872

00:30:13.072 --> 00:30:15.214 the video that Doctor Gilliam shared

NOTE Confidence: 0.8562872

00:30:15.214 --> 00:30:17.124 that sometimes as a grandparent

NOTE Confidence: 0.8562872

00:30:17.124 --> 00:30:19.209 or sometime it's apparent who may

NOTE Confidence: 0.8562872

00:30:19.209 --> 00:30:21.587 not know you know how to create a

NOTE Confidence: 0.8562872

00:30:21.587 --> 00:30:23.609 cozy Nook for reading for children,

NOTE Confidence: 0.8562872

00:30:23.610 --> 00:30:25.596 so we also develop a literacy

NOTE Confidence: 0.8562872

00:30:25.596 --> 00:30:27.669 toolkit to go along with that.

NOTE Confidence: 0.8562872

00:30:27.670 --> 00:30:29.475 We provide books provided books

NOTE Confidence: 0.8562872

00:30:29.475 --> 00:30:31.280 to all of the classrooms.

NOTE Confidence: 0.8562872

00:30:31.280 --> 00:30:33.640 Another need that providers had

NOTE Confidence: 0.8562872

00:30:33.640 --> 00:30:36.000 where social emotional toolkits and

NOTE Confidence: 0.8562872

00:30:36.073 --> 00:30:37.733 these toolkits included songsan

NOTE Confidence: 0.8562872

00:30:37.733 --> 00:30:40.690 puppets so that we can talk about

NOTE Confidence: 0.8562872

00:30:40.690 --> 00:30:43.399 the pandemic and how is it impacting

NOTE Confidence: 0.8562872

00:30:43.399 --> 00:30:45.688 children and that they miss their

NOTE Confidence: 0.8562872

00:30:45.688 --> 00:30:47.573 friends and their concern about

NOTE Confidence: 0.8562872

00:30:47.573 --> 00:30:49.768 not seeing their grandparents.

NOTE Confidence: 0.8562872

00:30:49.770 --> 00:30:52.020 So we created customized social

NOTE Confidence: 0.8562872

00:30:52.020 --> 00:30:53.820 emotional kits and distribute

NOTE Confidence: 0.8562872

00:30:53.820 --> 00:30:56.217 all those kids to our families.

NOTE Confidence: 0.8562872

00:30:56.220 --> 00:30:57.940 Our child, care providers,

NOTE Confidence: 0.8562872

00:30:57.940 --> 00:30:59.660 health and safety toolkits,

NOTE Confidence: 0.8562872

00:30:59.660 --> 00:31:02.300 and class toolkits, as well as.

NOTE Confidence: 0.8562872

00:31:02.300 --> 00:31:03.797 On every Friday,

NOTE Confidence: 0.8562872

00:31:03.797 --> 00:31:06.292 food distributions through Best Start

NOTE Confidence: 0.8562872

00:31:06.292 --> 00:31:08.440 sharing aggregating data throughout

NOTE Confidence: 0.8562872

00:31:08.440 --> 00:31:10.596 neighborhoods concerning covid relief

NOTE Confidence: 0.8562872

00:31:10.596 --> 00:31:13.266 options like tenant rights and
NOTE Confidence: 0.8562872

00:31:13.266 --> 00:31:15.456 funds and small business resources,
NOTE Confidence: 0.8562872

00:31:15.460 --> 00:31:17.990 and this all happened through
NOTE Confidence: 0.8562872

00:31:17.990 --> 00:31:20.520 monthly and sometimes weekly calls,
NOTE Confidence: 0.8562872

00:31:20.520 --> 00:31:23.045 and virtual meetings with our
NOTE Confidence: 0.8562872

00:31:23.045 --> 00:31:24.560 providers next light.
NOTE Confidence: 0.8363423

00:31:27.230 --> 00:31:30.244 And Lastly, I wanted to share our
NOTE Confidence: 0.8363423

00:31:30.244 --> 00:31:32.851 resources with you because we have
NOTE Confidence: 0.8363423

00:31:32.851 --> 00:31:35.347 many free resources that you can
NOTE Confidence: 0.8363423

00:31:35.347 --> 00:31:37.550 access through www.child360.org.
NOTE Confidence: 0.8363423

00:31:37.550 --> 00:31:40.826 I won't go through all of them,
NOTE Confidence: 0.8363423

00:31:40.830 --> 00:31:44.183 but we do have an online learning
NOTE Confidence: 0.8363423

00:31:44.183 --> 00:31:47.255 management system and that was crucial
NOTE Confidence: 0.8363423

00:31:47.255 --> 00:31:50.339 especially to RLE Azar School District
NOTE Confidence: 0.8363423

00:31:50.339 --> 00:31:53.104 are lead educational agencies the
NOTE Confidence: 0.8363423

00:31:53.104 --> 00:31:56.344 unions and because of the labor.

NOTE Confidence: 0.8363423

00:31:56.350 --> 00:31:58.527 Act we were able to pivot and

NOTE Confidence: 0.8363423

00:31:58.527 --> 00:32:00.644 provide on line management through

NOTE Confidence: 0.8363423

00:32:00.644 --> 00:32:02.860 our online management system.

NOTE Confidence: 0.8363423

00:32:02.860 --> 00:32:03.676 Professional development.

NOTE Confidence: 0.8363423

00:32:03.676 --> 00:32:04.900 Because our teachers.

NOTE Confidence: 0.8363423

00:32:04.900 --> 00:32:07.336 Maybe it was because of childcare,

NOTE Confidence: 0.8363423

00:32:07.340 --> 00:32:09.048 reason, childcare issues within

NOTE Confidence: 0.8363423

00:32:09.048 --> 00:32:12.094 their own home or it was because

NOTE Confidence: 0.8363423

00:32:12.094 --> 00:32:14.922 there was a core mobility or they

NOTE Confidence: 0.8363423

00:32:14.922 --> 00:32:17.676 were taking care of a senior they

NOTE Confidence: 0.8363423

00:32:17.676 --> 00:32:19.892 couldn't return to work and so

NOTE Confidence: 0.8363423

00:32:19.892 --> 00:32:22.286 part of part of what was negotiated

NOTE Confidence: 0.8363423

00:32:22.286 --> 00:32:25.521 with the unions is that they would

NOTE Confidence: 0.8363423

00:32:25.521 --> 00:32:27.497 engage in professional development.

NOTE Confidence: 0.8363423

00:32:27.500 --> 00:32:29.186 And so we have several offerings

NOTE Confidence: 0.8363423

00:32:29.186 --> 00:32:31.236 that we offer free through our
NOTE Confidence: 0.8363423

00:32:31.236 --> 00:32:32.529 learning management system.
NOTE Confidence: 0.8363423

00:32:32.530 --> 00:32:33.866 In addition to that,
NOTE Confidence: 0.8363423

00:32:33.866 --> 00:32:35.536 we also develop sub 360,
NOTE Confidence: 0.8363423

00:32:35.540 --> 00:32:37.412 which is a substitute teaching service
NOTE Confidence: 0.8363423

00:32:37.412 --> 00:32:40.570 and a lot of teachers have lost their jobs,
NOTE Confidence: 0.8363423

00:32:40.570 --> 00:32:43.432 and so we invited them to apply to our
NOTE Confidence: 0.8363423

00:32:43.432 --> 00:32:45.258 organization and these were teacher.
NOTE Confidence: 0.8363423

00:32:45.260 --> 00:32:47.458 It was wonderful because we were able
NOTE Confidence: 0.8363423

00:32:47.458 --> 00:32:49.948 to keep the capacity in our County.
NOTE Confidence: 0.8363423

00:32:49.950 --> 00:32:52.366 'cause we do believe that we're going to
NOTE Confidence: 0.8363423

00:32:52.366 --> 00:32:54.637 reopen and we're gonna flourish again.
NOTE Confidence: 0.8363423

00:32:54.640 --> 00:32:56.887 And so we wanted to maintain that
NOTE Confidence: 0.8363423

00:32:56.887 --> 00:32:59.429 capacity and so many of those teachers.
NOTE Confidence: 0.8363423

00:32:59.430 --> 00:33:01.392 Apply for those jobs and they're
NOTE Confidence: 0.8363423

00:33:01.392 --> 00:33:03.184 in centers and their providing

NOTE Confidence: 0.8363423

00:33:03.184 --> 00:33:05.279 substitute services until you know

NOTE Confidence: 0.8363423

00:33:05.279 --> 00:33:07.889 the the workforce opens back up again.

NOTE Confidence: 0.8363423

00:33:07.890 --> 00:33:10.466 But if you see here with the

NOTE Confidence: 0.8363423

00:33:10.466 --> 00:33:11.570 COVID-19 Task force,

NOTE Confidence: 0.8363423

00:33:11.570 --> 00:33:13.410 we have an internal an

NOTE Confidence: 0.8363423

00:33:13.410 --> 00:33:14.882 external COVID-19 task force.

NOTE Confidence: 0.8363423

00:33:14.890 --> 00:33:16.972 Internally our coaches we had to

NOTE Confidence: 0.8363423

00:33:16.972 --> 00:33:19.451 take care of them so that they

NOTE Confidence: 0.8363423

00:33:19.451 --> 00:33:21.491 could take care of the providers

NOTE Confidence: 0.8363423

00:33:21.491 --> 00:33:23.913 and the providers could take care

NOTE Confidence: 0.8363423

00:33:23.913 --> 00:33:26.296 of children and families and so

NOTE Confidence: 0.8363423

00:33:26.296 --> 00:33:28.126 that included anti bias cafes.

NOTE Confidence: 0.8363423

00:33:28.130 --> 00:33:30.416 Anxiety management because there was some.

NOTE Confidence: 0.8363423

00:33:30.420 --> 00:33:30.843 Empathy,

NOTE Confidence: 0.8363423

00:33:30.843 --> 00:33:33.381 fatigue and then we align processes

NOTE Confidence: 0.8363423

00:33:33.381 --> 00:33:35.462 and resources according to the
NOTE Confidence: 0.8363423

00:33:35.462 --> 00:33:36.954 individual needs of communities
NOTE Confidence: 0.8363423

00:33:36.954 --> 00:33:38.950 and that included our family,
NOTE Confidence: 0.8363423

00:33:38.950 --> 00:33:40.980 child care providers, needed iPads.
NOTE Confidence: 0.8363423

00:33:40.980 --> 00:33:43.346 So we distributed iPads and hot spots
NOTE Confidence: 0.8363423

00:33:43.346 --> 00:33:46.304 so that we can provide virtual coaching
NOTE Confidence: 0.8363423

00:33:46.304 --> 00:33:49.100 and stay in touch financial stipends.
NOTE Confidence: 0.8363423

00:33:49.100 --> 00:33:51.734 All of our providers through the
NOTE Confidence: 0.8363423

00:33:51.734 --> 00:33:53.490 California Department of Education
NOTE Confidence: 0.8363423

00:33:53.557 --> 00:33:55.422 receive covid stipends to buy
NOTE Confidence: 0.8363423

00:33:55.422 --> 00:33:57.620 PPS and we also distributed PPS.
NOTE Confidence: 0.8363423

00:33:57.620 --> 00:34:00.224 We also work with centers to
NOTE Confidence: 0.8363423

00:34:00.224 --> 00:34:01.526 create popup centers.
NOTE Confidence: 0.8363423

00:34:01.530 --> 00:34:03.678 And so nurses who were traveling,
NOTE Confidence: 0.8363423

00:34:03.680 --> 00:34:06.200 nurses or whatever job that you had,
NOTE Confidence: 0.8363423

00:34:06.200 --> 00:34:08.664 and you needed a pop-up center we

NOTE Confidence: 0.8363423

00:34:08.664 --> 00:34:11.198 created those pops in a pop-up centers

NOTE Confidence: 0.8363423

00:34:11.198 --> 00:34:13.310 throughout the County so that we

NOTE Confidence: 0.8363423

00:34:13.380 --> 00:34:15.534 could serve our providers to the

NOTE Confidence: 0.8363423

00:34:15.534 --> 00:34:17.328 our families and our communities

NOTE Confidence: 0.8363423

00:34:17.328 --> 00:34:19.476 to the best of our abilities.

NOTE Confidence: 0.8363423

00:34:19.480 --> 00:34:22.396 I believe my time is up and but please

NOTE Confidence: 0.8363423

00:34:22.396 --> 00:34:25.148 visit our website and I'm happy to

NOTE Confidence: 0.8363423

00:34:25.148 --> 00:34:27.379 share any resources that we have.

NOTE Confidence: 0.8363423

00:34:27.380 --> 00:34:29.384 We externally we work very closely

NOTE Confidence: 0.8363423

00:34:29.384 --> 00:34:31.620 with the Department of Public Health

NOTE Confidence: 0.8363423

00:34:31.620 --> 00:34:33.300 and Community Care Licensing.

NOTE Confidence: 0.8363423

00:34:33.300 --> 00:34:35.244 And what we found was there were some

NOTE Confidence: 0.8363423

00:34:35.244 --> 00:34:37.419 a little bit of conflicting information,

NOTE Confidence: 0.8363423

00:34:37.420 --> 00:34:39.256 and so we align that information

NOTE Confidence: 0.8363423

00:34:39.256 --> 00:34:40.480 to inform our providers

NOTE Confidence: 0.89601046

00:34:40.535 --> 00:34:42.119 and so anything that we have,
NOTE Confidence: 0.89601046

00:34:42.120 --> 00:34:43.296 we're welcome to share.
NOTE Confidence: 0.89601046

00:34:43.296 --> 00:34:45.060 We wish you all the best.
NOTE Confidence: 0.89601046

00:34:45.060 --> 00:34:47.404 And thank you for all that you do.
NOTE Confidence: 0.86539054

00:34:48.610 --> 00:34:51.265 So again, what do you want to thank you,
NOTE Confidence: 0.86539054

00:34:51.270 --> 00:34:53.040 Doctor Harris, for that that information.
NOTE Confidence: 0.86539054

00:34:53.040 --> 00:34:55.189 I love how you know we introduced
NOTE Confidence: 0.86539054

00:34:55.189 --> 00:34:56.634 the innovative practice and then
NOTE Confidence: 0.86539054

00:34:56.634 --> 00:34:58.490 for you to talk about how you guys
NOTE Confidence: 0.86539054

00:34:58.544 --> 00:35:00.548 pivoted to the realization that our
NOTE Confidence: 0.86539054

00:35:00.548 --> 00:35:02.480 child care providers still have to
NOTE Confidence: 0.86539054

00:35:02.480 --> 00:35:03.955 have that coaching support, right?
NOTE Confidence: 0.86539054

00:35:03.955 --> 00:35:04.840 That's still necessary.
NOTE Confidence: 0.86539054

00:35:04.840 --> 00:35:07.128 So for you guys, the pivot and figure
NOTE Confidence: 0.86539054

00:35:07.128 --> 00:35:09.260 out a platform to make that happen.
NOTE Confidence: 0.86539054

00:35:09.260 --> 00:35:11.030 That that is that's truly incredible.

NOTE Confidence: 0.86539054

00:35:11.030 --> 00:35:13.011 We have some great questions going on

NOTE Confidence: 0.86539054

00:35:13.011 --> 00:35:15.722 in the chat that I see that we will

NOTE Confidence: 0.86539054

00:35:15.722 --> 00:35:17.855 definitely address here when we get to

NOTE Confidence: 0.86539054

00:35:17.855 --> 00:35:20.230 the roundtable but but what amazing work and?

NOTE Confidence: 0.86539054

00:35:20.230 --> 00:35:21.630 An amazing support that

NOTE Confidence: 0.86539054

00:35:21.630 --> 00:35:23.380 you do with child 360.

NOTE Confidence: 0.86539054

00:35:23.380 --> 00:35:25.090 I know Michael Hagan is

NOTE Confidence: 0.86539054

00:35:25.090 --> 00:35:26.458 super passionate about that.

NOTE Confidence: 0.86539054

00:35:26.460 --> 00:35:28.488 He shared that with me numerous

NOTE Confidence: 0.86539054

00:35:28.488 --> 00:35:30.559 times in the in the here,

NOTE Confidence: 0.86539054

00:35:30.560 --> 00:35:32.786 you today and all your doing for

NOTE Confidence: 0.86539054

00:35:32.786 --> 00:35:34.660 students in your service area.

NOTE Confidence: 0.86539054

00:35:34.660 --> 00:35:36.375 We appreciate that we're going

NOTE Confidence: 0.86539054

00:35:36.375 --> 00:35:38.430 to go to Tracy Smith now.

NOTE Confidence: 0.86539054

00:35:38.430 --> 00:35:40.593 Who is working every single day with

NOTE Confidence: 0.86539054

00:35:40.593 --> 00:35:42.529 our youngest or youngest people.
NOTE Confidence: 0.86539054

00:35:42.530 --> 00:35:44.240 Write our youngest people and
NOTE Confidence: 0.86539054

00:35:44.240 --> 00:35:45.608 their mental health needs.
NOTE Confidence: 0.86539054

00:35:45.610 --> 00:35:47.906 She spent a decade in the mental health
NOTE Confidence: 0.86539054

00:35:47.906 --> 00:35:50.487 in the mental health business working.
NOTE Confidence: 0.86539054

00:35:50.490 --> 00:35:53.343 With those in need and working on the needs,
NOTE Confidence: 0.86539054

00:35:53.350 --> 00:35:55.394 and I'd have to imagine Tracy that
NOTE Confidence: 0.86539054

00:35:55.394 --> 00:35:57.366 2020 and Covid has his exasperated
NOTE Confidence: 0.86539054

00:35:57.366 --> 00:35:59.781 mental health ease of everyone but but
NOTE Confidence: 0.86539054

00:35:59.849 --> 00:36:02.281 really had to shift your work as we've
NOTE Confidence: 0.86539054

00:36:02.281 --> 00:36:04.134 talked about with Doctor Harris did.
NOTE Confidence: 0.86539054

00:36:04.134 --> 00:36:06.390 And in order to shift her work,
NOTE Confidence: 0.86539054

00:36:06.390 --> 00:36:07.980 I'm so curious to hear,
NOTE Confidence: 0.86539054

00:36:07.980 --> 00:36:11.108 and I thank you for joining us today
NOTE Confidence: 0.86539054

00:36:11.108 --> 00:36:14.386 for you to share with us about how.
NOTE Confidence: 0.86539054

00:36:14.390 --> 00:36:16.700 You have found 2020 in the situation

NOTE Confidence: 0.86539054

00:36:16.700 --> 00:36:18.664 with covid, make your work shift,

NOTE Confidence: 0.86539054

00:36:18.664 --> 00:36:21.320 so I'll turn it over to you, Tracy.

NOTE Confidence: 0.82111716

00:36:22.310 --> 00:36:25.208 Thank you and I'm so happy to be here

NOTE Confidence: 0.82111716

00:36:25.208 --> 00:36:27.921 with all of you tonight and I'm honored

NOTE Confidence: 0.82111716

00:36:27.921 --> 00:36:31.213 to be on this panel with Doctor Gilliam

NOTE Confidence: 0.82111716

00:36:31.213 --> 00:36:34.012 and Doctor Harris and share with you.

NOTE Confidence: 0.82111716

00:36:34.012 --> 00:36:36.300 Kind of the work that my program has

NOTE Confidence: 0.82111716

00:36:36.371 --> 00:36:39.059 been going through in servicing our

NOTE Confidence: 0.82111716

00:36:39.059 --> 00:36:40.851 communities throughout the pandemic.

NOTE Confidence: 0.82111716

00:36:40.860 --> 00:36:43.308 So I just wanted to give a little

NOTE Confidence: 0.82111716

00:36:43.308 --> 00:36:45.680 bit of information about ECP.

NOTE Confidence: 0.82111716

00:36:45.680 --> 00:36:47.064 It's early childhood consultation

NOTE Confidence: 0.82111716

00:36:47.064 --> 00:36:48.448 partnership in Connecticut Sora

NOTE Confidence: 0.82111716

00:36:48.448 --> 00:36:50.139 statewide program throughout Connecticut,

NOTE Confidence: 0.82111716

00:36:50.140 --> 00:36:52.888 we offer free mental health consultation.

NOTE Confidence: 0.82111716

00:36:52.890 --> 00:36:54.630 To all early childhood providers
NOTE Confidence: 0.82111716

00:36:54.630 --> 00:36:56.930 throughout the state and their families,
NOTE Confidence: 0.82111716

00:36:56.930 --> 00:36:59.142 and that we work with children ages
NOTE Confidence: 0.82111716

00:36:59.142 --> 00:37:01.559 zero to five were a strengths based
NOTE Confidence: 0.82111716

00:37:01.559 --> 00:37:03.653 program and we really focus on
NOTE Confidence: 0.82111716

00:37:03.725 --> 00:37:06.100 building capacity of the caregivers.
NOTE Confidence: 0.82111716

00:37:06.100 --> 00:37:08.669 Um, all of these early childhood providers,
NOTE Confidence: 0.82111716

00:37:08.670 --> 00:37:10.255 caregivers of these young children
NOTE Confidence: 0.82111716

00:37:10.255 --> 00:37:12.289 to best meet the social emotional
NOTE Confidence: 0.82111716

00:37:12.289 --> 00:37:14.647 needs were funded and supported by
NOTE Confidence: 0.82111716

00:37:14.647 --> 00:37:16.380 Connecticut's Department of Children,
NOTE Confidence: 0.82111716

00:37:16.380 --> 00:37:18.714 Families and the Office of Early
NOTE Confidence: 0.82111716

00:37:18.714 --> 00:37:20.655 Childhood making our service free
NOTE Confidence: 0.82111716

00:37:20.655 --> 00:37:22.250 for all of the providers.
NOTE Confidence: 0.82111716

00:37:22.250 --> 00:37:25.470 So we have consultants across the state.
NOTE Confidence: 0.82111716

00:37:25.470 --> 00:37:27.050 If we all cover different

NOTE Confidence: 0.82111716

00:37:27.050 --> 00:37:28.314 towns throughout the state,

NOTE Confidence: 0.82111716

00:37:28.320 --> 00:37:29.958 making this our program accessible to

NOTE Confidence: 0.82111716

00:37:29.958 --> 00:37:32.878 all of the home daycares and all of the

NOTE Confidence: 0.82111716

00:37:32.878 --> 00:37:34.653 early childhood providers across Connecticut,

NOTE Confidence: 0.82111716

00:37:34.660 --> 00:37:36.245 and we're also managed by

NOTE Confidence: 0.82111716

00:37:36.245 --> 00:37:37.196 Advanced Behavioral Health,

NOTE Confidence: 0.82111716

00:37:37.200 --> 00:37:39.096 and they are located in Middletown,

NOTE Confidence: 0.82111716

00:37:39.100 --> 00:37:39.590 CT.

NOTE Confidence: 0.82111716

00:37:39.590 --> 00:37:43.020 We offer a various levels of service.

NOTE Confidence: 0.82111716

00:37:43.020 --> 00:37:45.084 We offer a child specific service

NOTE Confidence: 0.82111716

00:37:45.084 --> 00:37:47.415 in a core classroom service where

NOTE Confidence: 0.82111716

00:37:47.415 --> 00:37:49.640 we further child specific service.

NOTE Confidence: 0.82111716

00:37:49.640 --> 00:37:52.223 We really bring the family and the

NOTE Confidence: 0.82111716

00:37:52.223 --> 00:37:54.178 teachers and directors together talk

NOTE Confidence: 0.82111716

00:37:54.178 --> 00:37:56.512 about concerns and talk about strengths

NOTE Confidence: 0.82111716

00:37:56.512 --> 00:37:59.330 of the child and then put together
NOTE Confidence: 0.82111716

00:37:59.330 --> 00:38:01.698 some strategies with action plans again
NOTE Confidence: 0.82111716

00:38:01.698 --> 00:38:03.638 around those social emotional needs,
NOTE Confidence: 0.82111716

00:38:03.640 --> 00:38:04.420 behavior management,
NOTE Confidence: 0.82111716

00:38:04.420 --> 00:38:05.590 teaching, social skills.
NOTE Confidence: 0.82111716

00:38:05.590 --> 00:38:07.365 All of those different social
NOTE Confidence: 0.82111716

00:38:07.365 --> 00:38:09.140 emotional pieces and we provide
NOTE Confidence: 0.82111716

00:38:09.207 --> 00:38:11.187 classroom observations we provide.
NOTE Confidence: 0.82111716

00:38:11.190 --> 00:38:13.078 On home visits as well as part of
NOTE Confidence: 0.82111716

00:38:13.078 --> 00:38:14.676 our normal service and I'll get
NOTE Confidence: 0.82111716

00:38:14.676 --> 00:38:16.725 into kind of how that service has
NOTE Confidence: 0.82111716

00:38:16.725 --> 00:38:18.269 changed throughout the pandemic,
NOTE Confidence: 0.82111716

00:38:18.270 --> 00:38:20.622 and we also provide the core
NOTE Confidence: 0.82111716

00:38:20.622 --> 00:38:22.602 classroom service where we look
NOTE Confidence: 0.82111716

00:38:22.602 --> 00:38:24.618 at the classroom as a whole.
NOTE Confidence: 0.82111716

00:38:24.620 --> 00:38:26.979 And we really meet with the teachers.

