NOTE Confidence: 0.92538524

 $00:00:00.000 \longrightarrow 00:00:02.920$ Hi. It's so good to be with you.

NOTE Confidence: 0.92538524

 $00{:}00{:}02.920 \dashrightarrow 00{:}00{:}05.720$ I'm welcome and thank you for the

NOTE Confidence: 0.92538524

 $00{:}00{:}05.720 \longrightarrow 00{:}00{:}07.092$ introduction. Darren is always a

NOTE Confidence: 0.92538524

 $00:00:07.092 \longrightarrow 00:00:09.519$ little bit of a hard act to follow.

NOTE Confidence: 0.92538524

 $00:00:09.520 \longrightarrow 00:00:11.788$ So I'm going to do my best and I think the

NOTE Confidence: 0.92538524

 $00:00:11.788 \dashrightarrow 00:00:13.920$ way I can do that is to talk about food.

NOTE Confidence: 0.92538524

 $00:00:13.920 \longrightarrow 00:00:16.290$ So how many people we are

NOTE Confidence: 0.92538524

 $00:00:16.290 \longrightarrow 00:00:19.519$ new to Haven or Connecticut?

NOTE Confidence: 0.92538524

 $00:00:19.520 \longrightarrow 00:00:22.838$ Good number. OK. So here's the tips.

NOTE Confidence: 0.92538524

 $00:00:22.840 \longrightarrow 00:00:25.456$ Coffee, coffee drinkers in the room.

NOTE Confidence: 0.92538524

 $00{:}00{:}25.460 \dashrightarrow 00{:}00{:}26.818$ I think the best coffee in town,

NOTE Confidence: 0.92538524

 $00:00:26.820 \longrightarrow 00:00:28.416$ and this is changing all the time,

NOTE Confidence: 0.92538524

00:00:28.420 --> 00:00:29.584 but in my opinion,

00:00:29.584 --> 00:00:31.330 in this place called Fussy coffee

NOTE Confidence: 0.92538524

 $00{:}00{:}31.391 \dashrightarrow 00{:}00{:}33.319$ which is over at Science Park if you

NOTE Confidence: 0.92538524

00:00:33.319 --> 00:00:35.538 like a good cold brew or a pour over,

NOTE Confidence: 0.92538524

 $00:00:35.540 \longrightarrow 00:00:38.220$ I had a recommended. So that's number one.

NOTE Confidence: 0.92538524

 $00:00:38.220 \longrightarrow 00:00:40.100$ The place in Guilford.

NOTE Confidence: 0.92538524

 $00:00:40.100 \longrightarrow 00:00:41.980$ It's an outdoor place.

NOTE Confidence: 0.92538524

00:00:41.980 --> 00:00:43.498 You can bring whatever you want,

NOTE Confidence: 0.92538524

00:00:43.500 --> 00:00:44.505 you I/O everything,

NOTE Confidence: 0.92538524

00:00:44.505 --> 00:00:46.180 including glasses if you'd like.

NOTE Confidence: 0.92538524

 $00:00:46.180 \longrightarrow 00:00:49.036$ They BBQ up lots of fish

NOTE Confidence: 0.92538524

 $00:00:49.036 \longrightarrow 00:00:50.940$ and other things Excellent.

NOTE Confidence: 0.92538524

 $00{:}00{:}50.940 \longrightarrow 00{:}00{:}53.140$ So those are my two food suggestions to

NOTE Confidence: 0.92538524

 $00:00:53.140 \longrightarrow 00:00:55.910$ get us started on the right foot here.

NOTE Confidence: 0.92538524

 $00{:}00{:}55.910 \dashrightarrow 00{:}00{:}58.790$ I'm going to talk today about

NOTE Confidence: 0.92538524

 $00:00:58.790 \longrightarrow 00:01:00.750$ bringing what Darren spoke about

NOTE Confidence: 0.92538524

 $00:01:00.750 \longrightarrow 00:01:03.288$ into a little bit more tangible

00:01:03.288 --> 00:01:05.284 expectations around policy and

NOTE Confidence: 0.92538524

 $00:01:05.284 \longrightarrow 00:01:08.429$ resources on these topics here at Yale.

NOTE Confidence: 0.92538524

 $00:01:08.430 \longrightarrow 00:01:10.551$ I'm going to share a couple of

NOTE Confidence: 0.92538524

 $00:01:10.551 \longrightarrow 00:01:12.026$ different thoughts based on cases

NOTE Confidence: 0.92538524

 $00:01:12.026 \longrightarrow 00:01:14.050$ that we've either seen in the news or

NOTE Confidence: 0.92538524

00:01:14.114 --> 00:01:15.986 else that I have managed directly.

NOTE Confidence: 0.92538524

 $00:01:15.990 \longrightarrow 00:01:17.750$ And I could just tell you a little

NOTE Confidence: 0.92538524

 $00:01:17.750 \longrightarrow 00:01:18.950$ bit about my background.

NOTE Confidence: 0.92538524

00:01:18.950 --> 00:01:22.270 I've been here at Yale since September 2020.

NOTE Confidence: 0.92538524

 $00{:}01{:}22.270 \dashrightarrow 00{:}01{:}24.457$ This role was a new role at that time

NOTE Confidence: 0.92538524

 $00:01:24.457 \longrightarrow 00:01:26.629$ to really bring together universities

NOTE Confidence: 0.92538524

00:01:26.629 --> 00:01:28.964 approach to both preventing and

NOTE Confidence: 0.92538524

 $00{:}01{:}28.964 \dashrightarrow 00{:}01{:}30.703$ responding to discrimination and

NOTE Confidence: 0.92538524

00:01:30.703 --> 00:01:32.708 harassment as well as ensuring

NOTE Confidence: 0.92538524

 $00:01:32.708 \longrightarrow 00:01:33.877$ inclusion and accessibility.

00:01:33.877 --> 00:01:36.079 I work closely on the universities

NOTE Confidence: 0.92538524

 $00{:}01{:}36.079 \dashrightarrow 00{:}01{:}37.931$ belonging at Yale campaign with

NOTE Confidence: 0.92538524

 $00:01:37.931 \longrightarrow 00:01:40.001$ other leaders and I'll be talking

NOTE Confidence: 0.92538524

 $00{:}01{:}40.001 \dashrightarrow 00{:}01{:}41.628$ about different aspects of this.

NOTE Confidence: 0.92538524

00:01:41.630 --> 00:01:42.809 Prior to that,

NOTE Confidence: 0.92538524

 $00:01:42.809 \longrightarrow 00:01:45.302$ I spent nearly eleven years at the

NOTE Confidence: 0.92538524

00:01:45.302 --> 00:01:47.270 University of Connecticut and a very

NOTE Confidence: 0.92538524

 $00:01:47.332 \longrightarrow 00:01:49.654$ similar role where I work particularly

NOTE Confidence: 0.92538524

 $00{:}01{:}49.654 \dashrightarrow 00{:}01{:}51.554$ closely with the leadership at

NOTE Confidence: 0.92538524

 $00:01:51.554 \longrightarrow 00:01:54.150$ UConn Health and in the clinical and

NOTE Confidence: 0.92538524

 $00{:}01{:}54.150 \dashrightarrow 00{:}01{:}56.580$ academic research sets settings as well.

NOTE Confidence: 0.92538524

 $00:01:56.580 \longrightarrow 00:01:58.578$ I always love being back home.

NOTE Confidence: 0.92538524

 $00{:}01{:}58.580 \dashrightarrow 00{:}02{:}00.939$ School medicine feels like home to me.

NOTE Confidence: 0.92538524

 $00:02:00.940 \longrightarrow 00:02:03.577$ Prior to that I was in private practice as

NOTE Confidence: 0.92538524

 $00:02:03.577 \longrightarrow 00:02:06.245$ an attorney and I represented plaintiffs

NOTE Confidence: 0.92538524

 $00:02:06.245 \longrightarrow 00:02:09.340$ with claims of discrimination and harassment.

 $00:02:09.340 \longrightarrow 00:02:12.556$ I also represented labor unions and I've

NOTE Confidence: 0.92538524

 $00:02:12.556 \longrightarrow 00:02:14.012$ lived in Connecticut most of my life.

NOTE Confidence: 0.92538524

 $00:02:14.020 \longrightarrow 00:02:16.516$ So if you need any other recommendations at

NOTE Confidence: 0.92538524

00:02:16.516 --> 00:02:19.015 all related to the nice that I stayed drunk,

NOTE Confidence: 0.92538524

 $00:02:19.020 \longrightarrow 00:02:20.980$ you can reach out.

NOTE Confidence: 0.92538524 00:02:20.980 --> 00:02:22.140 OK,

NOTE Confidence: 0.92538524

 $00:02:22.140 \longrightarrow 00:02:24.780$ so belonging at Yale is a,

NOTE Confidence: 0.92538524

 $00:02:24.780 \longrightarrow 00:02:26.100$ is a, this is a local.

NOTE Confidence: 0.92538524

 $00{:}02{:}26.100 \dashrightarrow 00{:}02{:}27.696$ You'll see this is a campaign.

NOTE Confidence: 0.92538524

 $00:02:27.700 \longrightarrow 00:02:30.320$ You'll see it's really the

NOTE Confidence: 0.92538524

 $00{:}02{:}30.320 \to 00{:}02{:}32.416$ university's efforts around inclusion.

NOTE Confidence: 0.92538524

 $00:02:32.420 \longrightarrow 00:02:35.970$ And this is something that the School

NOTE Confidence: 0.92538524

 $00{:}02{:}35.970 \dashrightarrow 00{:}02{:}38.139$ of Medicine is very committed to.

NOTE Confidence: 0.92538524

 $00:02:38.140 \longrightarrow 00:02:40.956$ We have been having each school do its

NOTE Confidence: 0.92538524

00:02:40.956 --> 00:02:43.455 own unit plans around belonging and

 $00:02:43.455 \longrightarrow 00:02:46.608$ we're in year three and the year 3.

NOTE Confidence: 0.92538524

 $00{:}02{:}46.608 \dashrightarrow 00{:}02{:}48.393$ Common action across the institution

NOTE Confidence: 0.92538524

 $00:02:48.393 \longrightarrow 00:02:50.578$ is sponsorship and mentorship.

NOTE Confidence: 0.92538524

 $00:02:50.580 \longrightarrow 00:02:51.228$ So really,

NOTE Confidence: 0.92538524

00:02:51.228 --> 00:02:53.496 picking up on what Darren lays down,

NOTE Confidence: 0.92538524

 $00{:}02{:}53.500 \dashrightarrow 00{:}02{:}54.620$ you'll see opportunities to

NOTE Confidence: 0.92538524

00:02:54.620 --> 00:02:56.300 develop your skills in this way,

NOTE Confidence: 0.92538524

 $00:02:56.300 \longrightarrow 00:02:58.004$ both of them in school and

NOTE Confidence: 0.92538524

00:02:58.004 --> 00:02:59.140 at university wide events,

NOTE Confidence: 0.92622316

00:02:59.140 --> 00:03:02.052 and I encourage you to take advantage of

NOTE Confidence: 0.92622316

 $00:03:02.052 \longrightarrow 00:03:04.898$ those as you move into your wall here.

NOTE Confidence: 0.92622316

 $00:03:04.900 \longrightarrow 00:03:07.259$ So we only think this is important

NOTE Confidence: 0.92622316

 $00{:}03{:}07.259 \dashrightarrow 00{:}03{:}08.980$ for reasons Darren emphasize.

NOTE Confidence: 0.92622316

 $00:03:08.980 \longrightarrow 00:03:11.252$ In fact, Doctor Brené Brown spoke here at

NOTE Confidence: 0.92622316

 $00:03:11.252 \longrightarrow 00:03:13.580$ the School of Medicine a couple weeks ago.

NOTE Confidence: 0.92622316

00:03:13.580 --> 00:03:15.351 I don't know how many of you

 $00:03:15.351 \longrightarrow 00:03:16.660$ are familiar with homework,

NOTE Confidence: 0.92622316

 $00{:}03{:}16.660 \longrightarrow 00{:}03{:}18.973$ a book I return to over and over again.

NOTE Confidence: 0.92622316

 $00:03:18.980 \longrightarrow 00:03:20.684$ That is really foundational to the

NOTE Confidence: 0.92622316

00:03:20.684 --> 00:03:22.660 way I think, not only as a leader,

NOTE Confidence: 0.92622316

 $00:03:22.660 \longrightarrow 00:03:24.340$ but about the work that I do

NOTE Confidence: 0.92622316

 $00:03:24.340 \longrightarrow 00:03:25.500$ is dare to leave.

NOTE Confidence: 0.92622316

 $00:03:25.500 \longrightarrow 00:03:27.000$ I highly recommend it if

NOTE Confidence: 0.92622316

 $00{:}03{:}27.000 --> 00{:}03{:}28.500$ you haven't read it before.

NOTE Confidence: 0.92622316

 $00:03:28.500 \longrightarrow 00:03:30.796$ I think it takes some of the concepts

NOTE Confidence: 0.92622316

 $00{:}03{:}30.796 \dashrightarrow 00{:}03{:}32.840$ around inclusive leadership and makes

NOTE Confidence: 0.92622316

 $00:03:32.840 \longrightarrow 00:03:34.600$ them feel extremely actionable.

NOTE Confidence: 0.92622316

 $00:03:34.600 \longrightarrow 00:03:35.960$ What was interesting about your

NOTE Confidence: 0.92622316

 $00{:}03{:}35.960 \longrightarrow 00{:}03{:}37.587$ word cloud was I noticed some

NOTE Confidence: 0.92622316

00:03:37.587 --> 00:03:38.877 of the words that came up,

NOTE Confidence: 0.92622316

 $00:03:38.880 \longrightarrow 00:03:39.826$ including supportive,

 $00:03:39.826 \longrightarrow 00:03:40.299$ transparent,

NOTE Confidence: 0.92622316

00:03:40.299 --> 00:03:42.664 kind are very much supported

NOTE Confidence: 0.92622316

00:03:42.664 --> 00:03:45.507 in her research and some of the

NOTE Confidence: 0.92622316

 $00{:}03{:}45.507 \dashrightarrow 00{:}03{:}48.060$ hallmarks of leaders who lead in a

NOTE Confidence: 0.92622316

 $00:03:48.060 \longrightarrow 00:03:50.034$ way that does not create toxicity.

