NOTE duration:"00:03:32" NOTE recognizability:0.932

NOTE language:en-us

NOTE Confidence: 0.93025595

 $00:00:04.280 \longrightarrow 00:00:05.276$  So thanks for coming in to

NOTE Confidence: 0.93025595

 $00{:}00{:}05.280 --> 00{:}00{:}07.200$ see me today, Nikki. Thank you.

NOTE Confidence: 0.93025595

 $00:00:07.200 \dashrightarrow 00:00:09.480$  Thanks for being here. Yeah. All right.

NOTE Confidence: 0.93025595

 $00:00:09.480 \longrightarrow 00:00:11.160$  I'm excited for this to be our

NOTE Confidence: 0.93025595

 $00:00:11.160 \longrightarrow 00:00:12.879$  first session together so we can,

NOTE Confidence: 0.93025595

 $00:00:12.880 \longrightarrow 00:00:14.240$  we can dive right in.

NOTE Confidence: 0.93025595

 $00:00:14.240 \longrightarrow 00:00:15.200$  That sounds good. OK.

NOTE Confidence: 0.93025595

 $00{:}00{:}15.200 \dashrightarrow 00{:}00{:}17.170$  So one of the first things that I

NOTE Confidence: 0.93025595

00:00:17.170 --> 00:00:18.610 wanted to actually talk with you

NOTE Confidence: 0.93025595

 $00{:}00{:}18.610 \dashrightarrow 00{:}00{:}20.520$  about is how I'd like to check in

NOTE Confidence: 0.93025595

 $00{:}00{:}20.520 \dashrightarrow 00{:}00{:}22.628$  with my students just in the first few

NOTE Confidence: 0.93025595

 $00:00:22.628 \longrightarrow 00:00:24.113$  minutes where we're meeting together.

NOTE Confidence: 0.93025595

 $00:00:24.120 \longrightarrow 00:00:25.681$  This is something that I do with

NOTE Confidence: 0.93025595

00:00:25.681 --> 00:00:27.128 all the students who I meet with.

NOTE Confidence: 0.93025595

 $00:00:27.130 \longrightarrow 00:00:29.058$  Really just want to get a sense of

NOTE Confidence: 0.93025595

 $00:00:29.058 \longrightarrow 00:00:30.880$  how you're feeling before we dive in

NOTE Confidence: 0.93025595

 $00:00:30.880 \longrightarrow 00:00:32.970$  and make sure we don't miss anything.

NOTE Confidence: 0.93025595

 $00:00:32.970 \longrightarrow 00:00:35.076$  It's really important that the therapy

NOTE Confidence: 0.93025595

 $00:00:35.076 \longrightarrow 00:00:37.070$  that you're getting here is working

NOTE Confidence: 0.93025595

 $00:00:37.070 \longrightarrow 00:00:39.206$  for you and that it's helpful to you,

NOTE Confidence: 0.93025595

00:00:39.210 --> 00:00:41.235 so it's good to check in on how you've

NOTE Confidence: 0.93025595

 $00{:}00{:}41.235 \dashrightarrow 00{:}00{:}42.930$  been feeling when we first meet.

NOTE Confidence: 0.93025595

00:00:42.930 --> 00:00:45.968 So we'll be using a brief checklist

NOTE Confidence: 0.93025595

 $00{:}00{:}45.968 \dashrightarrow 00{:}00{:}48.120$  together and it has different types

NOTE Confidence: 0.93025595

 $00:00:48.120 \longrightarrow 00:00:50.160$  of feelings that you can let me know

NOTE Confidence: 0.93025595

 $00:00:50.214 \longrightarrow 00:00:52.128$  whether you've experienced them or not.

NOTE Confidence: 0.93025595

 $00:00:52.130 \longrightarrow 00:00:54.248$  We've talked about worries and anxieties.

NOTE Confidence: 0.93025595

 $00:00:54.250 \longrightarrow 00:00:55.671$  So those are the types of things

NOTE Confidence: 0.93025595

00:00:55.671 --> 00:00:56.939 we're going to be working on.

NOTE Confidence: 0.93025595

 $00:00:56.940 \longrightarrow 00:00:59.500$  And we can score it right here together.

NOTE Confidence: 0.93025595

 $00{:}00{:}59.500 \dashrightarrow 00{:}01{:}01.414$  Talk about your responses and then

NOTE Confidence: 0.93025595

 $00:01:01.414 \longrightarrow 00:01:03.339$  figure out whether what we're planning

NOTE Confidence: 0.93025595

00:01:03.339 --> 00:01:05.418 on talking about in session is going

NOTE Confidence: 0.93025595

 $00{:}01{:}05.418 \longrightarrow 00{:}01{:}07.541$  to be helpful for you or whether we

NOTE Confidence: 0.93025595

 $00:01:07.541 \longrightarrow 00:01:09.560$  might need to change some things up.