NOTE Confidence: 0.82111716
00:38:26.980 --> 00:38:28.996 Ask them what their needs are,
NOTE Confidence: 0.82111716
00:38:29.000 --> 00:38:29.674 what, what,
NOTE Confidence: 0.82111716
00:38:29.674 --> 00:38:31.359 what supports they would like
NOTE Confidence: 0.82111716
00:38:31.359 --> 00:38:32.370 around the social,
NOTE Confidence: 0.82111716
00:38:32.370 --> 00:38:33.722 emotional in the classroom.
NOTE Confidence: 0.82111716
00:38:33.722 --> 00:38:35.086 Again, put together strategies.
NOTE Confidence: 0.82111716
00:38:35.086 --> 00:38:37.480 We do class observations and then we
NOTE Confidence: 0.82111716
00:38:37.539 --> 00:38:39.387 do series of support visits where
NOTE Confidence: 0.82111716
00:38:39.387 --> 00:38:41.130 we're coming into the centers,
NOTE Confidence: 0.82111716
00:38:41.130 --> 00:38:42.820 coaching, modeling with the teachers,
NOTE Confidence: 0.82111716
00:38:42.820 --> 00:38:44.505 and really implementing all those
NOTE Confidence: 0.82111716
00:38:44.505 --> 00:38:46.190 strategies from the action plans.
NOTE Confidence: 0.82111716
00:38:46.190 --> 00:38:48.549 So right now, once the pandemic began,
NOTE Confidence: 0.82111716
00:38:48.550 --> 00:38:50.894 we had to pause all of our face
NOTE Confidence: 0.82111716
00:38:50.894 --> 00:38:53.489 to face an in person services and
NOTE Confidence: 0.82111716

00:38:53.489 --> 00:38:55.029 we first focused on.
NOTE Confidence: 0.82111716

00:38:55.030 --> 00:38:56.934 Really reaching out to all of our
NOTE Confidence: 0.82111716

00:38:56.934 --> 00:38:58.402 families and touching base with
NOTE Confidence: 0.82111716

00:38:58.402 --> 00:38:59.887 the families that were working
NOTE Confidence: 0.82111716

00:38:59.887 --> 00:39:01.725 with the classrooms that we were
NOTE Confidence: 0.82111716

00:39:01.725 --> 00:39:02.616 currently working with.
NOTE Confidence: 0.82111716

00:39:02.620 --> 00:39:04.956 You know, seeing if they were still open.
NOTE Confidence: 0.82111716

00:39:04.960 --> 00:39:06.706 If if many children were home,
NOTE Confidence: 0.82111716

00:39:06.710 --> 00:39:08.798 I found at least with my services that
NOTE Confidence: 0.82111716

00:39:08.798 --> 00:39:10.912 most of the children were home now
NOTE Confidence: 0.82111716

00:39:10.912 --> 00:39:13.100 either parents just to keep them home
NOTE Confidence: 0.82111716

00:39:13.100 --> 00:39:15.172 or the child care centers had closed.
NOTE Confidence: 0.82111716

00:39:15.180 --> 00:39:17.630 So we did a lot of outreach and kind of
NOTE Confidence: 0.8650259

00:39:17.697 --> 00:39:20.209 were able to touch base with all of
NOTE Confidence: 0.8650259

00:39:20.209 --> 00:39:22.477 these programs and see where they're at.
NOTE Confidence: 0.8650259

00:39:22.480 --> 00:39:24.226 If they were open or closed,

NOTE Confidence: 0.8650259

00:39:24.230 --> 00:39:25.350 what their needs were.

NOTE Confidence: 0.8650259

00:39:25.350 --> 00:39:26.750 Many were many state remained

NOTE Confidence: 0.8650259

00:39:26.750 --> 00:39:28.259 open throughout the pandemic,

NOTE Confidence: 0.8650259

00:39:28.260 --> 00:39:30.804 some some closed down for a period of

NOTE Confidence: 0.8650259

00:39:30.804 --> 00:39:33.384 time and then reopen some clothes until

NOTE Confidence: 0.8650259

00:39:33.384 --> 00:39:36.499 the start of the school year in the fall.

NOTE Confidence: 0.8650259

00:39:36.500 --> 00:39:38.572 Really gave us a chance to feel out

NOTE Confidence: 0.8650259

00:39:38.572 --> 00:39:40.477 what they were all going through.

NOTE Confidence: 0.8650259

00:39:40.480 --> 00:39:42.148 Especially the ones that stayed open

NOTE Confidence: 0.8650259

00:39:42.148 --> 00:39:44.169 and had to make so many changes.

NOTE Confidence: 0.8650259

00:39:44.170 --> 00:39:45.868 You know those first few months

NOTE Confidence: 0.8650259

00:39:45.868 --> 00:39:46.717 they were there.

NOTE Confidence: 0.8650259

00:39:46.720 --> 00:39:48.556 There are many changes and continue

NOTE Confidence: 0.8650259

00:39:48.556 --> 00:39:50.678 to have changes so they were they

NOTE Confidence: 0.8650259

00:39:50.678 --> 00:39:52.346 were really dealing with a lot

NOTE Confidence: 0.8650259

00:39:52.346 --> 00:39:54.469 and we we talked a lot with them
NOTE Confidence: 0.8650259

00:39:54.469 --> 00:39:55.568 about stress and financials,
NOTE Confidence: 0.8650259

00:39:55.568 --> 00:39:56.880 financial stress and everything
NOTE Confidence: 0.8650259

00:39:56.880 --> 00:39:58.824 around the pandemic that they were
NOTE Confidence: 0.8650259

00:39:58.824 --> 00:40:00.330 all going through in dealing with.
NOTE Confidence: 0.8650259

00:40:00.330 --> 00:40:02.274 Parents at home that had children
NOTE Confidence: 0.8650259

00:40:02.274 --> 00:40:04.165 at home were trying to work
NOTE Confidence: 0.8650259

00:40:04.165 --> 00:40:05.767 from home at the same time.
NOTE Confidence: 0.8650259

00:40:05.770 --> 00:40:07.280 Again, lots of you know,
NOTE Confidence: 0.8650259

00:40:07.280 --> 00:40:08.790 lots of jobs for teachers.
NOTE Confidence: 0.8650259

00:40:08.790 --> 00:40:09.795 Everything like that.
NOTE Confidence: 0.8650259

00:40:09.795 --> 00:40:12.140 So it really gave us an opportunity
NOTE Confidence: 0.8650259

00:40:12.202 --> 00:40:14.505 in those first few months since our
NOTE Confidence: 0.8650259

00:40:14.505 --> 00:40:16.472 services were paused at the time to
NOTE Confidence: 0.8650259

00:40:16.472 --> 00:40:18.153 be able to reach out and really,
NOTE Confidence: 0.8650259

00:40:18.153 --> 00:40:20.274 really kind of figure out what the

NOTE Confidence: 0.8650259

00:40:20.274 --> 00:40:22.070 mental health needs were for these.

NOTE Confidence: 0.8650259

00:40:22.070 --> 00:40:23.726 For all of these providers early

NOTE Confidence: 0.8650259

00:40:23.726 --> 00:40:25.785 in the parents and the families and

NOTE Confidence: 0.8650259

00:40:25.785 --> 00:40:27.573 how all the stress and everything

NOTE Confidence: 0.8650259

00:40:27.573 --> 00:40:29.529 that they were going through was

NOTE Confidence: 0.8650259

00:40:29.529 --> 00:40:31.485 affecting the young children as well.

NOTE Confidence: 0.8650259

00:40:31.485 --> 00:40:33.970 Around during during those first few months,

NOTE Confidence: 0.8650259

00:40:33.970 --> 00:40:35.962 our program managers were developing a

NOTE Confidence: 0.8650259

00:40:35.962 --> 00:40:38.331 virtual model of our service so that

NOTE Confidence: 0.8650259

00:40:38.331 --> 00:40:40.287 we could do our Tele consultation

NOTE Confidence: 0.8650259

00:40:40.287 --> 00:40:42.365 services and pick back up our services.

NOTE Confidence: 0.8650259

00:40:42.370 --> 00:40:44.402 So may we rolled that out and at

NOTE Confidence: 0.8650259

00:40:44.402 --> 00:40:46.849 that time we were really focusing on

NOTE Confidence: 0.8650259

00:40:46.849 --> 00:40:48.724 recruitment and outreach and trying

NOTE Confidence: 0.8650259

00:40:48.790 --> 00:40:51.079 to touch base with every single center

NOTE Confidence: 0.8650259

00:40:51.079 --> 00:40:53.160 in home daycare in our coverage areas.

NOTE Confidence: 0.8650259

00:40:53.160 --> 00:40:54.810 So we have again we have

NOTE Confidence: 0.8650259

00:40:54.878 --> 00:40:56.578 consultants across the state,

NOTE Confidence: 0.8650259

00:40:56.580 --> 00:40:58.771 so we're all working on this at

NOTE Confidence: 0.8650259

00:40:58.771 --> 00:41:01.310 the same time and that really gave

NOTE Confidence: 0.8650259

00:41:01.310 --> 00:41:03.602 us some great connections to some.

NOTE Confidence: 0.8650259

00:41:03.610 --> 00:41:05.040 Centers and providers that we

NOTE Confidence: 0.8650259

00:41:05.040 --> 00:41:06.680 that maybe don't know about us.

NOTE Confidence: 0.8650259

00:41:06.680 --> 00:41:09.074 And again we got there was an

NOTE Confidence: 0.8650259

00:41:09.074 --> 00:41:11.498 array of needs across the state.

NOTE Confidence: 0.8650259

00:41:11.500 --> 00:41:13.467 Depending on if the centers were closed,

NOTE Confidence: 0.8650259

00:41:13.470 --> 00:41:15.168 if some teachers were home again,

NOTE Confidence: 0.8650259

00:41:15.170 --> 00:41:16.338 everything that Doctor Harris

NOTE Confidence: 0.8650259

00:41:16.338 --> 00:41:18.090 also was talking about in terms

NOTE Confidence: 0.8650259

00:41:18.145 --> 00:41:19.675 of centers being open or closed,

NOTE Confidence: 0.8650259

00:41:19.680 --> 00:41:21.105 or parents choosing to keep

NOTE Confidence: 0.8650259

00:41:21.105 --> 00:41:22.832 children home so that they gave

NOTE Confidence: 0.8650259

00:41:22.832 --> 00:41:24.776 us a really nice time to to again

NOTE Confidence: 0.8650259

00:41:24.776 --> 00:41:26.447 address those mental health needs.

NOTE Confidence: 0.8650259

00:41:26.450 --> 00:41:28.136 Figure out what those needs were.

NOTE Confidence: 0.8650259

00:41:28.140 --> 00:41:29.981 All of all the stress people were

NOTE Confidence: 0.8650259

00:41:29.981 --> 00:41:32.008 going through an and talk about how

NOTE Confidence: 0.8650259

00:41:32.008 --> 00:41:33.778 this is affecting the young children.

NOTE Confidence: 0.8650259

00:41:33.780 --> 00:41:35.754 And again there were so many transitions

NOTE Confidence: 0.8650259

00:41:35.754 --> 00:41:37.738 even at that period and then again

NOTE Confidence: 0.8650259

00:41:37.738 --> 00:41:39.702 through the summer and with a lot

NOTE Confidence: 0.8650259

00:41:39.702 --> 00:41:41.388 of centers reopening in the fall,

NOTE Confidence: 0.8650259

00:41:41.390 --> 00:41:42.834 we were trying to.

NOTE Confidence: 0.8650259

00:41:42.834 --> 00:41:44.278 Really provides support work

NOTE Confidence: 0.8650259

00:41:44.278 --> 00:41:45.430 wherever we could.

NOTE Confidence: 0.8650259

00:41:45.430 --> 00:41:46.459 During that time,

NOTE Confidence: 0.8650259

00:41:46.459 --> 00:41:48.174 we're still kind of rolling
NOTE Confidence: 0.8650259

00:41:48.174 --> 00:41:50.100 out the Tele consultation,
NOTE Confidence: 0.8650259

00:41:50.100 --> 00:41:52.368 so we put together a series
NOTE Confidence: 0.8650259

00:41:52.368 --> 00:41:53.880 of webinars that we
NOTE Confidence: 0.8091855

00:41:53.965 --> 00:41:56.710 worked on. His other consultants worked on.
NOTE Confidence: 0.8091855

00:41:56.710 --> 00:41:59.447 Those are on our website that I
NOTE Confidence: 0.8091855

00:41:59.447 --> 00:42:01.380 can definitely share with you.
NOTE Confidence: 0.8091855

00:42:01.380 --> 00:42:02.160 It's www.eccpct.com.
NOTE Confidence: 0.8091855

00:42:02.160 --> 00:42:03.690 We have webinars, webinars,
NOTE Confidence: 0.8091855

00:42:03.690 --> 00:42:04.770 up their resources,
NOTE Confidence: 0.8091855

00:42:04.770 --> 00:42:07.418 handouts that we were working on related
NOTE Confidence: 0.8091855

00:42:07.418 --> 00:42:09.548 to covid stress management webinars,
NOTE Confidence: 0.8091855

00:42:09.550 --> 00:42:12.758 how to create routines at home for children.
NOTE Confidence: 0.8091855

00:42:12.760 --> 00:42:14.480 All of those different things,
NOTE Confidence: 0.8091855

00:42:14.480 --> 00:42:17.140 behavior management strategies for parents
NOTE Confidence: 0.8091855

00:42:17.140 --> 00:42:20.499 at home with many children at home.

NOTE Confidence: 0.8091855

00:42:20.500 --> 00:42:22.607 So we're working on all of those,

NOTE Confidence: 0.8091855

00:42:22.610 --> 00:42:24.026 and then our services,

NOTE Confidence: 0.8091855

00:42:24.026 --> 00:42:25.442 the Tele Consultation services

NOTE Confidence: 0.8091855

00:42:25.442 --> 00:42:26.918 specifically kind of picked up

NOTE Confidence: 0.8091855

00:42:26.918 --> 00:42:28.346 towards the end of the summer.

NOTE Confidence: 0.8091855

00:42:28.350 --> 00:42:30.282 So where I have some services open

NOTE Confidence: 0.8091855

00:42:30.282 --> 00:42:32.280 right now where we're working again,

NOTE Confidence: 0.8091855

00:42:32.280 --> 00:42:33.484 we're providing our child

NOTE Confidence: 0.8091855

00:42:33.484 --> 00:42:34.387 specific service virtually.

NOTE Confidence: 0.8091855

00:42:34.390 --> 00:42:36.196 We have all of our meetings.

NOTE Confidence: 0.8091855

00:42:36.200 --> 00:42:38.012 We are doing our action plans

NOTE Confidence: 0.8091855

00:42:38.012 --> 00:42:38.918 and providing strategies,

NOTE Confidence: 0.8091855

00:42:38.920 --> 00:42:39.488 and again,

NOTE Confidence: 0.8091855

00:42:39.488 --> 00:42:41.192 we're learning a lot about the

NOTE Confidence: 0.8091855

00:42:41.192 --> 00:42:43.361 needs of these children with all of

NOTE Confidence: 0.8091855

00:42:43.361 --> 00:42:45.262 the changes that are taking place
NOTE Confidence: 0.8091855

00:42:45.262 --> 00:42:47.376 and all of the all the guidelines
NOTE Confidence: 0.8091855

00:42:47.376 --> 00:42:49.252 around around the pandemic and what
NOTE Confidence: 0.8091855

00:42:49.252 --> 00:42:51.420 all of these centers have to do.
NOTE Confidence: 0.8091855

00:42:51.420 --> 00:42:52.975 In terms of social distancing
NOTE Confidence: 0.8091855

00:42:52.975 --> 00:42:54.920 and mass and all of that,
NOTE Confidence: 0.8091855

00:42:54.920 --> 00:42:56.720 and we also are providing rather
NOTE Confidence: 0.8091855

00:42:56.720 --> 00:42:58.420 than a core classroom service.
NOTE Confidence: 0.8091855

00:42:58.420 --> 00:42:59.945 Right now we're providing kind
NOTE Confidence: 0.8091855

00:42:59.945 --> 00:43:01.797 of a center wide level service
NOTE Confidence: 0.8091855

00:43:01.797 --> 00:43:03.652 so we can really meet the needs
NOTE Confidence: 0.8091855

00:43:03.652 --> 00:43:05.748 of the entire center rather than
NOTE Confidence: 0.8091855

00:43:05.748 --> 00:43:07.633 focusing on a specific classroom.
NOTE Confidence: 0.8091855

00:43:07.640 --> 00:43:09.784 So all of the staff in the center
NOTE Confidence: 0.8091855

00:43:09.784 --> 00:43:12.089 can can benefit from that service.
NOTE Confidence: 0.8091855

00:43:12.090 --> 00:43:13.680 We provide social emotional training.

NOTE Confidence: 0.8091855

00:43:13.680 --> 00:43:15.588 Again, the support visits many resources,

NOTE Confidence: 0.8091855

00:43:15.590 --> 00:43:17.180 strategies that they can use,

NOTE Confidence: 0.8091855

00:43:17.180 --> 00:43:18.705 and things that are really

NOTE Confidence: 0.8091855

00:43:18.705 --> 00:43:20.230 relevant to what they're dealing

NOTE Confidence: 0.8091855

00:43:20.283 --> 00:43:21.679 with currently during this.

NOTE Confidence: 0.8091855

00:43:21.680 --> 00:43:22.030 Pandemic,

NOTE Confidence: 0.8091855

00:43:22.030 --> 00:43:22.730 so again,

NOTE Confidence: 0.8091855

00:43:22.730 --> 00:43:24.130 we've throughout throughout all

NOTE Confidence: 0.8091855

00:43:24.130 --> 00:43:26.056 of this I've been in contact

NOTE Confidence: 0.8091855

00:43:26.056 --> 00:43:27.694 with many centers in my area.

NOTE Confidence: 0.8091855

00:43:27.700 --> 00:43:29.804 I have a large area that I cover

NOTE Confidence: 0.8091855

00:43:29.804 --> 00:43:31.899 and I've learned a lot about

NOTE Confidence: 0.8091855

00:43:31.899 --> 00:43:33.403 what they're going through.

NOTE Confidence: 0.8091855

00:43:33.410 --> 00:43:35.946 The mental health needs of parents at home,

NOTE Confidence: 0.8091855

00:43:35.950 --> 00:43:36.898 teachers and centers.

NOTE Confidence: 0.8091855

00:43:36.898 --> 00:43:38.794 Teachers have maybe children at home.
NOTE Confidence: 0.8091855

00:43:38.800 --> 00:43:40.696 All of the stress around that.
NOTE Confidence: 0.8091855

00:43:40.700 --> 00:43:41.394 And really,
NOTE Confidence: 0.8091855

00:43:41.394 --> 00:43:43.476 how that's affecting the young children
NOTE Confidence: 0.8091855

00:43:43.476 --> 00:43:45.345 in their care or young children
NOTE Confidence: 0.8091855

00:43:45.345 --> 00:43:47.360 that are that are home as well.
NOTE Confidence: 0.8091855

00:43:47.360 --> 00:43:50.204 So I'm happy to share that with you today.
NOTE Confidence: 0.8091855

00:43:50.210 --> 00:43:53.050 I'm excited for our discussion and to share.
NOTE Confidence: 0.8091855

00:43:53.050 --> 00:43:55.857 More more in depth of what I've
NOTE Confidence: 0.8091855

00:43:55.857 --> 00:43:58.190 what we've noticed as a program.
NOTE Confidence: 0.8091855

00:43:58.190 --> 00:43:58.910 Thank you.
NOTE Confidence: 0.84972525

00:44:00.160 --> 00:44:01.555 Again, I appreciate what the
NOTE Confidence: 0.84972525

00:44:01.555 --> 00:44:03.300 entire panel shared with us today.
NOTE Confidence: 0.84972525

00:44:03.300 --> 00:44:05.480 I will ask Tracy as we as we move into
NOTE Confidence: 0.84972525

00:44:05.538 --> 00:44:07.862 question and the answers and I appreciate
NOTE Confidence: 0.84972525

00:44:07.862 --> 00:44:09.799 we have numerous questions from the

NOTE Confidence: 0.84972525

00:44:09.799 --> 00:44:12.374 from the audience and I will get to as

NOTE Confidence: 0.84972525

00:44:12.374 --> 00:44:14.980 many of those as we can get to today.

NOTE Confidence: 0.84972525

00:44:14.980 --> 00:44:16.410 I wanted to start Tracy.

NOTE Confidence: 0.84972525

00:44:16.410 --> 00:44:18.660 Could you share, you know in terms of with

NOTE Confidence: 0.84972525

00:44:18.660 --> 00:44:20.677 your experience over the last decade,

NOTE Confidence: 0.84972525

00:44:20.680 --> 00:44:22.294 what specifically you've seen an increase

NOTE Confidence: 0.84972525

00:44:22.294 --> 00:44:24.462 of or maybe even a decrease of through

NOTE Confidence: 0.84972525

00:44:24.462 --> 00:44:26.022 covid times in children like other

NOTE Confidence: 0.84972525

00:44:26.070 --> 00:44:27.650 specific behaviors or under specific

NOTE Confidence: 0.84972525

00:44:27.650 --> 00:44:29.506 mental health needs that you've said?

NOTE Confidence: 0.84972525

00:44:29.506 --> 00:44:30.334 Oh, that's new.

NOTE Confidence: 0.84972525

00:44:30.334 --> 00:44:31.438 Or that's something different

NOTE Confidence: 0.84972525

00:44:31.438 --> 00:44:33.168 that we don't see as frequently.

NOTE Confidence: 0.8388325

00:44:34.050 --> 00:44:35.695 Yeah, there's it's interesting because

NOTE Confidence: 0.8388325

00:44:35.695 --> 00:44:38.381 the I think it's I've been looking at

NOTE Confidence: 0.8388325

00:44:38.381 --> 00:44:40.026 centers kind of individually because
NOTE Confidence: 0.8388325

00:44:40.026 --> 00:44:41.879 some of these centers have been
NOTE Confidence: 0.8388325

00:44:41.879 --> 00:44:43.897 open the whole time and I've really
NOTE Confidence: 0.8388325

00:44:43.897 --> 00:44:45.739 figured everything out and are kind
NOTE Confidence: 0.8388325

00:44:45.739 --> 00:44:48.012 of going with the flow and rolling
NOTE Confidence: 0.8388325

00:44:48.012 --> 00:44:49.627 with the changes and everything.
NOTE Confidence: 0.8388325

00:44:49.630 --> 00:44:51.538 Some centers were closed, you know,
NOTE Confidence: 0.8388325

00:44:51.540 --> 00:44:53.591 throughout the whole summer and you know
NOTE Confidence: 0.8388325

00:44:53.591 --> 00:44:56.215 had to reopen and re and really implement
NOTE Confidence: 0.8388325

00:44:56.215 --> 00:44:57.900 all these guidelines and policies.
NOTE Confidence: 0.8388325

00:44:57.900 --> 00:44:59.485 Some centers kind of opened
NOTE Confidence: 0.8388325

00:44:59.485 --> 00:45:00.753 and closed back up,
NOTE Confidence: 0.8388325

00:45:00.760 --> 00:45:02.668 so there's been a lot of
NOTE Confidence: 0.8388325

00:45:02.668 --> 00:45:03.940 changes for these children.
NOTE Confidence: 0.8388325

00:45:03.940 --> 00:45:04.996 There's been a.
NOTE Confidence: 0.8388325

00:45:04.996 --> 00:45:07.460 A lot of transitions in the classroom

NOTE Confidence: 0.8388325

00:45:07.531 --> 00:45:10.387 teachers having to leave or being out sick,

NOTE Confidence: 0.8388325

00:45:10.390 --> 00:45:12.418 and we know that you know,

NOTE Confidence: 0.8388325

00:45:12.420 --> 00:45:14.130 for children transitions are very

NOTE Confidence: 0.8388325

00:45:14.130 --> 00:45:16.528 difficult at the at the IT was

NOTE Confidence: 0.8388325

00:45:16.528 --> 00:45:18.400 interesting in reaching out to the

NOTE Confidence: 0.8388325

00:45:18.400 --> 00:45:20.888 centers at the beginning of the pandemic.