NOTE Confidence: 0.92622316

 $00:03:50.040 \longrightarrow 00:03:53.757$ But why does that matter to someone like me?

NOTE Confidence: 0.92622316

 $00:03:53.760 \longrightarrow 00:03:54.771$ Study after study,

NOTE Confidence: 0.92622316

00:03:54.771 --> 00:03:56.793 including the National Academy of Science,

NOTE Confidence: 0.92622316

 $00{:}03{:}56.800 \dashrightarrow 00{:}03{:}58.024$ Engineering and Medicine,

NOTE Confidence: 0.92622316

 $00:03:58.024 \longrightarrow 00:03:58.840$ People Implement,

NOTE Confidence: 0.92622316

 $00{:}03{:}58.840 \dashrightarrow 00{:}04{:}00.744$ Opportunity Commission and others,

NOTE Confidence: 0.92622316

 $00:04:00.744 \longrightarrow 00:04:03.600$ has found a direct link between

NOTE Confidence: 0.92622316

 $00:04:03.678 \longrightarrow 00:04:05.735$ incivility and discrimination and

NOTE Confidence: 0.92622316

 $00:04:05.735 \longrightarrow 00:04:07.960$ harassment based on protected classes.

NOTE Confidence: 0.92622316

 $00:04:07.960 \longrightarrow 00:04:09.496$ I think a lot of us saw this

NOTE Confidence: 0.92622316

 $00{:}04{:}09.496 \dashrightarrow 00{:}04{:}10.479$ during the ME too era.

 $00:04:10.480 \longrightarrow 00:04:12.580$ When you think about cases that

NOTE Confidence: 0.92622316

 $00:04:12.580 \longrightarrow 00:04:14.360$ came forward during that time,

NOTE Confidence: 0.92622316

 $00:04:14.360 \longrightarrow 00:04:17.036$ it went well beyond sexual harassment.

NOTE Confidence: 0.92622316

 $00:04:17.040 \longrightarrow 00:04:19.632$ So we were seeing cases certainly

NOTE Confidence: 0.92622316

 $00:04:19.632 \longrightarrow 00:04:21.992$ where folks were alleging sexual

NOTE Confidence: 0.92622316

 $00:04:21.992 \longrightarrow 00:04:23.880$ harassment and sexual misconduct.

NOTE Confidence: 0.92622316

 $00:04:23.880 \longrightarrow 00:04:25.994$ But often if you dug into the

NOTE Confidence: 0.92622316

 $00:04:25.994 \longrightarrow 00:04:27.390$ facts of those cases,

NOTE Confidence: 0.92622316

 $00:04:27.390 \longrightarrow 00:04:30.222$ you found that there was also

NOTE Confidence: 0.92622316

 $00{:}04{:}30.222 \dashrightarrow 00{:}04{:}32.110$ an extremely wide spread toxic

NOTE Confidence: 0.92622316

 $00:04:32.190 \longrightarrow 00:04:34.670$ culture within the environment.

NOTE Confidence: 0.92622316

 $00:04:34.670 \longrightarrow 00:04:36.510$ This goes beyond me, too.

NOTE Confidence: 0.92622316

 $00:04:36.510 \longrightarrow 00:04:38.622$ So I'm sure all of you read the

NOTE Confidence: 0.92622316

 $00:04:38.622 \longrightarrow 00:04:40.694$ headlines a couple years ago when the

NOTE Confidence: 0.92622316

 $00:04:40.694 \longrightarrow 00:04:42.749$ balling supermaxes went down terrified.

00:04:42.750 --> 00:04:43.950 Thinking about your next flight.

NOTE Confidence: 0.92622316

 $00:04:43.950 \longrightarrow 00:04:46.870$ I would always check my flying on supermax.

NOTE Confidence: 0.92622316

 $00:04:46.870 \longrightarrow 00:04:49.018$ Interesting report about the

NOTE Confidence: 0.92622316

00:04:49.018 --> 00:04:51.042 culture of balling, right?

NOTE Confidence: 0.92622316

 $00:04:51.042 \longrightarrow 00:04:52.690$ So we're talking about

NOTE Confidence: 0.92622316

00:04:52.690 --> 00:04:53.926 planes and manufacturing,

NOTE Confidence: 0.92622316

 $00:04:53.930 \longrightarrow 00:04:55.514$ but it was not a surprise to me

NOTE Confidence: 0.92622316

 $00:04:55.514 \longrightarrow 00:04:57.323$ when you dug into the public basic

NOTE Confidence: 0.92622316

 $00{:}04{:}57.323 \dashrightarrow 00{:}04{:}58.683$ report about what went wrong.

NOTE Confidence: 0.92622316

00:04:58.690 --> 00:05:01.048 You see a culture of competition,

NOTE Confidence: 0.92622316

 $00:05:01.050 \longrightarrow 00:05:02.823$ toxicity, non transparency.

NOTE Confidence: 0.92622316

 $00:05:02.823 \longrightarrow 00:05:06.369$ These are not surprising to those

NOTE Confidence: 0.9348784

 $00:05:09.170 \longrightarrow 00:05:11.670$ between these types of workplace

NOTE Confidence: 0.9348784

 $00:05:11.670 \longrightarrow 00:05:13.070$ environments and bad outcomes.

NOTE Confidence: 0.9348784

 $00:05:13.070 \longrightarrow 00:05:14.852$ In that case, it's disastrous outcomes.

NOTE Confidence: 0.9348784

 $00:05:14.852 \longrightarrow 00:05:16.910$ The same link is there with sexual

 $00{:}05{:}16.960 \dashrightarrow 00{:}05{:}19.409$ har assment and sexual misconduct.

NOTE Confidence: 0.9348784

 $00:05:19.410 \longrightarrow 00:05:22.621$ So this is something to keep in mind

NOTE Confidence: 0.9348784

00:05:22.621 --> 00:05:23.890 is something that we think about

NOTE Confidence: 0.93026865

 $00:05:27.610 \longrightarrow 00:05:31.490$ workplace culture in our environments.

NOTE Confidence: 0.93026865

 $00:05:31.490 \longrightarrow 00:05:34.450$ So when we are talking about

NOTE Confidence: 0.93026865

00:05:34.450 --> 00:05:36.210 discrimination and harassment,

NOTE Confidence: 0.93026865

 $00:05:36.410 \longrightarrow 00:05:38.300$ it's important to ground this discussion

NOTE Confidence: 0.93026865

 $00{:}05{:}38.300 \dashrightarrow 00{:}05{:}40.728$ in the civil rights legal framework here

NOTE Confidence: 0.93026865

 $00:05:40.728 \longrightarrow 00:05:42.640$ in the United States. Some of you might

NOTE Confidence: 0.9319555

 $00:05:42.640 \longrightarrow 00:05:44.000$ be extremely familiar with this,

NOTE Confidence: 0.9319555

 $00{:}05{:}44.000 \dashrightarrow 00{:}05{:}46.320$ some of you might be less so. I promise

NOTE Confidence: 0.9319555

 $00:05:46.320 \longrightarrow 00:05:49.200$ you this is my only lawyer looking slide.

NOTE Confidence: 0.9319555

 $00{:}05{:}49.200 \dashrightarrow 00{:}05{:}50.996$ But this is important to keep in mind,

NOTE Confidence: 0.9319555

 $00:05:50.996 \longrightarrow 00:05:52.584$ partly because many of you will be

NOTE Confidence: 0.9319555

 $00:05:52.584 \longrightarrow 00:05:54.360$ working with or may yourselves be

00:05:54.360 --> 00:05:56.760 international or newer to the US

NOTE Confidence: 0.9319555

 $00:05:56.840 \longrightarrow 00:05:58.324$ and some of these concepts are a

NOTE Confidence: 0.9319555

 $00{:}05{:}58.324 \dashrightarrow 00{:}05{:}59.680$ little bit different and there can

NOTE Confidence: 0.9319555

 $00:05:59.680 \longrightarrow 00:06:01.360$ be cultural distinctions as well.

NOTE Confidence: 0.9319555

 $00:06:01.360 \longrightarrow 00:06:02.716$ So it's important to ground ourselves

NOTE Confidence: 0.9319555

 $00:06:02.720 \longrightarrow 00:06:05.120$ on what Elses are based on.

NOTE Confidence: 0.9319555

00:06:05.120 --> 00:06:06.875 So Title 6, it prohibits

NOTE Confidence: 0.9319555

00:06:06.875 --> 00:06:08.279 discrimination based on grace,

NOTE Confidence: 0.9319555

 $00:06:08.280 \longrightarrow 00:06:10.638$ color and national origin and education.

NOTE Confidence: 0.94521654

 $00:06:11.110 \longrightarrow 00:06:13.060$ So this applies when you're

NOTE Confidence: 0.94521654

 $00:06:13.060 \longrightarrow 00:06:14.230$ working with learners.

NOTE Confidence: 0.94521654

00:06:14.230 --> 00:06:16.869 Title 9, which probably most

NOTE Confidence: 0.94521654

 $00:06:16.870 \longrightarrow 00:06:19.665$ of you have heard about, is about prohibiting

NOTE Confidence: 0.94521654

 $00:06:19.665 \longrightarrow 00:06:22.390$ sex discrimination in academic environment.

NOTE Confidence: 0.94521654

 $00:06:22.390 \longrightarrow 00:06:25.230$ It applies K right on through to medical

NOTE Confidence: 0.94521654

 $00{:}06{:}25.950 \dashrightarrow 00{:}06{:}28.904$ and it is goes well beyond sort

 $00:06:28.910 \longrightarrow 00:06:30.366$ of sex and gender.

NOTE Confidence: 0.94521654

00:06:30.366 --> 00:06:32.550 It impacts things like sexual harassment,

NOTE Confidence: 0.94521654

00:06:32.550 --> 00:06:34.442 compensation, equity,

NOTE Confidence: 0.94521654

00:06:34.442 --> 00:06:36.810 pregnancy and parenting and more.

NOTE Confidence: 0.94521654

 $00:06:36.810 \longrightarrow 00:06:39.342$ Title 9 goes beyond protecting just students.

NOTE Confidence: 0.94521654

 $00:06:39.342 \longrightarrow 00:06:41.694$ Faculty and staff at an academic

NOTE Confidence: 0.94521654

 $00:06:41.694 \longrightarrow 00:06:43.996$ medical institution also have both

NOTE Confidence: 0.94521654

 $00:06:43.996 \longrightarrow 00:06:45.530$ protections and responsibilities

NOTE Confidence: 0.94521654

 $00:06:45.530 \longrightarrow 00:06:47.610$ Under Title 9 that I'll be

NOTE Confidence: 0.94521654

 $00:06:47.610 \longrightarrow 00:06:49.010$ talking about in more detail.

NOTE Confidence: 0.94521654

00:06:49.010 --> 00:06:51.650 Title 7 is your major employment

NOTE Confidence: 0.94521654

 $00:06:51.650 \longrightarrow 00:06:52.530$ discrimination statue.

NOTE Confidence: 0.94521654

 $00{:}06{:}52.530 \dashrightarrow 00{:}06{:}54.676$ This is really the foundation of

NOTE Confidence: 0.94521654

 $00:06:54.676 \longrightarrow 00:06:56.280$ what provides you with certain

NOTE Confidence: 0.94521654

 $00:06:56.280 \longrightarrow 00:06:57.810$ rights and appear supervisor

 $00:06:57.810 \longrightarrow 00:06:59.490$ obligations in the workplace.

NOTE Confidence: 0.93826854

 $00{:}07{:}00.690 \dashrightarrow 00{:}07{:}02.046$ The AGE Act is an interesting

NOTE Confidence: 0.93826854

 $00:07:02.050 \longrightarrow 00:07:03.441$ one in this context.

NOTE Confidence: 0.93826854

 $00:07:03.441 \longrightarrow 00:07:06.453$ It prevents discrimination based on age.

NOTE Confidence: 0.93826854

 $00:07:06.453 \longrightarrow 00:07:07.656$ Typically when we're

NOTE Confidence: 0.93826854

00:07:07.656 --> 00:07:08.840 seeing either very young

NOTE Confidence: 0.93578655

 $00:07:09.120 \longrightarrow 00:07:11.838$ or much older than normal students,

NOTE Confidence: 0.93578655

 $00:07:11.840 \longrightarrow 00:07:13.360$ this is when this kicks in.

NOTE Confidence: 0.93578655

 $00:07:13.360 \longrightarrow 00:07:14.520$ There are also age

NOTE Confidence: 0.93578655

 $00:07:14.520 \longrightarrow 00:07:15.176$ discrimination protections

NOTE Confidence: 0.93578655

 $00:07:15.176 \longrightarrow 00:07:17.472$ in Title 7 and in state law.

NOTE Confidence: 0.93578655

 $00:07:18.280 \longrightarrow 00:07:19.960$ And then finally the ADA and

NOTE Confidence: 0.93578655

 $00{:}07{:}19.960 \dashrightarrow 00{:}07{:}22.280$ Section 504 of the Rehabilitation

NOTE Confidence: 0.93578655

00:07:22.280 --> 00:07:23.771 Act. I'll be talking with you at

NOTE Confidence: 0.93578655

 $00:07:23.771 \longrightarrow 00:07:25.559$ the end of my presentation today,

NOTE Confidence: 0.93578655

 $00{:}07{:}25.560 \dashrightarrow 00{:}07{:}27.560$ both about your resources and

 $00{:}07{:}27.560 \mathrel{--}{>} 00{:}07{:}29.320$ rights related to disabilities,

NOTE Confidence: 0.93578655

 $00{:}07{:}29.320 \dashrightarrow 00{:}07{:}31.274$ as well as your obligations if

NOTE Confidence: 0.93578655

00:07:31.274 --> 00:07:33.444 students or people that report

NOTE Confidence: 0.93578655

 $00:07:33.444 \longrightarrow 00:07:35.180$ to you need accommodations.