NOTE Confidence: 0.93025595

 $00:01:09.560 \longrightarrow 00:01:10.820$  And that's Okay too.

NOTE Confidence: 0.93025595

 $00:01:10.820 \longrightarrow 00:01:12.020$  Yeah, that sounds good.

NOTE Confidence: 0.93025595

 $00:01:12.020 \longrightarrow 00:01:12.620$  Okay great.

NOTE Confidence: 0.93025595

00:01:12.620 --> 00:01:14.244 Let me actually show you the one

NOTE Confidence: 0.93025595

 $00:01:14.244 \longrightarrow 00:01:15.220$  that I'm thinking of.

NOTE Confidence: 0.93072736

 $00:01:17.700 \longrightarrow 00:01:19.372$  It's called the GAD 7.

NOTE Confidence: 0.93072736

 $00{:}01{:}19.372 \dashrightarrow 00{:}01{:}21.580$  This one's really helpful because it

NOTE Confidence: 0.928256753636364

 $00:01:21.657 \longrightarrow 00:01:25.097$  does have some symptoms that teens who are

NOTE Confidence: 0.928256753636364

00:01:25.097 --> 00:01:27.189 experiencing anxiety sometimes report.

NOTE Confidence: 0.928256753636364

 $00:01:27.190 \longrightarrow 00:01:28.214$  So it's pretty quick.

NOTE Confidence: 0.928256753636364

00:01:28.214 --> 00:01:30.389 You can just fill this out in session,

NOTE Confidence: 0.928256753636364

 $00:01:30.390 \longrightarrow 00:01:32.650$  or I could read them to you and and circle

NOTE Confidence: 0.928256753636364

00:01:32.705 --> 00:01:34.588 whichever ones that you tell me to,

NOTE Confidence: 0.928256753636364

 $00:01:34.590 \longrightarrow 00:01:36.990$  and then we'll just talk about your answers.

NOTE Confidence: 0.928256753636364

00:01:36.990 --> 00:01:39.372 Okay. Yeah, that sounds good. Okay.

NOTE Confidence: 0.928256753636364

 $00:01:39.372 \longrightarrow 00:01:42.748$  Great. What questions do you have so far?

NOTE Confidence: 0.928256753636364

 $00:01:42.750 \longrightarrow 00:01:46.550$  So it's kind of like a quiz or a test.

NOTE Confidence: 0.928256753636364

 $00{:}01{:}46.550 \dashrightarrow 00{:}01{:}47.750$  That's a really good question.

NOTE Confidence: 0.928256753636364

00:01:47.750 --> 00:01:50.598 So it's actually not like a quizzer test

NOTE Confidence: 0.928256753636364

 $00{:}01{:}50.598 {\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}} 00{:}01{:}53.026$  because there's no right or wrong answers.

NOTE Confidence: 0.928256753636364

 $00:01:53.030 \longrightarrow 00:01:55.550$  There's no grades that are tied to this.

NOTE Confidence: 0.928256753636364

00:01:55.550 --> 00:01:58.226 And actually when we're meeting together,

NOTE Confidence: 0.928256753636364

 $00:01:58.230 \longrightarrow 00:02:00.147$  you're going to be having some ups and downs.

NOTE Confidence: 0.928256753636364

 $00:02:00.150 \longrightarrow 00:02:02.103$  We can expect that it's normal that

NOTE Confidence: 0.928256753636364

00:02:02.103 --> 00:02:04.114 some weeks are going to be great

NOTE Confidence: 0.928256753636364

 $00:02:04.114 \longrightarrow 00:02:05.788$  and other weeks might be harder.

NOTE Confidence: 0.928256753636364

 $00{:}02{:}05.790 \dashrightarrow 00{:}02{:}08.085$  So your answers on this might just go up

NOTE Confidence: 0.928256753636364

 $00:02:08.085 \longrightarrow 00:02:10.655$  and down each time we see one another okay.

NOTE Confidence: 0.928256753636364

00:02:10.660 --> 00:02:12.472 We're hoping that over time you're

NOTE Confidence: 0.928256753636364

 $00:02:12.472 \longrightarrow 00:02:14.375$  starting to feel better and better

NOTE Confidence: 0.928256753636364

 $00:02:14.375 \longrightarrow 00:02:15.659$  as we're meeting together.

NOTE Confidence: 0.928256753636364

 $00:02:15.660 \longrightarrow 00:02:17.235$  And so this is just a way for you

NOTE Confidence: 0.928256753636364

 $00:02:17.235 \longrightarrow 00:02:18.978$  to let me know how you're feeling.