NOTE Confidence: 0.8388325

00:45:20.890 --> 00:45:23.130 They kind of shared that the children

NOTE Confidence: 0.8388325

00:45:23.130 --> 00:45:25.266 that were still that they were

NOTE Confidence: 0.8388325

00:45:25.266 --> 00:45:27.480 seeing less behavior concerns at the

NOTE Confidence: 0.8388325

00:45:27.480 --> 00:45:29.482 beginning because they had such low

NOTE Confidence: 0.8388325

00:45:29.482 --> 00:45:31.740 numbers and they were able to focus

NOTE Confidence: 0.8388325

00:45:31.740 --> 00:45:33.440 on the those particular children.

NOTE Confidence: 0.8388325

00:45:33.440 --> 00:45:35.240 Those challenging behaviors and really.

NOTE Confidence: 0.8388325

00:45:35.240 --> 00:45:36.654 You know, meet their social emotional needs,

NOTE Confidence: 0.8388325

00:45:36.660 --> 00:45:37.680 but as were you know,

NOTE Confidence: 0.8388325

00:45:37.680 --> 00:45:39.588 centers are picking back up and
NOTE Confidence: 0.8388325

00:45:39.588 --> 00:45:42.030 people have to go back to work and.
NOTE Confidence: 0.8388325

00:45:42.030 --> 00:45:44.137 So there's more and more children there.
NOTE Confidence: 0.8388325

00:45:44.140 --> 00:45:45.952 Now we're seeing more of those
NOTE Confidence: 0.8388325

00:45:45.952 --> 00:45:46.858 challenging behaviors again,
NOTE Confidence: 0.8388325

00:45:46.860 --> 00:45:50.160 but I think in terms of.
NOTE Confidence: 0.8388325

00:45:50.160 --> 00:45:51.685 Things like wearing masks and
NOTE Confidence: 0.8388325

00:45:51.685 --> 00:45:52.295 social distancing.
NOTE Confidence: 0.8388325

00:45:52.300 --> 00:45:54.124 Those have really have an effect
NOTE Confidence: 0.8388325

00:45:54.124 --> 00:45:55.670 on children because you know,
NOTE Confidence: 0.8388325

00:45:55.670 --> 00:45:56.894 our program really promotes
NOTE Confidence: 0.8388325

00:45:56.894 --> 00:45:58.118 the social emotional piece,
NOTE Confidence: 0.8388325

00:45:58.120 --> 00:46:01.228 so all of these things like.
NOTE Confidence: 0.8388325

00:46:01.230 --> 00:46:02.514 Taking turns teaching teaching
NOTE Confidence: 0.8388325

00:46:02.514 --> 00:46:03.156 cooperation skills.
NOTE Confidence: 0.8388325

00:46:03.160 --> 00:46:03.788 Working together.

NOTE Confidence: 0.8388325

00:46:03.788 --> 00:46:06.300 You know how do you teach those skills

NOTE Confidence: 0.8388325

00:46:06.363 --> 00:46:08.610 when you have to stay socially distance,

NOTE Confidence: 0.8388325

00:46:08.610 --> 00:46:10.826 you know in terms of mass for like

NOTE Confidence: 0.8388325

00:46:10.826 --> 00:46:13.108 for the toddlers and infant ages,

NOTE Confidence: 0.8388325

00:46:13.110 --> 00:46:14.660 you know these teachers have

NOTE Confidence: 0.8388325

00:46:14.660 --> 00:46:16.640 to wear masks and they don't.

NOTE Confidence: 0.8388325

00:46:16.640 --> 00:46:18.761 You know they they're missing out on

NOTE Confidence: 0.8388325

00:46:18.761 --> 00:46:20.369 those facial expressions and everything

NOTE Confidence: 0.8388325

00:46:20.369 --> 00:46:21.984 that they learn through through

NOTE Confidence: 0.8388325

00:46:21.984 --> 00:46:23.700 their face through teacher faces.

NOTE Confidence: 0.8388325

00:46:23.700 --> 00:46:25.626 So that's definitely having an impact.

NOTE Confidence: 0.8388325

00:46:25.630 --> 00:46:27.230 Even just keeping you know.

NOTE Confidence: 0.8388325

00:46:27.230 --> 00:46:29.505 How do you keep toddlers from wanting

NOTE Confidence: 0.8388325

00:46:29.505 --> 00:46:31.489 to be touching each other and?

NOTE Confidence: 0.8388325

00:46:31.490 --> 00:46:33.476 Playing together and so it's really

NOTE Confidence: 0.8388325

00:46:33.476 --> 00:46:36.460 been a shift of, you know, how do we?

NOTE Confidence: 0.8388325

00:46:36.460 --> 00:46:38.252 How do we get creative in being

NOTE Confidence: 0.8388325

00:46:38.252 --> 00:46:40.250 able to still build these skills

NOTE Confidence: 0.8388325

00:46:40.250 --> 00:46:42.190 while remaining safe and following

NOTE Confidence: 0.8388325

00:46:42.190 --> 00:46:44.033 the guidelines and protocols that

NOTE Confidence: 0.8388325

00:46:44.033 --> 00:46:46.049 all these centers have been given?

NOTE Confidence: 0.8388325

00:46:46.050 --> 00:46:48.269 So I'm working with a couple of

NOTE Confidence: 0.8388325

00:46:48.269 --> 00:46:49.904 classrooms right now that are

NOTE Confidence: 0.8388325

00:46:49.904 --> 00:46:51.770 trying to trying to again get

NOTE Confidence: 0.8388325

00:46:51.770 --> 00:46:53.886 creative and think of ways we

NOTE Confidence: 0.8388325

00:46:53.886 --> 00:46:55.318 can do cooperative activities.

NOTE Confidence: 0.8388325

00:46:55.320 --> 00:46:57.810 Kind of in our own space and how we can

NOTE Confidence: 0.8388325

00:46:57.882 --> 00:47:00.745 teach self regulation skills and be able

NOTE Confidence: 0.8388325

00:47:00.745 --> 00:47:03.389 Doctor Harris mentioned like the cozy corner.

NOTE Confidence: 0.8388325

00:47:03.390 --> 00:47:05.377 The cozy area you know, how do you?

NOTE Confidence: 0.8388325

00:47:05.377 --> 00:47:07.609 How do you make a cozy area when you

NOTE Confidence: 0.8388325

00:47:07.609 --> 00:47:09.865 can't use cozy items and you know soft?

NOTE Confidence: 0.8388325

00:47:09.870 --> 00:47:11.160 Like you know stuffed animals

NOTE Confidence: 0.8388325

00:47:11.160 --> 00:47:12.192 and things like that.

NOTE Confidence: 0.8388325

00:47:12.200 --> 00:47:12.944 How do you?

NOTE Confidence: 0.8388325

00:47:12.944 --> 00:47:15.050 How do you make that cozy for them?

NOTE Confidence: 0.8451252

00:47:15.050 --> 00:47:16.978 So we've been trying trying to work with

NOTE Confidence: 0.8451252

00:47:16.978 --> 00:47:18.670 teachers to get creative around that,

NOTE Confidence: 0.8451252

00:47:18.670 --> 00:47:20.595 and I think one of the biggest

NOTE Confidence: 0.8451252

00:47:20.595 --> 00:47:22.038 pieces of that is is to,

NOTE Confidence: 0.8451252

00:47:22.040 --> 00:47:23.330 you know, with our service.

NOTE Confidence: 0.8451252

00:47:23.330 --> 00:47:25.199 It gives you know with these teachers

NOTE Confidence: 0.8451252

00:47:25.199 --> 00:47:27.040 are dealing with so much in the

NOTE Confidence: 0.8451252

00:47:27.040 --> 00:47:28.522 classroom and the stress related to

NOTE Confidence: 0.8451252

00:47:28.576 --> 00:47:30.340 this whole pandemic it's I think it's

NOTE Confidence: 0.8451252

00:47:30.340 --> 00:47:32.540 hard for them to even take a step back

NOTE Confidence: 0.8451252

00:47:32.540 --> 00:47:34.849 to start to even think about trying to.
NOTE Confidence: 0.8451252

00:47:34.850 --> 00:47:35.574 Problem solved,
NOTE Confidence: 0.8451252

00:47:35.574 --> 00:47:37.746 any you know these different situations
NOTE Confidence: 0.8451252

00:47:37.746 --> 00:47:39.439 that they're coming across so?
NOTE Confidence: 0.8451252

00:47:39.440 --> 00:47:41.252 It's been important for with our
NOTE Confidence: 0.8451252

00:47:41.252 --> 00:47:43.051 service they they get a chance
NOTE Confidence: 0.8451252

00:47:43.051 --> 00:47:44.892 to get out of the classroom for
NOTE Confidence: 0.8451252

00:47:44.892 --> 00:47:47.167 minute and sit with me and another
NOTE Confidence: 0.8451252

00:47:47.167 --> 00:47:48.771 consultants and really problem solving.
NOTE Confidence: 0.8451252

00:47:48.771 --> 00:47:50.577 Brainstorm. How can we do this?
NOTE Confidence: 0.8451252

00:47:50.580 --> 00:47:51.104 But yes,
NOTE Confidence: 0.8451252

00:47:51.104 --> 00:47:52.938 I think in terms of the mental
NOTE Confidence: 0.8451252

00:47:52.938 --> 00:47:54.623 health needs and I think there's
NOTE Confidence: 0.8451252

00:47:54.623 --> 00:47:56.869 been an impact just on just the
NOTE Confidence: 0.8451252

00:47:56.869 --> 00:47:58.099 interactions with children.
NOTE Confidence: 0.8451252

00:47:58.100 --> 00:48:00.207 We focus so much on the relationship

NOTE Confidence: 0.8451252

00:48:00.207 --> 00:48:01.110 and those interactions.

NOTE Confidence: 0.8451252

00:48:01.110 --> 00:48:02.958 And again teaching how to take turns

NOTE Confidence: 0.8451252

00:48:02.958 --> 00:48:05.030 and share and work properly together.

NOTE Confidence: 0.8451252

00:48:05.030 --> 00:48:06.830 And when we can't be together.

NOTE Confidence: 0.8451252

00:48:06.830 --> 00:48:09.430 So I think that's one of the biggest.

NOTE Confidence: 0.8451252

00:48:09.430 --> 00:48:10.638 Things that we've seen.

NOTE Confidence: 0.8451252

00:48:10.638 --> 00:48:10.940 Yeah,

NOTE Confidence: 0.845495

00:48:10.940 --> 00:48:11.544 absolutely yeah.

NOTE Confidence: 0.845495

00:48:11.544 --> 00:48:13.658 That that social interaction of all ages.

NOTE Confidence: 0.845495

00:48:13.660 --> 00:48:15.760 I think we even recognize as adults

NOTE Confidence: 0.845495

00:48:15.760 --> 00:48:17.889 you know that that need you know,

NOTE Confidence: 0.845495

00:48:17.890 --> 00:48:19.696 that's that's that's interesting to hear.

NOTE Confidence: 0.845495

00:48:19.700 --> 00:48:22.328 You say that we know as adults at the

NOTE Confidence: 0.845495

00:48:22.328 --> 00:48:25.125 zoom world has has taken its toll on us.

NOTE Confidence: 0.845495

00:48:25.130 --> 00:48:26.948 And having the social interaction and.

NOTE Confidence: 0.845495

00:48:26.950 --> 00:48:28.310 And yeah, that yeah,
NOTE Confidence: 0.845495

00:48:28.310 --> 00:48:30.010 that's that's that's excellent feedback
NOTE Confidence: 0.845495

00:48:30.010 --> 00:48:32.622 that that we have to really be looking for
NOTE Confidence: 0.845495

00:48:32.622 --> 00:48:34.896 innovative ways to encourage that in a in
NOTE Confidence: 0.845495

00:48:34.896 --> 00:48:36.913 a socially distance setting at that store.
NOTE Confidence: 0.845495

00:48:36.913 --> 00:48:39.018 Or definitely in a virtual setting, right?
NOTE Confidence: 0.845495

00:48:39.018 --> 00:48:39.614 And then.
NOTE Confidence: 0.845495

00:48:39.614 --> 00:48:41.402 Yeah, and you said there Tracy,
NOTE Confidence: 0.845495

00:48:41.410 --> 00:48:42.976 which I thought was so interesting,
NOTE Confidence: 0.845495

00:48:42.980 --> 00:48:44.558 is to think about his teachers.
NOTE Confidence: 0.845495

00:48:44.560 --> 00:48:46.203 We how we're all expressive, right?
NOTE Confidence: 0.845495

00:48:46.203 --> 00:48:47.868 Like naturally as teachers were
NOTE Confidence: 0.845495

00:48:47.868 --> 00:48:49.907 expressive and how that's that is part
NOTE Confidence: 0.845495

00:48:49.907 --> 00:48:51.938 of our teaching and in the in the do
NOTE Confidence: 0.845495

00:48:51.938 --> 00:48:53.722 that in the different with a mask on
NOTE Confidence: 0.845495

00:48:53.730 --> 00:48:55.682 at times and what that does in oral

NOTE Confidence: 0.845495

00:48:55.682 --> 00:48:56.870 language development is fascinating.

NOTE Confidence: 0.845495

00:48:56.870 --> 00:48:58.966 And then the social emotional side of that.

NOTE Confidence: 0.845495

00:48:58.970 --> 00:49:00.540 Yeah, just that closeness of, you

NOTE Confidence: 0.83134514

00:49:00.540 --> 00:49:02.540 know when when a child gets hurt you

NOTE Confidence: 0.83134514

00:49:02.540 --> 00:49:04.465 want to hug them and you want to

NOTE Confidence: 0.83134514

00:49:04.465 --> 00:49:06.622 be close and be able to create all

NOTE Confidence: 0.83134514

00:49:06.622 --> 00:49:08.398 them and and children learn those

NOTE Confidence: 0.83134514

00:49:08.400 --> 00:49:10.766 skills to do to one another one.

NOTE Confidence: 0.83134514

00:49:10.770 --> 00:49:12.810 They learned that if a child falls down,

NOTE Confidence: 0.83134514

00:49:12.810 --> 00:49:15.360 let me help him up and give him a hug.

NOTE Confidence: 0.83134514

00:49:15.360 --> 00:49:17.400 And um, if it, especially if teachers aren't,

NOTE Confidence: 0.83134514

00:49:17.400 --> 00:49:18.930 you know they have to adhere

NOTE Confidence: 0.83134514

00:49:18.930 --> 00:49:19.695 to these guidelines,

NOTE Confidence: 0.83134514

00:49:19.700 --> 00:49:21.170 but some may be really worried

NOTE Confidence: 0.83134514

00:49:21.170 --> 00:49:22.984 about it as well and might have

NOTE Confidence: 0.83134514

00:49:22.984 --> 00:49:24.284 kind of a panic response,
NOTE Confidence: 0.83134514

00:49:24.290 --> 00:49:26.192 which again that you know it's
NOTE Confidence: 0.83134514

00:49:26.192 --> 00:49:27.690 confusing for children to to.
NOTE Confidence: 0.83134514

00:49:27.690 --> 00:49:30.300 To now be kind of the opposite of everything.
NOTE Confidence: 0.83134514

00:49:30.300 --> 00:49:32.330 They've been learning this whole time. So
NOTE Confidence: 0.8556935

00:49:32.330 --> 00:49:33.780 yeah, yeah yeah, yeah, great.
NOTE Confidence: 0.8556935

00:49:33.780 --> 00:49:34.940 Great points, Heather there
NOTE Confidence: 0.8556935

00:49:34.940 --> 00:49:36.390 we had a great question.
NOTE Confidence: 0.8556935

00:49:36.390 --> 00:49:37.840 I thought you might be.
NOTE Confidence: 0.8556935

00:49:37.840 --> 00:49:39.270 Might be perfect to answer
NOTE Confidence: 0.8556935

00:49:39.270 --> 00:49:41.030 for us one I will ask.
NOTE Confidence: 0.8556935

00:49:41.030 --> 00:49:43.294 Kind of two parts here to start and
NOTE Confidence: 0.8556935

00:49:43.294 --> 00:49:45.670 then let the panel chime in as well.
NOTE Confidence: 0.8556935

00:49:45.670 --> 00:49:47.590 But one there there's a lot of interest
NOTE Confidence: 0.8556935

00:49:47.590 --> 00:49:49.306 in if districts are interested
NOTE Confidence: 0.8556935

00:49:49.306 --> 00:49:51.471 in some of the support that you

NOTE Confidence: 0.8556935

00:49:51.471 --> 00:49:53.206 offer that aren't California based.

NOTE Confidence: 0.8556935

00:49:53.210 --> 00:49:54.950 If you have suggestions for them,

NOTE Confidence: 0.8556935

00:49:54.950 --> 00:49:56.728 but that you offer through child 360

NOTE Confidence: 0.8556935

00:49:56.728 --> 00:49:58.799 but but then maybe more specifically.

NOTE Confidence: 0.8556935

00:49:58.800 --> 00:50:00.396 If you would talk about in the.

NOTE Confidence: 0.8556935

00:50:00.400 --> 00:50:02.998 After panel, think about I thought.

NOTE Confidence: 0.8556935

00:50:03.000 --> 00:50:03.873 Families at home.

NOTE Confidence: 0.8556935

00:50:03.873 --> 00:50:05.328 We've always encouraged them to

NOTE Confidence: 0.8556935

00:50:05.328 --> 00:50:06.977 to support the learning at home,

NOTE Confidence: 0.8556935

00:50:06.980 --> 00:50:09.028 but more now than ever what we asked

NOTE Confidence: 0.8556935

00:50:09.028 --> 00:50:11.516 him to do is to encourage the learning.

NOTE Confidence: 0.8556935

00:50:11.520 --> 00:50:13.224 Maybe away from the screen, right?

NOTE Confidence: 0.8556935

00:50:13.224 --> 00:50:15.780 Because we are getting a lot of screen time,

NOTE Confidence: 0.8556935

00:50:15.780 --> 00:50:17.705 so resources or ideas to help families

NOTE Confidence: 0.8556935

00:50:17.705 --> 00:50:19.757 with you know that learning by play,

NOTE Confidence: 0.8556935

00:50:19.760 --> 00:50:22.118 which we all believe in at a young age

NOTE Confidence: 0.8556935

00:50:22.118 --> 00:50:24.580 and how you can help families do that,

NOTE Confidence: 0.8556935

00:50:24.580 --> 00:50:25.920 whether that's putting them in

NOTE Confidence: 0.8556935

00:50:25.920 --> 00:50:27.616 contact with people who can give

NOTE Confidence: 0.8556935

00:50:27.616 --> 00:50:29.141 them physical resources to encourage

NOTE Confidence: 0.8556935

00:50:29.141 --> 00:50:30.829 learning at player ideas you have,

NOTE Confidence: 0.8556935

00:50:30.830 --> 00:50:33.214 so I'll let the panel think about that.

NOTE Confidence: 0.8556935

00:50:33.220 --> 00:50:34.396 Question, and Heather,

NOTE Confidence: 0.8556935

00:50:34.396 --> 00:50:36.748 if you wouldn't mind starting with

NOTE Confidence: 0.8556935

00:50:36.748 --> 00:50:39.048 how they districts across the country

NOTE Confidence: 0.8556935

00:50:39.048 --> 00:50:41.703 might get in touch with you for

NOTE Confidence: 0.8556935

00:50:41.703 --> 00:50:43.588 the services or similar services,

NOTE Confidence: 0.8556935

00:50:43.590 --> 00:50:46.271 and then we can all extend into

NOTE Confidence: 0.8556935

00:50:46.271 --> 00:50:47.037 that that

NOTE Confidence: 0.84088457

00:50:47.040 --> 00:50:49.350 play at home question certainly please.

NOTE Confidence: 0.84088457

00:50:49.350 --> 00:50:52.038 That's why I put the our website.

NOTE Confidence: 0.84088457
00:50:52.040 --> 00:50:53.452 Please access our website.
NOTE Confidence: 0.84088457
00:50:53.452 --> 00:50:56.260 I think that the trainings are universal.
NOTE Confidence: 0.84088457
00:50:56.260 --> 00:50:58.934 We focus on we have coaches who
NOTE Confidence: 0.84088457
00:50:58.934 --> 00:51:01.250 are certified and zero to three.
NOTE Confidence: 0.84088457
00:51:01.250 --> 00:51:04.029 We have self paced courses on an.
NOTE Confidence: 0.84088457
00:51:04.030 --> 00:51:05.389 Anti bias cafe.
NOTE Confidence: 0.84088457
00:51:05.389 --> 00:51:07.654 Social emotional cafes mindfulness trauma
NOTE Confidence: 0.84088457
00:51:07.654 --> 00:51:10.052 informed care and those are universal
NOTE Confidence: 0.84088457
00:51:10.052 --> 00:51:12.580 messages that we all can benefit from.
NOTE Confidence: 0.84088457
00:51:12.580 --> 00:51:15.034 We also offer coaching institutes and
NOTE Confidence: 0.84088457
00:51:15.034 --> 00:51:18.487 so if you have coaches in your district
NOTE Confidence: 0.84088457
00:51:18.487 --> 00:51:21.890 around your County or state or if you'd
NOTE Confidence: 0.84088457
00:51:21.890 --> 00:51:24.786 like to do something like what we do,
NOTE Confidence: 0.84088457
00:51:24.790 --> 00:51:27.226 we we do offer coaching institutes,
NOTE Confidence: 0.84088457
00:51:27.230 --> 00:51:28.448 leadership Institute servant
NOTE Confidence: 0.84088457

00:51:28.448 --> 00:51:29.666 leadership institutes certainly.
NOTE Confidence: 0.84088457

00:51:29.670 --> 00:51:31.840 And concerning the second part
NOTE Confidence: 0.84088457

00:51:31.840 --> 00:51:34.740 of your question had to do with.
NOTE Confidence: 0.84088457

00:51:34.740 --> 00:51:36.240 Specific resources that you
NOTE Confidence: 0.84088457

00:51:36.240 --> 00:51:38.500 could use in the home, right?
NOTE Confidence: 0.8561361

00:51:38.500 --> 00:51:40.380 How did this, especially for
NOTE Confidence: 0.8561361

00:51:40.380 --> 00:51:42.260 play right play based learning?
NOTE Confidence: 0.8561361

00:51:42.260 --> 00:51:44.983 Yeah, on our website we have homegrown
NOTE Confidence: 0.8561361

00:51:44.983 --> 00:51:47.611 activities and So what we've done is
NOTE Confidence: 0.8561361

00:51:47.611 --> 00:51:50.145 we have model with our children and
NOTE Confidence: 0.8561361

00:51:50.145 --> 00:51:52.407 our grandchildren in our own home.
NOTE Confidence: 0.8561361

00:51:52.410 --> 00:51:54.290 Some activities and using materials
NOTE Confidence: 0.8561361

00:51:54.290 --> 00:51:56.524 around the house. And you know,
NOTE Confidence: 0.8561361

00:51:56.524 --> 00:51:58.364 they're across the different disciplines
NOTE Confidence: 0.8561361

00:51:58.364 --> 00:52:01.435 so it could be a social emotional activity.
NOTE Confidence: 0.8561361

00:52:01.440 --> 00:52:03.320 How to engage in expressions.

NOTE Confidence: 0.8561361

00:52:03.320 --> 00:52:06.015 Or it could be a math activity.

NOTE Confidence: 0.8561361

00:52:06.020 --> 00:52:07.560 And those are homegrown activities

NOTE Confidence: 0.8561361

00:52:07.560 --> 00:52:09.100 in their small video vignettes,

NOTE Confidence: 0.8561361

00:52:09.100 --> 00:52:11.088 no more than three to five minutes

NOTE Confidence: 0.8561361

00:52:11.088 --> 00:52:13.098 that you can take advantage of.

NOTE Confidence: 0.8561361

00:52:13.100 --> 00:52:15.256 And teachers and families have found that,

NOTE Confidence: 0.8561361

00:52:15.260 --> 00:52:18.110 um, extremely helpful as well.

NOTE Confidence: 0.8561361

00:52:18.110 --> 00:52:18.770 Awesome, yeah,

NOTE Confidence: 0.8095082

00:52:18.770 --> 00:52:19.432 Walter Tracy.

NOTE Confidence: 0.8095082

00:52:19.432 --> 00:52:21.418 Anything to add about about that?

NOTE Confidence: 0.8095082

00:52:21.420 --> 00:52:23.292 About the needs and really incorporate

NOTE Confidence: 0.8095082

00:52:23.292 --> 00:52:25.390 our families in play based learning,

NOTE Confidence: 0.8095082

00:52:25.390 --> 00:52:27.406 especially if they're in a fully

NOTE Confidence: 0.8095082

00:52:27.406 --> 00:52:29.359 virtual early childhood care right now.

NOTE Confidence: 0.84761703

00:52:31.710 --> 00:52:34.342 Yeah, I think again at the beginning of

NOTE Confidence: 0.84761703

00:52:34.342 --> 00:52:37.194 our of the pandemic we are, you know,

NOTE Confidence: 0.84761703

00:52:37.194 --> 00:52:38.904 reaching out to these families,

NOTE Confidence: 0.84761703

00:52:38.910 --> 00:52:41.028 especially the ones we were working

NOTE Confidence: 0.84761703

00:52:41.028 --> 00:52:43.799 with but trying to get our name out

NOTE Confidence: 0.84761703

00:52:43.799 --> 00:52:46.120 there to families that we didn't know.