NOTE Confidence: 0.93578655

 $00{:}07{:}35.180 \dashrightarrow 00{:}07{:}36.340$ So I'm going to flip us through pretty

NOTE Confidence: 0.93578655

 $00:07:36.340 \longrightarrow 00:07:37.422$ quickly with university policies.

NOTE Confidence: 0.93578655

00:07:37.422 --> 00:07:40.380 This QR code should bring you to a brochure.

NOTE Confidence: 0.93578655

 $00{:}07{:}40.380 \dashrightarrow 00{:}07{:}42.540$ You're welcome to bring it up.

NOTE Confidence: 0.93578655

 $00:07:42.540 \longrightarrow 00:07:44.246$ And I think these materials are also

NOTE Confidence: 0.93578655

 $00:07:44.246 \longrightarrow 00:07:45.660$ available to you after the fact.

NOTE Confidence: 0.938799

 $00:07:46.060 \longrightarrow 00:07:47.896$ But we have one major university

NOTE Confidence: 0.938799

 $00:07:47.900 \longrightarrow 00:07:49.588$ policy, the policy against

NOTE Confidence: 0.938799

 $00{:}07{:}49.588 \dashrightarrow 00{:}07{:}50.854$ discrimination and harassment,

NOTE Confidence: 0.938799

 $00:07:50.860 \longrightarrow 00:07:52.840$ which defines our conduct

NOTE Confidence: 0.938799

 $00:07:52.840 \longrightarrow 00:07:54.820$ expectations in this arena.

 $00:07:54.820 \longrightarrow 00:07:56.820$ This is the major one to refer to

NOTE Confidence: 0.938799

 $00{:}07{:}56.820 \dashrightarrow 00{:}07{:}59.137$ if you have questions in this area.

NOTE Confidence: 0.938799

 $00:07:59.140 \longrightarrow 00:08:00.940$ And the policy lays out

NOTE Confidence: 0.938799

 $00:08:00.940 \longrightarrow 00:08:01.660$ protected characteristics.

NOTE Confidence: 0.938799

 $00:08:01.660 \longrightarrow 00:08:03.724$ So when I'm talking about things

NOTE Confidence: 0.938799

00:08:03.724 --> 00:08:05.100 like discrimination and harassment,

NOTE Confidence: 0.938799

 $00:08:05.100 \longrightarrow 00:08:06.745$ I'm not really talking about sort of

NOTE Confidence: 0.938799

 $00:08:06.745 \longrightarrow 00:08:09.646$ your garden variety toxic workplace.

NOTE Confidence: 0.938799

 $00{:}08{:}09.646 \dashrightarrow 00{:}08{:}13.116$ I'm I'm zeroing in more on things that

NOTE Confidence: 0.938799

 $00:08:13.116 \longrightarrow 00:08:15.468$ happen that have an adverse impact that

NOTE Confidence: 0.938799

 $00{:}08{:}15.468 \dashrightarrow 00{:}08{:}18.020$ are based on protected classifications.

NOTE Confidence: 0.938799

 $00:08:18.020 \longrightarrow 00:08:19.540$ Then there could be both

NOTE Confidence: 0.938799

 $00:08:19.540 \longrightarrow 00:08:21.060$ in a single case setting.

NOTE Confidence: 0.938799

 $00{:}08{:}21.060 \dashrightarrow 00{:}08{:}23.237$ But for this purpose, as we're talking

NOTE Confidence: 0.938799

 $00:08:23.237 \longrightarrow 00:08:25.380$ about the words I'm about to define,

NOTE Confidence: 0.938799

 $00{:}08{:}25.380 \dashrightarrow 00{:}08{:}27.120$ I'm talking about things that

00:08:27.120 --> 00:08:28.860 happen based on someone's sex,

NOTE Confidence: 0.938799

 $00{:}08{:}28.860 \dashrightarrow 00{:}08{:}31.260$ sexual orientation, gender identity,

NOTE Confidence: 0.938799

00:08:31.260 --> 00:08:34.253 national or ethnic origin, color,

NOTE Confidence: 0.938799

 $00:08:34.253 \longrightarrow 00:08:36.032$ disability, veteran status,

NOTE Confidence: 0.938799

 $00{:}08{:}36.032 \dashrightarrow 00{:}08{:}39.140$ religious religion, age, race.

NOTE Confidence: 0.938799

 $00:08:39.140 \longrightarrow 00:08:40.744$ These are the major categories that

NOTE Confidence: 0.938799

 $00:08:40.744 \longrightarrow 00:08:43.320$ work in state and federal law and that

NOTE Confidence: 0.938799

 $00:08:43.388 \longrightarrow 00:08:45.656$ are protected under our Yale policies.

NOTE Confidence: 0.938799

 $00{:}08{:}45.660 \dashrightarrow 00{:}08{:}47.178$ When I say the word discrimination,

NOTE Confidence: 0.938799

 $00{:}08{:}47.180 \dashrightarrow 00{:}08{:}49.322$ that's about adverse treatment based on

NOTE Confidence: 0.938799

 $00:08:49.322 \longrightarrow 00:08:51.740$ one of those protected characteristics.

NOTE Confidence: 0.938799

 $00:08:51.740 \longrightarrow 00:08:53.498$ Typically when we think about discrimination,

NOTE Confidence: 0.938799

 $00:08:53.500 \longrightarrow 00:08:55.660$ we think about something bad happening,

NOTE Confidence: 0.938799

00:08:55.660 --> 00:08:57.648 some not being hired,

NOTE Confidence: 0.938799

00:08:57.648 --> 00:08:59.139 somebody being fired,

 $00:08:59.140 \longrightarrow 00:09:00.940$ somebody not getting certain assignments,

NOTE Confidence: 0.938799

 $00:09:00.940 \longrightarrow 00:09:03.820$ things of that nature.

NOTE Confidence: 0.938799

 $00{:}09{:}03.820 \dashrightarrow 00{:}09{:}05.670$ Harassment I would say it's what we

NOTE Confidence: 0.938799

00:09:05.670 --> 00:09:08.060 see more commonly as a claim made

NOTE Confidence: 0.938799

 $00:09:08.060 \longrightarrow 00:09:10.000$ in the higher education setting.

NOTE Confidence: 0.938799

00:09:10.000 --> 00:09:13.198 Harassment is where you've got consistent,

NOTE Confidence: 0.938799

 $00:09:13.200 \longrightarrow 00:09:13.693$ severe,

NOTE Confidence: 0.938799

 $00:09:13.693 \longrightarrow 00:09:16.158$ persistent conduct that is based

NOTE Confidence: 0.938799

 $00{:}09{:}16.158 \dashrightarrow 00{:}09{:}18.476$ on a protected classification that

NOTE Confidence: 0.938799

 $00:09:18.476 \longrightarrow 00:09:20.984$ has the impact of creating and

NOTE Confidence: 0.938799

 $00:09:20.984 \longrightarrow 00:09:23.159$ intimidating or hostile environment.

NOTE Confidence: 0.938799

 $00:09:23.160 \longrightarrow 00:09:24.720$ The standard here is pretty high

NOTE Confidence: 0.938799

00:09:24.720 --> 00:09:26.332 under the lawn under our policy,

NOTE Confidence: 0.938799

00:09:26.332 --> 00:09:28.180 but we're we're really talking about

NOTE Confidence: 0.938799

 $00:09:28.180 \longrightarrow 00:09:30.720$ is offensive, unwelcome conduct.

NOTE Confidence: 0.938799

 $00:09:30.720 \longrightarrow 00:09:32.925$ Typically a one time incident is not

00:09:32.925 --> 00:09:35.198 going to rise to level harassment,

NOTE Confidence: 0.938799

 $00:09:35.200 \longrightarrow 00:09:38.470$ although if it's sufficiently severe it can.

NOTE Confidence: 0.938799

 $00:09:38.470 \longrightarrow 00:09:40.472$ And so each case is really a

NOTE Confidence: 0.938799

 $00:09:40.472 \longrightarrow 00:09:42.309$ nuanced case by case analysis.

NOTE Confidence: 0.938799

00:09:42.310 --> 00:09:43.850 But the key here is you don't

NOTE Confidence: 0.938799

 $00:09:43.850 \longrightarrow 00:09:45.912$ want to be in a situation where

NOTE Confidence: 0.938799

 $00:09:45.912 \longrightarrow 00:09:47.256$ investigators report to me

NOTE Confidence: 0.938799

 $00{:}09{:}47.256 \dashrightarrow 00{:}09{:}49.030$ through their various offices are

NOTE Confidence: 0.9357816

00:09:49.150 --> 00:09:51.010 determining well, did this reach the

NOTE Confidence: 0.9357816

 $00{:}09{:}51.010 \dashrightarrow 00{:}09{:}53.028$ threshold of severe and pervasive.

NOTE Confidence: 0.9357816

 $00:09:53.030 \longrightarrow 00:09:54.430$ You want to shut down

NOTE Confidence: 0.9357816

 $00:09:54.430 \longrightarrow 00:09:55.626$ conduct that's inappropriate from

NOTE Confidence: 0.9357816

 $00{:}09{:}55.626 \dashrightarrow 00{:}09{:}58.071$ the start so you never get into the

NOTE Confidence: 0.9357816

 $00:09:58.071 \longrightarrow 00:10:00.630$ situation where an analysis is being done

NOTE Confidence: 0.9357816

 $00:10:00.630 \longrightarrow 00:10:03.630$ about whether it violated our policy.

 $00:10:03.630 \longrightarrow 00:10:05.540$ Our policy also prohibits retaliation

NOTE Confidence: 0.9357816

 $00:10:05.540 \longrightarrow 00:10:08.180$ for anyone who files a complaint or

NOTE Confidence: 0.9357816

00:10:08.180 --> 00:10:09.654 participates in an investigation,

NOTE Confidence: 0.9357816

 $00:10:09.654 \longrightarrow 00:10:11.494$ or raises a concern about

NOTE Confidence: 0.9357816

 $00{:}10{:}11.494 \dashrightarrow 00{:}10{:}12.910$ discrimination and harassment.

NOTE Confidence: 0.9357816

 $00:10:12.910 \longrightarrow 00:10:15.550$ The research on this is also really clear.

NOTE Confidence: 0.9357816

 $00:10:15.550 \longrightarrow 00:10:18.142$ Retaliation and fears of retaliation serve

NOTE Confidence: 0.9357816

 $00:10:18.142 \longrightarrow 00:10:21.338$ as the greatest single barrier to folks

NOTE Confidence: 0.9357816

 $00{:}10{:}21.338 \to 00{:}10{:}23.663$ raising complaints and making concerns.

NOTE Confidence: 0.9357816

00:10:23.670 --> 00:10:27.166 Now, both at this institution and my prior

NOTE Confidence: 0.9357816

 $00{:}10{:}27.166 \dashrightarrow 00{:}10{:}29.630$ institution and in private practice,

NOTE Confidence: 0.9357816

 $00:10:29.630 \longrightarrow 00:10:32.395$ many people come forward after they leave.

NOTE Confidence: 0.9357816

 $00{:}10{:}32.400 \dashrightarrow 00{:}10{:}35.284$ I didn't feel safe until I was

NOTE Confidence: 0.9357816

 $00:10:35.284 \longrightarrow 00:10:36.520$ not there anymore.

NOTE Confidence: 0.9357816

 $00:10:36.520 \longrightarrow 00:10:38.200$ And we take those claims seriously,

NOTE Confidence: 0.9357816

 $00:10:38.200 \longrightarrow 00:10:39.976$ but there's often very little we

 $00:10:39.976 \longrightarrow 00:10:42.268$ can do to help that person once

NOTE Confidence: 0.9357816

 $00{:}10{:}42.268 \dashrightarrow 00{:}10{:}44.356$ that we're learning after the fact.

NOTE Confidence: 0.9357816

00:10:44.360 --> 00:10:45.836 It's interesting, I was not here,

NOTE Confidence: 0.9357816

 $00{:}10{:}45.840 \dashrightarrow 00{:}10{:}46.992$ I was at UConn.

NOTE Confidence: 0.9357816

 $00{:}10{:}46.992 \dashrightarrow 00{:}10{:}49.905$ But the week of the Kavanaugh

NOTE Confidence: 0.9357816

00:10:49.905 --> 00:10:51.480 Supreme Court hearings,

NOTE Confidence: 0.9357816

 $00:10:51.480 \longrightarrow 00:10:53.120$ those those particularly during

NOTE Confidence: 0.9357816

 $00:10:53.120 \longrightarrow 00:10:54.760$ two days of testimony,

NOTE Confidence: 0.9357816

 $00:10:54.760 \longrightarrow 00:10:57.028$ were the highest number of case

NOTE Confidence: 0.9357816

 $00{:}10{:}57.028 \dashrightarrow 00{:}10{:}58.680$ reports I've ever seen in my career.

NOTE Confidence: 0.9357816

 $00:10:58.680 \longrightarrow 00:11:01.983$ Come in over 48 hours with so

NOTE Confidence: 0.9357816

 $00:11:01.983 \longrightarrow 00:11:02.874$ many people say,

NOTE Confidence: 0.9357816

 $00{:}11{:}02.874 \dashrightarrow 00{:}11{:}05.610$ I feel like I need to tell my story.

NOTE Confidence: 0.9357816

 $00:11:05.610 \longrightarrow 00:11:07.090$ I've heard that was pretty common

NOTE Confidence: 0.9357816

00:11:07.090 --> 00:11:09.330 in offices and higher education.

00:11:09.330 --> 00:11:09.490 I

NOTE Confidence: 0.927736

 $00:11:09.490 \longrightarrow 00:11:10.827$ think there are a lot of stories

NOTE Confidence: 0.927736

 $00:11:10.827 \longrightarrow 00:11:11.930$ out there, and our hope is

NOTE Confidence: 0.927736

 $00:11:11.930 \longrightarrow 00:11:15.045$ to create an environment where folks feel

NOTE Confidence: 0.927736

00:11:15.045 --> 00:11:17.580 safe to come forward while they're here,

NOTE Confidence: 0.927736

 $00:11:17.580 \longrightarrow 00:11:19.770$ to get help while they're here,

NOTE Confidence: 0.927736

 $00:11:19.770 \longrightarrow 00:11:21.250$ and most of all, to create environments

NOTE Confidence: 0.927736

 $00:11:21.250 \longrightarrow 00:11:23.750$ where there's nothing to report.

