WEBVTT

00:00:00.000 --> 00:00:01.902 Yeah, we're going to turn the

00:00:01.902 --> 00:00:03.899 floor back over to Dean Brown

00:00:03.900 --> 00:00:06.798 or closing remarks on today's session.

00:00:06.800 --> 00:00:09.959 Thank you and I'd like to thank our speakers.

00:00:09.960 --> 00:00:11.710 Also, thank you to Daniel,

00:00:11.710 --> 00:00:14.167 Fatima and Yaacov again for your moderation.

00:00:14.170 --> 00:00:17.010 And Ed Kaplan's been trying to teach me

00:00:17.010 --> 00:00:19.438 about modeling now for about two months.

00:00:19.440 --> 00:00:21.715 It's a lot easier in the afternoon

00:00:21.715 --> 00:00:24.347 then at 7:00 o'clock in the morning.

00:00:24.350 --> 00:00:26.590 But thanks to all our speakers and

00:00:26.590 --> 00:00:28.483 for very thought provoking session

00:00:28.483 --> 00:00:31.514 and thanks to Ruth Montgomery in our

00:00:31.514 --> 00:00:33.459 communications team for assembling us.

NOTE Confidence: 0.870798349380493

00:00:33.460 --> 00:00:36.388 Have a Good afternoon.