NOTE Confidence: 0.84761703

00:52:46.120 --> 00:52:48.374 So we asked Chad providers to kind

NOTE Confidence: 0.84761703

00:52:48.374 --> 00:52:51.006 of give our information out to all

NOTE Confidence: 0.84761703

00:52:51.006 --> 00:52:53.764 the families so they could contact us

NOTE Confidence: 0.84761703

00:52:53.764 --> 00:52:56.116 and a lot were looking for ways to

NOTE Confidence: 0.84761703

00:52:56.116 --> 00:52:58.468 sort of mimic the the early childhood

NOTE Confidence: 0.84761703

00:52:58.468 --> 00:52:59.840 their their classroom schedule,

NOTE Confidence: 0.84761703

00:52:59.840 --> 00:53:02.234 but at home and we always encourage,

NOTE Confidence: 0.84761703

00:53:02.240 --> 00:53:02.780 you know.

NOTE Confidence: 0.84761703

00:53:02.780 --> 00:53:04.670 The importance of play and just having

NOTE Confidence: 0.84761703

00:53:04.670 --> 00:53:05.917 different interactive activities in

NOTE Confidence: 0.84761703

00:53:05.917 --> 00:53:07.777 our projects and things like that.

NOTE Confidence: 0.84761703

00:53:07.780 --> 00:53:09.761 So we we do have some resources

NOTE Confidence: 0.84761703

00:53:09.761 --> 00:53:11.777 on our website as well and I can.

NOTE Confidence: 0.84761703

00:53:11.780 --> 00:53:14.345 I can share our website in the chat or

NOTE Confidence: 0.84761703

00:53:14.345 --> 00:53:16.939 the question answer if that's easier.

NOTE Confidence: 0.84761703

00:53:16.940 --> 00:53:18.515 But just wait different activities

NOTE Confidence: 0.84761703

00:53:18.515 --> 00:53:19.775 to do at home.

NOTE Confidence: 0.84761703

00:53:19.780 --> 00:53:21.706 There's there's a resource with all

NOTE Confidence: 0.84761703

00:53:21.706 --> 00:53:23.652 all different sort of play activities

NOTE Confidence: 0.84761703

00:53:23.652 --> 00:53:25.752 that you can do with your child,

NOTE Confidence: 0.84761703

00:53:25.760 --> 00:53:27.727 and I think all those things help

NOTE Confidence: 0.84761703

00:53:27.727 --> 00:53:30.017 you know the mental health of the

NOTE Confidence: 0.84761703

00:53:30.017 --> 00:53:31.747 parent and the child together.

NOTE Confidence: 0.84761703

00:53:31.750 --> 00:53:32.692 If there's there,

NOTE Confidence: 0.84761703

00:53:32.692 --> 00:53:33.948 they incorporate these things.

NOTE Confidence: 0.84761703

00:53:33.950 --> 00:53:35.525 They're doing them together that

NOTE Confidence: 0.84761703

00:53:35.525 --> 00:53:36.155 we encourage,
NOTE Confidence: 0.84761703

00:53:36.160 --> 00:53:37.735 like some relaxing activities like
NOTE Confidence: 0.84761703

00:53:37.735 --> 00:53:39.620 doing some yoga together at home.
NOTE Confidence: 0.84761703

00:53:39.620 --> 00:53:41.825 Just anything to to really have them
NOTE Confidence: 0.84761703

00:53:41.825 --> 00:53:43.440 interacting with one another and
NOTE Confidence: 0.84761703

00:53:43.440 --> 00:53:45.346 siblings too as well, bringing siblings.
NOTE Confidence: 0.84761703

00:53:45.346 --> 00:53:47.404 And if their siblings at home.
NOTE Confidence: 0.84761703

00:53:47.410 --> 00:53:48.414 To keep you know,
NOTE Confidence: 0.84761703

00:53:48.414 --> 00:53:49.920 keep them busy throughout the day,
NOTE Confidence: 0.84761703

00:53:49.920 --> 00:53:52.104 like have some sort of schedule but
NOTE Confidence: 0.84761703

00:53:52.104 --> 00:53:53.897 have flexibility to have that play
NOTE Confidence: 0.84761703

00:53:53.897 --> 00:53:56.050 and outdoor time and all of that too.
NOTE Confidence: 0.84761703

00:53:56.050 --> 00:53:56.420 Great,
NOTE Confidence: 0.86123925

00:53:56.420 --> 00:53:58.280 I wanted to add Tracy.
NOTE Confidence: 0.86123925

00:53:58.280 --> 00:54:00.506 I know that you can relate
NOTE Confidence: 0.86123925

00:54:00.506 --> 00:54:01.990 that during this time.

NOTE Confidence: 0.86123925

00:54:01.990 --> 00:54:04.580 You know I worked in early childhood.

NOTE Confidence: 0.86123925

00:54:04.580 --> 00:54:06.040 My entire career Ann.

NOTE Confidence: 0.86123925

00:54:06.040 --> 00:54:08.230 I remember given orientations to families

NOTE Confidence: 0.86123925

00:54:08.292 --> 00:54:10.518 and an empowering families and sharing.

NOTE Confidence: 0.86123925

00:54:10.520 --> 00:54:12.536 You are your child's first teacher

NOTE Confidence: 0.86123925

00:54:12.536 --> 00:54:15.170 and so I think it's just motivating

NOTE Confidence: 0.86123925

00:54:15.170 --> 00:54:17.195 our families to validate them

NOTE Confidence: 0.86123925

00:54:17.195 --> 00:54:19.862 and know that they have all the

NOTE Confidence: 0.86123925

00:54:19.862 --> 00:54:22.021 skills and love and abilities to

NOTE Confidence: 0.86123925

00:54:22.021 --> 00:54:23.876 offer those in home activities.

NOTE Confidence: 0.86123925

00:54:23.880 --> 00:54:27.210 And so we have developed some on our website,

NOTE Confidence: 0.86123925

00:54:27.210 --> 00:54:29.270 some brochures that helps families.

NOTE Confidence: 0.86123925

00:54:29.270 --> 00:54:31.573 You know, with with with whether it's

NOTE Confidence: 0.86123925

00:54:31.573 --> 00:54:33.399 facilitating a discussion or an activity,

NOTE Confidence: 0.86123925

00:54:33.400 --> 00:54:34.010 but again,

NOTE Confidence: 0.86123925

00:54:34.010 --> 00:54:35.840 just for you know empowering families
NOTE Confidence: 0.86123925

00:54:35.840 --> 00:54:38.169 and then of course through the coaching.
NOTE Confidence: 0.86123925

00:54:38.170 --> 00:54:40.200 You know we jump on calls with
NOTE Confidence: 0.86123925

00:54:40.200 --> 00:54:41.467 families through family engagement
NOTE Confidence: 0.86123925

00:54:41.467 --> 00:54:43.525 and with our providers an just
NOTE Confidence: 0.86123925

00:54:43.525 --> 00:54:45.222 validate their ability to be
NOTE Confidence: 0.86123925

00:54:45.222 --> 00:54:46.438 their child's first teacher.
NOTE Confidence: 0.86123925

00:54:46.440 --> 00:54:48.010 That's so important because there's
NOTE Confidence: 0.86123925

00:54:48.010 --> 00:54:50.260 so much going on all around you.
NOTE Confidence: 0.86123925

00:54:50.260 --> 00:54:52.332 You're like I'm not equipped to do
NOTE Confidence: 0.86123925

00:54:52.332 --> 00:54:54.708 this and it's like you certainly are.
NOTE Confidence: 0.86123925

00:54:54.710 --> 00:54:56.660 You certainly able to do the
NOTE Confidence: 0.86123925

00:54:56.660 --> 00:54:58.529 best you could do in your
NOTE Confidence: 0.8455651

00:54:58.530 --> 00:54:59.830 home, right? Right, yeah
NOTE Confidence: 0.85159

00:54:59.830 --> 00:55:01.190 awesome yeah and it Walter
NOTE Confidence: 0.85159

00:55:01.190 --> 00:55:02.550 yeah I knew you had.

NOTE Confidence: 0.85159

00:55:02.550 --> 00:55:03.910 Yeah go ahead go ahead.

NOTE Confidence: 0.85159

00:55:03.910 --> 00:55:05.270 I was just going to

NOTE Confidence: 0.851590000000001

00:55:05.270 --> 00:55:07.566 add that I'm glad the doctor here said

NOTE Confidence: 0.851590000000001

00:55:07.566 --> 00:55:09.408 that parents with their child's first

NOTE Confidence: 0.851590000000001

00:55:09.408 --> 00:55:11.931 teacher and in the other part of the two

NOTE Confidence: 0.851590000000001

00:55:11.931 --> 00:55:14.252 that I might want to add is that in just

NOTE Confidence: 0.851590000000001

00:55:14.252 --> 00:55:15.896 about everything that you're doing already

NOTE Confidence: 0.851590000000001

00:55:15.896 --> 00:55:17.786 is something that could be a lesson.

NOTE Confidence: 0.851590000000001

00:55:17.790 --> 00:55:20.232 You know if you want to talk about, you

NOTE Confidence: 0.851590000000001

00:55:20.232 --> 00:55:22.680 know things that you can do at home books.

NOTE Confidence: 0.851590000000001

00:55:22.680 --> 00:55:24.948 There is no child so young and no child

NOTE Confidence: 0.851590000000001

00:55:24.948 --> 00:55:27.310 so old that you can't read with them.

NOTE Confidence: 0.851590000000001

00:55:27.310 --> 00:55:30.001 You can read a book with any child of

NOTE Confidence: 0.851590000000001

00:55:30.001 --> 00:55:32.095 any age. It's just about finding the

NOTE Confidence: 0.851590000000001

00:55:32.095 --> 00:55:33.811 right kind of material and finding

NOTE Confidence: 0.851590000000001

00:55:33.811 --> 00:55:35.944 the way in which you want to read it,
NOTE Confidence: 0.851590000000001

00:55:35.950 --> 00:55:37.798 either two or with or in exchange
NOTE Confidence: 0.851590000000001

00:55:37.798 --> 00:55:38.590 with that child.
NOTE Confidence: 0.851590000000001

00:55:38.590 --> 00:55:39.962 If you're making dinner.
NOTE Confidence: 0.851590000000001

00:55:39.962 --> 00:55:42.708 There is a reading lesson in that there
NOTE Confidence: 0.851590000000001

00:55:42.708 --> 00:55:44.878 is a food science lesson in there
NOTE Confidence: 0.851590000000001

00:55:44.878 --> 00:55:47.264 and there is a math lesson in that.
NOTE Confidence: 0.851590000000001

00:55:47.270 --> 00:55:49.710 How many tablespoons do I needed that laugh?
NOTE Confidence: 0.851590000000001

00:55:49.710 --> 00:55:52.446 I wanted to make twice as much of that,
NOTE Confidence: 0.851590000000001

00:55:52.450 --> 00:55:54.418 just even doing something that some
NOTE Confidence: 0.851590000000001

00:55:54.418 --> 00:55:56.052 people called broadcasting just going
NOTE Confidence: 0.851590000000001

00:55:56.052 --> 00:55:57.935 through your day and talking out loud.
NOTE Confidence: 0.851590000000001

00:55:57.940 --> 00:56:00.103 Just things that you think in your
NOTE Confidence: 0.851590000000001

00:56:00.103 --> 00:56:02.575 head about how you did that all makes
NOTE Confidence: 0.851590000000001

00:56:02.575 --> 00:56:05.012 everything that you do a lesson to the
NOTE Confidence: 0.851590000000001

00:56:05.012 --> 00:56:07.409 child who can now see what you're doing.

NOTE Confidence: 0.851590000000001
00:56:07.409 --> 00:56:09.323 But also hear what you're thinking
NOTE Confidence: 0.851590000000001
00:56:09.323 --> 00:56:10.280 just going about.
NOTE Confidence: 0.851590000000001
00:56:10.280 --> 00:56:12.560 Your everyday life in a way that your
NOTE Confidence: 0.851590000000001
00:56:12.560 --> 00:56:14.580 child can experience it and understand
NOTE Confidence: 0.851590000000001
00:56:14.580 --> 00:56:17.271 what it is that you're doing and why
NOTE Confidence: 0.851590000000001
00:56:17.271 --> 00:56:19.203 you're doing it that way in here,
NOTE Confidence: 0.851590000000001
00:56:19.210 --> 00:56:21.004 what your inner thoughts are is
NOTE Confidence: 0.851590000000001
00:56:21.004 --> 00:56:22.910 a lesson in and of itself.
NOTE Confidence: 0.851590000000001
00:56:22.910 --> 00:56:24.758 Parents are indeed children's first teachers,
NOTE Confidence: 0.851590000000001
00:56:24.760 --> 00:56:26.909 and the lessons are already built in.
NOTE Confidence: 0.8151454
00:56:29.320 --> 00:56:31.600 Yeah, that's great and what a great reminder.
NOTE Confidence: 0.8151454
00:56:31.600 --> 00:56:33.502 Undergrounding the Yale the Yale Child
NOTE Confidence: 0.8151454
00:56:33.502 --> 00:56:35.061 Study Center collaborative with Scholastic
NOTE Confidence: 0.8151454
00:56:35.061 --> 00:56:37.007 is built on the power of story, right?
NOTE Confidence: 0.8151454
00:56:37.007 --> 00:56:39.223 It's built on that idea of even though
NOTE Confidence: 0.8151454

00:56:39.223 --> 00:56:40.829 we frequently think as educators

NOTE Confidence: 0.8151454

00:56:40.829 --> 00:56:43.292 of the power of story and book and

NOTE Confidence: 0.8151454

00:56:43.292 --> 00:56:45.276 man is the power of story in book.

NOTE Confidence: 0.8151454

00:56:45.280 --> 00:56:46.960 Amazing, that's a great piece to

NOTE Confidence: 0.8151454

00:56:46.960 --> 00:56:48.704 remember that the power of story

NOTE Confidence: 0.8151454

00:56:48.704 --> 00:56:50.119 originally is oral story, right?

NOTE Confidence: 0.8151454

00:56:50.119 --> 00:56:51.793 Like that? That of course was

NOTE Confidence: 0.8151454

00:56:51.793 --> 00:56:53.548 the first story was always oral.

NOTE Confidence: 0.8151454

00:56:53.550 --> 00:56:55.446 It was way before written language

NOTE Confidence: 0.8151454

00:56:55.446 --> 00:56:57.276 and so utilizing that power of

NOTE Confidence: 0.8151454

00:56:57.276 --> 00:56:58.526 story and what you do.

NOTE Confidence: 0.8151454

00:56:58.530 --> 00:57:00.725 It is such a powerful reminder, yeah,

NOTE Confidence: 0.8151454

00:57:00.725 --> 00:57:02.300 that yeah, fantastic reminders group.

NOTE Confidence: 0.8151454

00:57:02.300 --> 00:57:03.239 Thank you guys.

NOTE Confidence: 0.8151454

00:57:03.239 --> 00:57:05.436 A quick question on kind of the

NOTE Confidence: 0.8151454

00:57:05.436 --> 00:57:06.696 physical mechanics of childhood

NOTE Confidence: 0.8151454

00:57:06.696 --> 00:57:08.574 centers and I'll start with you,

NOTE Confidence: 0.8151454

00:57:08.580 --> 00:57:11.092 Walter and go back to you to start

NOTE Confidence: 0.8151454

00:57:11.092 --> 00:57:12.659 here in terms of recommendations

NOTE Confidence: 0.8151454

00:57:12.660 --> 00:57:14.683 for and an both Tracy and Heather

NOTE Confidence: 0.8151454

00:57:14.683 --> 00:57:16.663 talked about the the what the

NOTE Confidence: 0.8151454

00:57:16.663 --> 00:57:18.423 socially distancing does inside of

NOTE Confidence: 0.8151454

00:57:18.423 --> 00:57:20.924 the classroom and how we need to pay

NOTE Confidence: 0.8151454

00:57:20.924 --> 00:57:22.394 attention to the additional social

NOTE Confidence: 0.8151454

00:57:22.394 --> 00:57:24.278 emotional needs that come from that.

NOTE Confidence: 0.8151454

00:57:24.280 --> 00:57:26.770 What are the recommendations around social

NOTE Confidence: 0.8151454

00:57:26.770 --> 00:57:29.838 distancing and even we had a great question.

NOTE Confidence: 0.8151454

00:57:29.840 --> 00:57:31.968 In the chat about are we finding that

NOTE Confidence: 0.8151454

00:57:31.968 --> 00:57:34.034 most child care providers have them wear

NOTE Confidence: 0.8151454

00:57:34.034 --> 00:57:36.400 the mask the entire day except for nap?

NOTE Confidence: 0.8151454

00:57:36.400 --> 00:57:38.465 Or is there some variations of that

NOTE Confidence: 0.8151454

00:57:38.465 --> 00:57:40.807 that that have led to success and I
NOTE Confidence: 0.8151454

00:57:40.807 --> 00:57:42.670 know that's a big question to ask,
NOTE Confidence: 0.8151454

00:57:42.670 --> 00:57:44.374 but if you guys could share
NOTE Confidence: 0.8151454

00:57:44.374 --> 00:57:45.226 experiences around that,
NOTE Confidence: 0.8151454

00:57:45.230 --> 00:57:46.922 around successes and or struggles when
NOTE Confidence: 0.8151454

00:57:46.922 --> 00:57:48.649 we'll start with Walter churning and
NOTE Confidence: 0.84469706

00:57:48.650 --> 00:57:50.360 I'd say it's a complicated thing,
NOTE Confidence: 0.84469706

00:57:50.360 --> 00:57:51.790 especially when you're thinking about,
NOTE Confidence: 0.84469706

00:57:51.790 --> 00:57:54.174 you know, like how do you social distance
NOTE Confidence: 0.84469706

00:57:54.174 --> 00:57:56.660 from my child you know who needs to be
NOTE Confidence: 0.84469706

00:57:56.660 --> 00:57:58.910 held and you want to hold the child,
NOTE Confidence: 0.84469706

00:57:58.910 --> 00:58:00.130 and sometimes they will.
NOTE Confidence: 0.84469706

00:58:00.130 --> 00:58:01.655 All of you want it.
NOTE Confidence: 0.84469706

00:58:01.660 --> 00:58:04.076 They want to protect and hold the child.
NOTE Confidence: 0.84469706

00:58:04.080 --> 00:58:06.145 And of course they want to be
NOTE Confidence: 0.84469706

00:58:06.145 --> 00:58:08.019 near each other and the masks,

NOTE Confidence: 0.84469706

00:58:08.020 --> 00:58:10.090 and I think I think both of them with

NOTE Confidence: 0.84469706

00:58:10.090 --> 00:58:12.184 the other two speakers spoke about

NOTE Confidence: 0.84469706

00:58:12.184 --> 00:58:14.380 about the complexities of wearing masks.

NOTE Confidence: 0.84469706

00:58:14.380 --> 00:58:15.560 You know around children,

NOTE Confidence: 0.84469706

00:58:15.560 --> 00:58:17.680 and can they read your facial expression

NOTE Confidence: 0.84469706

00:58:17.680 --> 00:58:20.000 like I think all of these things are

NOTE Confidence: 0.84469706

00:58:20.000 --> 00:58:21.957 things worthwhile for us to consider,

NOTE Confidence: 0.84469706

00:58:21.960 --> 00:58:23.470 but at the same time,

NOTE Confidence: 0.84469706

00:58:23.470 --> 00:58:25.605 one of the things that I learned

NOTE Confidence: 0.84469706

00:58:25.605 --> 00:58:27.110 along time ago is this.

NOTE Confidence: 0.84469706

00:58:27.110 --> 00:58:29.558 It takes a lot of time and patience to

NOTE Confidence: 0.84469706

00:58:29.558 --> 00:58:32.039 get children to change their routine.

NOTE Confidence: 0.84469706

00:58:32.040 --> 00:58:34.014 But it takes a whole lot more

NOTE Confidence: 0.84469706

00:58:34.014 --> 00:58:35.904 time and patience to get adults

NOTE Confidence: 0.84469706

00:58:35.904 --> 00:58:37.208 to change their routine,

NOTE Confidence: 0.84469706

00:58:37.210 --> 00:58:39.527 and so if the adults are generally
NOTE Confidence: 0.84469706

00:58:39.527 --> 00:58:41.692 comfortable with the change that happens and
NOTE Confidence: 0.84469706

00:58:41.692 --> 00:58:44.500 goes about it as if it is a normal thing.
NOTE Confidence: 0.84469706

00:58:44.500 --> 00:58:45.370 In many cases,
NOTE Confidence: 0.84469706

00:58:45.370 --> 00:58:47.850 children will take their cues from US adults.
NOTE Confidence: 0.84469706

00:58:47.850 --> 00:58:49.662 I can't tell you how many
NOTE Confidence: 0.84469706

00:58:49.662 --> 00:58:51.190 times I've had parents say,
NOTE Confidence: 0.84469706

00:58:51.190 --> 00:58:52.702 you know my child is getting
NOTE Confidence: 0.84469706

00:58:52.702 --> 00:58:54.540 ready to go to kindergarten.
NOTE Confidence: 0.84469706

00:58:54.540 --> 00:58:56.964 Get a bus for the very first time.
NOTE Confidence: 0.84469706

00:58:56.970 --> 00:58:59.661 What can I do to help my child feel
NOTE Confidence: 0.84469706

00:58:59.661 --> 00:59:02.128 more comfortable going to school?
NOTE Confidence: 0.84469706

00:59:02.130 --> 00:59:03.804 And usually my first thing that
NOTE Confidence: 0.84469706

00:59:03.804 --> 00:59:06.354 I say to them is how do you feel
NOTE Confidence: 0.84469706

00:59:06.354 --> 00:59:08.220 about your child going to school?
NOTE Confidence: 0.84469706

00:59:08.220 --> 00:59:09.268 How do you feel?

NOTE Confidence: 0.84469706

00:59:09.268 --> 00:59:11.527 Have you met the school bus driver 'cause

NOTE Confidence: 0.84469706

00:59:11.527 --> 00:59:14.310 you're going to put your child on that bus?

NOTE Confidence: 0.84469706

00:59:14.310 --> 00:59:16.767 If you met this person and you and your

NOTE Confidence: 0.84469706

00:59:16.767 --> 00:59:19.238 child is going to go to the kindergarten,

NOTE Confidence: 0.84469706

00:59:19.240 --> 00:59:21.696 have you had a chance to meet the

NOTE Confidence: 0.84469706

00:59:21.696 --> 00:59:22.889 kindergarten teacher who's going

NOTE Confidence: 0.84469706

00:59:22.889 --> 00:59:24.977 to be with your child all day long

NOTE Confidence: 0.84469706

00:59:25.040 --> 00:59:27.070 with the reality is when a child

NOTE Confidence: 0.84469706

00:59:27.070 --> 00:59:28.520 is uncertain about whatever thing

NOTE Confidence: 0.84469706

00:59:28.520 --> 00:59:30.260 is new or stressful or unusual,

NOTE Confidence: 0.84469706

00:59:30.260 --> 00:59:31.815 they will immediately turn to

NOTE Confidence: 0.84469706

00:59:31.815 --> 00:59:32.748 the trusted adults.

NOTE Confidence: 0.84469706

00:59:32.750 --> 00:59:34.270 And look at their expression

NOTE Confidence: 0.84469706

00:59:34.270 --> 00:59:35.486 and borrow their feeling.

NOTE Confidence: 0.84469706

00:59:35.490 --> 00:59:37.314 And if we are generally comfortable

NOTE Confidence: 0.84469706

00:59:37.314 --> 00:59:38.530 with what we're doing,
NOTE Confidence: 0.84469706

00:59:38.530 --> 00:59:40.906 then we can loan our comfort to the
NOTE Confidence: 0.84469706

00:59:40.906 --> 00:59:43.090 child and the child will take it.
NOTE Confidence: 0.84469706

00:59:43.090 --> 00:59:44.605 But if we're not comfortable
NOTE Confidence: 0.84469706

00:59:44.605 --> 00:59:45.817 with what we're doing,
NOTE Confidence: 0.84469706

00:59:45.820 --> 00:59:48.556 then we have nothing left to give the child.
NOTE Confidence: 0.84469706

00:59:48.560 --> 00:59:50.378 And so to a large degree,
NOTE Confidence: 0.84469706

00:59:50.380 --> 00:59:52.639 I think a big part of the answer to
NOTE Confidence: 0.84469706

00:59:52.639 --> 00:59:54.844 your question is we get children
NOTE Confidence: 0.84469706

00:59:54.844 --> 00:59:56.352 feeling comfortable with the
NOTE Confidence: 0.84469706

00:59:56.352 --> 00:59:58.415 new changes that we have to do
NOTE Confidence: 0.84469706

00:59:58.415 --> 01:00:00.180 in order to keep them safe.
NOTE Confidence: 0.84469706

01:00:00.180 --> 01:00:02.220 By making sure that we first
NOTE Confidence: 0.84469706

01:00:02.220 --> 01:00:03.450 were comfortable with it,
NOTE Confidence: 0.84469706

01:00:03.450 --> 01:00:05.346 that our teachers or child care
NOTE Confidence: 0.84469706

01:00:05.346 --> 01:00:07.233 providers are supported and given the

NOTE Confidence: 0.84469706

01:00:07.233 --> 01:00:08.937 supplies and the staffing that they

NOTE Confidence: 0.84469706

01:00:08.937 --> 01:00:11.215 need in order to be successful with it,

NOTE Confidence: 0.84469706

01:00:11.220 --> 01:00:13.344 and that they feel comfortable enough

NOTE Confidence: 0.84469706

01:00:13.344 --> 01:00:16.808 to be a source of comfort to their children.