NOTE Confidence: 0.927736

 $00{:}11{:}23.750 \dashrightarrow 00{:}11{:}25.922$ So although it can be difficult when

NOTE Confidence: 0.927736

00:11:25.922 --> 00:11:27.980 somebody in your orbit raises concerns

NOTE Confidence: 0.927736

 $00{:}11{:}28.039 \dashrightarrow 00{:}11{:}29.867$ of discrimination or harassment,

NOTE Confidence: 0.927736

 $00:11:29.870 \longrightarrow 00:11:31.160$ it's important to keep in mind

NOTE Confidence: 0.927736

 $00:11:31.160 \longrightarrow 00:11:32.708$ that you do want to do nothing.

NOTE Confidence: 0.927736

 $00{:}11{:}32.710 \dashrightarrow 00{:}11{:}34.660$ That would be seen as discouraging

NOTE Confidence: 0.927736

 $00:11:34.660 \longrightarrow 00:11:36.530$ that and encourage people to go to

NOTE Confidence: 0.927736

 $00{:}11{:}36.530 \dashrightarrow 00{:}11{:}38.230$ resources and get support that they need.

 $00:11:40.630 \longrightarrow 00:11:42.206$ So zeroing in a little more

NOTE Confidence: 0.9375577

 $00{:}11{:}42.206 \dashrightarrow 00{:}11{:}43.735$ specifically on the Title 9 portion

NOTE Confidence: 0.9375577

00:11:43.735 --> 00:11:46.070 of my role of sexual misconduct, our

NOTE Confidence: 0.9375577

00:11:46.070 --> 00:11:48.548 sexual misconduct policy incorporates a range

NOTE Confidence: 0.9375577

 $00:11:48.550 \longrightarrow 00:11:51.374$ of behaviors as they're listed on the screen.

NOTE Confidence: 0.9375577

 $00:11:51.380 \longrightarrow 00:11:53.372$ I want to raise a couple

NOTE Confidence: 0.9375577

 $00:11:53.372 \longrightarrow 00:11:54.700$ nuances for you particularly.

NOTE Confidence: 0.9375577

 $00:11:54.700 \longrightarrow 00:11:56.380$ One is that in my career,

NOTE Confidence: 0.9375577

 $00{:}11{:}56.380 \dashrightarrow 00{:}11{:}58.700$ certainly I did not come out of

NOTE Confidence: 0.9375577

 $00{:}11{:}58.700 \dashrightarrow 00{:}12{:}00.380$ being a doctor or school medicine.

NOTE Confidence: 0.9375577

 $00{:}12{:}00.380 \dashrightarrow 00{:}12{:}01.898$ I come out of legal practice.

NOTE Confidence: 0.9375577

 $00:12:01.900 \longrightarrow 00:12:04.060$ I have worked very closely on a number

NOTE Confidence: 0.9375577

 $00{:}12{:}04.060 \dashrightarrow 00{:}12{:}05.938$ of cases in the clinical setting

NOTE Confidence: 0.9397388

 $00{:}12{:}06.260 \dashrightarrow 00{:}12{:}07.775$ where physicians themselves

NOTE Confidence: 0.9397388

 $00:12:07.775 \longrightarrow 00:12:10.300$ were on the receiving end

00:12:10.340 --> 00:12:12.896 of discrimination and harassment by patients,

NOTE Confidence: 0.9397388

00:12:12.900 --> 00:12:14.076 physicians, students,

NOTE Confidence: 0.9397388

 $00:12:14.076 \longrightarrow 00:12:18.192$ residents and others in the clinical setting.

NOTE Confidence: 0.9397388

 $00:12:18.200 \longrightarrow 00:12:20.420$ The research tells us that women and women

NOTE Confidence: 0.9397388

 $00:12:20.420 \longrightarrow 00:12:23.240$ of color are especially vulnerable to this.

NOTE Confidence: 0.9397388

 $00:12:23.240 \longrightarrow 00:12:25.020$ You have certain rights in

NOTE Confidence: 0.9397388

 $00:12:25.020 \longrightarrow 00:12:25.960$ that context as well.

NOTE Confidence: 0.9397388

00:12:25.960 --> 00:12:27.688 This is really nuanced and deserves

NOTE Confidence: 0.9397388

 $00:12:27.688 \longrightarrow 00:12:29.860$ its own multi hour discussion because

NOTE Confidence: 0.9397388

 $00:12:29.860 \longrightarrow 00:12:32.240$ there's a lot of components to this.

NOTE Confidence: 0.9397388

 $00:12:32.240 \longrightarrow 00:12:34.100$ But what I would say is if

NOTE Confidence: 0.9397388

 $00:12:34.100 \longrightarrow 00:12:35.580$ there is inappropriate behavior

NOTE Confidence: 0.9397388

 $00:12:35.580 \longrightarrow 00:12:37.518$ happening in the clinical setting

NOTE Confidence: 0.9397388

00:12:37.518 --> 00:12:39.478 that is happening from patients,

NOTE Confidence: 0.9397388

 $00:12:39.480 \longrightarrow 00:12:40.659$ that is certainly something that

NOTE Confidence: 0.9397388

 $00{:}12{:}40.659 \dashrightarrow 00{:}12{:}42.512$ should be discussed as a team

 $00{:}12{:}42.512 \dashrightarrow 00{:}12{:}44.100$ escalated so that a plan can be

NOTE Confidence: 0.9397388

00:12:44.100 --> 00:12:45.560 put in place to address that.

NOTE Confidence: 0.92789465

 $00:12:46.070 \longrightarrow 00:12:47.750$ I think where schools have gotten into hot

NOTE Confidence: 0.92789465

 $00:12:47.830 \longrightarrow 00:12:49.710$ water under 1009 in particular

NOTE Confidence: 0.92789465

 $00:12:49.990 \longrightarrow 00:12:52.590$ is where students or learners

NOTE Confidence: 0.92789465

00:12:52.910 --> 00:12:54.705 have been subjected to inappropriate

NOTE Confidence: 0.92789465

 $00:12:54.705 \longrightarrow 00:12:56.500$ behavior and then found their

NOTE Confidence: 0.92789465

00:12:56.559 --> 00:12:57.868 learning cut off so they don't

NOTE Confidence: 0.92789465

 $00{:}12{:}57.868 {\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}} 00{:}12{:}59.554$ get to see certain types of cases

NOTE Confidence: 0.92789465

00:12:59.554 --> 00:13:01.109 or somebody says there's nothing

NOTE Confidence: 0.92789465

 $00:13:01.110 \longrightarrow 00:13:02.628$ we can do to address that.

NOTE Confidence: 0.92789465

 $00:13:02.630 \longrightarrow 00:13:04.110$ The key in all of this is

NOTE Confidence: 0.92789465

 $00:13:04.110 \longrightarrow 00:13:05.670$ working to address it.

NOTE Confidence: 0.92789465

 $00:13:05.670 \longrightarrow 00:13:07.390$ The individual solution is

NOTE Confidence: 0.92789465

00:13:07.430 --> 00:13:08.405 very context specific

 $00:13:08.405 \longrightarrow 00:13:09.705$ based on what's happening.

NOTE Confidence: 0.92789465

00:13:10.190 --> 00:13:12.070 It's no longer conversation,

NOTE Confidence: 0.92789465

 $00:13:12.070 \longrightarrow 00:13:14.770$ but I do want to flag it.

NOTE Confidence: 0.92789465

00:13:14.770 --> 00:13:18.646 And so the other piece that I want to flag

NOTE Confidence: 0.92789465

 $00:13:18.650 \longrightarrow 00:13:21.530$ is the vulnerability of patients themselves.

NOTE Confidence: 0.92789465

00:13:21.530 --> 00:13:23.678 Certainly this is also worthy of

NOTE Confidence: 0.92789465

 $00:13:23.678 \longrightarrow 00:13:25.970$ multiple hours of separate conversation,

NOTE Confidence: 0.92789465

 $00:13:25.970 \longrightarrow 00:13:26.810$ but we've all seen the

NOTE Confidence: 0.92789465

 $00{:}13{:}26.810 --> 00{:}13{:}28.316$ headlines in major cases.

NOTE Confidence: 0.92789465

00:13:28.316 --> 00:13:30.422 Larry Nasser certainly stands

NOTE Confidence: 0.92789465

 $00{:}13{:}30.422 --> 00{:}13{:}33.210$ out and the needs of all of us to

NOTE Confidence: 0.92789465

 $00{:}13{:}33.210 \dashrightarrow 00{:}13{:}34.750$ make sure that we are doing our

NOTE Confidence: 0.92789465

 $00:13:34.750 \longrightarrow 00:13:36.130$ part to speak up when something's

NOTE Confidence: 0.92789465

 $00{:}13{:}36.130 \dashrightarrow 00{:}13{:}37.474$ happening in the patient setting.

NOTE Confidence: 0.92789465

 $00:13:37.474 \longrightarrow 00:13:40.546$ We also offer a lot of pathways for

NOTE Confidence: 0.92789465

 $00{:}13{:}40.546 \dashrightarrow 00{:}13{:}42.234$ patients themselves to do that.

00:13:42.234 --> 00:13:43.410 And there are a group of colleagues,

NOTE Confidence: 0.92789465

 $00:13:43.410 \longrightarrow 00:13:44.210$ my office included,

NOTE Confidence: 0.92789465

 $00:13:44.210 \longrightarrow 00:13:46.302$ that meet on these issues or any complaints

NOTE Confidence: 0.92789465

00:13:46.302 --> 00:13:47.816 that come from patients regularly.

NOTE Confidence: 0.92789465

 $00:13:47.816 \longrightarrow 00:13:50.990$ There's a web of complex statutes

NOTE Confidence: 0.92789465

 $00:13:50.990 \longrightarrow 00:13:53.430$ that fall into this area.

NOTE Confidence: 0.92789465

00:13:53.430 --> 00:13:55.702 What I would say is that one thing

NOTE Confidence: 0.92789465

 $00{:}13{:}55.702 \dashrightarrow 00{:}13{:}57.410$ that's really interesting to me

NOTE Confidence: 0.92191356

00:13:57.410 --> 00:14:00.590 about the NASA case. I have followed

NOTE Confidence: 0.92191356

 $00{:}14{:}00.590 \dashrightarrow 00{:}14{:}02.275$ all the details of this in some in

NOTE Confidence: 0.92191356

 $00:14:02.275 \longrightarrow 00:14:04.290$ some detail for years. There was

NOTE Confidence: 0.92191356

 $00:14:04.290 \longrightarrow 00:14:05.930$ a Dean in that case,

NOTE Confidence: 0.92191356

 $00{:}14{:}05.930 \dashrightarrow 00{:}14{:}08.450$ his name was William Strampel.

NOTE Confidence: 0.92191356

00:14:08.450 --> 00:14:10.410 He was Larry NASA's boss,

NOTE Confidence: 0.92191356

00:14:10.410 --> 00:14:13.830 and he himself was found guilty by a jury

00:14:13.830 --> 00:14:17.390 of engaging in inappropriate conduct,

NOTE Confidence: 0.92191356

 $00{:}14{:}17.390 \dashrightarrow 00{:}14{:}19.514$ including groping medical students,

NOTE Confidence: 0.92191356

00:14:19.514 --> 00:14:21.638 asking female medical students

NOTE Confidence: 0.92191356

00:14:21.638 --> 00:14:24.466 how many of them might be virgins

NOTE Confidence: 0.9410308

 $00:14:24.790 \longrightarrow 00:14:27.070$ and other types of conduct.

NOTE Confidence: 0.9410308

 $00:14:27.070 \longrightarrow 00:14:28.470$ His defense at trial

NOTE Confidence: 0.9410308

 $00:14:28.470 \longrightarrow 00:14:31.830$ argued this is locker room talk.

NOTE Confidence: 0.9410308

 $00:14:31.830 \longrightarrow 00:14:32.870$ This is not criminal.

NOTE Confidence: 0.9410308

 $00{:}14{:}32.870 --> 00{:}14{:}35.670$ This is fine. Jury did not buy it.

NOTE Confidence: 0.9410308

 $00:14:35.670 \longrightarrow 00:14:37.390$ Medical license was surrendered when

NOTE Confidence: 0.9410308

 $00{:}14{:}37.390 \dashrightarrow 00{:}14{:}39.078$ he served eight months in prison.

NOTE Confidence: 0.9410308

 $00:14:39.078 \longrightarrow 00:14:41.989$ I think that we really see the tide turning.

NOTE Confidence: 0.9410308

 $00:14:41.990 \longrightarrow 00:14:43.830$ That's obviously a dramatic example.

NOTE Confidence: 0.9410308

00:14:43.830 --> 00:14:44.702 But again,

NOTE Confidence: 0.9410308

00:14:44.702 --> 00:14:47.150 for those who do the work that I do,

NOTE Confidence: 0.9410308

 $00:14:47.150 \longrightarrow 00:14:49.022$ it's not shocking to see that

 $00:14:49.022 \longrightarrow 00:14:50.270$ not only Doctor Nasser,

NOTE Confidence: 0.9410308

 $00{:}14{:}50.270 \dashrightarrow 00{:}14{:}52.706$ the leadership above him was engaging

NOTE Confidence: 0.9410308

 $00:14:52.710 \longrightarrow 00:14:54.685$ in this type of behavior that

NOTE Confidence: 0.9410308

 $00:14:54.685 \longrightarrow 00:14:57.590$ speaks to a climate and a culture.

NOTE Confidence: 0.9410308

 $00:14:57.590 \longrightarrow 00:14:58.870$ And so when we think

NOTE Confidence: 0.9410308

 $00:14:58.870 \longrightarrow 00:15:00.230$ about ferreting that out,

NOTE Confidence: 0.9410308

 $00:15:00.230 \longrightarrow 00:15:01.990$ we have to think about how can we

NOTE Confidence: 0.9410308

 $00:15:01.990 \longrightarrow 00:15:03.626$ interrupt that when we see it happening.