NOTE Confidence: 0.928256753636364

 $00:02:18.980 \longrightarrow 00:02:19.872$  And like I said,

NOTE Confidence: 0.928256753636364

 $00:02:19.872 \longrightarrow 00:02:21.511$  we can decide if what we're doing

NOTE Confidence: 0.928256753636364

00:02:21.511 --> 00:02:23.247 together is working or if we need

NOTE Confidence: 0.928256753636364

 $00:02:23.247 \longrightarrow 00:02:24.460$  to change something up.

NOTE Confidence: 0.928256753636364 00:02:24.460 --> 00:02:24.820 Okay,

NOTE Confidence: 0.939549

 $00:02:25.750 \longrightarrow 00:02:27.388$  What about, like mom or dad?

NOTE Confidence: 0.939549

 $00:02:27.390 \longrightarrow 00:02:29.628$  Will they have access to this?

NOTE Confidence: 0.939549

 $00:02:29.830 \longrightarrow 00:02:31.030$  That's such a good question.

NOTE Confidence: 0.939549

00:02:31.030 --> 00:02:34.030 So this, just like everything we work on,

NOTE Confidence: 0.939549

 $00:02:34.030 \longrightarrow 00:02:36.070$  stays in your chart with me.

NOTE Confidence: 0.939549

00:02:36.070 --> 00:02:37.618 And so your parents always have

NOTE Confidence: 0.939549

 $00:02:37.618 \longrightarrow 00:02:39.229$  access to that if they want.

NOTE Confidence: 0.939549

00:02:39.230 --> 00:02:41.078 But you and I will decide together

NOTE Confidence: 0.939549

 $00:02:41.078 \longrightarrow 00:02:43.068$  when feels right to share it with them.

NOTE Confidence: 0.939549

 $00:02:43.070 \longrightarrow 00:02:44.312$  I think we should probably just

NOTE Confidence: 0.939549

 $00{:}02{:}44.312 \dashrightarrow 00{:}02{:}45.710$  get started and see how you feel.

NOTE Confidence: 0.939549

 $00:02:45.710 \longrightarrow 00:02:47.756$  First about it can be really

NOTE Confidence: 0.939549

 $00{:}02{:}47.756 \dashrightarrow 00{:}02{:}49.875$  helpful for your parents to know

NOTE Confidence: 0.939549

00:02:49.875 --> 00:02:51.921 how things are going from your

NOTE Confidence: 0.939549

 $00:02:51.921 \longrightarrow 00:02:54.028$  perspective so they can support you.

NOTE Confidence: 0.939549

 $00:02:54.030 \dashrightarrow 00:02:56.174$  And I may actually ask them to do

NOTE Confidence: 0.939549

 $00:02:56.174 \longrightarrow 00:02:57.949$  some checklist as well on their own,

NOTE Confidence: 0.939549

 $00:02:57.950 \longrightarrow 00:02:59.875$  but this won't be shared with your

NOTE Confidence: 0.939549

 $00{:}02{:}59.875 \dashrightarrow 00{:}03{:}01.383$  teachers or any other clinicians

NOTE Confidence: 0.939549

 $00:03:01.383 \longrightarrow 00:03:03.261$  or any body else in the school

NOTE Confidence: 0.939549

 $00:03:03.261 \longrightarrow 00:03:05.120$  unless you and your parents give

NOTE Confidence: 0.939549

00:03:05.120 --> 00:03:06.585 us permission to share it.

NOTE Confidence: 0.939549

 $00:03:06.590 \longrightarrow 00:03:08.633$  It's really just for us to use so that

NOTE Confidence: 0.939549

 $00:03:08.633 \longrightarrow 00:03:10.869$  we can get a sense of how you're doing

NOTE Confidence: 0.939549

 $00:03:10.870 \longrightarrow 00:03:13.110$  and how therapy is going for you.

NOTE Confidence: 0.939549

 $00:03:13.110 \longrightarrow 00:03:13.656$  OK, sounds good.

NOTE Confidence: 0.939549

00:03:13.656 --> 00:03:15.113 Do you want me to read them out

NOTE Confidence: 0.939549

 $00{:}03{:}15.113 \dashrightarrow 00{:}03{:}16.266$  to you and you can fill them out

NOTE Confidence: 0.939549

 $00:03:16.266 \longrightarrow 00:03:17.790$  or do you want to go ahead and

NOTE Confidence: 0.939549

 $00:03:17.790 \longrightarrow 00:03:19.230$  fill it out yourself?

NOTE Confidence: 0.939549

 $00{:}03{:}19.230 \dashrightarrow 00{:}03{:}20.990$  I think I can fill it out myself.

NOTE Confidence: 0.939549

00:03:20.990 --> 00:03:21.190 OK,

NOTE Confidence: 0.9290567

 $00:03:21.470 \longrightarrow 00:03:22.150$  great. Go for it.