NOTE Confidence: 0.84469706

01:00:16.810 --> 01:00:17.160 Well

NOTE Confidence: 0.8292226

01:00:17.160 --> 01:00:18.552 yeah, that's a great.

NOTE Confidence: 0.8292226

01:00:18.552 --> 01:00:20.640 What a great advice I was.

NOTE Confidence: 0.8292226

01:00:20.640 --> 01:00:23.160 I couldn't help but think of parenting

NOTE Confidence: 0.8292226

01:00:23.160 --> 01:00:25.508 advice right there when you said loan,

NOTE Confidence: 0.8292226

01:00:25.510 --> 01:00:27.598 our comfort to our children right?

NOTE Confidence: 0.8292226

01:00:27.600 --> 01:00:28.294 Like great,

NOTE Confidence: 0.8292226

01:00:28.294 --> 01:00:30.376 great for and they'll receive it.

NOTE Confidence: 0.8292226

01:00:30.380 --> 01:00:31.772 Yeah, Heather further dig

NOTE Confidence: 0.8292226

01:00:31.772 --> 01:00:33.164 deeper into that conversation.

NOTE Confidence: 0.8292226

01:00:33.170 --> 01:00:35.599 There. Certainly I agree with Doctor Gilliam.

NOTE Confidence: 0.8292226

01:00:35.600 --> 01:00:38.040 I think that I'd like to expand just
NOTE Confidence: 0.8292226

01:00:38.040 --> 01:00:40.422 a little bit to say that we have
NOTE Confidence: 0.8292226

01:00:40.422 --> 01:00:42.514 to ensure that our early childhood
NOTE Confidence: 0.8292226

01:00:42.514 --> 01:00:44.274 education providers have their
NOTE Confidence: 0.8292226

01:00:44.274 --> 01:00:47.368 oxygen mask on 1st so that you know.
NOTE Confidence: 0.8292226

01:00:47.368 --> 01:00:49.360 They can offer it to the
NOTE Confidence: 0.8292226

01:00:49.448 --> 01:00:51.348 children or offer it to,
NOTE Confidence: 0.8292226

01:00:51.350 --> 01:00:53.070 you know their their colleagues,
NOTE Confidence: 0.8292226

01:00:53.070 --> 01:00:55.968 and so I think taking care of self and
NOTE Confidence: 0.8292226

01:00:55.968 --> 01:00:59.241 being honest with yourself you know can I
NOTE Confidence: 0.8292226

01:00:59.241 --> 01:01:02.017 actually handle this an am I going to be,
NOTE Confidence: 0.8292226

01:01:02.020 --> 01:01:04.365 you know the best source of energy
NOTE Confidence: 0.8292226

01:01:04.365 --> 01:01:06.882 for children you know right now in
NOTE Confidence: 0.8292226

01:01:06.882 --> 01:01:08.687 this particular situation and then
NOTE Confidence: 0.8292226

01:01:08.687 --> 01:01:10.729 on top of that for administrators
NOTE Confidence: 0.8292226

01:01:10.729 --> 01:01:13.028 to be able to tell teachers it's

NOTE Confidence: 0.8292226
01:01:13.028 --> 01:01:15.780 OK if today is not your best day.
NOTE Confidence: 0.8292226
01:01:15.780 --> 01:01:19.209 But in order to do that we have to.
NOTE Confidence: 0.8292226
01:01:19.210 --> 01:01:21.508 US County level and state level
NOTE Confidence: 0.8292226
01:01:21.508 --> 01:01:23.543 issues that we've been talking
NOTE Confidence: 0.8292226
01:01:23.543 --> 01:01:26.099 about in early childhood for long,
NOTE Confidence: 0.8292226
01:01:26.100 --> 01:01:26.968 long time,
NOTE Confidence: 0.8292226
01:01:26.968 --> 01:01:29.138 which is providing the finances
NOTE Confidence: 0.8292226
01:01:29.138 --> 01:01:30.851 providing an opportunity for
NOTE Confidence: 0.8292226
01:01:30.851 --> 01:01:32.576 providers voice to be heard.
NOTE Confidence: 0.8292226
01:01:32.580 --> 01:01:34.953 As far as what are their needs
NOTE Confidence: 0.8292226
01:01:34.953 --> 01:01:37.963 and how do we actually meet them
NOTE Confidence: 0.8292226
01:01:37.963 --> 01:01:39.867 when the pandemic began,
NOTE Confidence: 0.8292226
01:01:39.870 --> 01:01:42.240 you know it was so important
NOTE Confidence: 0.8292226
01:01:42.240 --> 01:01:44.290 through our public office that
NOTE Confidence: 0.8292226
01:01:44.290 --> 01:01:46.265 we were informing the governor's
NOTE Confidence: 0.8292226

01:01:46.265 --> 01:01:48.780 office as far as vouchers that
NOTE Confidence: 0.8292226

01:01:48.780 --> 01:01:51.360 are needed PPE's that are needed.
NOTE Confidence: 0.8292226

01:01:51.360 --> 01:01:53.362 And so just being a voice in
NOTE Confidence: 0.8292226

01:01:53.362 --> 01:01:55.450 advocating for our field is a senchal,
NOTE Confidence: 0.8292226

01:01:55.450 --> 01:01:57.802 and that's the only way that our our
NOTE Confidence: 0.8292226

01:01:57.802 --> 01:01:59.661 providers are going to be able to
NOTE Confidence: 0.8292226

01:01:59.661 --> 01:02:01.580 put an oxygen mask on themselves.
NOTE Confidence: 0.8292226

01:02:01.580 --> 01:02:03.040 You know, these are all.
NOTE Confidence: 0.8292226

01:02:03.040 --> 01:02:05.084 It's all fine and dandy to make
NOTE Confidence: 0.8292226

01:02:05.084 --> 01:02:05.668 these recommendations,
NOTE Confidence: 0.8292226

01:02:05.670 --> 01:02:07.399 but if you don't have the funding
NOTE Confidence: 0.8292226

01:02:07.399 --> 01:02:09.072 available or you don't have the
NOTE Confidence: 0.8292226

01:02:09.072 --> 01:02:10.532 additional staff available or you
NOTE Confidence: 0.8292226

01:02:10.532 --> 01:02:12.488 don't have a hotspot available if
NOTE Confidence: 0.8292226

01:02:12.488 --> 01:02:14.138 you're not addressing digital divide,
NOTE Confidence: 0.8292226

01:02:14.140 --> 01:02:15.600 then, then what's the point?

NOTE Confidence: 0.8292226

01:02:15.600 --> 01:02:17.235 So actually hearing what the

NOTE Confidence: 0.8292226

01:02:17.235 --> 01:02:18.870 providers needs and then advocating

NOTE Confidence: 0.8292226

01:02:18.924 --> 01:02:20.555 for them to get their needs met.

NOTE Confidence: 0.87459624

01:02:22.160 --> 01:02:23.888 Yeah, thank you. Yeah yeah absolutely.

NOTE Confidence: 0.87459624

01:02:23.890 --> 01:02:26.455 And I know that education is such a huge

NOTE Confidence: 0.87459624

01:02:26.455 --> 01:02:29.034 part of your work that you do and and and

NOTE Confidence: 0.87459624

01:02:29.034 --> 01:02:31.696 we certainly support that in all we can.

NOTE Confidence: 0.87459624

01:02:31.700 --> 01:02:33.737 And please always reach out to our

NOTE Confidence: 0.87459624

01:02:33.737 --> 01:02:35.694 US as partners to support that work

NOTE Confidence: 0.87459624

01:02:35.694 --> 01:02:37.916 is yes we have to make sure that

NOTE Confidence: 0.87459624

01:02:37.916 --> 01:02:39.788 our teachers are taking care of.

NOTE Confidence: 0.87459624

01:02:39.790 --> 01:02:42.346 We have to make sure that they're they're in

NOTE Confidence: 0.87459624

01:02:42.346 --> 01:02:45.280 a safe spot in order to provide for the kids.

NOTE Confidence: 0.87459624

01:02:45.280 --> 01:02:46.732 But I love that conversation.

NOTE Confidence: 0.87459624

01:02:46.732 --> 01:02:48.769 Tracy, let me ask you a question

NOTE Confidence: 0.87459624

01:02:48.769 --> 01:02:50.188 that from our chat box.
NOTE Confidence: 0.87459624

01:02:50.190 --> 01:02:52.308 What do you feel will be?
NOTE Confidence: 0.87459624

01:02:52.310 --> 01:02:53.808 We know that their social, emotional
NOTE Confidence: 0.87459624

01:02:53.808 --> 01:02:55.544 impacts you know what level of worry,
NOTE Confidence: 0.87459624

01:02:55.550 --> 01:02:57.286 and I think a lot of what?
NOTE Confidence: 0.87459624

01:02:57.290 --> 01:02:58.766 What Heather and Walter addressed there
NOTE Confidence: 0.87459624

01:02:58.766 --> 01:03:00.528 with with OK take confidence in it,
NOTE Confidence: 0.87459624

01:03:00.530 --> 01:03:02.168 but what are your worries as a
NOTE Confidence: 0.87459624

01:03:02.168 --> 01:03:03.520 as a mental health problem?
NOTE Confidence: 0.8610655

01:03:07.150 --> 01:03:08.918 I hope it's sooner than later about the
NOTE Confidence: 0.8610655

01:03:08.918 --> 01:03:10.589 long term effects on these students.
NOTE Confidence: 0.8610655

01:03:10.590 --> 01:03:11.730 What can we expect kindergarten
NOTE Confidence: 0.8610655

01:03:11.730 --> 01:03:13.300 to look like for these students?
NOTE Confidence: 0.8422224

01:03:14.920 --> 01:03:17.026 Yeah, I think that that's definitely
NOTE Confidence: 0.8422224

01:03:17.026 --> 01:03:19.672 a big concern is as all the like
NOTE Confidence: 0.8422224

01:03:19.672 --> 01:03:21.802 when I was talking about all of

NOTE Confidence: 0.8422224

01:03:21.802 --> 01:03:23.668 the skills that we usually teach

NOTE Confidence: 0.8422224

01:03:23.668 --> 01:03:25.600 in terms of the social, emotional.

NOTE Confidence: 0.8422224

01:03:25.600 --> 01:03:28.586 If they're they're not able to get some of

NOTE Confidence: 0.8422224

01:03:28.586 --> 01:03:30.742 those things and are really affected by,

NOTE Confidence: 0.8422224

01:03:30.750 --> 01:03:33.326 you know, the the the adults around them.

NOTE Confidence: 0.8422224

01:03:33.330 --> 01:03:35.818 Going back to Walter said when I was

NOTE Confidence: 0.8422224

01:03:35.818 --> 01:03:37.849 reaching out to all these centers,

NOTE Confidence: 0.8422224

01:03:37.850 --> 01:03:39.964 that was one of the biggest themes

NOTE Confidence: 0.8422224

01:03:39.964 --> 01:03:42.272 that they were talking about in terms

NOTE Confidence: 0.8422224

01:03:42.272 --> 01:03:44.710 of what Walton had were talking about.

NOTE Confidence: 0.8422224

01:03:44.710 --> 01:03:46.642 That these children are resilient that

NOTE Confidence: 0.8422224

01:03:46.642 --> 01:03:49.128 they do what they're supposed to do there,

NOTE Confidence: 0.8422224

01:03:49.130 --> 01:03:50.087 wearing their masses.

NOTE Confidence: 0.8422224

01:03:50.087 --> 01:03:51.682 That's us adults around them

NOTE Confidence: 0.8422224

01:03:51.682 --> 01:03:53.239 that are having you know,

NOTE Confidence: 0.8422224

01:03:53.240 --> 01:03:55.136 you know so much stress and
NOTE Confidence: 0.8422224

01:03:55.136 --> 01:03:56.084 issues around everything,
NOTE Confidence: 0.8422224

01:03:56.090 --> 01:03:57.665 and that is eventually going
NOTE Confidence: 0.8422224

01:03:57.665 --> 01:03:58.925 to affect these children.
NOTE Confidence: 0.8422224

01:03:58.930 --> 01:04:00.615 But wouldn't they initially notice
NOTE Confidence: 0.8422224

01:04:00.615 --> 01:04:02.631 was that they were really having
NOTE Confidence: 0.8422224

01:04:02.631 --> 01:04:04.564 no no problem with it, it was.
NOTE Confidence: 0.8422224

01:04:04.564 --> 01:04:06.286 It was our reactions as adults
NOTE Confidence: 0.8422224

01:04:06.286 --> 01:04:08.088 that was that was different,
NOTE Confidence: 0.8422224

01:04:08.090 --> 01:04:10.148 but in terms of the mental health
NOTE Confidence: 0.8422224

01:04:10.148 --> 01:04:11.978 needs of children and being ready
NOTE Confidence: 0.8422224

01:04:11.978 --> 01:04:14.036 to go into kindergarten and all the
NOTE Confidence: 0.8422224

01:04:14.103 --> 01:04:16.298 transitions that they've been through.
NOTE Confidence: 0.8422224

01:04:16.300 --> 01:04:19.037 That's that is a big worry because.
NOTE Confidence: 0.8422224

01:04:19.040 --> 01:04:21.392 There's just so much going on for
NOTE Confidence: 0.8422224

01:04:21.392 --> 01:04:23.658 them right now in these centers,

NOTE Confidence: 0.8422224

01:04:23.660 --> 01:04:25.430 with against teachers changing teachers,

NOTE Confidence: 0.8422224

01:04:25.430 --> 01:04:26.342 being out sick,

NOTE Confidence: 0.8422224

01:04:26.342 --> 01:04:28.470 they have to go home and and

NOTE Confidence: 0.8422224

01:04:28.545 --> 01:04:30.760 isolate if they've been exposed.

NOTE Confidence: 0.8422224

01:04:30.760 --> 01:04:32.710 Even um.

NOTE Confidence: 0.8422224

01:04:32.710 --> 01:04:34.396 Things like parents drop off outside

NOTE Confidence: 0.8422224

01:04:34.396 --> 01:04:36.140 so that connection with the teacher.

NOTE Confidence: 0.8422224

01:04:36.140 --> 01:04:37.940 Alot of centers are having parents

NOTE Confidence: 0.8422224

01:04:37.940 --> 01:04:40.224 drop off outside and pick up kind of

NOTE Confidence: 0.8422224

01:04:40.224 --> 01:04:42.113 in an outdoor situation so they don't

NOTE Confidence: 0.8422224

01:04:42.113 --> 01:04:44.425 always get to kind of connect with the

NOTE Confidence: 0.8422224

01:04:44.425 --> 01:04:45.860 teachers and build that relationship.

NOTE Confidence: 0.8422224

01:04:45.860 --> 01:04:46.715 All of that.

NOTE Confidence: 0.8422224

01:04:46.720 --> 01:04:48.504 I think that plays a big part in

NOTE Confidence: 0.8422224

01:04:48.504 --> 01:04:50.058 two to everything that's going

NOTE Confidence: 0.8422224

01:04:50.058 --> 01:04:52.152 on with these children as well.

NOTE Confidence: 0.8422224

01:04:52.160 --> 01:04:53.864 If the parents don't feel less

NOTE Confidence: 0.8422224

01:04:53.864 --> 01:04:55.601 connected to their teachers and and

NOTE Confidence: 0.8422224

01:04:55.601 --> 01:04:57.245 vice versa if the teachers don't

NOTE Confidence: 0.8422224

01:04:57.245 --> 01:04:59.003 feels connected to the parents and

NOTE Confidence: 0.8422224

01:04:59.003 --> 01:05:00.448 able to communicate everything with

NOTE Confidence: 0.8422224

01:05:00.448 --> 01:05:02.250 them in terms of their particular

NOTE Confidence: 0.8422224

01:05:02.250 --> 01:05:03.458 child in the classroom.

NOTE Confidence: 0.8422224

01:05:03.460 --> 01:05:03.807 Uh,

NOTE Confidence: 0.8422224

01:05:03.807 --> 01:05:05.889 concerns how things are going those

NOTE Confidence: 0.8422224

01:05:05.889 --> 01:05:07.669 those those everyday interactions usually

NOTE Confidence: 0.8422224

01:05:07.669 --> 01:05:10.357 happen during a drop off and pick up,

NOTE Confidence: 0.8422224

01:05:10.360 --> 01:05:12.859 and that's that's a huge thing that

NOTE Confidence: 0.8422224

01:05:12.859 --> 01:05:15.190 they're missing right now and just again,

NOTE Confidence: 0.8422224

01:05:15.190 --> 01:05:17.605 just the skills around all you know,

NOTE Confidence: 0.8422224

01:05:17.610 --> 01:05:19.696 the social interaction went when we think

NOTE Confidence: 0.8422224

01:05:19.696 --> 01:05:22.090 of sending our children into kindergarten.

NOTE Confidence: 0.8422224

01:05:22.090 --> 01:05:23.044 The you know,

NOTE Confidence: 0.8422224

01:05:23.044 --> 01:05:24.634 those teachers want these children

NOTE Confidence: 0.8422224

01:05:24.634 --> 01:05:27.159 to be able to regulate their emotions

NOTE Confidence: 0.8422224

01:05:27.159 --> 01:05:28.984 and interact with one another.

NOTE Confidence: 0.8422224

01:05:28.990 --> 01:05:31.671 And all of those social emotional pieces

NOTE Confidence: 0.8422224

01:05:31.671 --> 01:05:34.528 that it might be difficult to really.

NOTE Confidence: 0.8422224

01:05:34.530 --> 01:05:34.823 Really,

NOTE Confidence: 0.8422224

01:05:34.823 --> 01:05:36.288 teaching and dive into right

NOTE Confidence: 0.8422224

01:05:36.288 --> 01:05:38.133 now with the focus being being

NOTE Confidence: 0.8422224

01:05:38.133 --> 01:05:39.658 so many other places around.

NOTE Confidence: 0.8422224

01:05:39.660 --> 01:05:41.700 You know how often do I have to

NOTE Confidence: 0.8422224

01:05:41.700 --> 01:05:43.290 clean these different things?

NOTE Confidence: 0.8422224

01:05:43.290 --> 01:05:44.378 And again, the mass,

NOTE Confidence: 0.8422224

01:05:44.378 --> 01:05:46.370 but I think again vector back to

NOTE Confidence: 0.8422224

01:05:46.370 --> 01:05:48.194 Walter said it's so important to
NOTE Confidence: 0.8422224

01:05:48.194 --> 01:05:49.930 do that broadcasting and narrating,
NOTE Confidence: 0.8422224

01:05:49.930 --> 01:05:51.736 especially for for the toddler age,
NOTE Confidence: 0.8422224

01:05:51.740 --> 01:05:53.558 is just constantly because we can't
NOTE Confidence: 0.8422224

01:05:53.558 --> 01:05:55.369 see our facial expression other than,
NOTE Confidence: 0.8422224

01:05:55.370 --> 01:05:55.974 you know,
NOTE Confidence: 0.8422224

01:05:55.974 --> 01:05:57.786 we talk about happy eyes and
NOTE Confidence: 0.8422224

01:05:57.786 --> 01:05:58.390 things like
NOTE Confidence: 0.82078105

01:05:58.452 --> 01:05:59.600 that or stern eyes.
NOTE Confidence: 0.82078105

01:05:59.600 --> 01:06:01.110 But you know, narrating what
NOTE Confidence: 0.82078105

01:06:01.110 --> 01:06:02.620 they're doing throughout the day,
NOTE Confidence: 0.82078105

01:06:02.620 --> 01:06:04.180 every single thought that they
NOTE Confidence: 0.82078105

01:06:04.180 --> 01:06:05.740 have and the importance of.
NOTE Confidence: 0.82078105

01:06:05.740 --> 01:06:07.924 You know these these these tiny children
NOTE Confidence: 0.82078105

01:06:07.924 --> 01:06:09.898 being able to hear all of that,
NOTE Confidence: 0.82078105

01:06:09.900 --> 01:06:11.012 but yes, that's that.

NOTE Confidence: 0.82078105

01:06:11.012 --> 01:06:13.170 That's definitely a worry in a concern,

NOTE Confidence: 0.82078105

01:06:13.170 --> 01:06:15.116 and we're we're again trying to to

NOTE Confidence: 0.82078105

01:06:15.116 --> 01:06:17.125 put those things out there in our

NOTE Confidence: 0.82078105

01:06:17.125 --> 01:06:18.793 in our support visits and meetings

NOTE Confidence: 0.82078105

01:06:18.856 --> 01:06:20.496 with these with these teachers

NOTE Confidence: 0.82078105

01:06:20.496 --> 01:06:22.072 and directors and 50 importance

NOTE Confidence: 0.82078105

01:06:22.072 --> 01:06:24.610 of of still trying to focus on the

NOTE Confidence: 0.82078105

01:06:24.610 --> 01:06:26.537 social emotional pieces as much as

NOTE Confidence: 0.82078105

01:06:26.537 --> 01:06:28.349 possible and get the children to

NOTE Confidence: 0.82078105

01:06:28.349 --> 01:06:29.998 practice these skills even if they

NOTE Confidence: 0.82078105

01:06:29.998 --> 01:06:32.171 have to kind of be in their own

NOTE Confidence: 0.82078105

01:06:32.171 --> 01:06:33.953 space to practice and read again.

NOTE Confidence: 0.82078105

01:06:33.960 --> 01:06:35.564 Reading reading stories about

NOTE Confidence: 0.82078105

01:06:35.564 --> 01:06:36.767 self regulation techniques.

NOTE Confidence: 0.82078105

01:06:36.770 --> 01:06:38.276 How to calm our bodies down.

NOTE Confidence: 0.82078105

01:06:38.280 --> 01:06:39.894 How to slower engines down being
NOTE Confidence: 0.82078105

01:06:39.894 --> 01:06:41.706 able to take some space in the
NOTE Confidence: 0.82078105

01:06:41.706 --> 01:06:43.068 in over in the cozy area?
NOTE Confidence: 0.82078105

01:06:43.070 --> 01:06:44.750 Or maybe maybe a solution to that
NOTE Confidence: 0.82078105

01:06:44.750 --> 01:06:46.543 is is building each child their own
NOTE Confidence: 0.82078105

01:06:46.543 --> 01:06:48.377 little cozy box where they can bring
NOTE Confidence: 0.82078105

01:06:48.377 --> 01:06:50.127 that box and it's their own items?
NOTE Confidence: 0.82078105

01:06:50.130 --> 01:06:51.792 Maybe some items from home that
NOTE Confidence: 0.82078105

01:06:51.792 --> 01:06:53.978 they can bring to a spot in and
NOTE Confidence: 0.82078105

01:06:53.978 --> 01:06:55.502 kind of talk about feelings and
NOTE Confidence: 0.82078105

01:06:55.567 --> 01:06:57.379 being able to self regulate and.
NOTE Confidence: 0.82078105

01:06:57.380 --> 01:06:58.400 And you know,
NOTE Confidence: 0.82078105

01:06:58.400 --> 01:06:59.760 having cooperative activities where
NOTE Confidence: 0.82078105

01:06:59.760 --> 01:07:01.380 maybe we're taking turns doing
NOTE Confidence: 0.82078105

01:07:01.380 --> 01:07:03.305 something in a Safeway and trying to
NOTE Confidence: 0.82078105

01:07:03.305 --> 01:07:05.278 figure out how to be be mindful of that,

NOTE Confidence: 0.82078105

01:07:05.280 --> 01:07:07.583 and be creative and and continue to

NOTE Confidence: 0.82078105

01:07:07.583 --> 01:07:09.847 build those skills as much as possible.

NOTE Confidence: 0.82078105

01:07:09.850 --> 01:07:10.570 My love back.

NOTE Confidence: 0.8632935

01:07:11.950 --> 01:07:13.980 Apple sentence is in there because I'm.