NOTE Confidence: 0.9410308

 $00{:}15{:}03.630 \dashrightarrow 00{:}15{:}05.790$ We interrupted at the lowest level.

NOTE Confidence: 0.9410308

 $00:15:05.790 \longrightarrow 00:15:06.864$ Inappropriate jokes,

NOTE Confidence: 0.9410308

00:15:06.864 --> 00:15:07.938 inappropriate comments,

NOTE Confidence: 0.9410308

 $00:15:07.938 \longrightarrow 00:15:10.623$ those types of by stander intervention

NOTE Confidence: 0.9410308

 $00{:}15{:}10.623 \dashrightarrow 00{:}15{:}12.841$ or leadership intervention are among

NOTE Confidence: 0.9410308

 $00:15:12.841 \longrightarrow 00:15:15.711$ some of the most successful at signaling

NOTE Confidence: 0.9410308

00:15:15.711 --> 00:15:17.998 to folks this doesn't happen here.

 $00:15:17.998 \longrightarrow 00:15:19.908$ We don't allow that idea.

NOTE Confidence: 0.9410308

 $00:15:19.910 \longrightarrow 00:15:24.026$ We actually have a 0 tolerance policy.

NOTE Confidence: 0.9410308

 $00:15:24.030 \dashrightarrow 00:15:27.400$ OK. So I want to talk a bit about consent.

NOTE Confidence: 0.9410308

 $00:15:27.400 \longrightarrow 00:15:28.720$ There's a few layers to this.

NOTE Confidence: 0.9410308

 $00:15:28.720 \longrightarrow 00:15:30.760$ So we often think about consent.

NOTE Confidence: 0.9410308

00:15:30.760 --> 00:15:32.480 For those of you who may have college

NOTE Confidence: 0.9410308

00:15:32.480 --> 00:15:33.878 students or high school students,

NOTE Confidence: 0.9410308

00:15:33.880 --> 00:15:35.518 you think about Okay, affirmative consent.

NOTE Confidence: 0.9410308

 $00:15:35.520 \longrightarrow 00:15:37.059$ You're teaching that to students, right?

NOTE Confidence: 0.9410308 00:15:37.059 --> 00:15:37.398 Yes.

NOTE Confidence: 0.9410308

 $00{:}15{:}37.398 \to 00{:}15{:}40.110$ It's important that you be aware of how

NOTE Confidence: 0.9410308

00:15:40.179 --> 00:15:43.035 you'll find consent as affirmative consent,

NOTE Confidence: 0.9410308

 $00:15:43.040 \longrightarrow 00:15:45.038$ which is not just the absence of the no,

NOTE Confidence: 0.9410308

 $00{:}15{:}45.040 --> 00{:}15{:}48.230$ it's the presence of a yes.

NOTE Confidence: 0.9410308

00:15:48.230 --> 00:15:48.556 However,

NOTE Confidence: 0.9410308

 $00{:}15{:}48.556 \dashrightarrow 00{:}15{:}50.838$ it's also important for you to know

 $00:15:50.838 \longrightarrow 00:15:53.404$ that if you engage in sexual romantic

NOTE Confidence: 0.9410308

 $00:15:53.404 \longrightarrow 00:15:56.069$ contact in the workplace with a colleague,

NOTE Confidence: 0.9410308

00:15:56.070 --> 00:15:57.015 the affirmative consent

NOTE Confidence: 0.9410308

 $00:15:57.015 \longrightarrow 00:15:58.905$ standards apply to you as well.

NOTE Confidence: 0.9410308

00:15:58.910 --> 00:16:00.090 So it's important for you

NOTE Confidence: 0.9410308

 $00:16:00.090 \longrightarrow 00:16:01.270$ to be aware of that.

NOTE Confidence: 0.9410308

 $00:16:01.270 \longrightarrow 00:16:02.590$ If there's workplace conduct

NOTE Confidence: 0.9410308

 $00:16:02.590 \longrightarrow 00:16:04.240$ happening and somebody files a

NOTE Confidence: 0.9410308

 $00:16:04.240 \longrightarrow 00:16:05.908$ complaint that it was non consensual,

NOTE Confidence: 0.9410308

 $00:16:05.910 \longrightarrow 00:16:08.868$ particularly if there's any power dynamic,

NOTE Confidence: 0.9410308

 $00:16:08.870 \longrightarrow 00:16:10.515$ affirmative consent will be one

NOTE Confidence: 0.9410308

 $00:16:10.515 \longrightarrow 00:16:12.548$ of the rubrics under which that

NOTE Confidence: 0.9410308

 $00{:}16{:}12.548 {\:{\mbox{--}}\!>\:} 00{:}16{:}14.158$ interaction will be based on.

NOTE Confidence: 0.9410308

 $00:16:14.160 \longrightarrow 00:16:16.386$ It's also important for you to know

NOTE Confidence: 0.9410308

 $00:16:16.386 \longrightarrow 00:16:18.721$ that Yale has certain policies related

00:16:18.721 --> 00:16:20.156 to teacher student relationships,

NOTE Confidence: 0.9410308

 $00{:}16{:}20.156 \dashrightarrow 00{:}16{:}22.480$ so I'm going to read to you

NOTE Confidence: 0.9410308

 $00:16:22.540 \longrightarrow 00:16:23.800$ the language directly.

NOTE Confidence: 0.9410308

 $00:16:23.800 \longrightarrow 00:16:25.040$ You can find all of this on the

NOTE Confidence: 0.93145925

 $00:16:25.120 \longrightarrow 00:16:27.358$ Title 9 website, but here's what

NOTE Confidence: 0.93145925

 $00:16:27.360 \longrightarrow 00:16:29.040$ it says in relevant part.

NOTE Confidence: 0.93145925

 $00:16:29.040 \longrightarrow 00:16:32.262$ Teachers must avoid sexual or romantic

NOTE Confidence: 0.93145925

 $00:16:32.262 \longrightarrow 00:16:34.410$ relationships with students over

NOTE Confidence: 0.93145925

00:16:34.495 --> 00:16:37.039 whom they have or might reasonably

NOTE Confidence: 0.93145925

00:16:37.039 --> 00:16:39.590 expect to have direct pedagogical

NOTE Confidence: 0.93145925

00:16:39.590 --> 00:16:41.918 or supervisory relationships,

NOTE Confidence: 0.93145925

 $00:16:41.920 \longrightarrow 00:16:44.952$ regardless of whether the

NOTE Confidence: 0.93145925

 $00:16:44.952 \longrightarrow 00:16:47.226$ engagement with consensual.

NOTE Confidence: 0.93145925

00:16:47.230 --> 00:16:49.366 So there's a prohibition where you're

NOTE Confidence: 0.93145925

 $00:16:49.366 \longrightarrow 00:16:52.392$ in a position of authority over students

NOTE Confidence: 0.93145925

 $00:16:52.392 \longrightarrow 00:16:54.947$ from romantic or sexual relationships.

 $00:16:54.950 \longrightarrow 00:16:55.842$ In addition to that,

NOTE Confidence: 0.93145925

 $00:16:55.842 \longrightarrow 00:16:57.470$ let's say that power dynamics not apply.

NOTE Confidence: 0.93145925

00:16:57.470 --> 00:16:59.732 It's important to keep the consensual

NOTE Confidence: 0.93145925

 $00:16:59.732 \longrightarrow 00:17:02.390$ that for with consent standards or not.

NOTE Confidence: 0.93288916

 $00:17:05.030 \longrightarrow 00:17:06.422$ OK, there's an online

NOTE Confidence: 0.93288916

00:17:06.422 --> 00:17:07.814 training module of this.

NOTE Confidence: 0.93288916

 $00:17:07.820 \longrightarrow 00:17:08.780$ It kind of looks like this.

NOTE Confidence: 0.93288916

 $00:17:08.780 \longrightarrow 00:17:09.740$ For those of you taking it,

NOTE Confidence: 0.93288916

 $00{:}17{:}09.740 \to 00{:}17{:}11.455$ it's the water color drawings that show up.

NOTE Confidence: 0.93288916

 $00:17:11.460 \longrightarrow 00:17:13.740$ It's about 20 minutes,

NOTE Confidence: 0.93288916

 $00{:}17{:}13.740 \dashrightarrow 00{:}17{:}15.378$ so we're going to ask you to complete that.

NOTE Confidence: 0.93288916

 $00:17:15.380 \longrightarrow 00:17:16.397$ You haven't already.

NOTE Confidence: 0.93288916

 $00{:}17{:}16.397 \dashrightarrow 00{:}17{:}18.770$ There's also a 2 hour state mandated

NOTE Confidence: 0.93288916

00:17:18.836 --> 00:17:21.100 sexual harassment prevention training.

NOTE Confidence: 0.93288916

 $00:17:21.100 \longrightarrow 00:17:21.976$ I don't know if any of

 $00:17:21.976 \longrightarrow 00:17:22.740$ you have taken that yet.

NOTE Confidence: 0.93288916

 $00:17:22.740 \longrightarrow 00:17:24.372$ It's kind of the two lawyers

NOTE Confidence: 0.93288916

 $00:17:24.372 \longrightarrow 00:17:26.575$ and a lot of scenarios that I

NOTE Confidence: 0.93288916

 $00:17:26.575 \longrightarrow 00:17:28.657$ am advancing a lot of screens.

NOTE Confidence: 0.93288916

 $00:17:28.660 \longrightarrow 00:17:31.061$ So I definitely encourage you to make

NOTE Confidence: 0.93288916

 $00{:}17{:}31.061 \dashrightarrow 00{:}17{:}33.504$ sure to get those trainings done or

NOTE Confidence: 0.93288916

 $00:17:33.504 \longrightarrow 00:17:36.988$ you'll get a lot of kind of pestering emails.

NOTE Confidence: 0.93288916

00:17:36.990 --> 00:17:37.800 All right?

NOTE Confidence: 0.93288916

 $00{:}17{:}37.800 \dashrightarrow 00{:}17{:}39.825$ So response and support resources.

NOTE Confidence: 0.93288916

 $00:17:39.830 \longrightarrow 00:17:41.204$ One of the most important things

NOTE Confidence: 0.93288916

 $00{:}17{:}41.204 \dashrightarrow 00{:}17{:}42.914$ I would say if you take nothing

NOTE Confidence: 0.93288916

 $00:17:42.914 \longrightarrow 00:17:44.402$ else away from today outside of

NOTE Confidence: 0.93288916

00:17:44.402 --> 00:17:46.069 my coffee and food suggestions,

NOTE Confidence: 0.93288916

00:17:46.070 --> 00:17:48.238 take take this away and make sure that

NOTE Confidence: 0.93288916

 $00:17:48.238 \longrightarrow 00:17:50.506$ you know where you can go for support.

NOTE Confidence: 0.93288916

 $00:17:50.510 \longrightarrow 00:17:53.282$ So there's a couple of localized resources.

00:17:53.282 --> 00:17:55.529 I'll be talking about showing you the

NOTE Confidence: 0.93288916

 $00{:}17{:}55.529 \dashrightarrow 00{:}17{:}57.643$ pictures of who at the School of Medicine

NOTE Confidence: 0.93288916

 $00:17:57.643 \longrightarrow 00:17:59.159$ and then university wide resources.

NOTE Confidence: 0.93288916

00:17:59.160 --> 00:18:01.566 So the Office of Institutional Equity

NOTE Confidence: 0.93288916

 $00:18:01.566 \longrightarrow 00:18:04.200$ and Accessibility and the Title 9 office.

NOTE Confidence: 0.93288916

 $00:18:04.200 \longrightarrow 00:18:05.480$ I received both of those.

NOTE Confidence: 0.93288916

 $00:18:05.480 \longrightarrow 00:18:06.880$ We work very closely together.

NOTE Confidence: 0.93288916

 $00:18:06.880 \longrightarrow 00:18:08.708$ We share physical space.

NOTE Confidence: 0.93288916

 $00{:}18{:}08.708 \dashrightarrow 00{:}18{:}10.993$ Those are the centralized offices.

NOTE Confidence: 0.93288916

00:18:11.000 --> 00:18:12.185 Sometimes people say I don't

NOTE Confidence: 0.93288916

 $00:18:12.185 \longrightarrow 00:18:14.200$ want to go to the local resource,

NOTE Confidence: 0.93288916

 $00:18:14.200 \longrightarrow 00:18:16.840$ I'd rather go right to the central resource.

NOTE Confidence: 0.93288916

 $00{:}18{:}16.840 \dashrightarrow 00{:}18{:}18.016$ This feels so tender.

NOTE Confidence: 0.93288916

 $00{:}18{:}18.016 \dashrightarrow 00{:}18{:}20.251$ Or may be the people of the localized

NOTE Confidence: 0.93288916

 $00:18:20.251 \longrightarrow 00:18:22.711$ resource you think they have relationships

 $00:18:22.711 \longrightarrow 00:18:25.229$ with the folks are concerned about.

NOTE Confidence: 0.93288916

 $00:18:25.230 \longrightarrow 00:18:27.190$ Or any other brave reasons.

NOTE Confidence: 0.93288916

00:18:27.190 --> 00:18:30.508 You can always come straight to us,

NOTE Confidence: 0.93288916

 $00:18:30.510 \longrightarrow 00:18:32.226$ but you also have localized resources,

NOTE Confidence: 0.93288916

 $00:18:32.230 \longrightarrow 00:18:34.654$ so discrimination and harassment

NOTE Confidence: 0.93288916

 $00:18:34.654 \longrightarrow 00:18:35.866$ resource coordinators,

NOTE Confidence: 0.93288916

 $00:18:35.870 \longrightarrow 00:18:38.270$ one of them will look familiar to Darren.

NOTE Confidence: 0.93288916

00:18:38.270 --> 00:18:39.710 There's also John Francis,

NOTE Confidence: 0.93288916

00:18:39.710 --> 00:18:40.430 Karina Gonzalez,

NOTE Confidence: 0.93288916

 $00:18:40.430 \longrightarrow 00:18:42.203$ and Marietta Vasquez.

NOTE Confidence: 0.93288916

 $00:18:42.203 \longrightarrow 00:18:45.300$ They work to both prevent discrimination

NOTE Confidence: 0.93288916

 $00:18:45.300 \longrightarrow 00:18:47.500$ or harassment and also respond

NOTE Confidence: 0.93288916

 $00:18:47.500 \longrightarrow 00:18:49.700$ supportively to incidents that occur.

NOTE Confidence: 0.93288916

 $00:18:49.700 \longrightarrow 00:18:51.410$ They're a great first stop

NOTE Confidence: 0.93288916

 $00:18:51.410 \longrightarrow 00:18:53.708$ if you have concerns based on

NOTE Confidence: 0.93288916

 $00:18:53.708 \longrightarrow 00:18:55.259$ discrimination or harassment,

00:18:55.260 --> 00:18:58.218 implicit bias, things of that nature,

NOTE Confidence: 0.93288916

 $00{:}18{:}58.220 \dashrightarrow 00{:}18{:}59.960$ or if you're working with a

NOTE Confidence: 0.93288916

 $00:18:59.960 \longrightarrow 00:19:01.700$ student or a colleague who does,

NOTE Confidence: 0.93288916

00:19:01.700 --> 00:19:04.068 they're a good first stop to think about

NOTE Confidence: 0.93288916

 $00:19:04.068 \longrightarrow 00:19:06.740$ how might you want to approach this problem.

NOTE Confidence: 0.93288916

 $00:19:06.740 \longrightarrow 00:19:09.218$ Meeting with them does not automatically

NOTE Confidence: 0.93288916

00:19:09.218 --> 00:19:10.870 launch some big investigation.

NOTE Confidence: 0.93288916

 $00:19:10.870 \longrightarrow 00:19:13.550$ You're generally very serious allegations.

NOTE Confidence: 0.93288916

 $00:19:13.550 \longrightarrow 00:19:16.245$ Going to retain the control to decide

NOTE Confidence: 0.93288916

 $00:19:16.245 \longrightarrow 00:19:18.390$ what happens with your concern.

NOTE Confidence: 0.93288916

00:19:18.390 --> 00:19:19.930 Deputy Title 9 coordinators,

NOTE Confidence: 0.93288916

00:19:19.930 --> 00:19:21.470 you'll see Darren again.

NOTE Confidence: 0.93288916

 $00{:}19{:}21.470 \dashrightarrow 00{:}19{:}24.390$ He has both roles, which is really helpful.

NOTE Confidence: 0.93288916

 $00:19:24.390 \longrightarrow 00:19:25.580$ And then you have three others in

NOTE Confidence: 0.93288916

00:19:25.580 --> 00:19:27.234 the school as well, Cindy Cristo,

 $00:19:27.234 \dashrightarrow 00:19:29.544$ Rosemary Fisher, and Megan King.

NOTE Confidence: 0.93288916

 $00:19:29.550 \longrightarrow 00:19:31.515$ And these folks specifically have

NOTE Confidence: 0.93288916

 $00:19:31.515 \longrightarrow 00:19:33.480$ training around sex and gender

NOTE Confidence: 0.93288916

 $00:19:33.545 \longrightarrow 00:19:34.589$ based harassment,

NOTE Confidence: 0.93288916

00:19:34.590 --> 00:19:36.279 including sexual harassment,

NOTE Confidence: 0.93288916

00:19:36.279 --> 00:19:37.968 pregnancy and parenting,

NOTE Confidence: 0.93288916

 $00:19:37.970 \longrightarrow 00:19:40.154$ which falls under title 9 and other

NOTE Confidence: 0.93288916

 $00:19:40.154 \longrightarrow 00:19:42.686$ types of supports related to sex and gender.

NOTE Confidence: 0.9363103

00:19:44.930 --> 00:19:46.414 And you may want to contact them

NOTE Confidence: 0.9363103

 $00:19:46.414 \longrightarrow 00:19:47.929$ to report a specific concern.

NOTE Confidence: 0.9363103

 $00{:}19{:}47.930 \dashrightarrow 00{:}19{:}50.290$ Just have a supportive conversation.

NOTE Confidence: 0.9363103

00:19:50.290 --> 00:19:52.240 Sometimes people access the local

NOTE Confidence: 0.9363103

 $00:19:52.240 \dashrightarrow 00:19:54.325$ resources to say somebody made a

NOTE Confidence: 0.9363103

 $00:19:54.325 \longrightarrow 00:19:55.850$ really off coloring market meeting.

NOTE Confidence: 0.9363103

00:19:55.850 --> 00:19:57.610 I don't want to make a huge case about it,

NOTE Confidence: 0.9363103

00:19:57.610 --> 00:19:59.842 but how do you suggest I deal with it?

 $00:19:59.850 \longrightarrow 00:20:01.890$ That's a great reason to go to that.

NOTE Confidence: 0.9363103

 $00:20:01.890 \longrightarrow 00:20:03.738$ We don't want you to ever feel like

NOTE Confidence: 0.9363103

 $00{:}20{:}03.738 \dashrightarrow 00{:}20{:}05.835$ you or colleagues or students have to

NOTE Confidence: 0.9363103

00:20:05.835 --> 00:20:08.129 sort of sit with something by yourself.

NOTE Confidence: 0.9363103

 $00:20:08.130 \longrightarrow 00:20:10.832$ And then we can also provide supportive

NOTE Confidence: 0.9363103

00:20:10.832 --> 00:20:12.690 measures including academic employment,

NOTE Confidence: 0.9363103

00:20:12.690 --> 00:20:15.170 housing or workplace modifications,

NOTE Confidence: 0.9363103

 $00:20:15.170 \longrightarrow 00:20:17.210$ depending on these facts.

NOTE Confidence: 0.94223356

 $00:20:19.770 \longrightarrow 00:20:22.878$ So here's some real life concerns that

NOTE Confidence: 0.94223356

00:20:22.878 --> 00:20:25.126 have been brought to discrimination,

NOTE Confidence: 0.94223356

00:20:25.126 --> 00:20:27.416 harassment, and Title 9 coordinators

NOTE Confidence: 0.94223356

 $00:20:27.416 \longrightarrow 00:20:29.920$ over the past couple of years.

NOTE Confidence: 0.94223356

 $00{:}20{:}29.920 \dashrightarrow 00{:}20{:}32.060$ It gives you a sense of the types of pieces

NOTE Confidence: 0.94223356

 $00:20:32.112 \longrightarrow 00:20:33.944$ that we see and the types of concerns

NOTE Confidence: 0.94223356

00:20:33.944 --> 00:20:35.933 that you might want to bring forward.

 $00:20:35.933 \longrightarrow 00:20:38.598$ This is a small sampling

NOTE Confidence: 0.94223356

 $00{:}20{:}38.600 \dashrightarrow 00{:}20{:}39.920$ the the range is wide.

NOTE Confidence: 0.94223356

 $00:20:39.920 \longrightarrow 00:20:41.313$ This is not the only types of

NOTE Confidence: 0.94223356

00:20:41.313 --> 00:20:42.560 concerns you can bring forward,

NOTE Confidence: 0.94223356

 $00:20:42.560 \longrightarrow 00:20:43.785$ but I'll just give you

NOTE Confidence: 0.94223356

 $00:20:43.785 \longrightarrow 00:20:45.240$ a minute with this list.

NOTE Confidence: 0.9276802

 $00:20:53.840 \longrightarrow 00:20:56.896$ And as I think about a couple of

NOTE Confidence: 0.9276802

 $00{:}20{:}56.896 \dashrightarrow 00{:}20{:}59.288$ specific cases that this refers to

NOTE Confidence: 0.9276802

 $00:20:59.290 \longrightarrow 00:21:01.474$ when when offices like ours and the

NOTE Confidence: 0.9276802

 $00:21:01.474 \longrightarrow 00:21:02.770$ coordinators were involved early,

NOTE Confidence: 0.9276802

 $00{:}21{:}02.770 \dashrightarrow 00{:}21{:}05.626$ some of these we were able to produce

NOTE Confidence: 0.9276802

 $00{:}21{:}05.626 \to 00{:}21{:}08.209$ solutions or supports to very quickly.

NOTE Confidence: 0.9276802

 $00:21:08.210 \longrightarrow 00:21:09.452$ So when we think about something

NOTE Confidence: 0.9276802

 $00:21:09.452 \longrightarrow 00:21:10.690$ like graffiti on a building,

NOTE Confidence: 0.9276802

 $00:21:10.690 \longrightarrow 00:21:13.434$ we can work with the Police Department to

NOTE Confidence: 0.9276802

00:21:13.434 --> 00:21:15.678 very quickly get that both taken away,

 $00:21:15.678 \longrightarrow 00:21:17.014$ but also investigated the

NOTE Confidence: 0.9276802

00:21:17.014 --> 00:21:19.130 case on PPO in particular,

NOTE Confidence: 0.9276802

 $00:21:19.130 \longrightarrow 00:21:21.326$ they were able to find folks who did it,

NOTE Confidence: 0.9276802

00:21:21.330 --> 00:21:23.010 luckily not members of our community,

NOTE Confidence: 0.9276802

 $00{:}21{:}23.010 \dashrightarrow 00{:}21{:}25.542$ members of the local high school

NOTE Confidence: 0.9276802

 $00{:}21{:}25.542 \dashrightarrow 00{:}21{:}27.206$ community and manage it in that way.

NOTE Confidence: 0.9276802

00:21:27.210 --> 00:21:29.744 So I would encourage you to bring

NOTE Confidence: 0.9276802

 $00{:}21{:}29.744 \dashrightarrow 00{:}21{:}31.884$ forward concerns so that we can

NOTE Confidence: 0.9276802

 $00:21:31.884 \longrightarrow 00:21:33.380$ address them and you can do that.

NOTE Confidence: 0.9276802

 $00{:}21{:}33.380 \dashrightarrow 00{:}21{:}35.564$ You can reach out to a discrimination

NOTE Confidence: 0.9276802

 $00:21:35.564 \longrightarrow 00:21:36.500$ approximate resource coordinator,

NOTE Confidence: 0.9276802

 $00{:}21{:}36.500 \dashrightarrow 00{:}21{:}38.936$ Shortland DHRC here or Channel 9 coordinator

NOTE Confidence: 0.9276802

 $00:21:38.936 \longrightarrow 00:21:43.460$ or as I mentioned the central offices.

NOTE Confidence: 0.9276802

 $00:21:43.460 \longrightarrow 00:21:45.700$ I also want to mention your Channel

NOTE Confidence: 0.9276802

00:21:45.700 --> 00:21:46.660 9 reporting responsibilities.

00:21:46.660 --> 00:21:48.578 So we talked about you have rights,

NOTE Confidence: 0.9276802

 $00{:}21{:}48.580 \longrightarrow 00{:}21{:}50.420$ you also have responsibilities.

NOTE Confidence: 0.9276802

 $00:21:50.420 \longrightarrow 00:21:55.128$ So if you are in the position of receiving

NOTE Confidence: 0.9276802

 $00:21:55.130 \longrightarrow 00:21:58.770$ a disclosure from a student in particular,

NOTE Confidence: 0.9276802

 $00:21:58.770 \longrightarrow 00:22:02.766$ but from anyone regarding sexual misconduct,

NOTE Confidence: 0.9276802

 $00:22:02.770 \longrightarrow 00:22:03.916$ given your roles,

NOTE Confidence: 0.9276802

 $00:22:03.916 \longrightarrow 00:22:06.590$ we would have a reporting obligation to

NOTE Confidence: 0.9276802

00:22:06.666 --> 00:22:08.958 either your deputy Title 9 coordinators

NOTE Confidence: 0.9276802

 $00:22:08.958 \longrightarrow 00:22:11.570$ or to the central Title 9 office.

NOTE Confidence: 0.9276802

00:22:11.570 --> 00:22:13.922 Are any of you coming from prior

NOTE Confidence: 0.9276802

 $00{:}22{:}13.922 \dashrightarrow 00{:}22{:}15.408$ institutions where you remember

NOTE Confidence: 0.9276802

00:22:15.408 --> 00:22:17.448 having this kind of obligation?

NOTE Confidence: 0.9276802

 $00:22:17.450 \longrightarrow 00:22:19.970$ So this isn't new to everyone.

NOTE Confidence: 0.9276802

 $00:22:19.970 \longrightarrow 00:22:22.819$ And so the way I suggest managing

NOTE Confidence: 0.9276802

 $00:22:22.819 \longrightarrow 00:22:25.044$ this is if you are in the position

NOTE Confidence: 0.9276802

 $00:22:25.044 \longrightarrow 00:22:26.320$ where somebody comes forward to you,

00:22:26.320 --> 00:22:27.136 first of all,

NOTE Confidence: 0.9276802

 $00:22:27.136 \longrightarrow 00:22:29.040$ that's a really important moment for that.

NOTE Confidence: 0.9276802

 $00:22:29.040 \longrightarrow 00:22:31.916$ The research shows us that the first

NOTE Confidence: 0.9276802

 $00{:}22{:}31.916 \dashrightarrow 00{:}22{:}33.706$ person that someone tells they're

NOTE Confidence: 0.9276802

 $00:22:33.706 \longrightarrow 00:22:35.400$ experiencing harassment or misconduct,

NOTE Confidence: 0.9276802

 $00:22:35.400 \longrightarrow 00:22:39.028$ their reaction will have a long

NOTE Confidence: 0.9276802

 $00:22:39.028 \longrightarrow 00:22:41.086$ line impact on how they feel about

NOTE Confidence: 0.9276802

 $00:22:41.086 \longrightarrow 00:22:42.919$ it and what they do next.

NOTE Confidence: 0.9276802

 $00:22:42.920 \longrightarrow 00:22:45.638$ So if the reaction is supportive,

NOTE Confidence: 0.9276802

 $00{:}22{:}45.640 \dashrightarrow 00{:}22{:}47.584$ that can go a long way and somebody

NOTE Confidence: 0.9276802

 $00:22:47.584 \longrightarrow 00:22:48.973$ feeling like they can take

NOTE Confidence: 0.9276802

 $00:22:48.973 \longrightarrow 00:22:50.393$ agency to manage the situation.

NOTE Confidence: 0.9276802

 $00:22:50.400 \longrightarrow 00:22:53.552$ If the reaction is blaming or minimizing,

NOTE Confidence: 0.9276802

 $00{:}22{:}53.552 \dashrightarrow 00{:}22{:}56.007$ they may never tell anyone.