NOTE Confidence: 0.8632935

01:07:13.980 --> 01:07:15.720 I'm so glad that Tracy mentioned,

NOTE Confidence: 0.8632935

01:07:15.720 --> 01:07:18.040 you know the issue of teachers getting sick.

NOTE Confidence: 0.8632935

01:07:18.040 --> 01:07:21.080 You know when we were.

NOTE Confidence: 0.8632935

01:07:21.080 --> 01:07:23.736 Checking the survey that we that we did,

NOTE Confidence: 0.8632935

01:07:23.740 --> 01:07:25.255 77% of the teachers reported

NOTE Confidence: 0.8632935

01:07:25.255 --> 01:07:27.208 on the 57 thousand child care

NOTE Confidence: 0.8632935

01:07:27.208 --> 01:07:28.716 providers across the nation,

NOTE Confidence: 0.8632935

01:07:28.720 --> 01:07:31.142 77% reported that they were worried or

NOTE Confidence: 0.8632935

01:07:31.142 --> 01:07:33.358 very worried that they make it sick.

NOTE Confidence: 0.8632935

01:07:33.360 --> 01:07:35.691 74% worried or very worried that they

NOTE Confidence: 0.8632935

01:07:35.691 --> 01:07:37.806 may bring sickness home to a family

NOTE Confidence: 0.8632935

01:07:37.806 --> 01:07:40.245 member that they get in the course of
NOTE Confidence: 0.8632935

01:07:40.245 --> 01:07:42.657 providing childcare and the largest percent.
NOTE Confidence: 0.8632935

01:07:42.660 --> 01:07:44.375 79% worried that they themselves
NOTE Confidence: 0.8632935

01:07:44.375 --> 01:07:46.700 might get the children sick and so
NOTE Confidence: 0.8632935

01:07:46.700 --> 01:07:48.618 the amount of worry that these child
NOTE Confidence: 0.8632935

01:07:48.618 --> 01:07:50.421 care providers carry is significant
NOTE Confidence: 0.8632935

01:07:50.421 --> 01:07:52.967 and from a policy standpoint from the
NOTE Confidence: 0.8632935

01:07:52.967 --> 01:07:54.355 advocating standpoint that Doctor
NOTE Confidence: 0.8632935

01:07:54.355 --> 01:07:56.090 Harris was talking about before.
NOTE Confidence: 0.8632935

01:07:56.090 --> 01:07:57.660 Here's some things to advocate
NOTE Confidence: 0.8632935

01:07:57.660 --> 01:07:59.230 for for child care providers.
NOTE Confidence: 0.8632935

01:07:59.230 --> 01:08:01.746 Sick pain so that child care providers who
NOTE Confidence: 0.8632935

01:08:01.746 --> 01:08:03.630 are hourly workers primarily not salaried.
NOTE Confidence: 0.8632935

01:08:03.630 --> 01:08:05.990 Workers don't have to be put in a
NOTE Confidence: 0.8632935

01:08:05.990 --> 01:08:07.480 Sophie's choice of deciding whether
NOTE Confidence: 0.8632935

01:08:07.480 --> 01:08:09.843 or not to go to child care program

NOTE Confidence: 0.8632935

01:08:09.843 --> 01:08:11.623 and potentially bring sickness with

NOTE Confidence: 0.8632935

01:08:11.623 --> 01:08:14.530 them or stay at home and not get paid

NOTE Confidence: 0.8632935

01:08:14.530 --> 01:08:16.381 and not have the money necessary

NOTE Confidence: 0.8632935

01:08:16.381 --> 01:08:18.749 for them to be able to put food

NOTE Confidence: 0.8632935

01:08:18.749 --> 01:08:21.207 on the table for their own family.

NOTE Confidence: 0.8632935

01:08:21.210 --> 01:08:22.780 Or how about this one?

NOTE Confidence: 0.8632935

01:08:22.780 --> 01:08:23.722 Vaccination prioritization for

NOTE Confidence: 0.8632935

01:08:23.722 --> 01:08:24.978 teachers and childcare providers,

NOTE Confidence: 0.8632935

01:08:24.980 --> 01:08:26.630 especially our teachers and childcare.

NOTE Confidence: 0.8632935

01:08:26.630 --> 01:08:27.656 Providers of color,

NOTE Confidence: 0.8632935

01:08:27.656 --> 01:08:29.024 especially when you're talking

NOTE Confidence: 0.8632935

01:08:29.024 --> 01:08:30.570 about child care programs.

NOTE Confidence: 0.8632935

01:08:30.570 --> 01:08:31.791 Child care programs,

NOTE Confidence: 0.8632935

01:08:31.791 --> 01:08:32.198 especially,

NOTE Confidence: 0.8632935

01:08:32.198 --> 01:08:34.233 are primarily staff were disproportionately

NOTE Confidence: 0.8632935

01:08:34.233 --> 01:08:36.300 staffed by child care providers of color.
NOTE Confidence: 0.8632935

01:08:36.300 --> 01:08:38.610 If we want to protect our children
NOTE Confidence: 0.8632935

01:08:38.610 --> 01:08:41.668 and our child care programs in our schools,
NOTE Confidence: 0.8632935

01:08:41.670 --> 01:08:43.460 that means protecting women overwhelmingly.
NOTE Confidence: 0.8632935

01:08:43.460 --> 01:08:45.250 An especially women of color.
NOTE Confidence: 0.8632935

01:08:45.250 --> 01:08:48.202 The measure of how much of society truly
NOTE Confidence: 0.8632935

01:08:48.202 --> 01:08:51.014 loves and values his babies is how will
NOTE Confidence: 0.8632935

01:08:51.014 --> 01:08:54.200 we take care of those who care for them.
NOTE Confidence: 0.8862373

01:08:56.800 --> 01:08:57.540 Here, here.
NOTE Confidence: 0.84021777

01:08:59.230 --> 01:09:01.598 Yeah, and then I intentionally let that said.
NOTE Confidence: 0.84021777

01:09:01.600 --> 01:09:03.359 I mean, I. Yes yeah, yeah.
NOTE Confidence: 0.84021777

01:09:03.359 --> 01:09:05.870 May we leave today when we leave here in
NOTE Confidence: 0.84021777

01:09:05.931 --> 01:09:07.965 20 minutes and intake that advocacy
NOTE Confidence: 0.84021777

01:09:07.965 --> 01:09:10.478 forward and I want us all as a group.
NOTE Confidence: 0.84021777

01:09:10.480 --> 01:09:12.250 That's what this collaborative is about.
NOTE Confidence: 0.84021777

01:09:12.250 --> 01:09:13.590 It's about bringing professionals

NOTE Confidence: 0.84021777

01:09:13.590 --> 01:09:15.600 together to have the open dialogue

NOTE Confidence: 0.84021777

01:09:15.656 --> 01:09:17.175 about what has to happen to take

NOTE Confidence: 0.84021777

01:09:17.175 --> 01:09:19.194 care of our youngest children and and

NOTE Confidence: 0.84021777

01:09:19.194 --> 01:09:20.839 and think this this collaboration.

NOTE Confidence: 0.84021777

01:09:20.840 --> 01:09:22.024 This conversation right now

NOTE Confidence: 0.84021777

01:09:22.024 --> 01:09:23.800 is is so critical for that.

NOTE Confidence: 0.84021777

01:09:23.800 --> 01:09:26.168 And then then the number of people here.

NOTE Confidence: 0.84021777

01:09:26.170 --> 01:09:28.235 As we said, we have people joining

NOTE Confidence: 0.84021777

01:09:28.235 --> 01:09:29.560 us from from Egypt.

NOTE Confidence: 0.84021777

01:09:29.560 --> 01:09:30.092 Doctor Harris,

NOTE Confidence: 0.84021777

01:09:30.092 --> 01:09:31.688 all somebody from Egypt today and

NOTE Confidence: 0.84021777

01:09:31.688 --> 01:09:33.775 in the knowledge that that's how far

NOTE Confidence: 0.84021777

01:09:33.775 --> 01:09:35.587 reaching this conversation is in in

NOTE Confidence: 0.84021777

01:09:35.587 --> 01:09:36.872 that advocacy for young students

NOTE Confidence: 0.84021777

01:09:36.872 --> 01:09:39.184 and for for not just the funding of

NOTE Confidence: 0.84021777

01:09:39.184 --> 01:09:40.789 the educational programs with the
NOTE Confidence: 0.84021777

01:09:40.789 --> 01:09:42.616 funding of those teachers who are who
NOTE Confidence: 0.84021777

01:09:42.616 --> 01:09:44.849 are there for to make to make it happen.
NOTE Confidence: 0.84021777

01:09:44.850 --> 01:09:45.681 Yeah, I mean,
NOTE Confidence: 0.84021777

01:09:45.681 --> 01:09:47.343 we've we've answered the questions today,
NOTE Confidence: 0.84021777

01:09:47.350 --> 01:09:48.378 and I think it.
NOTE Confidence: 0.84021777

01:09:48.378 --> 01:09:50.230 I think it's so important that we
NOTE Confidence: 0.84021777

01:09:50.230 --> 01:09:52.198 that we recognize as a panel in the
NOTE Confidence: 0.84021777

01:09:52.198 --> 01:09:54.019 group that's come together today,
NOTE Confidence: 0.84021777

01:09:54.020 --> 01:09:55.700 virtually to say that the answers
NOTE Confidence: 0.84021777

01:09:55.700 --> 01:09:57.360 start with our reactions as adults.
NOTE Confidence: 0.84021777

01:09:57.360 --> 01:09:58.472 That's how you've answered,
NOTE Confidence: 0.84021777

01:09:58.472 --> 01:10:00.540 you know, our four questions so far.
NOTE Confidence: 0.84021777

01:10:00.540 --> 01:10:02.364 Is it begins with the reactions
NOTE Confidence: 0.84021777

01:10:02.364 --> 01:10:04.480 of those people that are that are
NOTE Confidence: 0.84021777

01:10:04.480 --> 01:10:06.154 at the front of the classroom?

NOTE Confidence: 0.84021777

01:10:06.160 --> 01:10:07.640 And so I I mean,

NOTE Confidence: 0.84021777

01:10:07.640 --> 01:10:09.565 I just think it's so critical that

NOTE Confidence: 0.84021777

01:10:09.565 --> 01:10:11.526 we continue to leave when we leave

NOTE Confidence: 0.84021777

01:10:11.526 --> 01:10:13.535 in 20 minutes today with the message

NOTE Confidence: 0.84021777

01:10:13.535 --> 01:10:15.521 to everyone who will listen about

NOTE Confidence: 0.84021777

01:10:15.521 --> 01:10:16.816 the importance of that.

NOTE Confidence: 0.84021777

01:10:16.816 --> 01:10:18.888 So, so thank you that that's powerful.

NOTE Confidence: 0.84021777

01:10:18.890 --> 01:10:20.370 That was goosebumps and Ann.

NOTE Confidence: 0.84021777

01:10:20.370 --> 01:10:21.258 And thank you,

NOTE Confidence: 0.84021777

01:10:21.258 --> 01:10:22.738 thank you for that conversation.

NOTE Confidence: 0.84021777

01:10:22.740 --> 01:10:24.504 I I'll transition that right to

NOTE Confidence: 0.84021777

01:10:24.504 --> 01:10:26.607 Heather and her coaching work that she

NOTE Confidence: 0.84021777

01:10:26.607 --> 01:10:28.353 does currently in a virtual setting.

NOTE Confidence: 0.84021777

01:10:28.360 --> 01:10:30.334 So when we talk about the

NOTE Confidence: 0.84021777

01:10:30.334 --> 01:10:31.650 early childhood providers and.

NOTE Confidence: 0.84021777

01:10:31.650 --> 01:10:33.528 And what you're seeing when you're
NOTE Confidence: 0.84021777

01:10:33.528 --> 01:10:34.780 doing coaching sessions inside
NOTE Confidence: 0.84021777

01:10:34.828 --> 01:10:36.340 of classrooms and a lot of times
NOTE Confidence: 0.84021777

01:10:36.340 --> 01:10:37.910 in a virtual setting right now?
NOTE Confidence: 0.84021777

01:10:37.910 --> 01:10:39.070 You know, we ask,
NOTE Confidence: 0.84021777

01:10:39.070 --> 01:10:40.810 try ask Tracy before about what
NOTE Confidence: 0.84021777

01:10:40.874 --> 01:10:42.737 she sees is kind of a a new need
NOTE Confidence: 0.84021777

01:10:42.737 --> 01:10:44.427 in 2020 with the situation.
NOTE Confidence: 0.84021777

01:10:44.430 --> 01:10:46.222 What do you see from a coaching
NOTE Confidence: 0.84021777

01:10:46.222 --> 01:10:47.811 standpoint from from our teachers that
NOTE Confidence: 0.84021777

01:10:47.811 --> 01:10:50.150 they need extra support in in this situation?
NOTE Confidence: 0.84021777

01:10:50.150 --> 01:10:51.230 While coaching these teachers?
NOTE Confidence: 0.8714978

01:10:52.300 --> 01:10:55.068 And you need that popped up for us.
NOTE Confidence: 0.8714978

01:10:55.070 --> 01:10:57.000 Is family engagement facilitating learning
NOTE Confidence: 0.8714978

01:10:57.000 --> 01:11:00.259 in the home and so that was new for us.
NOTE Confidence: 0.8714978

01:11:00.260 --> 01:11:02.684 You know, when it came to me in

NOTE Confidence: 0.8714978

01:11:02.684 --> 01:11:04.378 case management that districts are

NOTE Confidence: 0.8714978

01:11:04.378 --> 01:11:06.765 asking if our coaches could get on

NOTE Confidence: 0.8714978

01:11:06.836 --> 01:11:09.496 a call with the teacher and families

NOTE Confidence: 0.8714978

01:11:09.496 --> 01:11:11.678 to facilitate learning in the home.

NOTE Confidence: 0.8714978

01:11:11.678 --> 01:11:14.100 That was a new one for us.

NOTE Confidence: 0.8714978

01:11:14.100 --> 01:11:16.380 The good thing is that we have a

NOTE Confidence: 0.8714978

01:11:16.380 --> 01:11:18.301 wonderful pool of experts within

NOTE Confidence: 0.8714978

01:11:18.301 --> 01:11:20.451 our organization that specialize in

NOTE Confidence: 0.8714978

01:11:20.451 --> 01:11:22.530 family engagement and so we accessed.

NOTE Confidence: 0.8714978

01:11:22.530 --> 01:11:23.975 Those resources Anne shared them

NOTE Confidence: 0.8714978

01:11:23.975 --> 01:11:26.031 with all of the coaches and shared

NOTE Confidence: 0.8714978

01:11:26.031 --> 01:11:27.693 them with our providers as well,

NOTE Confidence: 0.8714978

01:11:27.700 --> 01:11:29.988 but that was a new one for us.

NOTE Confidence: 0.8714978

01:11:29.990 --> 01:11:31.460 Was coaching the teacher in real

NOTE Confidence: 0.8714978

01:11:31.460 --> 01:11:32.854 time while they were facilitating

NOTE Confidence: 0.8714978

01:11:32.854 --> 01:11:34.298 learning in the classroom.

NOTE Confidence: 0.8576545

01:11:35.040 --> 01:11:36.984 Well, well, yeah. And actually had

NOTE Confidence: 0.8576545

01:11:36.984 --> 01:11:39.125 another question in the chat box and

NOTE Confidence: 0.8576545

01:11:39.125 --> 01:11:41.190 will open this up 'cause it's kind of.

NOTE Confidence: 0.8576545

01:11:41.190 --> 01:11:42.856 It's a tough one and then it

NOTE Confidence: 0.8576545

01:11:42.856 --> 01:11:44.709 says as a former principle,

NOTE Confidence: 0.8576545

01:11:44.710 --> 01:11:46.180 it's something I always openly

NOTE Confidence: 0.8576545

01:11:46.180 --> 01:11:48.262 admit I struggled the most with has

NOTE Confidence: 0.8576545

01:11:48.262 --> 01:11:49.982 in this situation. Have we seen?

NOTE Confidence: 0.8576545

01:11:49.982 --> 01:11:51.746 Can anybody give a really strong

NOTE Confidence: 0.8576545

01:11:51.746 --> 01:11:53.210 example 'cause this question has

NOTE Confidence: 0.8576545

01:11:53.210 --> 01:11:55.260 come up two or three times today?

NOTE Confidence: 0.8576545

01:11:55.260 --> 01:11:56.720 As we've spoken of tangible

NOTE Confidence: 0.8576545

01:11:56.720 --> 01:11:58.518 resources this year that you've said

NOTE Confidence: 0.8576545

01:11:58.518 --> 01:12:00.210 that really work to engage family

NOTE Confidence: 0.8576545

01:12:00.210 --> 01:12:01.702 like that specific thing, man,

NOTE Confidence: 0.8576545

01:12:01.702 --> 01:12:03.800 that that that happened for him, right?

NOTE Confidence: 0.8576545

01:12:03.800 --> 01:12:05.160 Like that got families.

NOTE Confidence: 0.8576545

01:12:05.160 --> 01:12:07.056 Interested in any and again will

NOTE Confidence: 0.8576545

01:12:07.056 --> 01:12:08.929 anyone can start on that one.

NOTE Confidence: 0.8576545

01:12:08.930 --> 01:12:11.162 I'll look to see who on mute first

NOTE Confidence: 0.8576545

01:12:11.162 --> 01:12:13.637 so you don't talk over each other,

NOTE Confidence: 0.8576545

01:12:13.640 --> 01:12:15.542 but where that's really been where

NOTE Confidence: 0.8576545

01:12:15.542 --> 01:12:18.027 that's really been a valuable in a value.

NOTE Confidence: 0.8576545

01:12:18.030 --> 01:12:19.605 Added tangible examples of that

NOTE Confidence: 0.8576545

01:12:19.605 --> 01:12:20.550 are so critical.

NOTE Confidence: 0.88146275

01:12:21.920 --> 01:12:24.720 I'm so happy that you asked that question.

NOTE Confidence: 0.88146275

01:12:24.720 --> 01:12:26.470 Jimmy, 'cause I asked that

NOTE Confidence: 0.88146275

01:12:26.470 --> 01:12:28.220 question two to the coaches.

NOTE Confidence: 0.88146275

01:12:28.220 --> 01:12:30.980 I said what is the one thing that

NOTE Confidence: 0.88146275

01:12:30.980 --> 01:12:32.880 providers really appreciated and they

NOTE Confidence: 0.88146275

01:12:32.880 --> 01:12:35.533 said it was the books for children
NOTE Confidence: 0.88146275

01:12:35.611 --> 01:12:38.091 for them to be able to deliver those
NOTE Confidence: 0.88146275

01:12:38.091 --> 01:12:39.964 books to the home in Scholastic.
NOTE Confidence: 0.88146275

01:12:39.964 --> 01:12:41.519 And I'm not just saying
NOTE Confidence: 0.88146275

01:12:41.519 --> 01:12:43.270 this because we're partners,
NOTE Confidence: 0.88146275

01:12:43.270 --> 01:12:44.870 but Scholastic delivered books,
NOTE Confidence: 0.88146275

01:12:44.870 --> 01:12:47.270 two children's homes and that that
NOTE Confidence: 0.88146275

01:12:47.337 --> 01:12:49.083 was an issue that we've never
NOTE Confidence: 0.88146275

01:12:49.083 --> 01:12:51.403 come across as far as like the
NOTE Confidence: 0.88146275

01:12:51.403 --> 01:12:52.859 logistics of getting supplies.
NOTE Confidence: 0.88146275

01:12:52.860 --> 01:12:54.757 To children's house you know we get
NOTE Confidence: 0.88146275

01:12:54.757 --> 01:12:56.776 them to districts and you know they
NOTE Confidence: 0.88146275

01:12:56.776 --> 01:12:58.211 get distributed to classrooms and
NOTE Confidence: 0.88146275

01:12:58.211 --> 01:13:00.188 then from there they get to children.
NOTE Confidence: 0.88146275

01:13:00.190 --> 01:13:02.326 But when we when we had this funding
NOTE Confidence: 0.88146275

01:13:02.326 --> 01:13:04.385 and I reached out to Michael and

NOTE Confidence: 0.88146275

01:13:04.385 --> 01:13:06.734 Greg and I said hey we have some

NOTE Confidence: 0.88146275

01:13:06.734 --> 01:13:08.645 funding and we want to get you

NOTE Confidence: 0.88146275

01:13:08.650 --> 01:13:10.698 know books in the hands of all the

NOTE Confidence: 0.88146275

01:13:10.698 --> 01:13:12.115 children in California and they

NOTE Confidence: 0.88146275

01:13:12.115 --> 01:13:14.455 said great they put me in touch with

NOTE Confidence: 0.88146275

01:13:14.455 --> 01:13:16.225 the right people and we actually

NOTE Confidence: 0.88146275

01:13:16.225 --> 01:13:17.968 you all shipped books to children

NOTE Confidence: 0.88146275

01:13:17.968 --> 01:13:19.970 in their home and so for children

NOTE Confidence: 0.88146275

01:13:20.036 --> 01:13:21.884 to receive those books and then be

NOTE Confidence: 0.88146275

01:13:21.884 --> 01:13:24.028 able to talk about their books with.

NOTE Confidence: 0.88146275

01:13:24.030 --> 01:13:24.960 With their teacher,

NOTE Confidence: 0.88146275

01:13:24.960 --> 01:13:27.535 that was one of the largest and most

NOTE Confidence: 0.88146275

01:13:27.535 --> 01:13:29.929 grateful things that we could have done.

NOTE Confidence: 0.88146275

01:13:29.930 --> 01:13:30.548 You know,

NOTE Confidence: 0.88146275

01:13:30.548 --> 01:13:33.020 for our families and far children it just

NOTE Confidence: 0.88146275

01:13:33.084 --> 01:13:35.506 really infuse some hapiness in the home.

NOTE Confidence: 0.88146275

01:13:35.510 --> 01:13:37.806 And then I think families felt heard.

NOTE Confidence: 0.88146275

01:13:37.810 --> 01:13:39.766 They felt like they weren't forgotten.

NOTE Confidence: 0.88146275

01:13:39.770 --> 01:13:42.082 You know that we didn't have to survey

NOTE Confidence: 0.88146275

01:13:42.082 --> 01:13:44.368 and say who's the neediest family.

NOTE Confidence: 0.88146275

01:13:44.370 --> 01:13:46.561 Just it was everyone received a book

NOTE Confidence: 0.88146275

01:13:46.561 --> 01:13:48.630 and everyone can benefit from that.

NOTE Confidence: 0.8045804

01:13:50.660 --> 01:13:52.104 Wow, thank you. Yeah,

NOTE Confidence: 0.8045804

01:13:52.104 --> 01:13:53.909 yeah that that's that's beautiful.

NOTE Confidence: 0.8045804

01:13:53.910 --> 01:13:55.322 Thank you. Tracy Walter,

NOTE Confidence: 0.8045804

01:13:55.322 --> 01:13:57.087 any any piece that Excel

NOTE Confidence: 0.8045804

01:13:57.087 --> 01:13:58.600 Tracy you nodding their

NOTE Confidence: 0.8045804

01:13:58.600 --> 01:14:00.410 go ahead? Yes, I agree.

NOTE Confidence: 0.8045804

01:14:00.410 --> 01:14:02.755 We with our service we meet with

NOTE Confidence: 0.8045804

01:14:02.755 --> 01:14:04.740 the parents and the teachers.

NOTE Confidence: 0.8045804

01:14:04.740 --> 01:14:06.906 Virtually right now we put together

NOTE Confidence: 0.8045804

01:14:06.906 --> 01:14:08.350 action plans with strategy,

NOTE Confidence: 0.8045804

01:14:08.350 --> 01:14:10.702 goals and strategies around the particular

NOTE Confidence: 0.8045804

01:14:10.702 --> 01:14:13.758 child or the again the center as a whole.

NOTE Confidence: 0.8045804

01:14:13.760 --> 01:14:15.570 But with the parents involved.

NOTE Confidence: 0.8045804

01:14:15.570 --> 01:14:18.251 Part of that action plan is really

NOTE Confidence: 0.8045804

01:14:18.251 --> 01:14:20.270 bringing bringing everybody together and.

NOTE Confidence: 0.8045804

01:14:20.270 --> 01:14:22.210 Putting together some very specific

NOTE Confidence: 0.8045804

01:14:22.210 --> 01:14:24.150 strategies with resources that the

NOTE Confidence: 0.8045804

01:14:24.211 --> 01:14:26.203 parents can use at home with the child

NOTE Confidence: 0.8045804

01:14:26.203 --> 01:14:28.427 in the teachers can use in the child

NOTE Confidence: 0.8045804

01:14:28.427 --> 01:14:30.383 care facility in the classroom with the

NOTE Confidence: 0.8045804

01:14:30.383 --> 01:14:33.087 child and the goal of that is so that

NOTE Confidence: 0.8045804

01:14:33.087 --> 01:14:35.121 we find some responses to behaviors

NOTE Confidence: 0.8045804

01:14:35.121 --> 01:14:37.270 and strategies that work for the child,

NOTE Confidence: 0.8045804

01:14:37.270 --> 01:14:38.098 and they will.