NOTE Confidence: 0.9276802

00:22:56.010 --> 00:22:57.310 It's really interesting stuff.

 $00:22:57.310 \longrightarrow 00:22:59.745$ We really harp on this with the

NOTE Confidence: 0.9276802

 $00{:}22{:}59.745 \to 00{:}23{:}01.429$ undergraduates because it's particular

NOTE Confidence: 0.9276802

 $00:23:01.429 \longrightarrow 00:23:03.930$ particularly potent in their age range.

NOTE Confidence: 0.9276802

 $00:23:03.930 \longrightarrow 00:23:05.834$ Talk to them about how to be

NOTE Confidence: 0.9276802

00:23:05.834 --> 00:23:07.710 a good receiver of concerns,

NOTE Confidence: 0.9276802

 $00:23:07.710 \longrightarrow 00:23:10.890$ but it's also relevant with you.

NOTE Confidence: 0.9276802

 $00:23:10.890 \longrightarrow 00:23:12.122$ So if you are on the receiving

NOTE Confidence: 0.9276802

 $00:23:12.122 \longrightarrow 00:23:13.170$ end of the disclosure,

NOTE Confidence: 0.9276802

00:23:13.170 --> 00:23:14.430 first know that some body is

NOTE Confidence: 0.9276802

 $00:23:14.430 \longrightarrow 00:23:15.690$ really trusting me with that.

NOTE Confidence: 0.9276802

 $00{:}23{:}15.690 \dashrightarrow 00{:}23{:}17.250$ And it's a really important moment.

NOTE Confidence: 0.9276802

00:23:17.250 --> 00:23:18.610 And somebody who has received,

NOTE Confidence: 0.9276802

 $00:23:18.610 \longrightarrow 00:23:20.050$ given the nature of my job,

NOTE Confidence: 0.9276802

00:23:20.050 --> 00:23:22.468 dozens and dozens of these disclosures,

NOTE Confidence: 0.9276802

 $00:23:22.470 \longrightarrow 00:23:24.906$ which one is a really important moment.

NOTE Confidence: 0.9276802

 $00:23:24.910 \longrightarrow 00:23:27.230$ And you do want to be able to

 $00:23:27.230 \longrightarrow 00:23:29.652$ channel postal resources even to say,

NOTE Confidence: 0.9276802

 $00:23:29.652 \longrightarrow 00:23:31.228$ look, this is something,

NOTE Confidence: 0.9276802

 $00:23:31.230 \longrightarrow 00:23:33.286$ there's an office that I can call for

NOTE Confidence: 0.9276802

00:23:33.286 --> 00:23:35.218 help or deputy Title 9 coordinator

NOTE Confidence: 0.9276802

 $00:23:35.218 \longrightarrow 00:23:37.246$ who can support and talk through

NOTE Confidence: 0.9276802

 $00:23:37.305 \longrightarrow 00:23:38.907$ what to do with this matter.

NOTE Confidence: 0.9276802

 $00:23:38.910 \longrightarrow 00:23:40.710$ We're not asking each of you

NOTE Confidence: 0.9276802

 $00:23:40.710 \longrightarrow 00:23:42.509$ to be experts in Title 9.

NOTE Confidence: 0.9276802

 $00:23:42.510 \longrightarrow 00:23:44.550$ That would be an unfair expectation.

NOTE Confidence: 0.9276802

 $00{:}23{:}44.550 \dashrightarrow 00{:}23{:}45.971$ We are asking you to channel it

NOTE Confidence: 0.9276802

 $00:23:45.971 \longrightarrow 00:23:47.422$ to the Title 9 experts so that

NOTE Confidence: 0.9276802

 $00:23:47.422 \longrightarrow 00:23:48.610$ we can provide a range of

NOTE Confidence: 0.93338513

00:23:48.664 --> 00:23:49.573 resources and support

NOTE Confidence: 0.93338513

00:23:49.573 --> 00:23:50.785 that someone might need.

NOTE Confidence: 0.9135047

 $00:23:53.530 \longrightarrow 00:23:54.530$ And then what happens after

 $00:23:54.530 \longrightarrow 00:23:55.796$ a lot of people say, well,

NOTE Confidence: 0.9135047

 $00{:}23{:}55.796 \dashrightarrow 00{:}23{:}57.658$ what happens after I make that call

NOTE Confidence: 0.9135047

 $00{:}23{:}57.658 \dashrightarrow 00{:}24{:}00.157$ if I if I let a deputy Channel 9

NOTE Confidence: 0.9135047

 $00:24:00.157 \longrightarrow 00:24:02.249$ coordinator know or the Channel 9 office.

NOTE Confidence: 0.9135047

 $00:24:02.250 \longrightarrow 00:24:06.658$ So we typically ask for an

NOTE Confidence: 0.9135047

00:24:06.658 --> 00:24:08.156 initial discussion, say, hey,

NOTE Confidence: 0.9135047

 $00:24:08.156 \longrightarrow 00:24:09.927$ we heard there might be a concern,

NOTE Confidence: 0.9135047

 $00:24:09.930 \longrightarrow 00:24:11.827$ we like to provide support and we

NOTE Confidence: 0.9135047

 $00{:}24{:}11.827 \dashrightarrow 00{:}24{:}13.827$ can have a meeting to say what

NOTE Confidence: 0.9135047

00:24:13.827 --> 00:24:15.369 sort of resources do you need?

NOTE Confidence: 0.9135047

 $00{:}24{:}15.370 \dashrightarrow 00{:}24{:}17.542$ Are you safe when an intimate

NOTE Confidence: 0.9135047

00:24:17.542 --> 00:24:18.628 partner violence situation,

NOTE Confidence: 0.9135047

 $00:24:18.630 \longrightarrow 00:24:20.086$ someone might need assistance

NOTE Confidence: 0.9135047

00:24:20.086 --> 00:24:21.906 with safety planning or housing?

NOTE Confidence: 0.9135047

 $00:24:21.910 \longrightarrow 00:24:23.382$ These are definitely situations

NOTE Confidence: 0.9135047

 $00:24:23.382 \longrightarrow 00:24:25.590$ you want to bring forward rapidly.

00:24:25.590 --> 00:24:27.823 There can be a link between intimate

NOTE Confidence: 0.9135047

 $00{:}24{:}27.823 \to 00{:}24{:}29.910$ partner violence and work place violence.

NOTE Confidence: 0.9135047

00:24:29.910 --> 00:24:31.630 Sure, you have seen that in the headlines.

NOTE Confidence: 0.9135047

 $00:24:31.630 \longrightarrow 00:24:33.688$ That hurt all of us when there

NOTE Confidence: 0.9135047

 $00{:}24{:}33.688 {\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}} 00{:}24{:}35.190$ are workplace violence incidents.

NOTE Confidence: 0.9135047

 $00:24:35.190 \longrightarrow 00:24:37.198$ That is one of the reasons you need

NOTE Confidence: 0.9135047

 $00:24:37.198 \longrightarrow 00:24:39.347$ to make sure to get those to us as

NOTE Confidence: 0.9135047

 $00{:}24{:}39.347 \dashrightarrow 00{:}24{:}41.257$ soon as they are disposed to you.

NOTE Confidence: 0.9135047

 $00:24:41.260 \longrightarrow 00:24:43.048$ We protect privacy and share information

NOTE Confidence: 0.9135047

 $00:24:43.048 \longrightarrow 00:24:45.059$ only on a need to know basis.

NOTE Confidence: 0.9135047

 $00{:}24{:}45.060 \dashrightarrow 00{:}24{:}47.055$ So if you do report something out,

NOTE Confidence: 0.9135047

00:24:47.060 --> 00:24:48.924 it may be that you don't receive a

NOTE Confidence: 0.9135047

 $00:24:48.924 \longrightarrow 00:24:50.980$ whole lot back other than confirmation.

NOTE Confidence: 0.9135047

 $00{:}24{:}50.980 \dashrightarrow 00{:}24{:}52.880$ That's intentional to protect the

NOTE Confidence: 0.9135047

 $00:24:52.880 \longrightarrow 00:24:54.780$ privacy rights that people involved.

 $00:24:54.780 \longrightarrow 00:24:58.567$ This is another area folks at Yale

NOTE Confidence: 0.9135047

 $00{:}24{:}58.567 \dashrightarrow 00{:}25{:}01.088$ School Medicine like to use Reply All a

NOTE Confidence: 0.9135047

00:25:01.088 --> 00:25:03.490 lot or a lot of people on the copy line.

NOTE Confidence: 0.9135047

 $00:25:03.490 \longrightarrow 00:25:05.330$ This is an area not to do that.

NOTE Confidence: 0.9135047

 $00:25:05.330 \longrightarrow 00:25:06.980$ You want to keep this pretty

NOTE Confidence: 0.9135047

 $00:25:06.980 \longrightarrow 00:25:07.805$ discreet and private.

NOTE Confidence: 0.9135047

 $00:25:07.810 \longrightarrow 00:25:09.833$ We can have a discussion when you

NOTE Confidence: 0.9135047

 $00:25:09.833 \longrightarrow 00:25:11.609$ call about who needs to know.

NOTE Confidence: 0.9135047

 $00{:}25{:}11.610 \dashrightarrow 00{:}25{:}13.122$ You may have reasons that you feel

NOTE Confidence: 0.9135047

 $00:25:13.122 \longrightarrow 00:25:14.370$ like other folks need to know.

NOTE Confidence: 0.9135047

 $00:25:14.370 \longrightarrow 00:25:17.676$ We can talk about further than you.

NOTE Confidence: 0.9135047

 $00{:}25{:}17.676 \dashrightarrow 00{:}25{:}19.606$ And importantly, reporting your concern,

NOTE Confidence: 0.9135047

 $00:25:19.610 \longrightarrow 00:25:21.829$ I just cannot emphasize this enough is

NOTE Confidence: 0.9135047

 $00:25:21.829 \longrightarrow 00:25:23.690$ not automatically launch an investigation.

NOTE Confidence: 0.9135047

 $00:25:23.690 \longrightarrow 00:25:25.364$ That's often a fear of folks

NOTE Confidence: 0.9135047

 $00:25:25.364 \longrightarrow 00:25:27.000$ who are disclosing a concern.

 $00:25:27.000 \longrightarrow 00:25:29.817$ It is the very rare case where the

NOTE Confidence: 0.9135047

00:25:29.817 --> 00:25:31.598 institution on its own initiative,

NOTE Confidence: 0.9135047

 $00:25:31.600 \longrightarrow 00:25:34.156$ would move forward with an investigation

NOTE Confidence: 0.9135047

 $00:25:34.160 \longrightarrow 00:25:36.696$ in virtually all incidents,

NOTE Confidence: 0.9135047

 $00:25:36.696 \longrightarrow 00:25:38.598$ with some exceptions,

NOTE Confidence: 0.9135047

 $00:25:38.600 \longrightarrow 00:25:40.226$ And the exceptions would be where

NOTE Confidence: 0.9135047

 $00:25:40.226 \longrightarrow 00:25:42.906$ there's a concern about the safety of others.

NOTE Confidence: 0.9135047

 $00:25:42.906 \longrightarrow 00:25:45.038$ But in most incidences,

NOTE Confidence: 0.9135047

 $00:25:45.040 \longrightarrow 00:25:46.874$ the person on the receiving end of

NOTE Confidence: 0.9135047

 $00{:}25{:}46.874 \dashrightarrow 00{:}25{:}48.304$ the behavior that is of concern

NOTE Confidence: 0.9135047

 $00:25:48.304 \longrightarrow 00:25:50.028$ is going to have a lot of agency

NOTE Confidence: 0.9135047

 $00:25:50.028 \longrightarrow 00:25:51.196$ over what happens next

NOTE Confidence: 0.93047166

 $00{:}25{:}53.390 \dashrightarrow 00{:}25{:}54.570$ and then resolution options.

NOTE Confidence: 0.93047166

 $00:25:54.570 \longrightarrow 00:25:57.670$ So we are able to do formal investigations

NOTE Confidence: 0.93047166

 $00:25:57.670 \longrightarrow 00:25:59.788$ and that includes our university wide

 $00:25:59.788 \longrightarrow 00:26:01.668$ committee on section was conduct

NOTE Confidence: 0.93047166

00:26:01.668 --> 00:26:03.708 our office of Institutional Equity.

NOTE Confidence: 0.93047166

 $00:26:03.710 \longrightarrow 00:26:05.480$ We are also able to offer

NOTE Confidence: 0.93047166

 $00:26:05.480 \longrightarrow 00:26:06.070$ informal resolutions.

NOTE Confidence: 0.93047166

00:26:06.070 --> 00:26:08.428 Sometimes folks just want a discussion,

NOTE Confidence: 0.93047166

00:26:08.430 --> 00:26:10.134 mediation, A facilitated dialogue.

NOTE Confidence: 0.93047166

00:26:10.134 --> 00:26:13.891 We do have the capacity to offer that and

NOTE Confidence: 0.93047166

00:26:13.891 --> 00:26:16.740 to support that And so that's something we

NOTE Confidence: 0.93047166

 $00:26:16.740 \longrightarrow 00:26:19.220$ explore the folks who come for as well.

NOTE Confidence: 0.93047166

00:26:19.220 --> 00:26:20.820 And then I do want to mention share,

NOTE Confidence: 0.93047166

 $00:26:20.820 \longrightarrow 00:26:22.986$ our share center is our confidential

NOTE Confidence: 0.93047166

00:26:22.986 --> 00:26:25.396 resource around any types of tax or

NOTE Confidence: 0.93047166

 $00:26:25.396 \longrightarrow 00:26:27.740$ gender based conduct, sexual harassment,

NOTE Confidence: 0.93047166

00:26:27.740 --> 00:26:29.900 partner violence, stalking.