NOTE Confidence: 0.8045804

01:14:38.098 --> 01:14:40.030 The child will see them in both
NOTE Confidence: 0.8045804

01:14:40.090 --> 01:14:41.590 places so the teachers know
NOTE Confidence: 0.8045804

01:14:41.590 --> 01:14:43.750 what's going on in the classroom,
NOTE Confidence: 0.8045804

01:14:43.750 --> 01:14:45.864 an invoice and an parents know what's
NOTE Confidence: 0.8045804

01:14:45.864 --> 01:14:48.101 going on as well, so vice versa,
NOTE Confidence: 0.8045804

01:14:48.101 --> 01:14:50.320 they both use the same exact strategies.
NOTE Confidence: 0.8045804

01:14:50.320 --> 01:14:51.500 In the same resources,
NOTE Confidence: 0.8045804

01:14:51.500 --> 01:14:54.179 so part of it part of that action
NOTE Confidence: 0.8045804

01:14:54.179 --> 01:14:56.031 plan meeting, I email out.
NOTE Confidence: 0.8045804

01:14:56.031 --> 01:14:57.379 Now that we're virtual,
NOTE Confidence: 0.8045804

01:14:57.380 --> 01:14:59.060 usually in person, I'll be,
NOTE Confidence: 0.8045804

01:14:59.060 --> 01:14:59.690 you know,
NOTE Confidence: 0.8045804

01:14:59.690 --> 01:15:01.580 I laminate and give them these
NOTE Confidence: 0.8045804

01:15:01.580 --> 01:15:02.630 printable printable social
NOTE Confidence: 0.8045804

01:15:02.630 --> 01:15:04.425 stories and visuals with feelings,
NOTE Confidence: 0.8045804

01:15:04.430 --> 01:15:04.749 visuals,

NOTE Confidence: 0.8045804

01:15:04.749 --> 01:15:06.663 any anything visual an things at

NOTE Confidence: 0.8045804

01:15:06.663 --> 01:15:08.874 tangible that they can read an look

NOTE Confidence: 0.8045804

01:15:08.874 --> 01:15:10.364 at when they're teaching children

NOTE Confidence: 0.8045804

01:15:10.364 --> 01:15:12.158 these self regulation techniques.

NOTE Confidence: 0.8045804

01:15:12.160 --> 01:15:14.616 Or and I can use my words book

NOTE Confidence: 0.8045804

01:15:14.616 --> 01:15:16.858 I can be a super friend,

NOTE Confidence: 0.8045804

01:15:16.860 --> 01:15:18.876 all different kinds of printable resources,

NOTE Confidence: 0.8045804

01:15:18.880 --> 01:15:20.176 social stories that the.

NOTE Confidence: 0.8045804

01:15:20.176 --> 01:15:22.120 Children can see in both places,

NOTE Confidence: 0.8045804

01:15:22.120 --> 01:15:24.360 both at the home and at the school.

NOTE Confidence: 0.8045804

01:15:24.360 --> 01:15:25.810 So it really brings everyone

NOTE Confidence: 0.8045804

01:15:25.810 --> 01:15:27.260 together and giving them actual

NOTE Confidence: 0.8045804

01:15:27.317 --> 01:15:28.817 things that they can print out.

NOTE Confidence: 0.8045804

01:15:28.820 --> 01:15:29.318 Hang up.

NOTE Confidence: 0.8045804

01:15:29.318 --> 01:15:31.061 I had an I found really through

NOTE Confidence: 0.8045804

01:15:31.061 --> 01:15:32.695 through our services now through
NOTE Confidence: 0.8045804

01:15:32.695 --> 01:15:34.355 this Tele consultation that parents
NOTE Confidence: 0.8045804

01:15:34.355 --> 01:15:36.211 are very engaged in the service and
NOTE Confidence: 0.8045804

01:15:36.211 --> 01:15:37.934 I'm not sure if it's working from
NOTE Confidence: 0.8045804

01:15:37.934 --> 01:15:39.670 home or kind of giving them the
NOTE Confidence: 0.8045804

01:15:39.724 --> 01:15:41.650 opportunity to print these things out.
NOTE Confidence: 0.8045804

01:15:41.650 --> 01:15:42.436 But you know,
NOTE Confidence: 0.8045804

01:15:42.436 --> 01:15:44.008 I have one family that took
NOTE Confidence: 0.8045804

01:15:44.008 --> 01:15:45.279 their child to Staples.
NOTE Confidence: 0.8045804

01:15:45.280 --> 01:15:47.782 They printed out all of the resources that I,
NOTE Confidence: 0.8045804

01:15:47.790 --> 01:15:48.346 you know,
NOTE Confidence: 0.8045804

01:15:48.346 --> 01:15:50.292 the social stories things I sent them.
NOTE Confidence: 0.8045804

01:15:50.300 --> 01:15:51.580 They got them laminated and
NOTE Confidence: 0.8045804

01:15:51.580 --> 01:15:53.440 they did it as an activity.
NOTE Confidence: 0.8045804

01:15:53.440 --> 01:15:54.904 With their child so they could
NOTE Confidence: 0.8045804

01:15:54.904 --> 01:15:56.375 continue using that home and and

NOTE Confidence: 0.8045804

01:15:56.375 --> 01:15:57.707 I encourage teachers to kind of,

NOTE Confidence: 0.8045804

01:15:57.710 --> 01:15:58.100 you know,

NOTE Confidence: 0.8045804

01:15:58.100 --> 01:15:59.660 do the same like make make it an

NOTE Confidence: 0.8045804

01:15:59.708 --> 01:16:01.008 activity for that particular child

NOTE Confidence: 0.8045804

01:16:01.008 --> 01:16:03.095 where he get where he or she gets

NOTE Confidence: 0.8045804

01:16:03.095 --> 01:16:04.571 to teach the class about these

NOTE Confidence: 0.8045804

01:16:04.571 --> 01:16:05.768 techniques and just trying to

NOTE Confidence: 0.8045804

01:16:05.768 --> 01:16:07.190 really bring it all back together.

NOTE Confidence: 0.8045804

01:16:07.190 --> 01:16:08.814 But I have found that parents have

NOTE Confidence: 0.8045804

01:16:08.814 --> 01:16:10.246 been very engaged in the service

NOTE Confidence: 0.8045804

01:16:10.246 --> 01:16:11.842 and they kind of they get everything

NOTE Confidence: 0.8045804

01:16:11.889 --> 01:16:13.590 printed and they start him right away.

NOTE Confidence: 0.8045804

01:16:13.590 --> 01:16:14.229 And you know,

NOTE Confidence: 0.8045804

01:16:14.229 --> 01:16:16.030 I meet him the next week for the

NOTE Confidence: 0.8045804

01:16:16.030 --> 01:16:17.843 support visit and they're like Oh no,

NOTE Confidence: 0.8045804

01:16:17.850 --> 01:16:19.341 I haven't done this one thing and
NOTE Confidence: 0.8045804

01:16:19.341 --> 01:16:21.169 I'm like it's amazing you've done this,
NOTE Confidence: 0.8045804

01:16:21.170 --> 01:16:22.382 this and this already.
NOTE Confidence: 0.8045804

01:16:22.382 --> 01:16:23.594 I can't believe it.
NOTE Confidence: 0.8045804

01:16:23.600 --> 01:16:24.564 So it is interest.
NOTE Confidence: 0.8045804

01:16:24.564 --> 01:16:26.487 I have seen a lot of engagement
NOTE Confidence: 0.8045804

01:16:26.487 --> 01:16:28.111 through just making that
NOTE Confidence: 0.8045804

01:16:28.111 --> 01:16:29.735 connection and give it,
NOTE Confidence: 0.8161641

01:16:29.740 --> 01:16:31.680 giving them those actual resources, tangible
NOTE Confidence: 0.8161641

01:16:31.680 --> 01:16:32.643 resource. That's that's.
NOTE Confidence: 0.8161641

01:16:32.643 --> 01:16:33.606 That's really that.
NOTE Confidence: 0.8161641

01:16:33.610 --> 01:16:35.548 Yeah, that's fascinating. Both of you.
NOTE Confidence: 0.8161641

01:16:35.550 --> 01:16:37.488 The tangible resource means a lot.
NOTE Confidence: 0.8161641

01:16:37.490 --> 01:16:38.456 Like you know,
NOTE Confidence: 0.8161641

01:16:38.456 --> 01:16:40.066 the conversation is always huge,
NOTE Confidence: 0.8161641

01:16:40.070 --> 01:16:41.710 but the tangible resource just

NOTE Confidence: 0.8161641

01:16:41.710 --> 01:16:44.039 to serve as a reminder to your

NOTE Confidence: 0.8161641

01:16:44.039 --> 01:16:46.209 families is what I'm hearing you say,

NOTE Confidence: 0.8161641

01:16:46.210 --> 01:16:48.148 is is so valuable that to

NOTE Confidence: 0.8161641

01:16:48.148 --> 01:16:49.440 do those social stories?

NOTE Confidence: 0.8161641

01:16:49.440 --> 01:16:50.728 Yeah, yeah, that's that's,

NOTE Confidence: 0.8161641

01:16:50.728 --> 01:16:51.694 that's that's excellent.

NOTE Confidence: 0.8161641

01:16:51.700 --> 01:16:54.129 Walter I'm going to I'm going to.

NOTE Confidence: 0.8161641

01:16:54.130 --> 01:16:57.628 Start with you here and um.

NOTE Confidence: 0.8161641

01:16:57.630 --> 01:17:00.030 Ask in terms of as you've worked with,

NOTE Confidence: 0.8161641

01:17:00.030 --> 01:17:02.242 you know your your work and childcare

NOTE Confidence: 0.8161641

01:17:02.242 --> 01:17:04.228 providers in this part of the year.

NOTE Confidence: 0.8161641

01:17:04.230 --> 01:17:05.730 In an early childhood setting,

NOTE Confidence: 0.8161641

01:17:05.730 --> 01:17:07.830 this is usually where we're getting into.

NOTE Confidence: 0.8161641

01:17:07.830 --> 01:17:09.030 We're getting into the,

NOTE Confidence: 0.8161641

01:17:09.030 --> 01:17:09.630 you know,

NOTE Confidence: 0.8161641

01:17:09.630 --> 01:17:11.891 more of the skill development we've we've
NOTE Confidence: 0.8161641

01:17:11.891 --> 01:17:14.130 spent the first part of the year developing,
NOTE Confidence: 0.8161641

01:17:14.130 --> 01:17:14.730 you know,
NOTE Confidence: 0.8161641

01:17:14.730 --> 01:17:16.280 the social emotional skills and
NOTE Confidence: 0.8161641

01:17:16.280 --> 01:17:18.330 hopefully we can start getting into the,
NOTE Confidence: 0.8161641

01:17:18.330 --> 01:17:19.070 you know,
NOTE Confidence: 0.8161641

01:17:19.070 --> 01:17:21.660 the the letter recognition and those very
NOTE Confidence: 0.8161641

01:17:21.660 --> 01:17:24.237 early early concepts of reading skills.
NOTE Confidence: 0.8161641

01:17:24.240 --> 01:17:26.058 Is there adjustment to be made,
NOTE Confidence: 0.8161641

01:17:26.060 --> 01:17:27.992 or should we expect an adjustment
NOTE Confidence: 0.8161641

01:17:27.992 --> 01:17:30.257 in terms of that this year and
NOTE Confidence: 0.8161641

01:17:30.257 --> 01:17:32.378 will trust I'll start with you to
NOTE Confidence: 0.8161641

01:17:32.442 --> 01:17:34.602 weigh in and what in what you seen
NOTE Confidence: 0.8161641

01:17:34.602 --> 01:17:36.059 in your conversations with with
NOTE Confidence: 0.86135256

01:17:36.060 --> 01:17:38.476 your network and then move across the panel.
NOTE Confidence: 0.86135256

01:17:38.480 --> 01:17:39.692 Of course, of course,

NOTE Confidence: 0.86135256

01:17:39.692 --> 01:17:41.832 there's adjustments to be made, you know,

NOTE Confidence: 0.86135256

01:17:41.832 --> 01:17:44.009 not in, not just because it's about

NOTE Confidence: 0.86135256

01:17:44.009 --> 01:17:46.060 COVID-19 and 2020 and all the bizarre,

NOTE Confidence: 0.86135256

01:17:46.060 --> 01:17:48.174 unusual things that 2020 is brought us,

NOTE Confidence: 0.86135256

01:17:48.180 --> 01:17:50.286 but because we're talking about working

NOTE Confidence: 0.86135256

01:17:50.286 --> 01:17:52.316 with young children and families and

NOTE Confidence: 0.86135256

01:17:52.316 --> 01:17:54.660 so of course you would just. You know,

NOTE Confidence: 0.86135256

01:17:54.660 --> 01:17:57.180 like if if you were a preschool teacher,

NOTE Confidence: 0.86135256

01:17:57.180 --> 01:17:59.070 childcare provider going to come in,

NOTE Confidence: 0.86135256

01:17:59.070 --> 01:18:01.590 you're going to do a lesson on pumpkins,

NOTE Confidence: 0.86135256

01:18:01.590 --> 01:18:03.170 'cause it's it's almost Halloween.

NOTE Confidence: 0.86135256

01:18:03.170 --> 01:18:05.996 So I'm going to do a lesson on pumpkins,

NOTE Confidence: 0.86135256

01:18:06.000 --> 01:18:08.835 but it turns out to be a freak snowstorm.

NOTE Confidence: 0.86135256

01:18:08.840 --> 01:18:10.410 You still come in and

NOTE Confidence: 0.86135256

01:18:10.410 --> 01:18:11.666 just talk about pumpkins.

NOTE Confidence: 0.86135256

01:18:11.670 --> 01:18:13.896 Or would you talk about the snow
NOTE Confidence: 0.86135256

01:18:13.896 --> 01:18:15.140 storm that's happening now?
NOTE Confidence: 0.86135256

01:18:15.140 --> 01:18:17.205 That's that's an example that I learned
NOTE Confidence: 0.86135256

01:18:17.205 --> 01:18:19.550 from a friend named Erica Chris Dockus,
NOTE Confidence: 0.86135256

01:18:19.550 --> 01:18:21.350 who was a a residential mass
NOTE Confidence: 0.86135256

01:18:21.350 --> 01:18:22.550 residential counselor at Harvard
NOTE Confidence: 0.86135256

01:18:22.605 --> 01:18:24.330 and then residential counselor for.
NOTE Confidence: 0.86135256

01:18:24.330 --> 01:18:25.486 College students at Yale.
NOTE Confidence: 0.86135256

01:18:25.486 --> 01:18:27.938 But she also used to run a child
NOTE Confidence: 0.86135256

01:18:27.938 --> 01:18:29.912 care program and she used that
NOTE Confidence: 0.86135256

01:18:29.912 --> 01:18:31.895 particular example to how how we
NOTE Confidence: 0.86135256

01:18:31.895 --> 01:18:33.470 sometimes have to make adjustments,
NOTE Confidence: 0.86135256

01:18:33.470 --> 01:18:34.854 childcare providers, preschool teachers.
NOTE Confidence: 0.86135256

01:18:34.854 --> 01:18:36.930 These are people who can walk
NOTE Confidence: 0.86135256

01:18:36.988 --> 01:18:37.880 to school one day,
NOTE Confidence: 0.86135256

01:18:37.880 --> 01:18:40.204 find 2 pebbles in an acorn and

NOTE Confidence: 0.86135256

01:18:40.204 --> 01:18:41.970 make a curriculum out of it.

NOTE Confidence: 0.86135256

01:18:41.970 --> 01:18:44.434 You know that they've got this if they

NOTE Confidence: 0.86135256

01:18:44.434 --> 01:18:46.069 trust themselves they've got this.

NOTE Confidence: 0.86135256

01:18:46.070 --> 01:18:48.310 This is all about making sure that

NOTE Confidence: 0.86135256

01:18:48.310 --> 01:18:49.928 the curriculum matches what that

NOTE Confidence: 0.86135256

01:18:49.928 --> 01:18:51.734 child and family needs right now,

NOTE Confidence: 0.86135256

01:18:51.740 --> 01:18:53.966 not what we think that they might

NOTE Confidence: 0.86135256

01:18:53.966 --> 01:18:55.829 need some other day later on.

NOTE Confidence: 0.86135256

01:18:55.830 --> 01:18:57.600 I mean, that's important too.

NOTE Confidence: 0.86135256

01:18:57.600 --> 01:19:00.160 But the most important thing is right now,

NOTE Confidence: 0.86135256

01:19:00.160 --> 01:19:02.080 and so if the curriculum right

NOTE Confidence: 0.86135256

01:19:02.080 --> 01:19:03.360 now needs to be,

NOTE Confidence: 0.86135256

01:19:03.360 --> 01:19:06.114 how do I feel safe when things around me

NOTE Confidence: 0.86135256

01:19:06.114 --> 01:19:08.880 have changed then that's the curriculum.

NOTE Confidence: 0.86135256

01:19:08.880 --> 01:19:11.407 And I have faith that our child

NOTE Confidence: 0.86135256

01:19:11.407 --> 01:19:13.522 care providers can do that because
NOTE Confidence: 0.86135256

01:19:13.522 --> 01:19:15.442 they do it all the time.
NOTE Confidence: 0.86135256

01:19:15.450 --> 01:19:18.218 And if they ever feel like they struggled,
NOTE Confidence: 0.86135256

01:19:18.220 --> 01:19:20.194 then I'm looking right now at
NOTE Confidence: 0.86135256

01:19:20.194 --> 01:19:22.370 two friends in Tracy and Heather,
NOTE Confidence: 0.86135256

01:19:22.370 --> 01:19:23.070 who would
NOTE Confidence: 0.8626187

01:19:23.070 --> 01:19:24.800 be delighted to help them.
NOTE Confidence: 0.8626187

01:19:24.800 --> 01:19:26.530 And so I, that's awesome.
NOTE Confidence: 0.8626187

01:19:26.530 --> 01:19:29.082 That's awesome. Yeah, yeah,
NOTE Confidence: 0.8626187

01:19:29.082 --> 01:19:30.888 Heather. Pieces of Adam there.
NOTE Confidence: 0.873145300000001

01:19:31.980 --> 01:19:34.446 I think the adjustments I think
NOTE Confidence: 0.873145300000001

01:19:34.446 --> 01:19:36.912 it's a positive adjustment is for
NOTE Confidence: 0.873145300000001

01:19:36.912 --> 01:19:39.162 everybody to just slow down and
NOTE Confidence: 0.873145300000001

01:19:39.162 --> 01:19:41.633 take inventory of how one another's
NOTE Confidence: 0.873145300000001

01:19:41.633 --> 01:19:44.099 filling and what we're going through.
NOTE Confidence: 0.873145300000001

01:19:44.100 --> 01:19:46.120 And perhaps it is facilitating

NOTE Confidence: 0.873145300000001
01:19:46.120 --> 01:19:46.928 learning activity.
NOTE Confidence: 0.873145300000001
01:19:46.930 --> 01:19:50.053 But as a coach, or if you know if
NOTE Confidence: 0.873145300000001
01:19:50.053 --> 01:19:52.578 you're working with a director,
NOTE Confidence: 0.873145300000001
01:19:52.580 --> 01:19:54.960 we've had several conversations where
NOTE Confidence: 0.873145300000001
01:19:54.960 --> 01:19:58.459 coaches have just said how are you doing?
NOTE Confidence: 0.873145300000001
01:19:58.460 --> 01:20:00.596 And the conversation isn't about reopening.
NOTE Confidence: 0.873145300000001
01:20:00.600 --> 01:20:01.932 Bing or the PPS.
NOTE Confidence: 0.873145300000001
01:20:01.932 --> 01:20:02.598 It's about,
NOTE Confidence: 0.873145300000001
01:20:02.600 --> 01:20:04.819 you know they want to talk about
NOTE Confidence: 0.873145300000001
01:20:04.819 --> 01:20:06.879 how much they miss their mother
NOTE Confidence: 0.873145300000001
01:20:06.879 --> 01:20:08.949 or they want to talk about.
NOTE Confidence: 0.873145300000001
01:20:08.950 --> 01:20:11.288 You know the challenges of having to,
NOTE Confidence: 0.873145300000001
01:20:11.290 --> 01:20:13.954 you know, educate their own children at home.
NOTE Confidence: 0.873145300000001
01:20:13.960 --> 01:20:16.011 But I think just being a human
NOTE Confidence: 0.873145300000001
01:20:16.011 --> 01:20:17.552 being and slowing down and
NOTE Confidence: 0.873145300000001

01:20:17.552 --> 01:20:19.047 checking in with one another
NOTE Confidence: 0.873145300000001

01:20:19.047 --> 01:20:21.246 has been an adjustment that our
NOTE Confidence: 0.873145300000001

01:20:21.246 --> 01:20:23.306 entire society has benefited from.
NOTE Confidence: 0.79127

01:20:24.990 --> 01:20:27.460 Well. Yeah, yeah, yeah,
NOTE Confidence: 0.79127

01:20:27.460 --> 01:20:28.700 that's that's that's fantastic.
NOTE Confidence: 0.79127

01:20:28.700 --> 01:20:29.630 Thank you guys.
NOTE Confidence: 0.79127

01:20:29.630 --> 01:20:31.180 Thank you for sharing that.
NOTE Confidence: 0.79127

01:20:31.180 --> 01:20:33.350 We're going to do one last question.
NOTE Confidence: 0.79127

01:20:33.350 --> 01:20:35.126 And then we'll I'll let each
NOTE Confidence: 0.79127

01:20:35.126 --> 01:20:37.069 of you kind of answer it,
NOTE Confidence: 0.79127

01:20:37.070 --> 01:20:38.988 and then we'll close up the data
NOTE Confidence: 0.79127

01:20:38.988 --> 01:20:41.263 to make sure that we stay on the on
NOTE Confidence: 0.79127

01:20:41.263 --> 01:20:43.281 the time of all our participants
NOTE Confidence: 0.79127

01:20:43.281 --> 01:20:44.817 whose participated today.
NOTE Confidence: 0.79127

01:20:44.820 --> 01:20:47.100 So I'll ask the question 1st and then
NOTE Confidence: 0.79127

01:20:47.100 --> 01:20:49.516 give you a moment to think about it

NOTE Confidence: 0.79127

01:20:49.516 --> 01:20:51.948 with covid numbers in across the country.

NOTE Confidence: 0.79127

01:20:51.950 --> 01:20:53.430 Increasing in many schools,

NOTE Confidence: 0.79127

01:20:53.430 --> 01:20:55.650 being once again forced to shelter

NOTE Confidence: 0.79127

01:20:55.711 --> 01:20:57.734 and and are closed again and move.

NOTE Confidence: 0.79127

01:20:57.740 --> 01:20:59.050 To a virtual learning environment.

NOTE Confidence: 0.79127

01:20:59.050 --> 01:21:00.870 If some of our schools face that,

NOTE Confidence: 0.79127

01:21:00.870 --> 01:21:02.678 and knowing that a lot of will stay

NOTE Confidence: 0.79127

01:21:02.678 --> 01:21:04.530 open for essential workers as well,

NOTE Confidence: 0.79127

01:21:04.530 --> 01:21:06.771 just a piece of advice that each of you

NOTE Confidence: 0.79127

01:21:06.771 --> 01:21:08.955 have that we that we learn from March.

NOTE Confidence: 0.79127

01:21:08.960 --> 01:21:09.791 Having seen it,

NOTE Confidence: 0.79127

01:21:09.791 --> 01:21:11.453 having been having experienced it from

NOTE Confidence: 0.79127

01:21:11.453 --> 01:21:13.140 each of your lenses back in March,

NOTE Confidence: 0.79127

01:21:13.140 --> 01:21:14.706 what's the one piece of advice

NOTE Confidence: 0.79127

01:21:14.706 --> 01:21:15.750 that should that happen?