NOTE Confidence: 0.93047166

 $00:26:29.900 \longrightarrow 00:26:31.740$ And these folks are available,

NOTE Confidence: 0.93047166

 $00:26:31.740 \longrightarrow 00:26:35.046$ they are extraordinary and they are

00:26:35.046 --> 00:26:37.564 available to you staff, students,

NOTE Confidence: 0.93047166

 $00:26:37.564 \longrightarrow 00:26:39.724$ faculty and we highly recommend

NOTE Confidence: 0.93047166

 $00:26:39.724 \longrightarrow 00:26:43.148$ them as a place to send somebody in

NOTE Confidence: 0.93047166

00:26:43.148 --> 00:26:46.167 addition to make their report to us if

NOTE Confidence: 0.93047166

 $00{:}26{:}46.167 \dashrightarrow 00{:}26{:}48.818$ they have a concern of these issues.

NOTE Confidence: 0.93047166

00:26:48.818 --> 00:26:52.440 There is some 24/7 or extremely sensitive.

NOTE Confidence: 0.92422324

00:26:58.870 --> 00:27:01.790 OK. And then of course the Police Department,

NOTE Confidence: 0.92422324

00:27:01.790 --> 00:27:03.310 I've often heard our chief,

NOTE Confidence: 0.92422324

00:27:03.310 --> 00:27:04.410 Anthony Campbell say if you

NOTE Confidence: 0.92422324

 $00:27:04.410 \longrightarrow 00:27:05.870$ think you need to call police,

NOTE Confidence: 0.92422324

 $00:27:05.870 \longrightarrow 00:27:07.270$ you need to call police.

NOTE Confidence: 0.92422324

 $00:27:07.270 \longrightarrow 00:27:08.142$ So when in doubt,

NOTE Confidence: 0.92422324

 $00:27:08.142 \longrightarrow 00:27:10.150$ if you feel like there's a safety issue,

NOTE Confidence: 0.92422324

 $00:27:10.150 \longrightarrow 00:27:13.147$ that is always a call to make their right.

NOTE Confidence: 0.92422324

 $00:27:13.150 \longrightarrow 00:27:14.508$ On the issues that I deal with,

 $00:27:14.510 \longrightarrow 00:27:16.260$ they have a team of

NOTE Confidence: 0.92422324

00:27:16.260 --> 00:27:17.310 specially trained officers,

NOTE Confidence: 0.92422324

 $00:27:17.310 \longrightarrow 00:27:20.870$ especially related to sexual violence,

NOTE Confidence: 0.92422324

 $00:27:20.870 \longrightarrow 00:27:22.822$ and we have a listing app with nobody's

NOTE Confidence: 0.92422324

 $00:27:22.822 \longrightarrow 00:27:25.033$ talked to you about it yet that can be

NOTE Confidence: 0.92422324

 $00:27:25.033 \longrightarrow 00:27:26.974$ helpful to download various warnings and

NOTE Confidence: 0.92422324

 $00:27:26.974 \longrightarrow 00:27:29.422$ other resources and links to resources.

NOTE Confidence: 0.92422324

00:27:29.430 --> 00:27:32.069 We, I think in the undergrad orientation,

NOTE Confidence: 0.92422324

 $00:27:32.070 \longrightarrow 00:27:33.270$ we sit around and watch them

NOTE Confidence: 0.92422324

 $00:27:33.270 \longrightarrow 00:27:34.310$ and make them download this.

NOTE Confidence: 0.92422324

00:27:34.310 --> 00:27:35.108 I'm not going to do that,

NOTE Confidence: 0.92422324

 $00:27:35.110 \longrightarrow 00:27:38.660$ but I think this is a useful app to have.

NOTE Confidence: 0.92422324

 $00:27:38.660 \longrightarrow 00:27:40.914$ I'm going to end with a discussion

NOTE Confidence: 0.92422324

 $00{:}27{:}40.914 \dashrightarrow 00{:}27{:}42.780$ about accessibility and accommodations,

NOTE Confidence: 0.92422324

00:27:42.780 --> 00:27:43.730 including briefly,

NOTE Confidence: 0.92422324

00:27:43.730 --> 00:27:46.580 I'm going to talk about religious

 $00:27:46.580 \longrightarrow 00:27:47.055$ accommodations.

NOTE Confidence: 0.92422324

 $00:27:47.060 \longrightarrow 00:27:50.000$ OK, so we have confidence to ensure

NOTE Confidence: 0.92422324

 $00:27:50.000 \longrightarrow 00:27:53.043$ accessibility here at Yale and to ensure

NOTE Confidence: 0.92422324

 $00:27:53.043 \longrightarrow 00:27:55.178$ equal access and full participation

NOTE Confidence: 0.92422324

 $00:27:55.178 \longrightarrow 00:27:57.818$ for all members of our community.

NOTE Confidence: 0.92422324

 $00:27:57.820 \longrightarrow 00:28:00.036$ We have a website that details a lot

NOTE Confidence: 0.92422324

00:28:00.036 --> 00:28:02.923 of this accessibility dot Yale dot Edu,

NOTE Confidence: 0.92422324

 $00{:}28{:}02.923 \dashrightarrow 00{:}28{:}06.038$ the important takeaways for today

NOTE Confidence: 0.92422324

 $00:28:06.040 \longrightarrow 00:28:06.886$ student accessibility services.

NOTE Confidence: 0.92422324

 $00:28:06.886 \longrightarrow 00:28:08.860$ So for those of you who are

NOTE Confidence: 0.92422324

 $00:28:08.908 \longrightarrow 00:28:09.958$ working with students,

NOTE Confidence: 0.92422324

 $00{:}28{:}09.960 \dashrightarrow 00{:}28{:}11.856$ we have an office that facilitates

NOTE Confidence: 0.92422324

 $00:28:11.856 \longrightarrow 00:28:13.920$ accommodations in the medical school setting.

NOTE Confidence: 0.92422324

 $00:28:13.920 \longrightarrow 00:28:14.874$ Shami is wonderful.

NOTE Confidence: 0.92422324

 $00:28:14.874 \longrightarrow 00:28:18.127$ He is the key point of contact in our

 $00:28:18.127 \longrightarrow 00:28:20.039$ student accessibility services office.

NOTE Confidence: 0.92422324

 $00:28:20.040 \longrightarrow 00:28:22.240$ And so if you were not the receiving

NOTE Confidence: 0.92422324

 $00:28:22.240 \longrightarrow 00:28:24.749$ end of like a letter saying that

NOTE Confidence: 0.92422324

 $00:28:24.749 \longrightarrow 00:28:26.639$ your student has an accommodation

NOTE Confidence: 0.92422324

00:28:26.640 --> 00:28:28.680 and you have concerns or questions,

NOTE Confidence: 0.92422324

00:28:28.680 --> 00:28:30.928 just reach on out to SAS and they're

NOTE Confidence: 0.92422324

 $00:28:30.928 \longrightarrow 00:28:33.238$ happy to talk that through with you.

NOTE Confidence: 0.92422324

00:28:33.240 --> 00:28:36.176 About 25% of the students in the School

NOTE Confidence: 0.92422324

 $00{:}28{:}36.176 \dashrightarrow 00{:}28{:}38.717$ of Medicine are registered with SIS.

NOTE Confidence: 0.92422324

 $00:28:38.720 \longrightarrow 00:28:40.799$ Many of those are solely related to

NOTE Confidence: 0.92422324

00:28:40.799 --> 00:28:42.444 exam accommodations, but not all.

NOTE Confidence: 0.92422324

 $00:28:42.444 \longrightarrow 00:28:44.880$ And we can be helpful and supportive.

NOTE Confidence: 0.92422324

 $00:28:44.880 \longrightarrow 00:28:46.176$ There are some places in the

NOTE Confidence: 0.92422324

00:28:46.176 --> 00:28:47.320 school where the physical plant,

NOTE Confidence: 0.92422324

00:28:47.320 --> 00:28:48.712 they're making huge improvements,

NOTE Confidence: 0.92422324

 $00:28:48.712 \longrightarrow 00:28:50.800$ but there are some places where

 $00:28:50.858 \longrightarrow 00:28:52.418$ the physical plant is more or

NOTE Confidence: 0.92422324

 $00:28:52.418 \longrightarrow 00:28:54.664$ less able to be navigated,

NOTE Confidence: 0.92422324

 $00:28:54.664 \longrightarrow 00:28:56.648$ particularly for those with

NOTE Confidence: 0.92422324

 $00:28:56.648 \longrightarrow 00:28:57.640$ mobility restrictions.

NOTE Confidence: 0.92422324

 $00:28:57.640 \longrightarrow 00:28:59.240$ So we can help with that as well.

NOTE Confidence: 0.93126464

00:29:01.400 --> 00:29:02.438 I do want to mention too,

NOTE Confidence: 0.93126464

 $00:29:02.440 \longrightarrow 00:29:03.434$ I don't have a slide on it,

NOTE Confidence: 0.93126464

 $00:29:03.440 \longrightarrow 00:29:05.960$ but if you develop or have a

NOTE Confidence: 0.93126464

 $00:29:05.960 \longrightarrow 00:29:07.368$ disability that requires accommodation

NOTE Confidence: 0.93126464

 $00:29:07.368 \longrightarrow 00:29:09.480$ or if a professional staff or

NOTE Confidence: 0.93126464

00:29:09.537 --> 00:29:11.037 faculty member you work with,

NOTE Confidence: 0.93126464

 $00:29:11.040 \longrightarrow 00:29:12.840$ the office that manages those

NOTE Confidence: 0.93126464

 $00:29:12.840 \longrightarrow 00:29:14.640$ is the office of institutional

NOTE Confidence: 0.93126464

 $00:29:14.700 \longrightarrow 00:29:16.200$ equity and Accessibility.

NOTE Confidence: 0.93126464

 $00:29:16.200 \longrightarrow 00:29:17.922$ And so if you need an accommodation

 $00:29:17.922 \longrightarrow 00:29:19.800$ related to a disability or if

NOTE Confidence: 0.93126464

 $00:29:19.800 \longrightarrow 00:29:21.600$ you develop a disability that

NOTE Confidence: 0.93126464

00:29:21.600 --> 00:29:22.320 requires accommodation,

NOTE Confidence: 0.93126464

 $00:29:22.320 \longrightarrow 00:29:24.048$ we will support that

NOTE Confidence: 0.93126464

00:29:24.048 --> 00:29:25.440 interactive process for you.

NOTE Confidence: 0.93126464

00:29:25.440 --> 00:29:26.720 Staff go through HR

NOTE Confidence: 0.93590873

 $00:29:28.960 \longrightarrow 00:29:30.696$ and then I do want to know

NOTE Confidence: 0.93590873

 $00:29:30.696 \longrightarrow 00:29:32.538$ religious accommodation, so we have

NOTE Confidence: 0.93590873

 $00{:}29{:}32.538 \dashrightarrow 00{:}29{:}33.876$ religious accommodation guidelines.

NOTE Confidence: 0.93590873

 $00{:}29{:}33.880 \dashrightarrow 00{:}29{:}35.566$ And if you have students who

NOTE Confidence: 0.93590873

 $00:29:35.566 \longrightarrow 00:29:37.151$ are unable to attend classes

NOTE Confidence: 0.93590873

00:29:37.151 --> 00:29:39.156 because of their religious belief,

NOTE Confidence: 0.93590873

 $00:29:39.160 \longrightarrow 00:29:41.344$ you we ask them to discuss

NOTE Confidence: 0.93590873

 $00:29:41.344 \longrightarrow 00:29:42.800$ the with their instructor.

NOTE Confidence: 0.93590873

00:29:42.800 --> 00:29:44.438 This may happen in the last setting,

NOTE Confidence: 0.93590873

 $00:29:44.440 \longrightarrow 00:29:45.756$ it may happen in a class setting,

 $00:29:45.760 \longrightarrow 00:29:48.476$ it may happen in a practical setting.

NOTE Confidence: 0.93590873

 $00{:}29{:}48.480 \dashrightarrow 00{:}29{:}50.433$ We ask them to give a lot of notice,

NOTE Confidence: 0.93590873

 $00:29:50.440 \longrightarrow 00:29:52.440$ but if you need any guidance for support,

NOTE Confidence: 0.93590873

 $00:29:52.440 \longrightarrow 00:29:54.200$ you can contact us.

NOTE Confidence: 0.93590873

 $00:29:54.200 \longrightarrow 00:29:56.840$ Similarly as faculty and also staff,

NOTE Confidence: 0.93590873

 $00{:}29{:}56.840 \to 00{:}29{:}59.008$ there are religious accommodation

NOTE Confidence: 0.93590873

 $00:29:59.008 \longrightarrow 00:30:00.634$ protections as well.

NOTE Confidence: 0.93590873

 $00{:}30{:}00.640 \dashrightarrow 00{:}30{:}03.121$ So if you need an accommodation for

NOTE Confidence: 0.93590873

 $00{:}30{:}03.121 \dashrightarrow 00{:}30{:}04.776$ a holiday that's not recognized

NOTE Confidence: 0.93590873

 $00:30:04.776 \dashrightarrow 00:30:06.750$ by the institution or otherwise,

NOTE Confidence: 0.93590873

 $00{:}30{:}06.750 \dashrightarrow 00{:}30{:}08.140$ you are encouraged to discuss

NOTE Confidence: 0.93590873

 $00:30:08.140 \longrightarrow 00:30:09.793$ that with your manager and you

NOTE Confidence: 0.93590873

00:30:09.793 --> 00:30:11.029 can also work with L i.e.

NOTE Confidence: 0.93590873

 $00:30:11.030 \dashrightarrow 00:30:13.106$ A to support that request further.

NOTE Confidence: 0.9328601

00:30:15.350 --> 00:30:17.345 So in summary, I want to thank

 $00{:}30{:}17.345 \dashrightarrow 00{:}30{:}19.429$ you all and welcome you here.

NOTE Confidence: 0.9328601

 $00{:}30{:}19.430 \dashrightarrow 00{:}30{:}22.070$ I know that was a lot of information.

NOTE Confidence: 0.9328601

 $00{:}30{:}22.070 \dashrightarrow 00{:}30{:}23.390$ Hopefully you feel armed to

NOTE Confidence: 0.9328601

 $00:30:23.390 \longrightarrow 00:30:25.038$ know a little bit more where

NOTE Confidence: 0.9328601

 $00{:}30{:}25.038 \dashrightarrow 00{:}30{:}26.664$ to look if something comes up.