NOTE Confidence: 0.79127

01:21:15.750 --> 01:21:16.011 Again,
NOTE Confidence: 0.79127

01:21:16.011 --> 01:21:17.838 you can give our participants moving forward,
NOTE Confidence: 0.79127

01:21:17.840 --> 01:21:19.848 so I'm going to give you a moment
NOTE Confidence: 0.79127

01:21:19.848 --> 01:21:21.430 to think that. Think about that.
NOTE Confidence: 0.79127

01:21:21.430 --> 01:21:23.840 'cause that was a that was a big question.
NOTE Confidence: 0.79127

01:21:23.840 --> 01:21:25.406 And again I appreciate the panel.
NOTE Confidence: 0.79127

01:21:25.410 --> 01:21:27.362 Today we had a set of a few
NOTE Confidence: 0.79127

01:21:27.362 --> 01:21:29.025 questions that we were ready to
NOTE Confidence: 0.79127

01:21:29.025 --> 01:21:30.990 possibly talk about the day but but.
NOTE Confidence: 0.79127

01:21:30.990 --> 01:21:32.655 The conversation and your questions
NOTE Confidence: 0.79127

01:21:32.655 --> 01:21:34.644 in the chat really allowed us
NOTE Confidence: 0.79127

01:21:34.644 --> 01:21:36.222 to drive the amazing panel today
NOTE Confidence: 0.79127

01:21:36.222 --> 01:21:37.610 and and learn from them.
NOTE Confidence: 0.79127

01:21:37.610 --> 01:21:39.416 And so I thank you again
NOTE Confidence: 0.79127

01:21:39.416 --> 01:21:40.319 for that opportunity.
NOTE Confidence: 0.79127

01:21:40.320 --> 01:21:42.126 But I'll start with you Tracy.

NOTE Confidence: 0.79127

01:21:42.130 --> 01:21:43.985 Then I'll go to Heather and then

NOTE Confidence: 0.79127

01:21:43.985 --> 01:21:45.504 I'll will finish with Walter

NOTE Confidence: 0.79127

01:21:45.504 --> 01:21:46.844 answering that question about

NOTE Confidence: 0.79127

01:21:46.844 --> 01:21:48.824 piece of advice that should school

NOTE Confidence: 0.79127

01:21:48.824 --> 01:21:50.868 shut down again that you have that

NOTE Confidence: 0.79127

01:21:50.868 --> 01:21:52.360 we've learned from March Tracy.

NOTE Confidence: 0.8340384

01:21:53.330 --> 01:21:56.010 I think one of the most important things

NOTE Confidence: 0.8340384

01:21:56.010 --> 01:21:59.127 that we did touch on already is for these.

NOTE Confidence: 0.8340384

01:21:59.130 --> 01:22:01.044 The adults in these young children's

NOTE Confidence: 0.8340384

01:22:01.044 --> 01:22:03.558 life to take care of themselves first.

NOTE Confidence: 0.8340384

01:22:03.560 --> 01:22:05.606 Whether it's having your own us,

NOTE Confidence: 0.8340384

01:22:05.610 --> 01:22:07.650 you know routine around self care.

NOTE Confidence: 0.8340384

01:22:07.650 --> 01:22:10.638 If you're going to children at home with you

NOTE Confidence: 0.8340384

01:22:10.638 --> 01:22:13.447 really being able to address your own needs,

NOTE Confidence: 0.8340384

01:22:13.450 --> 01:22:15.496 and if that's mental health related,

NOTE Confidence: 0.8340384

01:22:15.500 --> 01:22:17.546 you know get keep continue doing
NOTE Confidence: 0.8340384

01:22:17.546 --> 01:22:19.929 those things that you might be doing,
NOTE Confidence: 0.8340384

01:22:19.930 --> 01:22:20.896 whether it's therapy,
NOTE Confidence: 0.8340384

01:22:20.896 --> 01:22:23.780 whatever it is to take care of yourself.
NOTE Confidence: 0.8340384

01:22:23.780 --> 01:22:25.796 In order to take care of your children
NOTE Confidence: 0.8340384

01:22:25.796 --> 01:22:27.421 in the young children around you
NOTE Confidence: 0.8340384

01:22:27.421 --> 01:22:29.667 and to kind of have a plan around
NOTE Confidence: 0.8340384

01:22:29.667 --> 01:22:31.479 that we they've done it before.
NOTE Confidence: 0.8340384

01:22:31.480 --> 01:22:33.712 They can do it again if things shut down
NOTE Confidence: 0.8340384

01:22:33.712 --> 01:22:35.878 and now and now you're more prepared.
NOTE Confidence: 0.8340384

01:22:35.880 --> 01:22:37.959 You know that these child care providers
NOTE Confidence: 0.8340384

01:22:37.959 --> 01:22:39.821 and parents have been through so much
NOTE Confidence: 0.8340384

01:22:39.821 --> 01:22:42.119 and all of us have been through so much
NOTE Confidence: 0.8340384

01:22:42.119 --> 01:22:43.853 these past almost nine months now.
NOTE Confidence: 0.8340384

01:22:43.860 --> 01:22:44.956 We've had the flexible
NOTE Confidence: 0.8340384

01:22:44.956 --> 01:22:45.778 make changes constantly,

NOTE Confidence: 0.8340384

01:22:45.780 --> 01:22:47.430 and I think we're we're so,

NOTE Confidence: 0.8340384

01:22:47.430 --> 01:22:47.922 you know,

NOTE Confidence: 0.8340384

01:22:47.922 --> 01:22:49.890 we can be so prepared and all the

NOTE Confidence: 0.8340384

01:22:49.955 --> 01:22:51.880 experience we've had for all this to

NOTE Confidence: 0.8340384

01:22:51.880 --> 01:22:54.027 make a plan if that happens again,

NOTE Confidence: 0.8340384

01:22:54.030 --> 01:22:55.836 to make sure you're taking care

NOTE Confidence: 0.8340384

01:22:55.836 --> 01:22:57.629 of yourself first in order to.

NOTE Confidence: 0.8340384

01:22:57.630 --> 01:22:59.527 To meet the needs of your child.

NOTE Confidence: 0.7843271

01:23:01.130 --> 01:23:04.076 Great, thank you Tracy. Doctor Harris.

NOTE Confidence: 0.94499886

01:23:05.130 --> 01:23:07.959 Change is inevitable.

NOTE Confidence: 0.94499886

01:23:07.960 --> 01:23:09.724 Things that I've learned

NOTE Confidence: 0.94499886

01:23:09.724 --> 01:23:11.488 from this entire experience.

NOTE Confidence: 0.94499886

01:23:11.490 --> 01:23:14.040 I don't plan anything past this

NOTE Confidence: 0.94499886

01:23:14.040 --> 01:23:16.728 because I don't know what's gonna

NOTE Confidence: 0.94499886

01:23:16.728 --> 01:23:19.428 happen next week or next month.

NOTE Confidence: 0.94499886

01:23:19.430 --> 01:23:21.238 With that being said,
NOTE Confidence: 0.94499886

01:23:21.238 --> 01:23:23.498 being forgiving and treating one
NOTE Confidence: 0.94499886

01:23:23.498 --> 01:23:26.340 another with grace and being a human
NOTE Confidence: 0.94499886

01:23:26.340 --> 01:23:28.690 being has been extremely important.
NOTE Confidence: 0.94499886

01:23:28.690 --> 01:23:30.870 Learning from one another I've
NOTE Confidence: 0.94499886

01:23:30.870 --> 01:23:33.540 learned so much on this call,
NOTE Confidence: 0.94499886

01:23:33.540 --> 01:23:37.068 and so anytime that we can bring together,
NOTE Confidence: 0.94499886

01:23:37.070 --> 01:23:39.355 you know people across the
NOTE Confidence: 0.94499886

01:23:39.355 --> 01:23:41.183 nation in different communities.
NOTE Confidence: 0.94499886

01:23:41.190 --> 01:23:42.012 Different genders,
NOTE Confidence: 0.94499886

01:23:42.012 --> 01:23:42.834 different cultures,
NOTE Confidence: 0.94499886

01:23:42.834 --> 01:23:46.152 languages and say what is it like a day
NOTE Confidence: 0.94499886

01:23:46.152 --> 01:23:48.438 in your life and then learn from those
NOTE Confidence: 0.94499886

01:23:48.438 --> 01:23:51.063 strategies and share them with one another?
NOTE Confidence: 0.94499886

01:23:51.070 --> 01:23:52.530 Because perhaps you've already
NOTE Confidence: 0.94499886

01:23:52.530 --> 01:23:54.355 solved something that I'm going

NOTE Confidence: 0.94499886

01:23:54.355 --> 01:23:56.018 to come across next week.

NOTE Confidence: 0.94499886

01:23:56.020 --> 01:23:57.076 I don't know.

NOTE Confidence: 0.94499886

01:23:57.076 --> 01:23:59.188 I just said change is inevitable,

NOTE Confidence: 0.94499886

01:23:59.190 --> 01:24:02.052 so I think sharing those strategies

NOTE Confidence: 0.94499886

01:24:02.052 --> 01:24:04.420 is just a century old.

NOTE Confidence: 0.94499886

01:24:04.420 --> 01:24:07.345 You know adage that we can bank Appan is,

NOTE Confidence: 0.94499886

01:24:07.350 --> 01:24:08.016 you know,

NOTE Confidence: 0.94499886

01:24:08.016 --> 01:24:10.014 was successful and share that with

NOTE Confidence: 0.94499886

01:24:10.014 --> 01:24:12.299 one another so that we don't have

NOTE Confidence: 0.94499886

01:24:12.299 --> 01:24:13.849 to keep reinventing the wheel.

NOTE Confidence: 0.94499886

01:24:13.850 --> 01:24:15.470 So thank you so much.

NOTE Confidence: 0.94499886

01:24:15.470 --> 01:24:15.772 Again,

NOTE Confidence: 0.94499886

01:24:15.772 --> 01:24:17.584 Scholastic and yell for bringing us

NOTE Confidence: 0.94499886

01:24:17.584 --> 01:24:19.584 together to share strategies with one

NOTE Confidence: 0.94499886

01:24:19.584 --> 01:24:21.314 another and anything any resources.

NOTE Confidence: 0.94499886

01:24:21.320 --> 01:24:23.686 I have child 360 you know welcomes
NOTE Confidence: 0.94499886

01:24:23.686 --> 01:24:25.950 and offers it to you and I've
NOTE Confidence: 0.94499886

01:24:25.950 --> 01:24:28.150 learned a lot of things on this.
NOTE Confidence: 0.94499886

01:24:28.150 --> 01:24:30.236 This call and I hope that it's
NOTE Confidence: 0.94499886

01:24:30.236 --> 01:24:31.912 been helpful for the participants
NOTE Confidence: 0.94499886

01:24:31.912 --> 01:24:33.348 who are here too.
NOTE Confidence: 0.6987799

01:24:34.080 --> 01:24:35.652 Thank you doctor Harris. We love
NOTE Confidence: 0.6987799

01:24:35.652 --> 01:24:37.270 and appreciate you talk to Gilliam.
NOTE Confidence: 0.8995258

01:24:38.890 --> 01:24:40.286 It's like you know,
NOTE Confidence: 0.8995258

01:24:40.286 --> 01:24:42.380 most people you know whether we're
NOTE Confidence: 0.8995258

01:24:42.449 --> 01:24:44.657 talking about children or adults or
NOTE Confidence: 0.8995258

01:24:44.657 --> 01:24:46.850 parents or child care providers.
NOTE Confidence: 0.8995258

01:24:46.850 --> 01:24:50.070 Anybody most people want to feel safe.
NOTE Confidence: 0.8995258

01:24:50.070 --> 01:24:52.430 And a big part of feeling safe is
NOTE Confidence: 0.8995258

01:24:52.430 --> 01:24:54.469 feeling that the people who can take
NOTE Confidence: 0.8995258

01:24:54.469 --> 01:24:57.049 care of us have our best interest in

NOTE Confidence: 0.8995258

01:24:57.049 --> 01:24:59.317 mind that they're thinking about us,

NOTE Confidence: 0.8995258

01:24:59.320 --> 01:25:01.864 but they're holding us in their own mind.

NOTE Confidence: 0.8995258

01:25:01.870 --> 01:25:04.430 And so you know, a big part of,

NOTE Confidence: 0.8995258

01:25:04.430 --> 01:25:06.554 I think getting through this together

NOTE Confidence: 0.8995258

01:25:06.554 --> 01:25:08.661 is realizing that you know children

NOTE Confidence: 0.8995258

01:25:08.661 --> 01:25:10.845 need the adults around them to be

NOTE Confidence: 0.8995258

01:25:10.845 --> 01:25:13.275 able to show them that they are

NOTE Confidence: 0.8995258

01:25:13.275 --> 01:25:14.643 primarily concerned with them.

NOTE Confidence: 0.8995258

01:25:14.650 --> 01:25:16.178 Not with a curriculum,

NOTE Confidence: 0.8995258

01:25:16.178 --> 01:25:18.470 not with some specific routine or

NOTE Confidence: 0.8995258

01:25:18.542 --> 01:25:20.996 something that they normally do not.

NOTE Confidence: 0.8995258

01:25:21.000 --> 01:25:22.985 With anything other than how

NOTE Confidence: 0.8995258

01:25:22.985 --> 01:25:24.970 do you feel and how?

NOTE Confidence: 0.8995258

01:25:24.970 --> 01:25:27.346 How are you doing right now?

NOTE Confidence: 0.8995258

01:25:27.350 --> 01:25:29.738 And it's not just about children,

NOTE Confidence: 0.8995258

01:25:29.740 --> 01:25:30.169 though.

NOTE Confidence: 0.8995258

01:25:30.169 --> 01:25:32.743 You know parents parents are worried

NOTE Confidence: 0.8995258

01:25:32.743 --> 01:25:35.689 and concerned and they want to feel safe.

NOTE Confidence: 0.8995258

01:25:35.690 --> 01:25:38.938 They want to feel that the teachers and

NOTE Confidence: 0.8995258

01:25:38.938 --> 01:25:42.093 the providers care about their child and

NOTE Confidence: 0.8995258

01:25:42.093 --> 01:25:45.050 have their child's best interest in mind.

NOTE Confidence: 0.8995258

01:25:45.050 --> 01:25:47.416 And so do childcare providers and teachers.

NOTE Confidence: 0.8995258

01:25:47.420 --> 01:25:49.538 They want to feel like administrators

NOTE Confidence: 0.8995258

01:25:49.538 --> 01:25:51.948 have their best interest in mind that

NOTE Confidence: 0.8995258

01:25:51.948 --> 01:25:53.826 they're thinking about them that when

NOTE Confidence: 0.8995258

01:25:53.826 --> 01:25:55.879 they talk about when our political

NOTE Confidence: 0.8995258

01:25:55.879 --> 01:25:57.931 leaders talk about school and childcare,

NOTE Confidence: 0.8995258

01:25:57.931 --> 01:26:00.157 that they're not just talking about

NOTE Confidence: 0.8995258

01:26:00.157 --> 01:26:02.524 something that needs to be reopened in

NOTE Confidence: 0.8995258

01:26:02.524 --> 01:26:04.318 order for businesses to stay afloat,

NOTE Confidence: 0.8995258

01:26:04.320 --> 01:26:06.700 but that they actually have a plan

NOTE Confidence: 0.8995258

01:26:06.700 --> 01:26:08.751 in care about the human beings

NOTE Confidence: 0.8995258

01:26:08.751 --> 01:26:11.410 that are going to be in that room,

NOTE Confidence: 0.8995258

01:26:11.410 --> 01:26:13.776 taking care of children and families in

NOTE Confidence: 0.8995258

01:26:13.776 --> 01:26:16.750 the end, especially in times like this.

NOTE Confidence: 0.8995258

01:26:16.750 --> 01:26:19.080 People, regardless of their size,

NOTE Confidence: 0.8995258

01:26:19.080 --> 01:26:22.328 want to feel safe and are primary.

NOTE Confidence: 0.8995258

01:26:22.330 --> 01:26:25.558 Our primary responsibility is not to

NOTE Confidence: 0.8995258

01:26:25.558 --> 01:26:29.667 be perfect for the people who need us.

NOTE Confidence: 0.8995258

01:26:29.670 --> 01:26:32.316 To make them feel comfortable and safe

NOTE Confidence: 0.8995258

01:26:32.316 --> 01:26:35.736 is for us to be able to show that we

NOTE Confidence: 0.8995258

01:26:35.736 --> 01:26:38.398 care and that were crying and that

NOTE Confidence: 0.8995258

01:26:38.398 --> 01:26:41.152 we have their best interests in mind.

NOTE Confidence: 0.8995258

01:26:41.152 --> 01:26:43.196 If there was ever a time when

NOTE Confidence: 0.8995258

01:26:43.196 --> 01:26:45.336 child care providers teachers could

NOTE Confidence: 0.8995258

01:26:45.336 --> 01:26:46.827 connect with families,

NOTE Confidence: 0.8995258

01:26:46.830 --> 01:26:48.846 it's probably right now because many
NOTE Confidence: 0.8995258

01:26:48.846 --> 01:26:51.124 of us are going through literally
NOTE Confidence: 0.8995258

01:26:51.124 --> 01:26:53.722 the exact same struggles child care
NOTE Confidence: 0.8995258

01:26:53.722 --> 01:26:56.001 providers are also worried about who's
NOTE Confidence: 0.8995258

01:26:56.001 --> 01:26:58.484 going to take care of their child,
NOTE Confidence: 0.8995258

01:26:58.484 --> 01:27:00.340 and so are teachers.
NOTE Confidence: 0.8995258

01:27:00.340 --> 01:27:01.513 When schools closed,
NOTE Confidence: 0.8995258

01:27:01.513 --> 01:27:03.859 many teachers have children who are
NOTE Confidence: 0.8995258

01:27:03.859 --> 01:27:05.979 impacted by this. We're going through.
NOTE Confidence: 0.8995258

01:27:05.979 --> 01:27:08.337 Maybe it's different and for some
NOTE Confidence: 0.8995258

01:27:08.337 --> 01:27:10.127 certainly the burden is heavier
NOTE Confidence: 0.8995258

01:27:10.127 --> 01:27:12.318 than for others, no doubt about it,
NOTE Confidence: 0.8995258

01:27:12.318 --> 01:27:14.100 but many of the stressors are
NOTE Confidence: 0.8995258

01:27:14.164 --> 01:27:15.958 fundamentally fairly similar,
NOTE Confidence: 0.8995258

01:27:15.960 --> 01:27:18.736 at least in terms of the way in
NOTE Confidence: 0.8995258

01:27:18.736 --> 01:27:21.010 which they initially present.

NOTE Confidence: 0.8995258

01:27:21.010 --> 01:27:23.338 Use that to be able to show this

NOTE Confidence: 0.8995258

01:27:23.338 --> 01:27:25.499 is how I'm dealing with it.

NOTE Confidence: 0.8995258

01:27:25.500 --> 01:27:27.426 How are you dealing with it?

NOTE Confidence: 0.8995258

01:27:27.430 --> 01:27:29.646 How are you doing today to just be

NOTE Confidence: 0.8995258

01:27:29.646 --> 01:27:31.981 able to show one another that we're

NOTE Confidence: 0.8995258

01:27:31.981 --> 01:27:34.749 holding them in mind and that we care

NOTE Confidence: 0.8995258

01:27:34.749 --> 01:27:37.052 about them will take us along online?

NOTE Confidence: 0.87347263

01:27:38.490 --> 01:27:40.706 Thank you, yes, thank you so much document,

NOTE Confidence: 0.87347263

01:27:40.710 --> 01:27:42.998 I think I mean the sum up those

NOTE Confidence: 0.87347263

01:27:42.998 --> 01:27:44.143 those recommendations take care

NOTE Confidence: 0.87347263

01:27:44.143 --> 01:27:45.699 of the people you love, right?

NOTE Confidence: 0.87347263

01:27:45.699 --> 01:27:47.373 So they can take care of

NOTE Confidence: 0.87347263

01:27:47.373 --> 01:27:49.019 the kids that we all love.

NOTE Confidence: 0.87347263

01:27:49.020 --> 01:27:50.959 Thank you all so much for today.

NOTE Confidence: 0.87347263

01:27:50.960 --> 01:27:52.766 I wish I could give you guys

NOTE Confidence: 0.87347263

01:27:52.766 --> 01:27:54.997 so I'm going to give you a big
NOTE Confidence: 0.87347263

01:27:54.997 --> 01:27:56.770 virtual hug today for your work.
NOTE Confidence: 0.87347263

01:27:56.770 --> 01:27:58.814 I know it's hard being socially distant
NOTE Confidence: 0.87347263

01:27:58.814 --> 01:28:01.258 so I'll give you a virtual hug and and
NOTE Confidence: 0.87347263

01:28:01.258 --> 01:28:03.154 squeeze my arms and and pretend we're
NOTE Confidence: 0.87347263

01:28:03.154 --> 01:28:05.357 all together for for just a few seconds.
NOTE Confidence: 0.87347263

01:28:05.357 --> 01:28:06.188 Thank you guys.
NOTE Confidence: 0.87347263

01:28:06.188 --> 01:28:07.296 Thank you for sharing.
NOTE Confidence: 0.87347263

01:28:07.300 --> 01:28:09.316 Thank you for the amazing work that
NOTE Confidence: 0.87347263

01:28:09.316 --> 01:28:11.040 you're doing every single day for.
NOTE Confidence: 0.87347263

01:28:11.040 --> 01:28:11.624 For students,
NOTE Confidence: 0.87347263

01:28:11.624 --> 01:28:13.960 the this is what the the the Yale
NOTE Confidence: 0.87347263

01:28:14.024 --> 01:28:16.199 in Scholastic Partnership is about.
NOTE Confidence: 0.87347263

01:28:16.200 --> 01:28:17.584 The exchange of ideas,
NOTE Confidence: 0.87347263

01:28:17.584 --> 01:28:19.660 the freedom to share stories to
NOTE Confidence: 0.87347263

01:28:19.725 --> 01:28:21.837 share experience so that we impact

NOTE Confidence: 0.87347263

01:28:21.837 --> 01:28:23.635 this kids across our country

NOTE Confidence: 0.87347263

01:28:23.635 --> 01:28:25.875 and across our world that we all

NOTE Confidence: 0.87347263

01:28:25.875 --> 01:28:28.240 love that we all want to have

NOTE Confidence: 0.87347263

01:28:28.240 --> 01:28:29.616 beautiful and bright futures.

NOTE Confidence: 0.87347263

01:28:29.620 --> 01:28:32.284 This is what it's about and and we

NOTE Confidence: 0.87347263

01:28:32.284 --> 01:28:34.414 certainly hope that we were able

NOTE Confidence: 0.87347263

01:28:34.414 --> 01:28:36.496 to accomplish that today for you.

NOTE Confidence: 0.87347263

01:28:36.500 --> 01:28:38.327 I know I certainly got that by

NOTE Confidence: 0.87347263

01:28:38.327 --> 01:28:40.218 listening to these three amazingly

NOTE Confidence: 0.87347263

01:28:40.218 --> 01:28:41.787 brilliant passionate individuals.

NOTE Confidence: 0.87347263

01:28:41.790 --> 01:28:43.686 Talk about bringing that research into

NOTE Confidence: 0.87347263

01:28:43.686 --> 01:28:45.559 the classroom and making the impact.

NOTE Confidence: 0.87347263

01:28:45.560 --> 01:28:47.032 So we thank you.

NOTE Confidence: 0.87347263

01:28:47.032 --> 01:28:49.240 We do have two additional opportunities

NOTE Confidence: 0.87347263

01:28:49.315 --> 01:28:51.683 that we are that will be doing in

NOTE Confidence: 0.87347263

01:28:51.683 --> 01:28:53.397 this series and we do encourage
NOTE Confidence: 0.87347263

01:28:53.397 --> 01:28:55.518 you to join us as we dig deeper
NOTE Confidence: 0.87347263

01:28:55.518 --> 01:28:57.401 into how we can use the power
NOTE Confidence: 0.87347263

01:28:57.401 --> 01:28:59.367 of story to build resilience.
NOTE Confidence: 0.87347263

01:28:59.370 --> 01:29:00.940 Especially in this covid time.
NOTE Confidence: 0.87347263

01:29:00.940 --> 01:29:02.892 So thank you all so much we will
NOTE Confidence: 0.87347263

01:29:02.892 --> 01:29:04.780 post a recording of this and
NOTE Confidence: 0.87347263

01:29:04.780 --> 01:29:06.772 will send information to you as
NOTE Confidence: 0.87347263

01:29:06.843 --> 01:29:08.788 well of the participants today.
NOTE Confidence: 0.87347263

01:29:08.790 --> 01:29:10.360 Doctor Gilliam doctor Harrison Smith.
NOTE Confidence: 0.87347263

01:29:10.360 --> 01:29:12.944 Thank you all so much for your time.
NOTE Confidence: 0.87347263

01:29:12.950 --> 01:29:14.528 Thank you participants and we love
NOTE Confidence: 0.87347263

01:29:14.528 --> 01:29:16.618 you and hope you have a great night.
NOTE Confidence: 0.87347263

01:29:16.620 --> 01:29:17.668 Stick with the team.
NOTE Confidence: 0.78761995

01:29:19.050 --> 01:29:23.960 Take care. Kill thank you. Bye
NOTE Confidence: 0.86748314

01:29:23.960 --> 01:29:26.363 bye friends. Thank you for all you do for

NOTE Confidence: 0.86748314

01:29:26.363 --> 01:29:28.229 children and families, whatever it is.
